and the new Brock street structure. Instead of a thin line of heads looking down from the gallery on the fourteen athletes below, and inhaling the fumes of tobacco smoke that came from those who occupied the beams below, there were tier upon tier of seats, comfortably filled with young ladies, old ladies, young men and old men, and boys of all sizes and ages. The rink of course is not not yet fully completed. The waiting rooms are not quite ready for occupation, and the stairway to the balcony is not yet in position, so that that portion of the rink was not occupied on Saturday night. The reserved seat portion was well patronized, whilst the eastern side of the rink contained at least five hundred persons.

The rink is splendidly lighted, six arc lights sending forth a great glow over the beautiful sheet of ice. The seating starts within a few feet off the ice, and extends back for five tiers, making a seating capacity for 2,000 people. In fact, it is generally admitted that the rink is one of the finest in Canada, outside of the "Arena," in Montreal. It is most attractive in its appearance, both outside and inside, and reflects much credit upon the contractor, Mr. Langford, and the Rink Company directors, etc.

It might be stated that the facilities for exit will be greatly increased in the course of a week or two. On either side of the rink are large doors that will be used in allowing the crowds to leave the rink at the conclusion of games, and thereby avoid a congestion of traffic at the front doors.

The attention of the spectators is drawn to the practice of those who occupy the front seats in standing up during exciting periods, and thereby obstructing the view of those who occupy the seats farther back.

Altogether the opening of the new rink for hockey purposes was a magnificent success, and another large crowd will likely be on hand to-morrow night to witness the junior match between the Peterborough Colts and the Cobourg seven.

A NEW CLUB

Has Been Organized in Peterborough—The Officers.

The "Albany Club" is the name given to a new social organization, recently organized in Peterborough. A suite of rooms have been secured in the Opera House Block, facing George street, which are being handsomely fitted up and furnished. The premises will have a total length of about 80 feet, by about 35 feet and will be divided into four large rooms.

A charter is being secured so that the club will be incorporated. The following are the officers for 1903:

W. H. Meldrum—President.
W. H. Robertson—1st Vice-President.
Dr. Bradd—2nd Vice-President.
Wm. Sailsbury — Secretary-Treasurer.
Committee of Management—E. B. Stone, W. E. Loch, Rupert Gliddon, Geo. A. Cox, Jr., and Geo. E. Elliott.

DR. FITZGERALD DEAD.

His Demise Occurred in Amherst, N.S., on Saturday Night.

Mr. J. W. Fitzgerald, C. E., town, yesterday received a telegram from Amherst, Nova Scotia, containing the sad intelligence of the sudden death of his brother, Dr. G. D. Fitzgerald, at that place. Mr. Fitzgerald left last night for Amherst, where his brother will be buried.

A despatch from Amherst says:

"Dr. Gerald Delacey Fitzgerald, a popular young practitioner of this town, *died very suddenly* last evening of heart disease. He was 32 years of age, and was born at Peterborough, Ont. He graduated from Queen's University in 1893."

AT ALL SAINTS'

Celebration of the First Anniversary of the Parish.

All Saints' church yesterday celebrated the first anniversary of the formation of their parish. The service opened at 8.30 a. m., by the celebration of Holy Communion.

The feature of the services was the presence of Rev. Canon Richardson, M.A., of London, who preached morning and evening. Large congregations were present on both occasions.

The music included the Te Deum, Custance; Jubilate, by Nevin; Evening Service by Ebdon, and the Anthems,—"The Anthem Celestial," and "Brightest and Best."

Fountain Pens from $1.00 to $5.00 and Stylographic Pens at $1.00, all guaranteed—at Sailsbury's.

RELATION OF RELIGION TO MUNICIPAL MATTERS

Special Service in St. John's Attended by Aldermen and Town Officials.

Sermon by Rev. J. C. Davidson on the Subject.

Last night a very interesting special service was held in St. John's Church, and the Rector, Rev. J. C. Davidson preached an excellently practical sermon on the subject of municipal matters from a religious standpoint.

There was a good attendance of those assumed to be primarily interested in the subject, including the members of the Town Council, other civic officials and many others not usually worshippers in St. John's.

The service which was special, including special prayers for the prosperity of the town and the guidance of those in authority, was said by the Rector, Alderman Rush reading the lessons.

The preacher announced as his text the 6th verse of the 13th chapter of St. Paul's epistle to the Romans: "For this cause pay ye tribute also for they are God's ministers, attending ing continually upon this very thing."

He began by speaking of his privilege to bear a distinct message to the Mayor and Council and those in authority and to the citizens.

The first point was this,—The officials were all ministers of the Most High. It is unfortunate that men associated "minister" exclusively with a long coat and white tie, and sometimes speak as if clergymen were the only men whose mission it was to do good, which on the other hand God intended should be done in every occupation. The test was not the nature of the occupation but the sphere in which work was done, whether selfishly or self-giving. Surely with all the time spent in the public interest, members of the council were doers of good if anyone was.

The power for this came from God Who worked in three distinct spheres,—the family, the State and the Church. In each of these He commissioned men to carry out His will whether they were kings, mayors or clergymen or parents. The preacher went on to show the position of state officials as ministers of God.

1. That they were entrusted with the material welfare of the town, which, however, was not everything—mere bulk did not count to-day.

2. They were Divinely given charge of measures for securing public health. Under this head the speaker referred to the changed conditions introduced by the water system, tem, increase in size of town, and other things which demanded modifications of old laws and their more stringent enforcement.

3. As public ministers it was given to them to promote in the town the cause of beauty by Him whose world was pleasant to the sight and beautiful. It was pointed out how well the town lent itself to beautification, having the two essential elements of hills and the water front, which extended so far and was still within municipal control. In connection with the Horticultural Society, much had been done and more should follow.

4. They were God's ministers in advancing the cause of righteousness. In this connection the speaker dealt directly with the liquor question, believing that there is now a special opportunity to secure the enforcement of the act, giving practical suggestions to this end. The efforts of temperance people should now be concentrated on making the very best of the present state of things, the Crooks' Liquor Act, and in this they would be supported by the better class of hotel keepers. They were fortunate in having in Peterborough a Minister of the Crown, who had charge of this very department, and he believed that if an appeal were made to him he would take the necessary action.

Turning from Officials to the people generally, he called for a better response to the call of

PUBLIC DUTY.

The business of the country, municipal, military and parliamentary, was carried on by volunteers, and it depended upon individual citizens to take the initiative, and boldly come forward for public services.

Further, we were expected to get into proper relations with one another. "Owe no man anything, but to love one another." Thoughtlessness and procrastination in money matters came very near to dishonesty, and we owed more than money.

Public men to-day did not receive the honour which is their due.

Public men were abused and villified; knaves, boodlers, scoundrels and rogues, were the words lavishly used, and public men were tempted to live up to their reputations, and the speaker knew of very few who had been thought worthy of general commendation, and every one of these was dead. If public leaders were not actually villified, they were treated with indifference or their motives wilfully misconstrued. After all there were some disinterested men, who believed in the glory of high public service.

In conclusion, the preacher made a call for men to come into the ministry of public service, and spite of all these difficulties, and not be content with a narrow and selfish existence A country's history was the history of its great men.

The music was especially spirited, the hymns being vigorous in character and correspondingly rendered. The offertory anthem, "How Long Will Thou Forget Me?" was exceedingly well sung in chorus, and the same applies to the incidental solo, well taken by Mr. Walter Wesley, and to the duet by Mrs. Seward and Mr. Morphet.

The entire service was very attractive, and the practical sermon taken to heart, and acted upon, will produce a very beneficial effect upon the community.

—One man says "The most popular entertainers in our whole course. Another, 'Leads all the attractions we have had." This of the Bell Ringers, to-night in George st. church, 15 and 25 cents.

T.A.S. DEFEATED BOBCAYGEON

In a Trent Valley League Game on Saturday.

The Score was Eight to Five—Visitors Were Very Kindly Treated.

St. Peter's T.A.S. hockey team, with three 'bus loads of supporters, journeyed to Bobcaygeon Saturday afternoon to play their first scheduled game in the Trent Valley League, with the team of that village. The result was a victory for the total abstinence boys by a score of 8—5.

The game was a hot one from start to finish, and was characterized by hard, close checking and vigorous body work. The Bobcaygeon aggregation is a septette of hustlers, being very speedy on the ice and using the body to good advantage. The members of the T.A.S. team is credited with putting up an excellent game of hockey and every man played his position with credit.

The following was the line-up:

T. A. S.	Bobcaygeon.
	Goal.
F. McCoy	J. Cameron
	Point.
W. Meagher	T. Edgar
	Cover point.
W. Crowley	R. Hearst
	Right wing.
W. George	J Sheehan
	Left wing.
F. McGrath	B. Trotter
	Centre.
W. Parnell	W A McIntyre
	Rover.
G. Lynch	H. Garlick

Referee—Dr. Aldrus.

The game was witnessed by the largest gathering that ever attended a hockey match in Bobcaygeon, and the rink rang with he shouts of the supporters of both teams. In the first half the score stood 3—0 in favour of the T.A.S., and in the last half they tallied five more, and also allowed the villagers to notch five to their credit.

Dr. Aldous, of Fenelon Falls, refereed the game to the satisfaction of both teams.

After the game the Bobcaygeon Club treated the T.A.S. boys and their supporters to an excellent oyster supper at the Rockland House. An impromptu toast list was arranged and speeches, songs and recitations were the order of the evening.

The T.A.S. hockeyists have voted the 'Caygeonites all right, and thorough sports in every sence. The villagers as a whole welcomed the T. A.S. right royally, and the village certainly deserves the title of the home of "the good, the true and the beautiful," conferred on it by Smiff, of the Independent.

The T.A.S. aggregation arrived home early Sunday morning.

Their next game will be with Lakefield on Friday evening next in the Brock street rink, and a good match is promised.

MR. O'CONNELL'S POSITION.

Can a Separate School Trustee be an Alderman?

When the members of the Peterborough town council were sworn into office this morning, Mr. D. O'Connell was the only member-elect who did not take his seat. The reason of this is, it is said, that a question has arisen as to whether Mr. O'Connell is qualified to sit at the council board, owing to the fact that he is a member of the Separate School Board of the Town of Peterborough.

Mr. O'Connell will not at the present time express an opinion on the matter, but Mayor Roger says that he is of the opinion that Mr. O'Connell is disqualified.

NEW CHURCH BLESSED.

St. Jerome's Church, Warkworth Consecrated to Worship.

His Lordship Bishop O'Connor was in Warkworth yesterday and performed the ceremony of blessing the new church of St. Jerome, at that place, of which Rev. Father T. B. O'Connell is pastor. Rev. Archdeacon Casey, of Lindsay, preached the sermon.

WEDDED AT ALL SAINTS.'

Nuptials of Mr. Harry Parker and Miss Charity Dewdney.

At All Saints' church on Saturday Mr. Harry Parker, of North Harvey, was united in marriage with Miss Charity Dewdney, daughter of Mr. Arthur Dewdney, ex-councillor of the same township. The marriage was very quietly celebrated, only the necessary witnesses having been present. The happy pair left on the 5.10 train for Toronto on a wedding journey. On their return they will take residence in Verulam.

Buy in Town—Stand by the Town.

We're reaching out for more business from business men. A lot of office supplies is bought from out-of-town firms, which the Peterborough Bookstore can fill equally as well. We can quote you jobbers' prices, and meet any offer for similar quantities of binders' cases, Shannon fyles, Eclipse fyles, office drawers, pens, inks, mucilage, blank books, letter books, type-writer ribbons, erasers and oil. We want the office supplies trade of the town confined to Peterborough. You can assist us. Test us with your next order — you'll find the prices right—because we are prepared to make them right. A. H. Stratton & Co.

New Year's Dainties at S. A. Oke's.

Is Your Piano in Tune?

The change of seasons affects pianos as well as everything else. Mr. Geo. Gumpricht, practical piano maker and tuner, with twenty-eight years experience, attends to all orders left at Mr. H. S. Macdonald's drug store.

Fresh Cider at Knox's—25 Cents per Gallon. tf

SOCIAL AND PERSONAL.

At the conclusion of Saturday night's hockey match, Mrs. C. B. McAllister kindly presented the Peterborough Club with a sum of money towards the entertainment of the visitors.

Mr. and Mrs. E. O. Langham, (nee Miss Rose Breault) and children, of Danville, Ill., after spending two weeks with her sister, Mrs. J. B. Larocque, of Peterborough, and relatives in Norwood and Toronto, left per C. P. R. train on Saturday, for their home in Danville, Ill.

Mrs. F. H. Chambers of 670 Second avenue, Detroit, gave a large party New Year's Eve for Mr. and Mrs. W. J. Sherwood, of Peterborough, who have been spending the holiday season in Detroit. Many charming entertainments have been given in their honour, among them a dinner by Mrs. March, 61 Baltimore avenue west; a large dinner by Mrs. H. B. Ward, and a theatre party by Mrs. F. H. Chambers, with a supper at her residence afterwards. Mr. and Mrs. Sherwood return to their home the end of this week.

NEWS NUGGETS.

—The seniors will practice this evening from 7 to 8 o'clock.

—The Examiner has to thank the Bank of Toronto for an elegant little calendar for 1903.

WORLD'S WONDERS.

EGYPT'S MIGHTY DAM WILL IMPART STABILITY TO HARVESTS.

Epoch-Marking Event in the History of Egypt—Description of Works and the Great Results That Are to Flow Therefrom—The Two Dams Add 2,500 Miles of Cultivatable Area to Egypt.

On the 11th Dec., 1902, the Egyptian Khedive turned the key which set in motion the electric machinery in connection with the great Assouan dam. The occasion was graced by the presence of the Duke and Duchess of Connaught, Earl and Countess Cromer, the British Agent in Egypt, and various Consuls-General. A similar ceremony took place in connection with the Assiout dam, 200 miles distant, on the 13th Dec.

The importance of the event lies in the claim that this work will systematize irrigation, impart security to crops and stability to harvests and widen the area of the Nile lands under cultivation. It has cost between £20,000,000 and £25,000,000.

The formal opening of the great Assouan dam on the River Nile, is an epoch-marking event in Egyptian

BIRD'S EYE VIEW OF THE NILE, SHOWING THE TWO GREAT DAMS.

history. The Nile is the chief source of Egyptian agriculture. It gathers in its course to the sea millions of tons of rich mud and silt, and, during the rainy season, overflows its banks and deposits its fertilizing material over a large strip of territory on each side of the river. When the water recedes it leaves a fertile area from which great crops of cotton, sugar, tobacco, etc. are obtained. There exists to-day one of the channels made at the time of Joseph to dam up the fertilizing water, and after thirty centuries of decline, Egypt is once more, under British rule, developing her resources.

About half a century ago the first serious attempt to improve matters was made by the construction of the celebrated barrage at the apex of the Delta. This work consists, in effect, of two brick arched viaducts crossing the Rosetta and Damietta branches of the Nile, having together 132 arches of 16 feet 4 inches span, which were entirely closed by iron sluices during the summer months, thus heading up the water some 15 feet, and throwing it at a high level into the main irrigation canals below Cairo. Forced labor was largely employed in the construction, and at one time 12,000 soldiers, 3,000 marines, 2,000 laborers, and 1,000 masons were at work at the old barrage.

The Assiout Barrage.

The barrage across the Nile at Assiout, about 250 miles above Cairo, was commenced by Sir John Aird & Co. in the winter of 1898, and completed last spring. This work resembles the old barrage at the apex of the Delta. The total length of the structure is 2,750 feet, or rather more than half a mile, and it includes 111 arched openings of 16 feet in height. Some idea of the difficulty of construction may be had from the fact that to keep the water down 17 12-in. centrifugal pumps, throwing enough water for the supply of a city of two million inhabitants had to be kept going, and in a single season as many as one and a half million sandbags were used in these temporary dams. The bed of the river being extremely mobile sand, the constant working of the pumps occasionally drew away sand from under the adjoining completed portions of the foundations, necessitating the drilling of many holes through the ten feet thick masonry platform, and grouting under pressure with liquid cement. About 1,000 springs also burst up through the sand, each one of which required special treatment.

The Assouan dam stores up over 1,000,000,000 tons of water, affecting a strip of country 140 miles long. The work has employed 8,500 natives working in day and night shifts. Owing to two successive low Niles, which has not happened before for forty years, progress was greatly facilitated.

The two dams will add 2,500 miles of cultivatable area to Egypt, valued at $400,000,000, adding $2,000,000 yearly to the national revenue. The cost of the dams is $25,000,000. The Assouan dam is about 600 miles above Cairo, or 350 miles above Assiout.

Sir John Aird, M.P., is the contractor for the Assouan dam, and Sir Benjamin Baker and Mr. Fitzmaurice the chief engineers. H.R.H. the Duke of Connaught laid the corner stone of the work on February 12th, 1899, in the name of Queen Victoria, just as he represented King Edward at the ceremony on the occasion of the completion.

Bird Flight.

Small birds appear to fly more rapidly than the large ones and deceive many observers. The humming bird does not fly as fast as many awkward appearing, very much larger, slow flapping birds. Birds in rapid flight must overcome an atmospheric pressure of from 112 to 130 pounds to the square foot of flying surface.

GOVERNMENT WANTS THE ROAD.

Offer Made to Stockholders of the Netherlands S. A. Line.

Berlin, Jan. 12.—The British government has written to the holders of stock of the Netherlands South African Railway offering to pay £135 for each share in the road that was held by private persons prior to the outbreak of the war in South Africa. A meeting of these shareholders will be held shortly, when this offer will be considered. This road was taken over by the British during the war.

SAVED FROM THE GRAVE

What T. C. Marsh Says Dodd's Kidney Pills did for him.

Story of a Nova Scotia man who had Almost Given up Hope of Ever Being Well Again.

Central Economy, N. S. — January 11th, (Special.) — "I feel as if Dodd's Kidney Pills had saved me from the grave," is the way T. C. Marsh, of this place, talks of those wonderful exterminators of the aches and pains arising from Diseased Kidneys. And Mr. Marsh should know whereof he speaks. He was under the doctor's care for kidney complaint for some time, and despite their efforts, continued to grow worse. He was almost in despair when a friend advisived him to use Dodd's Kidney Pills. In such a severe case the progress towards recovery was naturally slow but he persevered and now he feels justified in using the strong words quoted above. Mr. Marsh thus describes his case :

"I was under the doctor's care, but didn't seem to get any better, only worse. I was advised by a friend to use Dodd's Kidney Pills. After I had used them for a time, I began to feel a difference and I never stopped until I had used 22 boxes. I suppose I will still have to use something as long as I live, but I feel as if Dodd's Kidney Pills had saved me from the grave.

"I have recommended Dodd's Kidney Pills to everyone because of what they have done for me."

Clarke of Hawkesbury.

Ottawa, Jan. 12.—The body of the man found lying dead on the C. P. R. tracks on Friday near Graham's Station, has been identified as Thomas Clarke, a shantyman, of Hawkesbury. The body was buried at Colden. He is supposed to have fallen off the train and was frozen to death.

THE DOMAIN OF DESPAIR.

That Awful Great Basin Between the Rockies and the Sierras.

There are various kinds and degrees of deserts in this country, but the most utterly hopeless are found in the so called Great basin between the Rockies and the Sierras. This is a vast region of deserts, with here and there an area where nature in prankish mood seems actually to have made an effort to produce spectacular effects of horror. From the Wasatch mountains to the Sierra Nevada extends a ghastly stretch of territory which is intersected by a series of high mountain ranges running parallel north and south, with valleys between.

A birdseye view of the landscape shows three principal ranges, two of which are known as the Amargosa and Panamint, and between these is Death valley, so called because it is the very abode of death.

Imagine a narrow strip of arid plain shut in between two mighty mountain walls, the peaks stretching up 10,000 feet into a burning sky. The surface of this plain, which is 175 feet below sea level, is a mere crust of salt and alkali, through which a ridden horse breaks up to his knees into a horrid paste than eats both hair and hide.

A gray haze that never lifts makes everything indistinct and puzzling to the view. No vegetation is to be seen save a very scanty sagebrush, with leaves that are not green, but gray, and here and there a sort of cactus that grows to five or six feet in height, with extended branches. It is called the "dead man" because in the night each stalk looks like a corpse by the wayside.

But the supreme horror of the place is the heat, which is unspeakable. There is a breeze, but it is so scorching hot as to blister your face. Streams flow from springs down toward the valley, but never reach it, because the heat dries them up on the way.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the new Inhaler Remedy, "Catarrhozone," the treatment of catarrhal diseases has been entirely revolutionized. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Poison & Co., Kingston, Ont.

Dr. Hamilton's Mandrake and Butternut Pills.

Same Old Thing.

Tom—Did you call on that pretty telephone girl?

Dick—Yes, but I guess there was another fellow there ahead of me, or maybe it was only force of habit.

Tom—How do you mean?

Dick—My card came back with the message: "Busy. Please call again."

Reassuring George.

She had been shopping, and he was naturally disturbed.

"I hope you didn't spend much money while you were downtown today," he remarked.

"Not a cent except car fare, George," she answered reassuringly. "I had everything charged."—Chicago Post.

YOU CAN TEST THE KIDNEYS

And Find out for Yourself Whether or not you are Becoming a Victim of Painful, Fatal Kidney Disease.

It is not necessary for you to consult a specialist on kidney disease to find out if you are a victim of this dreadful derangement. You can test your kidneys at home, and satisfy yourself on this point.

Allow some urine to stand in a glass for twenty-four hours, and if at the end of that time you find sediment in the bottom of the vessel you can be sure that your kidneys are diseased.

Pains in the small of the back, and smarting when urinating, frequent desire to urinate, especially at night, loss of flesh and strength, are other marked symptoms which indicate kidney disorders. Make this test for yourself. Consider whether you have any of these symptoms, and if you conclude that your kidneys are out of order begin at once to use Dr. Chase's Kidney-Liver Pills. They will bring prompt relief and will thoroughly cure you.

On account of their direct action on the kidneys Dr. Chase's Kidney-Liver Pills cure ailments of the kidneys when ordinary kidney medicines fail. They have proven their efficacy in many thousands of cases, and are endorsed by more people than any other kidney medicine extant.

Mr. C. Noyes, for many years section foreman and now flagman for the G.T.R. at Peterborough, Ont., states:—"For twenty-one years I was section foreman on the G.T.R. and was exposed to all sorts of weather. As a result my kidneys became affected and there was scarcely a day that I was not troubled more or less. At times I would have sharp shooting pains through my back and would get so used up that I felt like giving up work.

"During this time I was also a great sufferer from constipation. As I heard so much about Dr. Chase's Kidney-Liver Pills for kidney disease and constipation I began using them and can say that I was entirely cured of my old troubles in a short time. I cannot say anything too good about Dr. Chase's Kidney-Liver Pills and never lose an opportunity of recommending them."

Dr. Chase's Kidney-Liver Pills; one pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto. 8

A BAD CASE
OF
KIDNEY TROUBLE
CURED BY
DOAN'S KIDNEY PILLS.

Kidney Troubles, no matter of what kind or what stage of the disease, can be quickly and permanently cured by the use of these wonderful pills. Mr. Joseph Leland, Alma, N.W.T., recommends them to all kidney trouble sufferers, when he says:—I was troubled with dull headaches, had frightful dreams, terrible pains in my legs and a frequent desire to urinate. Noticing DOAN'S KIDNEY PILLS recommended for just such annoyances as mine, it occurred to me to give them a trial, so I procured a box of them, and was very much surprised at the effectual cure they made. I take a great deal of pleasure in recommending them to all kidney trouble sufferers.

Price 50c. per box, or 3 for $1.25; all dealers or The Doan Kidney Pill Co., Toronto, Ont.

CANADIAN PACIFIC
A TOURIST CAR
WHAT IT IS

A Canadian Pacific Tourist Car is similar in general appointments to this Company's Palace Sleepers. It is large, airy, perfectly ventilated, handsomely finished and upholstered.

Portable section partitions, which firmly lock in place at night, make an open interior with no obstructing berth supports by day, and insure perfect seclusion to each berth by night.

Any Canadian Pacific Agent will gladly give you further particulars and secure you accommodation in one of these cars.

A. H. NOTMAN,
A.G.P.A., Toronto.

WHY ?

Why hunt in vain for cheap houses to rent when it is easier to buy? Why pay seven to ten per cent. in rent to be turned out, when five to six would pay interest on investment and own your house? Why look for farms to rent when we have lots of them for sale? Why run your own risk of fire when you should be insured? Why run all risks without protection when you should have an accident policy? Why trouble your friends when you can get a guarantee policy? Why leave your wife and family to scrub and beg when a life policy would prevent it? Why not call at Lindsay & Might's Real Estate and Insurance Office for any of these?

LINDSAY & MIGHT
Real Estate and Insurance Agents
336 George Street.

UNIQUE PROPOSALS.

SOME RATHER CURIOUS METHODS OF POPPING THE QUESTION.

Writing an Order of Marriage With a Shotgun—Inditing a Love Letter With a Waterfall—Fireworks and Vegetables Pressed Into Service.

Miss Annie Oakley, the champion rifle shot, was practicing in a London shooting gallery one day, firing at the regulation cardboard target, when a stranger happened along and, picking up a spare rifle, fired 100 shots thereat, the whole spelling out the following message: "Will you marry me?"

The lady was naturally somewhat surprised; but, not to be outdone, she promptly replied after similar fashion with her own match rifle, "Certainly not."

This is probably unique as an offer of marriage, but it is a fact that a young matron living in a south London suburb has in her possession at this present moment several rifle written love letters.

The lady in question was formerly an attendant at a shooting gallery in a certain popular place of amusement (soon, alas, to be closed forever) which is "down Westminster way," and her sweetheart that was and husband that is used to drop in of an evening to practice. He became so expert after awhile that he could place the shots where he liked to within a fraction of an inch, and he frequently used his skill when no inconvenient onlookers were around in the manner indicated. Needless to say that as soon as he had finished the little perforated squares or cartridge paper were carefully removed and preserved by her for whom alone the messages so curiously written thereon were intended.

The most farfamed feature of the beautiful Yosemite valley, in California, is the Bridal Veil fall. It descends from the plateau, nearly 3,000 feet above, in a single ribbon of silvery water limned luminously against the dark vertical face of the precipice.

Perhaps it was its romantic name which suggested to Charles Evelyn, a young and wealthy San Franciscan, to utilize the falling streamlet in an altogether novel fashion. Anyhow he spent several thousand dollars in constructing at the summit of the cliff, just where the water gathers itself together for its final terrific leap into the abyss below, a sort of vertically sliding sluice door which worked so smoothly and so perfectly that it could be lowered and raised several times in the course of a single minute.

Then when his preparations were complete he brought to the valley from her far eastern home the young lady to whom he was engaged, and by alternately raising and lowering the sluice gates above for longer or shorter intervals, as the case might be, he caused the cascade to tell her in spurts and jets, corresponding to the dots and dashes of the Morse alphabet, of the love he bore her. Whether the lady exactly approved of this blazoning abroad of what should have been a message sacred to her eyes alone is not recorded, but she has, at all events, the supreme satisfaction of reflecting that she is the only woman in the world to whom a love letter has been indited by a harnessed waterfall.

Love letters spelled out in fireworks are of course common. One such written aloft in particolored globes of flame and addressed by a Magyar noble to his affianced bride at Herrmannstadt is said to have cost £800.

In a Sussex garden a lovelorn but bashful swain sowed in mustard and cress a marriage proposal to the daughter of his next door neighbor, and the fair one, not to be outdone, answered, "Yes," in radishes. They were married without delay, and both the proposal and the answer were served and eaten at the wedding breakfast.

After all, however, it is doubtful whether the modern lover has, on the whole, progressed very far in the matter of inventing novelties, either in marriage proposals or love letters. Nearly 4,000 years ago a proposal for the hand of an Egyptian princess was inscribed elaborately on a block of solid stone and can be seen to this day by any one curious in such matters in the British museum. Machares, an old time king of Colchis, wooed his wife by sending her presents of young and beautiful child slaves, each of whom had some tender and loving message tattooed on the skin of the back, while, coming down to more recent times, it is recorded of the Prince de Conti that he sent to a certain great lady a proposal indited on a golden plaque, exquisitely engraved, the letters of the words of the epistle being formed of diamonds, rubies and emeralds set in the metal.

The lady's answer was, however, in the negative, whereupon the prince requested that she would at least do him the honor of accepting a ring containing a miniature of himself. To this she assented, but stipulated that the ring should be destitute of jewels. The tiny portrait was accordingly set in a simple rim of gold, but to cover the painting a large diamond, cut very thin, served as a glass. The lady promptly returned the jewel, whereupon the prince had it ground to powder, which he used to dry the ink of the note he wrote to her on the subject.—London Tit-Bits.

There by Right.

One of them went over and whispered to the stranger who had come in and taken a seat:

"I beg your pardon, but this is a gathering of working women, met to protest against"—

"I am a traveling preacher's wife," said the stranger.

And they made her the president of the meeting.

Neuralgia

is Rheumatism of the face. Uric Acid left in the blood by disordered kidneys lodges along the nerve which branches from the eye over the forehead, and across the cheek to the side of the nose. The cause is the same as in all Rheumatism— disordered Kidneys. The cure is likewise the same—

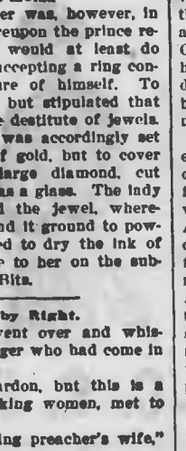
DANGER SIGNALS.

No engineer would be mad enough to run by the flag which signaled danger. What the danger was he might not understand, but he would take no chances. It is different with the average man or woman. They attempt constantly to run by the danger signals of Nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is a loss of flesh, when there is a constant feeling of dullness and languor, Nature is hoisting the danger signal. The stomach and its allied organs are failing in their work and the body is losing the nutrition on which its strength depends.



Such a condition calls for the prompt use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition, purifies and enriches the blood and builds up the body with sound, solid flesh.

"Your kindness to me I can never forget," writes Mrs. Josie E. Clark, of Enterprise, Shelby Co., Mo. "I cannot express half my feelings of gratefulness to you. I had despaired of ever getting well. I had been in bad health for twelve years. Had aches all through me, numb hands, cold feet, and everything I ate distressed me; bowels constipated, was very nervous, depressed and despondent. In fact, I can't express half my bad feelings to you. When I first wrote to you I thought I could never be cured. I have taken six bottles of Dr. Pierce's Golden Medical Discovery, and my health is now good. You have my honest recommendation to all sufferers. I think there is no medicine in the world as good as Dr Pierce's."

If constipated use Dr. Pierce's Pleasant Pellets. They cure constipation, billousness and sick headache. They do not produce the "pill habit."

IS THERE ANYTHING MORE UNSIGHTLY THAN TO SEE A PERSON WITH THEIR FACE COVERED WITH PIMPLES?

IS THERE ANYTHING MORE UNCOMFORTABLE AND PAINFUL THAN TO HAVE BOILS?

BAD BLOOD

Is the Cause of Boils and Pimples.

Bad Blood can be Cured by

Burdock Blood Bitters.

Mr. Wm. O'Malley, Madawaska, Ont., writes:—I used to be terribly bothered with boils and pimples, caused by bad blood and run-down system. I took two bottles of Burdock Blood Bitters, and it made my skin nice and clear, and built up my constitution. Any person using it will never be bothered with skin diseases.

LONG BROS.

Two Stores—Nos. 386 and 414 George Street.

SAFES FOR THE HOME.

Cunningly Hidden, Even From the Eyes of Servants.

The clumsy safe, which formerly held the precious stones and documents of the wealthy has practically been abolished in the homes of those who can afford to keep abreast of the times in such matters, and in its place have been introduced curiously wrought places of concealment which the professional burglar would have great difficulty in finding. A little secrecy has been found to be worth more than a foot of chilled steel. The old fashioned home or office safe is a direct invitation to a burglar. He knows that the diamonds, jewelry and spare cash and valuable documents are kept there. Otherwise, why have a safe in the home? There is hardly a man who does not at some time have considerable valuables in his home which he must intrust to his private safe.

The most ingenious method of modern safe builders is to construct a receptacle for valuables in the walls, floor or ceilings of the house. The work is as ingenious as it is effective. An expert examines the different parts of a room selected for the purpose and finally hits upon a place where concealment can be made the most effective. A square of a couple of feet or more is taken out of the plaster, and a chilled steel safe is made to fit in the hole thus made. The inside of the safe is lined with plush for holding diamonds and precious jewels, and there are compartments for bills and valuable documents. When fitted in its niche in the wall, ceiling or floor, the most ingenious part of the contrivance is then made by an expert. The opening of the safe door is made so carefully that it appears as if the side of the wall moves outward as if by magic. The spring which controls the mechanism is often concealed in the picture, molding or cornice some distance from the safe itself.

To make it doubly sure so that no one would accidentally touch the spring and reveal the hidden safe, with its treasures, there is usually a second spring. The first one consists chiefly in removing a small piece of the molding or wooden base of the rim, and this discloses nothing but a bare surface of wood. A little examination will show, however, that this wooden surface is divided into little square lines. One of these squares holds the second hidden spring. By pressing it in a certain way it will spring open the door of the safe, located probably half a dozen feet away. Consequently if workmen or servants should accidentally knock off the piece of molding or wooden base which reveals the second spring the secret would still be intact.

In the Conservatory.

He—There is something, darling, I want to tell you.

She—Oh, then, let us get away from the rubber plant. Come, tell me under the rose.

Harmless.

"Confound these literary clubs, I say! My wife's crazy over Browning."

"So's mine, but I'm not raising any objections. Browning's dead."

Differently Put.

Wigwag—Are you interested in woman's rights, Miss Caustique?

Miss Caustique — No; woman's wrongs.

It is better to spare the rod and spoil the child than spoil the child by using the rod too much.

Secondhand Book Habit.

One of the novel habits of the present day is one that takes one to secondhand bookstores, says the Philadelphia North American. Dealers in dissipated libraries call it aptly enough the "secondhand book habit."

A clerk whose duty it is to stand at the front of the secondhand bookstore and watch out for possible purchasers is the one who first made note of this queer habit. He noticed that the same men and women were wont to stop and cursorily inspect the same dusty volumes day after day, year in and year out. They come every day—the same old faces—and they look over the same old books, and they never say anything, and they never buy anything, and after awhile, when their time is up, they go away as silently as they came.

An Embarrassing Answer.

A man sent a note to a rich neighbor with whom he was on friendly terms to know if he could borrow an ass for a few hours. The worthy old man was no scholar and happened to have a guest sitting with him at the time, to whom he did not wish to expose his ignorance. Opening the note and pretending to read it, he reflected a moment and turned to the servant. "Very good," said he. "Tell your master I'll come myself presently."

The Inventor's Triumph.

"You say that Arbeiter's inventions have made several men millionaires, but did he ever make anything out of them?"

"Oh, yes. He was singularly successful with his devices in that respect. He made enough to perfect all of them."

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrozone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure fiver complaint.

The Bubble Reputation.

The Governor—Colonel, don't you know Judge Blank? Shake hands with him.

The Colonel—Ah, you are Judge Blank of Blankville?

The Judge—Yes; Blankville is my home.

The Colonel—Of course I know you by reputation then.

The Governor—Colonel, don't you know it always makes me feel mighty uncomfortable when a man says that about me—that he knows me by reputation?

The Colonel—How is that, governor? Why should it make you feel uncomfortable?

The Governor—Because, by jingo, I always wonder which reputation he means.

Lifebuoy Soap—disinfectant—is strongly recommended by the medical profession as a safeguard against infectious diseases.

Turkish Harems.

In every harem of any pretensions in Turkey there are French, English and German governesses. In Constantinople there is a great high school called the "Gate to Knowledge," where Turkish girls are being trained as teachers.

Licorice Root Beds.

It is stated that large beds of licorice root exists in an unimproved condition in the northern Caucasus region, near the shore of the Black sea.

Arabic of the Koran.

The Arabic used in the Koran differs as much from the Arabic used in ordinary conversation and intercourse in the east as the Latin differs from the Italian. The Koran Arabic is that of the literary classes. The colloquial Arabic is that of the common people.

Teeth In Germany.

Sound teeth are rare in Germany. Among 19,725 school children 95 per cent were found to have caries.

The following despatches have been received by E. M. Poussett & Co. from McIntyre & Marshall, of New York and Chicago:

New York, Jan. 12th, 9.45 a.m. — We look for an irregular and unsettled market, as re-actionist sentiment more pronounced than ever. Market has had big advance, and impression is that speculative conditions not nearly as good from a technical standpoint, and that some re-action due. *London* sold 50,000 shares Saturday, and the hardening tendency of money market there to-day suggests higher foreign exchange. Commission houses seem to have a pretty good line of stocks, while there is no extended short interest in the market, good stock are a buy on any set-back.
M. & M.

Would buy Rock Island common and preferred on breaks. Think well of their future.
E. PERKINS.

Landenburg selling B. O.
M. & M.

Market has been very irregular; feature has been profit-taking throughout; heaviest pressure been on M.O.P., B.O., At., St. P., Man. and Erie. London on both sides. Think stocks are a purchase now.
J. G. MARSHALL.

Sub-treasury statement shows banks gained $1,400,000 since Friday. Call money is in fairly good demand at 41-2 to 5 per cent. There has been slightly better demand for stocks in loan crowd.
M. & M.

Messrs. Haight & Freese have received the following:—

New York, Jan. 1h.—conditions favor irregularity to-day. The market is due to take a rest. Good bank statement which does not reflect all the gain in cash is likely to cause a higher opening and realizing specialty advances will probably facilitate profit taking.

In the specialty class we include Illinois Central G. W. Man., and Mop. Theere are bull points out on sugar, copper, Canadian Pacific, Rhode Is., and L. N., but we think the wisest plan is to buy them when weak for the present. London was firm.
TOPICS.

New York, Jan. 12.—There will be a change of spots so to speak big things are impending both in L.N and in Atch. Friends of Atch. common aver that it is good for 110 or better. Traders will renew their attacks on Erie com. but only ill advised operators will endeavor to make more than reasonable profits on the short side.

Union Pacific Southern and Mop. are specialtiees. Carry some sugar.

London Amns. still stronger At h lead ing. Gaining 3-4, Reading 62 1-4 Erie s 41 5-8 while others 1-8 to 1-4 above parity.
JOSEPH.

—You'll miss a treat if you miss the Bell Ringers, to-night, George-st. church. Only 25c and 15c, and mighty well worth the money.

LATEST IN SPORTING CIRCLES

McDonough Says, "Put up or Shut up.

Some Notes of Interest to Hockeyists and Curlers—The Turf.

WRESTLING.

Mr. John McDonough has accepted the challenge of Mr. George Gauthier and has deposited $25 with the Sporting Editor of the Examiner as a guarantee of good faith. He now wants Gauthier to put up or shut up. The date Gauthier suggests is not convenient to McDonough, but a satisfactory date can no doubt be arranged.

* * * *

There will be a wrestling contest at the T.A.S. smoker this evening between Jack McDonough and Eugene Hurtubise.

CURLING.

A meeting of the Granite Curling Club will be held in the rink parlours to-morrow evening to select the Tankard skips.

* * * *

The clubs that will likely be in Peterborough to play against the Scottish curlers on Tuesday night are,—Kingston, Cobourg, Port Hope, Orillia and a rink each from the two local clubs.

* * * *

As umpire of this district for the Tankard matches, Lieut.-Col. E. B. Edwards has arranged for Norwood, Lakefield, Campbellford and Keene to play here on Wednesday morning, when they will also have an opportunity of meeting the Scottish curlers in the afternoon.

* * * *

It is probable that the Peterborough bonspeil will open on Wednesday evening.

* * * *

The members of the Granite Curling club are asked to bear in mind the meeting of the club which will be held in the rink parlours to-morrow evening at eight o'clock, for the purpose of selecting the skips for the Tankard matches.

HOCKEY.

HOW THEY TOOK IT.

Referring to the game with Belleville, the Port Hope Guide says:

"This is probably the first opening game the Ontarios ever lost, and they naturally feel a little sore, but there is no need to be. Everybody knows that they did not play their usual game, and if they indulge in steady practice there is no reason why they cannot turn the tables on Belleville on January 30th. Cheer up, Ontarios, the season is young yet. A large number of supporters came up with the Belleville boys and cheered them on to victory. They were a gentlemanly lot of rooters, and when ever either team made a good play, they received their applause. The hoodlums from the village seven miles east of us, who could never play anything, of course could only see one side of the game, but then there is an excuse for them. The Ontarios did not want their support but at the same time Cobourg should take a lesson on 'how to support a team,' from the Belleville rooters."

TURF.

The winter races of the Peterborough Turf Club, which will take place on Jan. 21st and 22nd are attracting considerable interest. Some pretty fast events are promised and many horses from a distance are being entered. The management of the races are making a wise move in having a paid starter and a paid judge, thereby guaranteeing satisfaction all round. The Ottawa race committee published the statement that they were the first Association in Canada to move in that direction, but they were not as a matter of fact, Peterborough having made the move first.

* * * *

Port Perry races, January 14th and 15th.

TROOPER BRACE.

Great Interest Shown in the Meeting Yesterday Afternoon.

There has never, in the history of the new building, been a meeting for men that has been marked by deeper interest and results than that addressed by Trooper Brace, the Harts' River hero.

The hall was filled. Among those present were many of those who had fought side by side with the speaker of the afternoon, on the South African Veldt. Trooper Brace has power with men and indelibly impresses those who listen to him, because of his intense earnestness and an exponent of a manly religion.

He began his address with a short history of himself, of his training through hardships and of his decision, as he put it, to be "as real for Christ as he had been for the devil."

He then traced briefly his work in the South African campaign from which he drew many telling lessons.

The 27th Psalm had come to him as he was under fire at Harts' River, and was so appropriate, as it was David's war Psalm.

In closing he made a strong appeal to men to enlist as soldiers of Christ to which a number responded.

Many remained for the after meeting.

Before the address Messrs. Frank and Bert Turner sang "Under His Wings," which was much appreciated.

Mr. Earl Cooke, Railway Y.M.C.A. Secretary, will be the speaker next Sunday.

Save Your Pictures.

If you have any loose pictures lying around that are getting spoiled for want of a frame, telephone "The Metropole," and if you can't call, we will send for them, and have them framed as you desire. Our framing business has grown so well that we have had to lease additional room upstairs, and we now control the whole flat over the store. The stock of picture mouulding is new, well chosen large and varied. Special attention given to fancy burnt wood work and designs; also, velvet leather for pyrography in many delicate shades. "The Metropole," 144 Hunter street; 'phone, 150.

UP STAIRS.

MAYOR'S BANQUET A GREAT SUCCESS.

Ex-mayors, Councillors, Commissioners and Town Officials

SAT AROUND THE FESTIVE BOARD

Many Interesting Speeches Were Delivered—Public Franchises, Bonuses and Other Matters Were Discussed by Prominent Men.

The complimentary banquet which was last night tendered by His Worship Mayor Roger to the members of the Peterborough Town Council, the Ashburnham Council, the Peterborough Town Officials and members of other public bodies, in Mr. Harry Long's Palm Parlours, was a most successful and at the same time unique affair. It was successful in point of attendance, the excellence of the speeches and the sociability of the guests, and was unique in the the fact that the regular form of toast list was dispensed with and the speeches which in some cases were prepared for the occasion, were on subjects that were chosen by Mayor Roger and were of vital interest to the people of Peterborough and Ashburnham. For instance Mr. D. W. Dumble, Peterborough's Police Magistrate spoke on the matter of bonuses, Mr. W. H. Moore spoke on the matter of public franchises, and Mr. Frank Adams spoke on the matter of the annexation of Ashburnham to Peterborough. A peculiar feature of the evening was the fact that none of the members of the Peterborough Town Council were asked to contribute to the programme, and even the Mayor in his reply to his toast, which was very heartily drunk, very modestly refrained from expressing his views on public matters other than to acknowledge the the honour done him.

Mr. Harry Long's Palm Parlours perhaps never looked prettier. The tables were very neatly arranged in three sections and were most handsomely decorated with flowers of various kinds. The spread was of a most appetising sort and reflects credit indeed upon Mr. Long as a caterer.

THOSE PRESENT.

The chair was occupied by His Worship Mayor G. M. Roger and seated on his right was ex-Mayor Jas. Stevenson. To his left sat Mr. Frank Adams, Reeve of Ashburnham. Those seated around the table were ex-Mayors Jas. Stevenson, John Corkery and A. L. Davis, Messrs. T. F. Matthews, chairman Board of Water Commissioners; W. H. Hill, chairman of Board of Education; D. W. Dumble, Police Magistrate; E. H. D. Hall, Town Solicitor; S. R. Armstrong, Town Clerk; F. Brownscombe, Town Treasurer; G. I. Rossel Chief of Police; Messrs. Robt. Innes, chairman Central Charity Board, W. H. Moore, chairman Commissioners Town Trust; John Carnegie, member Town Trust; Aldermen Jos. Batten, Jas. Finnie, R. F. McWilliams, R. Clinkscale, D. O'Connell, H. Rush, Jas. Edgecumbe, B. Shortly, M. A. Morrison, Councillors Wm. Gibbs, Jas. Hourigan, Wm. Scott and Wm. Faint, Ashburnham; Dr. Bingham, Medical Health Officer; F. H. Dobbin, Albert Matthews, Toronto; G. K. Martin and Sheriff Hall, town Auditors; J. Kincaid, Thos. McKee, Wm. Aldridge and Thos. McGrath, Assessors; R. Glidden, Wilson Henderson, Superintendent Water Works; W. J. Green, tax collector; T. A. S. Hay, Engineer; Wm. Matchett, S. S. Moore and E. S. Clarry.

After the members had partaken of an excellent repast, the toast of the King was duly honoured by all present rising and singing the National Anthem.

Mr. S. R. Armstrong, Town Clerk, then read letters regretting their inability to be present from Hon. Senator Cox and ex-Mayor T. H. G. Denne.

AN INOVATION.

Mayor Roger here intimated that he had decided to change the form of after-dinner speeches by doing away with the regular form of toast list and having gentlemen present to speak on matters that were now agitating the minds of the public.

ABOUT BONUSES.

Mr. D. W. Dumble spoke on the matter of bonuses. He said:

Mr. Mayor and Gentlemen:

I congratulate you, Mr. Mayor on the position you occupy by the choice of the people, as Mayor of this good town. It is a high position, honourable and responsible for the good government and prosperity of the town which depends on the efficiency of its chief officer. I am satisfied that the people will be well represented by you, and I wish you every success in the administration of your office. I must thank you for the pleasant privilege of supping with you and the new council to-night. I congratulate you on the happy thought of asking from the speakers consideration of subjects which during the year may be of much importance to the people. You have assigned to me "Municipal Bonuses," and I am glad of an opportunity to discuss this subject, because I am satisfied that there is very much misunderstanding regarding the position of the party asking a bonus and the party from whom it is asked. Now, Mr. Mayor, to commence with, I take the strong position that no manufacturing establishment has the right to ask from a municipality in which it may be situated a contribution of capital which will not entitle the giver to the same dividends that the other contributors rightfully expect. When a party engages in manufacturing it is a commercial venture in which he puts his money, expecting by the right use of that money and by his skill and energy to get back good returns both for his money and for his labour. I am aware that in this new country where every town and village thinks it has before it a destiny to become a manufacturing centre, there are many unnatural and unjustifiable inducements held out to manufacturies to locate in them. The fate of most of these places will be like that of the ambitious frog which burst itself in its strenuous effort to be great. To enable a manufactory to succeed there must be certain conditions. There must be facility for getting labour; there must be homes for labourers; there must be schools and churches, water, drainage, and, most of all, cheap power and facilities for receiving raw material and distributing the manufactured goods. Then there must be for the employees civil government, roads, sidewalks, light and police protection. All these things the Town of Peterborough possesses and she offers inducements that are of vital consequence to all manufacturers. Now, the establishment that locates itself where there are not these facilities cannot succeed in competition with those more favourably situated and the natural advantage alone should be an influence to determine any intelligent manufacturer in locating his factory. To ask in addition to these things a contribution of money is not justifiable on strict business principles. It is simply an attempt to get what there is not obligation or duty to give. No manufacturer has a right to demand it and when a municipality grants a bonus, it is not because there is a right to claim, but simply because the location of that manufactory in the town may be worth to the town the sum offered. The manufacturer is looking for a site, the bonus may cause him to make his choice in favour of the place granting it. Now, Peterborough has been heretofore judicious. The grant we gave to

THE EDISON COMPANY

has been paid to the Town many times over. The little exemption given to the Cereal Company is a good investment. These grants were given simply to get what we had not, and it does not follow because a bonus has been given to one manufactory we are under any obligation to give it to another, bearing in mind that a factory has no moral claim and that no wrong has been done to an existing factory by giving it to a new factory of a different line of business. There should be no complaint by the existing factory. I am strong on this point because recently one of our councillors in his address stated that the factories already here should be entitled to a bonus as much as a new factory. We don't bonus factories because they are entitled, but simply because we want to fasten them here. That is utterly fallacious. I will not say that as a matter of business on a cold dollar and cents basis, that the town would not be justified in giving a bonus to bring in a new factory though it might have the effect of placing a small factory by the transaction. There is no morality in the matter it is simply business. This thought should be constantly in mind, that no factory we already have has any claim on the town. We are not dealing in moralities or abstract principles. Our aim is to get the manufactories. Our business is to see that we get them for nothing if possible, and if that is not possible, then, at the lowest possible price. It will be urged by the manufacturers that we get certain advantages by increase of population and the expenditure of money for rents and otherwise. That is true but every increase of population brings its proportionate expenditure of town money. And while it is no doubt an advantage to get the new manufactory it must be always looked to that we do not pay too much for it. Every little manufactory that we have in town cannot be bonused. We have them and as we are only justified in paying to get something we had not before, there is no reason why we should give bonuses or remit taxes to establishments already located here and which may or may not be prosperous and making money. A part of the capital invested by any manufactory is the necessary disbursement to carry on the business and of these disbursements none is a fairer burden than the payment of taxes. To suffer any manufactory to get rid of its share of taxes is to put on the other citizens, perhaps less able to pay them, more than their fair share. An honourable firm should not ask other men to pay their taxes, and I hope that hereafter it will be thoroughly understood that there is no moral claim and no legal right on the part of any one to shirk the common duty of meeting our municipal expenditure by the fair payment of fair taxes. It is no use for one manufactory not exempt to compare its position in this respect with a manufactory, that is exempt. We have the one, we got the other by paying for it. Take the case of the Wm. Hamilton Manufacturing Company Limited, the bringing into town of the Cereal Works, and other establishments has given them very great advantages by increasing their business, and so it is with other establishments. We all derive benefits in increased rents or in increased demands for labour, and in increased merchantile business by the introduction of a new factory, and old factories have no right to complain that we do not give new bonuses to these old establishments every time when, by a bonus, we introduce a new one. I am glad to say that many of our establishments like the Wm. Hamilton Company meet the burdens of taxation laid upon them in a fair spirit, and do not attempt to get exemptions because we have given some exemptions to newly introduced concerns.

ABUOT FRANCHISES.

Mr. W. H. Moore spoke on the matter of public franchises. He began by congratulating the Mayor upon his election by acclamation, and also on the fact that he had so able a body to assist him in conducting the affairs of the town. The Mayor's banquet had now been in vogue for about sixteen years, having been instituted by ex-Mayor Stevenson. Reverting to his subject of franchises Mr. Moore held that the word "franchise" originally meant a right reserved to the people. He then reviewed the various stages that the system of franchises had passed passed through, until it had assumed its present state of existence. He traced the manner in which franchises had passed from the public to the control of corporations. A hundred years ago the first public post office was established in London, and to-day the Government of that country owned the public telegraph lines, etc. Speaking broadly, Mr. Moore thought that all public utilities should be owned by the people. France by taking hold of its public utilities after the time of the Franco-Prussian war, was able to pay off the entire debt that was incurred by that bloody conflict. We have in Canada public ownership of Franchises, and the speaker instanced the fact that

To Recognize Purity.

Adulteration has grown to such a fine art, that it is almost impossible for a woman now-a-days to detect the false from the true; but a chemical analysis will always detect adulteration. Prof. W. Hodgson Ellis, Official Analyst to the Dominion Government, after a number of analyses, reports that "Sunlight Soap is a pure and well-made soap." Try Sunlight Soap—Octagon Bar—next wash day, and you will see that Prof. Ellis is right. No one should know better than he. 219

Firewood Cut AND Split

On account of the high prices and limited supply of coal, and to introduce our Electric Sawing and Splitting Machine to the public, we will, until February 1st, deliver four foot wood, cut and split in three lengths, for fifty cents per cord extra, or in four lengths for seventy-five cents extra, wood measured before going to the machine, and delivered ready for use. We will receive during January a large shipment of prime four foot and twenty-two inch hard wood, which will be sold at lowest prices.

HERO'S EFFORTS FAIL

Two Young Children Caught in a Blizzard Perish.

SAD NOVA SCOTIA STORY.

Caught in Saturday's Sudden Storm Their Attempt to Walk Home From Queensport to Port Felix Ended in Death —Frozen Body of Alex. MacMaster Found on Sunday— Night in the Ice.

Queensport, N. S., Jan. 13.—Two children named King of Port Felix were caught in a sudden storm and died of exposure. They were brother and sister, about 10 years old, and had been visiting friends near Queensport. On Saturday moening they started to walk home in company with Melborne Jamieson of Cole Harbor. On the high barren they were overtaken by the storm.

Jamieson tried to get the children to go with him to Cole Harbor, but they would not go, and took a short cut through the barrens of Port Felix. Jamieson, finding the children obdurate, followed, and overtook them and tried to reach Fort Felix. In a blinding snow storm they lost their way. Jamieson put his overcoat and mitts on the children, and carried first one and then the other, and traveled through the deep snow till all three were exhausted.

At one point he kindled a fire and tried to persuade the children to stay by it till he secured help, but the children would not stay. A second attempt was made to kindle a fire, but without success. The boy finally got to the Port Felix road and gave the alarm. A searching party went back and found the girl dead and Jamieson unable to speak. The boy died of exposure and exhaustion the same evening.

FROZEN TO DEATH.

Alex. MacMaster, a Sober Man of 50, Succumbs to the Cold.

Hawkesbury, N. S., Jan. 13.—Alexander MacMaster, aged 50 years, left his home at River Inhabitants on Saturday to drive to a neighboring village, and on Sunday morning he was found on the roadside frozen to death. The weather was stormy, and the thermometer registered 8 below zero. MacMaster was a sober man and he leaves a wife and three children.

Angier's Petroleum Emulsion with Hypophosphites is prescribed by physicians for children's diseases. The little ones thrive on it. It is pleasant to take and agrees with the stomach.

It is the best children's medicine. They become fond of it. Put your child on a steady treatment of Angier's Petroleum Emulsion, and note how quickly it gains in health and becomes strong and robust. The Emulsion improves appetite, aids digestion, regulates the stomach and bowels, quiets the nerves, and revitalizes the whole system.

My little girl was troubled with bronchitis and a harsh hacking cough almost since birth. Nothing benefited her until my druggist advised me to give her Angier's Petroleum Emulsion, which I did. It cured the cough, and she almost immediately began to gain in flesh and improve in color. To-day she is as strong and robust as one be.—A. Pedery, Toronto, Canada.

Angier's Petroleum Emulsion is sold by druggists everywhere. Remember the name and insist on getting Angier's. Large size, $1.00. Small, 50c. ANGIER CHEMICAL COMPANY, BOSTON, MASSACHUSETTS, U.S.A.

A NIGHT IN THE ICE.

Novel Experience of Wabash Passengers in Detroit River.

Detroit, Jan. 13.—The passengers of the Wabash Railroad's east-bound "Continental Limited" had the unique experience Sunday night and yesterday of being icebound for fifteen hours in the Detroit River on board the transfer steamer Great Western. The train was backed on the ferry here about midnight Sunday night, four hours late, most of the passengers being asleep at the time. When they woke up in the morning they were out in the river in the midst of a great field of ice. It was 3 o'clock yesterday afternoon when the Great Western finally forced a passage into a landing slip on the Canadian side of the river and the "limited" was pulled off the boat.

About 1 o'clock yesterday, however, the ferry had been near enough to the dock so that some of the male passengers crawled across a ladder from the ferry to the dock. There was no dining car or buffet on the train, and the passengers were a very hungry lot. Lunch was sent aboard for the women and children, and the men passengers who had crawled shore scurried for something to eat. The train left for the east at 3.40 o'clock.

Last night the Wabash was using the Grand Trunk transfer slips, which are further up the river and freer of ice, and are thereby making much better time.

Grand Jurors Stalled.

London, Jan. 13.—A somewhat unusual incident marked the opening of the Winter Assizes, before Chief Justice Wm. Meredith yesterday afternoon. The snowstorm had so blocked the roads that no less than four of the grand jurors were unable to reach the city in time, and His Lordship was thus unable to proceed to charge them. He allowed the jurors to go for the day, ordering them to be present at the opening of court this morning.

Suffer From Lack of Fuel.

Kansas City, Jan. 13.—There was no prospect of moderation yesterday in the zero weather prevailing, and suffering because of lack of fuel will prove severe. Similar conditions exist throughout this section.

Toledo Hard Hit.

Toledo, Ohio, Jan. 13.—There is intense suffering here among the poor, owing to the cold. Anthracite coal is quoted at $12 a ton.

St. Paul Suffers.

St. Paul, Minn., Jan. 13.—Fuel is scarce, and although there is not yet an actual famine, there is much suffering throughout this section. The temperature yesterday ranged from zero to 18 below.

Rob the Cars.

Hoosick Falls, N.Y., Jan. 13.—The coal situation here has reached a serious stage, and there is much suffering. The only way to get coal is to rob cars consigned to New England points. Every night, people equipped with bags, baskets and barrels, board the slowly moving freights and supply themselves.

Can't Get Hard Coal.

Des Moines, Ia., Jan. 13.—Extreme cold has prevailed throughout Iowa for 80 hours. Hard coal cannot be obtained, and the soft coal supply is exhausted in many places, resulting in much suffering.

Ohio Is Very Cold

Cleveland, Ohio, Jan. 13.—Four degrees below zero, the lowest temperature of the winter, was recorded here early yesterday. At other points in northern Ohio the temperature fell to 8 below. During the night the wind reached a velocity of 44 miles an hour.

Mail Trains Two or Three Hours Late.

Buffalo, N. Y., Jan. 13.—A snowstorm which began early Sunday morning continued throughout the night, and yesterday was accompanied by a brisk westerly wind, and the snow is drifting badly. Over a foot has fallen on the level. All mail trains are reported from two to three hours late.

N.Y.C. in the Grip of a Blizzard.

Fonda, N. Y., Jan. 16.—A terrific blizzard raged in the Mohawk Valley Sunday night. The New York and Central Railway is badly handicapped. The section crews were working all night. Michael Smith of Fonda, foreman of the section gang at Johnsville, was killed yesterday. In getting out of the way of an east-bound train, he stepped in front of the Pacific express, west-bound.

Sister of Lady Thompson.

Halifax, N.S., Jan. 12.—The death occurred here yesterday of Francis A., wife of Joseph A. Chisholm, barrister, at the age of 39 years. Lady Thompson, wife of the late Sir John Thompson, is a sister of the deceased.

Now at Johannesburg.

Johannesburg, Jan. 12. — Mr. Chamberlain arrived here Saturday. He said he did not agree with those who were saying that they had fomented the war in order to fill their pockets. They had proved by their conduct in the field that they were prepared to risk everything for their rights.

Damage Put at $125,000.

Hamilton, Jan. 12.—Yesterday Mr. Stanley Mills stated that the damage to his departmental store building and contents, burned Friday night, would probably amount to $125,000. The total insurance amounts to $85,000, and is distributed among 22 companies.

Time Expires March 31, 1903.

Ottawa, Jan. 12.—It is notified for information that applications for the general service medal for the Fenian Raid 1866-67 and the Red River Rebellion in 1870 will not be entertained after the 31st March, 1903.

SELLING THEIR ARMS.

Sultan of Morocco's Troops Absolutely Undisciplined—The Kabyle Tribes of Taza Joining the Pretender.

Madrid, Jan. 13.—A despatch from Melilla, Morocco, yesterday announces that all the Kabyle tribes of the Taza region have joined the pretender. The Sultan's troops, it is added, are absolutely undisciplined and are selling their arms and ammunition to the pretender, who pays high prices for them.

Pretender a Strong Man.

London, Jan. 13.—Letters received in London from American and English missionaries at Fez, dated Dec. 30, say there was little anxiety at that time for the safety of the foreigners, even in the event of the pretender entering Fez. The pretender, the missionaries say, has too much wisdom to slay the foreigners and simply will convey them out of his territory. He is described as a strong man, and exerts his authority wisely.

Jews at Fez have received letters from friends in Taza saying that part of the country is safe and quiet under the pretender and that their taxes have been greatly reduced. The Sultan's forces at Fez are said to be demoralized by defeat and the followers of the pretender assert that, although the Imperial forces tried again and again to kill their opponents, their bullets "turned into water." The pretender's strategy has quite outwitted the Sultan's generals.

Messengers have been sent to Maquinez to bring to Fez two American missionaries who are there.

REMARKABLE SUCCESS

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, wherever there is mucous membrane there is a feeding ground for catarrh.

The usual remedies, inhalers, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, blood root, red gum and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh cure says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkably satisfactory results. They clear the head and throat more effectually and lastingly than any douche or inhaler that I have ever seen, and although they are what is called a patient medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver, or bladder will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.

Cannery Collapsed Under Snow.

Victoria, B. C., Jan. 12.—The steamer Amur, which arrived from Skaguay last evening, reports that the Columbia Cannery, on Haines Canal, collapsed as a result of the large amount of snow which fell on its roof. The loss amounts to several thousand dollars.

Gen. Thomas Dead.

New York, Jan. 12.—General Samuel Thomas, the well-known railroad man and financier, died at his home in this city. He was 63 years of age.

Abram S. Hewitt Dying.

New York, Jan. 12.—Former Mayor Abram S. Hewitt is dying. The end may come at any moment.

WHEN YOUR COSTLY WATCH

is out of order you have it regulated, you don't at once throw it aside. Why, then, when your bowels are out of order, do you treat them as useless?

That is precisely what it means to take violent cathartics. They do not regulate the bowels, but take their work away from them, debilitate them, and make you more constipated than ever.

You had far better throw away your good watch than treat your bowels roughly. You can get another watch, but you cannot renew your intestines.

The only cure for Constipation is a gentle laxative with tonic action.

IRON-OX TABLETS

Are the Perfect Tonic Laxative

ANOTHER STIRRING CLOTHING SALE

..AT..

H. LeBrun & Co's

$35,000 Worth of High-Class Winter Clothing and Furnishings, also Cloths for Suitings and Overcoatings and Trouserings, to be sold at Reductions ranging from 15 to 33⅓ per cent.

I Will Cure You of

Rheumatism

Else No Money is Wanted.

Any honest person who suffers from Rheumatism is welcome to this offer.

I am a specialist in Rheumatism and have treated more cases than any other physician, I think. For sixteen years I made 2,000 experiments with different drugs, testing all known remedies while searching the world for something better. Nine years ago I found a costly chemical in Germany which, with my previous discoveries, gives me a certain cure.

I don't mean that it can turn bony joints into flesh again; but it can cure the disease at any stage, completely and forever,. I have done it fully 100,000 times.

I know this so well that I will furnish my remedy on trial. Simply write me a postal for my book on Rheumatism, and I will mail you an order on your druggist for six bottles of Dr. Shoop's Rheumatic Cure. Take it for a month at my risk. If it succeeds the cost is only $5.50. If it fails I will pay the druggist myself—and your mere word shall decide it.

I mean that exactly. If you say the results are not what I claim, I don't expect a penny from you.

I have no samples. Any mere sample that can affect chronic Rheumatism, must be drugged to the verge of danger. I use no such drugs, and it is folly to take them. You must get the disease out of the blood.

My remedy does that even in the most difficult, obstinate cases. It has cured the oldest cases that I ever met And in all my experience—in all my 2,000 tests—I never found another remedy that would cure one chronic case in ten.

Write me, and I will send you the order. Try my remedy for a month, as it can't harm you anyway. If it fails, it is free.

Address, Dr. Shoop, Box 47, Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. At all druggists.

SUCCESSION DUTY CASE.

Province Loses Action Against Estate of the Late Benjamin Brown—A Gift to Amanda Brown.

Toronto, Jan. 13.—The Province has lost its action, instituted by the Attorney-General, for succession duties on a portion of the estate of the late Benjamin Brown, a farmer, of the Township of Brighton, who died intestate and childless on December 31, 1899, the estate going to his nephews and nieces. There was about $6,000 real estate and $8,000 personalty.

Before his death he handed to Amanda Brown a mortgage for $1,100, a bank book, showing a balance to his credit of $6,570, and a note which realized about $17. These were claimed as part of the general estate by the administrators, but in an action of Brown vs. Toronto General Trusts Corporation it was determined that they constitute a valid donatio mortis causa, and it was found that there had been an agreement between Amanda Brown and the deceased, under which she was to go and live with him, and each was to leave the other all his or her property.

The gift to Amanda Brown of the documents referred to was in part fulfilment of the agreement, and under it the rest of the personal property was adjudged to be hers. The question now was whether this property she received was to be considered part of the estate for the purpose of the succession duty. If it was to be so considered, the estate was liable for 5 per cent. duty; otherwise for none. The action was dismissed with costs.

RUSSIA AND GERMANY.

The Approaching Visit of Crown Prince to St. Petersburg Is a Diplomatic Move.

St. Petersburg, Jan. 13.—The court is preparing to hold a brilliant reception in honor of the Crown Prince Frederick William of Germany, who is expected to arrive here Jan. 16.

The purpose of the German Emperor in sending the Crown Prince to St. Petersburg is generally attributed in diplomatic circles to Emperor William's desire to strengthen the present good relations between Germany and Russia, and to prepare the ground for an entente in the matter of questions shortly coming up for settlement, as, for instance, the commercial treaty.

Two Boats Have Gone.

London, Jan. 13.—"Although Russians and Turks," cables the Constantinople correspondent of The Daily Telegraph, "deny the statement, I am informed upon the best authority that two Russian torpedo boats passed up the Bosphorus some nights ago, being the first of the four Russian vessels that received permission to pass the Dardanelles last September."

Feb. 19 the Date.

St John's, Nfld., Jan. 13.—The Newfoundland Legislature will meet Feb. 19, by which time it is presumed that something definite will be known respecting the Bond-Hay treaty, providing for limited reciprocity between the United States and this colony.

A GUARANTEED CURE For all Forms of Kidney Disease.

We the undersigned druggists are fully prepared to give the following guarantee with every 50 cent bottle of Dr. Pettingill's Kidney-Wort Tablets, the only remedy in the world that positively cures all troubles arising from weak or diseased kidneys.

"Money cheerfully returned if the sufferer is not relieved and improved after the use of one bottle. Three to six bottles effect astonishing cures. If not relieved and cured, you waste no money."

Ormond and Walsh, druggists, Peterborough, Ont.

ACCEPTED AS A FACT

Lord Milner to Be Retired on Mr. Chamberlain's Return.

SLATED FOR AUSTRALIA.

Said That the High Commissioner of South Africa Wants to Be Relieved on Account of Ill-Health—After a Rest He Would Welcome the Australian Commonwealth Billet.

London, Jan. 13.—What has been mere rumor and gossip heretofore now seems to be accepted as a fact—that Lord Milner, the High Commissioner of South Africa, will be retired when Mr. Chamberlain returns to England. Then it is on the cards that Lord Milner will be sent to Australia as the successor of Lord Tennyson as Governor-General of the Australian Commonwealth.

It is hinted that Milner wants to be relieved on account of ill-health. He has worked hard for several years, and in that climate much labor is a severe strain. He will welcome the Australian billet, where things are going so smoothly that there will be very little work to do.

Lord Milner is expected back in England in April, and after a rest will go to his new post. That this move was contemplated long ago is seen by the fact that when Lord Tennyson was made Governor-General of Australia it was for one year only. His time will be up next summer.

A MANLY LAD'S TEARS.

Judge and Jury Visibly Affected by Young Goodspeed's Attitude.

St. John, N. B., Jan. 13.—In the Circuit Court yesterday morning, during the trial of Freddie Goodspeed, aged 14, charged with being accessory after the fact in the murder of William Doherty, the prisoner shed tears for the first time during this memorable case. His tears were those brought forth by the fatherly and benign words of Chief Justice Tuck, who presided, and the first evidences of contrition shown either by Goodspeed or his condemned chum, Higgins, agd 15. It was a memorable incident, and the jurymen were also moved to tears. It was during Goodspeed's rigid cross-examination, which was being borne with manliness and straightforwardness by the chubby-faced lad. His Honor was so impressed with the boy that he interrupted the proceedings to express his belief in the prisoner's truthfulness, his manly actions and his wonderfully patient and reserved mien.

CAME FROM ARGENTINA.

Feito Has Wife and Children in Buenos Ayres.

Madrid, Jan., 13.—Feito, the monomaniac who on Saturday afternoon fired a shot with a pistol at a carriage in the royal procession, in which the Duke of Sotomayer, the Grand Chamberlain, was supposed to be riding, which caused the circulation of reports that an attempt had been made on the life of King Alfonso, is shown, by letters found upon him, to have a wife and two children living in Buenos Ayres, Argentina. The Spanish Government has telegraphed there for information regarding Feito's antecedents.

THE MYSTERIOUS VISITOR IS NOW INVADING MANY HOMES.

It Strikes Young and Old Who are Physically Weak and Predisposed to Disease.

Paine's Celery Componud

Fortifies the Body, Cleanses the Blood and Gives Strength to Resist all Attacks.

That mysterious visitor "Grip" is now invading many homes and striking down the young and old who are weak or predisposed to disease. It is now well known that the disease spreads rapidly to the various members of the households into which it has been introduced. It accords with the theory of infection, also, that the disease has usually attacked the persons liable to infection. Dr. Richard Sisely, in his book on "Epidemic Influenza," says the disease is almost entirely propagated by infection.

In past winter seasons it has been fully and happily demonstrated that Paine's Celery Compound is a tower of safety when Grip is prevalent. When this scientific and health-giving medicine is used it strengthens the nervous centres of all the vital organs; it purifies the blood, regulates digestion, gives a healthy tone to the whole system, enabling young and old to feel secure from the ravages of disease. Weak, nervous, dyspeptic and ailing people will find in Paine's Celery Compound a true protector and shield from the dangers of Grip. A trial of one bottle will banish all existing doubts.

Strathcona to Preside.

London, Jan. 13.—Lord Strathcona and Mount Royal will preside at the dinner of the University College Hospital on March 18th.

Premier Balfour Ill.

London, Jan. 13.—Premier Balfour again has been obliged to cancel his public engagements on account of a slight illness.

REACHES SEAT OF TROUBLE.

Don't Try to Cure Hemorrhoids With External Application.

When it is such a well known fact that hemorrhoids or piles is a disease originating in the morbid dilatation of the veins of the lower part of the rectum, it seems incredible that people afflicted with this painful trouble should go on doctoring with external salves and washes, when the diseased parts can only be reached by an inward application.

The suppositories used in Pyramid Pile Cure are composed of the most soothing and healing oils and lotions known to Materia Medica, and act on the diseased veins and surrounding tissues like magic, giving almost instant relief. The dilated blood vessels are relieved, the irritation of the mucous membrane ceases and bleeding is stopped.

The predisposing causes of piles are such as produce fullness of the hemorrhoidal veins and impede the return of blood from them, such as constipation, sedentary habits, city life, pregnancy, corsets, etc.; in fact the causes are all fully covered in a very interesting little book published by the Pyramid Drug Co., Marshall, Mich., and the same will be sent free to any address upon application.

The general principles of treatment are, according to the evident causes, active habits, attention to diet, and other hygienic rules, etc., avoidance of constipation and each night the injection of a Pyramid suppository to heal and cure the afflicted parts.

That this treatment has been effective is instanced by the testimony of thousands of people who have been permanently cured and by the evidence of druggists; the case of Mr. Samuel Gouldie, 526 Moyamensing avenue, Philadelphia, is a fair sample.

"For twelve long years I suffered terrible torture from piles. I had been under two surgical operations, once in Cleveland, Ohio, in the year 1895, and once in Toledo, Ohio, in 1900, and also tried a number of salves and ointments from different doctors. I at last found a permanent cure by only using two fifty cent boxes of Pyramid Pile Cure. The first two or three applications gave me relief at once. I am now entirely cured and thank God for finding such a medicine as the Pyramid Pile Cure."

TO INCREASE COAL PRODUCTION.

President Mitchell of the Miners' Union Alive to the Situation.

Philadelphia, Jan. 13.—President Mitchell has addressed a letter to the local unions in the anthracite district, asking them to co-operate with managers of mines to increase the production of coal.

Testimony in Reputation.

Philadelphia, Jan. 13.—The proceedings before the Anthracite Strike Commission yesterday consisted principally of the calling of witnesses by the Delaware & Hudson Company to tell of the conditions existing in and about its collieries, and to refute certain testimony presented against the company when the miners' side was being heard.

Death Follows Injuries.

Quelph, Jan. 13.—A. Cordiner received the sad news yesterday afternoon of the death of his brother-in-law, Frederick Emslie, at Cadillac, Mich., yesterday morning, as a result of a collision near that town on Saturday night. Mr. Emslie was about 32 years of age, and was fireman on one of the Northern Michigan roads running out of Cadillac. He was married and had a young family. He was a son of the late Robert Emslie of Guelph.

Only a Life Interest.

Washington, Jan. 13.—The Senate Committee on Puerto Rico and the Pacific Islands finds that Queen Liliuokalani has no personal interest in the crown lands, which have been claimed for her, but only an official interest during her reign.

Fell 60 Feet to Death.

Winnipeg, Jan. 13.—R. Owen, an Englishman, while at work on elevator D, Fort William, yesterday afternoon, stepped on a loose plank and fell 60 feet, dying shortly afterwards. He was a married man with no family.

Amateur Miners Killed.

Williamsport, Pa., Jan. 13.—Hilliard Probat and Ira Green were crushed to death yesterday while digging coal for their own use in a private mine near Bitumen.

The Skin on Fire.

So dreadful are the sensations of burning, itching eczema that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first few applications may cause a little uneasiness but cure is sure to result and the skin is healed without scar or blemish.

Count De Lonyay Leaves His Wife.

Vienna, Jan. 13.—Serious differences, according to Die Zeit, have arisen between the Count and Countess De Bonyay (formerly the Crown Princess Stephanie), during their stay in the South of France. The Count is reported to have suddenly left his wife and to have given no intimation of his whereabouts. The nature of the alleged differences has not developed.

Col. Foster Appointed.

Washington, Jan. 13.—The State Department has been informed by the British Ambassador of the appointment of Lieut.-Col. H. M. Foster as military attache here. He is now stationed at Kingston, Ont., as Commandant of Kingston College.

Permanent Cure for Neuralgia

Experienced sufferers state that no remedy relieves neuralgia so quickly as a bot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrattrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle; it's all right. No Pills like Dr. Hamilton's.

THE ONTARIO HOUSE.

Indications That Legislature Will Meet About Usual Time.

NO DATE YET DECIDED ON.

Blank Forms For the Estimates Already in the Printer's Hands—Various Departments Hard at Work on Their Annual Reports—Useful Bills on the Way, But No Indications of Important Measures.

Toronto, Jan. 13.—Although no date has yet been decided upon for the opening of the Legislature, and no official statement whatever is forthcoming, the preparations under way would seem to indicate that it will meet early next month, as usual.

The blank forms for the estimates are in the printer's hands, and as soon as they are returned the work of filling in the amounts will be proceeded with.

The various departments are hard at work on their annual reports, and the Ministers are expected to at once give serious attention to their departmental legislation.

So far there have been no indications of any very important legislation, though several bills of very useful type may be expected.

It was stated yesterday that no application for a charter, or anything of that nature, had yet been received from the Grand Trunk Pacific.

The allotment of seats in the chamber has not yet been proceeded with, nor has a place been found for the four new desks which are necessary in view of the additional members from new Ontario.

MARKET REPORTS.

Visible Supply For Week Indicates Gain in Wheat and Corn With Decrease in Oats—The Latest Quotations.

Monday Evening, Jan. 12.

Liverpool wheat futures closed to-day ¼d higher than Saturday and corn futures ¼d higher.

At Chicago May wheat closed ½c below Saturday, May corn ¼c lower and May oats ¼c higher.

THE VISIBLE SUPPLY.

As compared with a week ago, the visible supply of wheat in Canada and the United States has increased 375,000 bushels; corn increased 411,000 bushels; oats decreased 202,000 bushels. Following is a comparative statement for the week ending to-day, the preceding week and the corresponding week of last year:

	Jan. 12,'03.	Jan. 5,'03.	Jan. 13,'02.
Wheat, bu.	50,116,000	49,741,000	58,077,000
Corn, bu.	6,995,000	6,584,000	11,643,000
Oats, bu.	4,537,000	4,797,000	4,544,000

To recapitulate, the visible supply of wheat in Canada and the United States, together with that afloat to Europe, is 72,676,000 bushels, against 73,821,000 bushels a week ago, and 90,157,000 bushels a year ago.

MONTREAL LIVE STOCK.

Montreal, Jan. 12.—There were about 500 head of butchers' cattle, 6 calves and 50 sheep and lambs offered for sale at the East End Abattoir to-day. There were more prime cattle on the market than on any market day since Christmas, and these were rather lower in price, but all other stock brought firm rates. Prime animals sold at from 5c to 5¼c per lb., medium beasts from 3¾c to 4¼c and the common stock from 2¾c to 3¾c per lb. The calves were small, and sold at from $3 to $5 each. Sheep sold at from 3c to 3½c and lambs at from 4c to 4½c per lb. Good lots of fat hogs sold at from 6c to 6¼c per lb., weighed off the cars.

From the Mail and Empire, Toronto, Saturday, January 3rd, 1903:

ANOTHER GUSHER IN KENT.

Good Flow of Oil Struck in Raleigh Township.

Special to the Mail and Empire.

Chatham, Ont., Jan. 2.—Another splendid oil well has been struck on the farm of Mr. Miller, lot 17, 13th concession, in the Raleigh oil fields. The new well is 600 feet down. It was shot yesterday, and a splendid flow of oil has been secured. This well is only a few hundred feet from "Gurd's Gusher," and is the second good one in the Raleigh oil fields.

A number of other wells were shot yesterday, and a good strong showing of oil was secured. The field is judged by experts to be about three miles long and a quarter of a mile wide.

We desire to call the attention of our shareholders to the above extremely gratifying news item, which is particularly satisfactory to the Dominion Oil Co., on account of the fact that this is the second well brought in adjoining the West side of the 1530 acres in which this company is interested, and practically demonstrative that of the company's lands at least 1000 acres is **proven oil territory**, the output of which is bringing the **highest price** of any oil in either Canada or the United States in being of the best quality.

A marked demonstration of the way in which the permanency of this field is regarded is the fact that the Standard Oil Co. has constructed a pipe line from the "Gurd" Gusher to the nearest railroad, and is now erecting additional steel tankage and pumping stations.

A limited issue of the treasury stock is now offered at the exceptionally low price of **35c per share**, this being the opening price and the lowest at which a share of the stock has ever been offered.

The present purchaser will be entitled to a dividend of **2%** per month on par, commencing February 1st, equalling about **36%** per annum on the investment **at the present figure.**

Call or send for prospectus and full information. Make all cheques, drafts, etc., payable to the order of the fiscal agents.

ROY'S FORWARD MOVEMENT.

New Well Equipped Ground Floor Pre and Most Modern Improved Processes.

Mr. Roy and Miss Boy took advantage of the first opportunity afforded them since the holiday rush of spending the first week of the New Year, in visiting the largest photograph studios in the City of Buffalo. The object of their visit was business and information rather than pleasure—getting in touch with the very latest modern advance discoveries in the art, and the best equipped studios. Mr. Roy, as a result of this visit, has in contemplation important changes in his present premises—radical changes, which it has been decided to go on with without delay. The present studio, waiting rooms and operating rooms, are to be moved down to the first floor below with the object of securing still better results in high art photography, as well as assuring greater convenience to patrons by lessening the difficulty of access to the present studio. The work of fitting up the first flat for this purpose is to be executed on elaborate and up-to-date plans. What with Mr. Roy's own skill and enthusiasm for perfection in the art and the valuable information gleaned from his recent visit to Buffalo, accompanied by his no less interested artist daughter, the art-loving public of Peterborough may depend that Peterborough will continue to pride itself in possessing photographic premises and artists second to none in Canada.

The Never Learn Class meets tonight, 8 30 to 11.30. Members and friends will please take notice.

THE MAYOR'S INAUGURAL ADDRESS

At Last Night's Meeting of the Town Council.

THE STANDING COMMITTEES.

Mr. R. Neill Asks for Grant Towards the Entertainment of Scottish Curlers —Auditors Appointed.

A meeting of the Peterborough Town Council was held last night, when the report of the Committee to appoint Standing Committees was submitted and bylaws were put through, appointing auditors, etc.

His Worship Mayor G. M. Roger presided and there were also present,—Aldermen H. Best, J. Batten, R. Clinkscale, James Finnie, H. Best, M. A. Morrison and B. Shortly.

The minutes of the last meeting were read and adopted.

COMMUNICATIONS

were received and disposed of as follows:

From T.A.S. Hay, asking that a representation, including the Mayor, be appointed to the Board of Management of Victoria Museum.—Referred to the Committee on Appointments.

From Mrs. D. Thornton, Aylmer street, asking permission to give meals without taking out a license.—Referred to the License Committee.

THE MAYOR'S REMARKS.

Mayor Roger addressed the members of the Council as follows:

Gentlemen of the Council of 1903,—I desire to congratulate you upon the honour which the citizens of Peterborough have bestowed upon you in electing you to the government of the town for the current year. With those of you who sat in the Council of last year it is a particular pleasure to be again associated; to those of you who are here for the first time I extend a cordial welcome, and of you all I ask sympathy and support in the effort to worthily fulfil the responsible duties devolving upon me as Mayor of the Town.

The marvellous prosperity which the country is now enjoying, the unprecedented industrial developments which that prosperity is inducing, and the keen competition among towns and cities to profit by these conditions, are such that only by loyal co-operation by close devotion to duty, and by diligence and agressiveness, can we hope to gain and maintain for the town that prominent place amongst Canadian municipalities to which its great natural advantages and the enterprise of our citizens entitles us to aspire.

While it may not be necessary to attempt anything like a general review of the field of action before us, there are a few matters of especial interest or urgency to which attention may be profitably directed at the present time.

The increase of $1,000, in the demand of the School Trustees for the current year combined with the fact that expenditure generally, a large amount of which is not under the control of the Council, has been increasing faster than revenue, makes it compulsory upon this Council to speedily face and settle the question whether the rate of optional expenditure is to be diminished or the rate of taxation increased.

The defeat of the by-law to provide for the borrowing of $20,000 for permanent street improvements submitted at the recent election is not necessarily to be taken as an objection to the measures or principles involved, but may merely be an indication that more definiteness in, or more information concerning, the by-law is required, and it will be for you to consider whether the people should not again be allowed an opportunity to pass upon the matter, when these defects have been supplied.

The expiry this year of the street franchises of the various public electric supply companies, and of the contract under which for some years the Light and Power Co., have been lighting the streets of the town, opens for review and re-arrangement, the whole subject of electric power and light supply for the future, and as cheap and abundant power supply is one of the factors upon which the future prosperity of the town largely depends, the subject demands careful and exhaustive consideration, and will repay the employment of expert advice and assistance.

Conditions of sanitation and public health are causing anxiety at the present time and call for your earnest attention and possibly for some action in support or in stimulation of the Board of Health.

I think that the practice which has grown up of receiving and hearing deputations and applications for municipal grants and privileges in committees, instead of before the council, is a mistake, and not in the interests of the public, and I would recommend that whenever circumstances reasonably permit of it, such applications should be required first to be made in public, and should thence be referred for consideration in committee, so that the public may be kept fully informed, and have opportunity of being heard, and members of council may have the benefit of ensuing discussion and criticism before final disposition of such matters.

In conclusion, allow me to wish you a pleasant and progressive year of municipal service together, and to hope that at the end the hearty commendation of your fellow-citizens may await you as a reward.

Mr. H. Best said that in regard to the $20,000 bylaw that it was perhaps just as well that the bylaw was defeated as it now brings us face to face with the matter as to who shall pay for the public works, the general taxpayer or the property holders.

Ald. Rush, on behalf of the council, thanked the Mayor for the very appropriate address he had presented and assured His Worship of the confidence the people of the town felt in him as Mayor of the corporation.

Mr. R. Neill, on behalf of the curlers of the town, addressed the council, asking that the town make a grant towards the expense in connection with entertainment of the Scottish curlers. In doing so he congratulated the members of the council upon the position they held. He referred to the fact that the visitors were men of prominence throughout the Old Country and they should be entertained in no small manner. They were men of various profession, including lawers, doctors, clergymen, farmers and if the reception tendered them was in keeping with the dignity of the town, the visitors would not soon forget it.

Mr. W. G. Morrow, who also was present on behalf of the curlers, mentioned the fact that the Scottish curlers had been entertained by the various towns and cities they had visited since their arrival in Canada, and Peterborough should not be behind in a matter of this kind.

The Mayor assured the delegation that their request would receive due consideration.

WANT SIDEWALKS.

A communication was received from Mr. E. E. Lord and 127 other ratepayers, who were employees of the Canadian General Electric Company, asking for better sidewalk accommodation and better lighting at the entrance to the C. G. E. premises. There was a railway crossing at this point which at present made it very dangerous to employees going and coming. The nearest light was two blocks off, they claimed.

Mr. W. Robinson was present on behalf of the Electric Company's employees, spoke in support of the petition, and intimated that if the matter was shelved this time that the aldermen would hear from them 12 months hence. The matter was referred to the Board of Works.

SPECIAL COMMITTEE.

The Special Committee, through its chairman, Alderman Shortly, reported as follows:

To the Council of the Town of Peterborough:

Gentlemen, — Your Committee appointed to strike the Standing Committees for the year 1903, beg leave to report and recommend as follows:—

1. That the Standing Committee be composed as follows:—

Finance.—Ald. Rush (Chairman), Morrison, Clinkscale, Best and Corkery.

Board of Works.—Ald. Best (Chairman), Finnie, Edgcumbe Clinkscale, Shortly.

Manufactures and Railways. — Ald. Shortly (Chairman) Rush, Morrison, Best and McWilliams.

Fire, Water and Light.—Ald. Clinkscale, (Chairman), Edgcumbe, Batten, O'Connol and Finnie.

Appointments.—Corkery (Chairman), Edgcumbe, Shortly, Morrison, and McWilliams.

License.— Ald. Finnie, (Chairman), Batten, Clinkscale, Corkery, and Rush.

Property, Building and Health.—Ald. Batten (Chairman), Clinkscale, McWilliams, Finnie and O'Connoll.

Market.—Ald. Edgcumbe, (Chairman), Shortly, Corkeery, Batten, and McWilliams.

Court of Revision.—Ald. O'Connoll (Chairman), Clinkscale, Batten, Morrison and Finnie.

Joint with County.—Ald. Morrison, (Chairman), Best, Rush, Shortly and Corkery.

Legal.—Ald. McWilliams (Chairman), Rush, Edgcumbe, Best and O.Connoll.

2. That a special committee be appointed on the subject of street lighting and franchise composed as follows:—Ald. Morrison (Chairman) Best, Rush, Shortly and Corkery.

3. That Alfred Parker and Robert Neill be appointed members of the local Board of Health.

4. That William G. Ferguson and John Crane be appointed High School Trustees.

5. That James A. Hall and George K. Martin be appointed Auditors.

6. That a grant of $350 be made to the Mayor to meet the contingent expenses of his office.

All of which is respectfully submitted.

B. SHORTLY,
Chairman.

Alderman Best immediately rose, and asked that his name be removed as chairman of the Board of Works. He had been chairman of the Committee for a great many years, and it looked as if he had a mortgage on the position. He would remain on the committee, and would give whoever was appointed chairman, every possible assistance.

Ald. Morrison urged that Ald. Best be prevailed upon to accept the chairmanship.

The report was adopted, on motion of Ald. Shortly, seconded by Ald. Morrison.

BELL RINGERS

Appeared in George Street Methodist Church Last Night.

George street Methodist church was well filled last night at the entertainment given by the Almondbury Hand Bell Ringers, of England, under the auspices of the Sunday School and Epworth League. The liquid music of the bells, proved most pleasing and the performers were compelled to respond to numerous encores. Special mention might be made of the numbers "Gounod's Waltz," from Faust, the waltz "Night and Morn," and the march "Almondburian." The programme was varied by a number of selections given by Mr. Elbert Foland, reader and impersonator. Mr. Foland exhibited considerable talent in his clever impersonations which drew forth hearty applause. His portrayal of "Talleyrand," and his selections "Pro. and Con." and "The Letter from Ohio," were especially good.

Is Your Piano in Tune?

The change of seasons affects pianos as well as everything else. Mr. Geo. Gumpricht, practical piano maker and tuner, with twenty-eight years experience, attends to all orders left at Mr. H. S. Macdonald's drug store.

PETERBOROUGH'S MODERN STORE.

Cotton is King!

The month of January we devote a considerable amount of space and time to Cotton. Many people buy the bulk of their cottons in January and have them made up during the long winter months. It affords employment and occupies the mind at a time when everybody wants something to do to relieve the monotony of winter. These stocks are always at their best during January. That's when we replenish our cotton stocks. We always have a Cotton Sale during January. We make prices that encourage people to buy. Those who have the money to spare can make a big saving by buying Cottons at our Big January Sale. Here's a list of prices :—

Unbleached Sheetings

2 Yards wide, at 18, 20, 22 and 25c yard.
2 1-4 Yards Wide, at 22, 25 and 30c yard.
2 1-2 Yards Wide, at 25 and 30c yard.

Bleached Sheetings

2 Yards Wide, at 25, 30 and 35c yard.
2 1-4 Yards Wide, at 30, 35, 40 and 45c yd.
2 1-2 Yards Wide, at 30, 35, 40 and 45c yd.

We carry a full assortment of the best qualities in American and English as well as Canadian Sheetings.

Pillow Cottons

40 Inches Wide, plain at 12 1/2c yard.
42 Inches Wide, plain, at 15 and 20c yard.
44 Inches Wide, plain, at 14c yard.
45 Inches Wide, plain, at 20c yard.

Circular Pillow Cottons.

40 Inches wide, circular, 16, 18 and 20c yd.
42 Inches Wide, " 16 and 20c yard.
44 Inches Wide, " 18 and 20c yard.
46 Inches Wide, " 22c yard.
48 Inches Wide, " 22c yard.
50 Inches Wide, " 22c yard.
52 Inches Wide, " 25c yard.

We don't keep low-grade Pillow Cottons, and won't have them at any price.

Now is the time to buy Unbleached Cottons. You have facilities for bleaching in the winter time that you can't have any other time.

MAYOR'S BANQUET A GREAT SUCCESS.

(Continued From 1st Page.)

the Intercolonial Railway, which was now paying, although, it is true, it had not at all times done so, was owned by the people. The first real illustration of the success of the ownership of municipal franchises, was when Joseph Chamberlain succeeded in having the city of Birmingham take over the franchises of that city. Mr. Moore then reviewed the construction of the Water Works system of Peterborough. He said that at the present time the public lighting of Peterborough was costing us $6,065, which was too much, and it was up to the ratepayers of the town to do their own lighting, and vote in favour of so doing, at next January's elections, when the matter would likely be submitted to the people. Mr. Moore, continuing, went into figures to show that the town could borrow the money and put in a plant of their own, and pay for it in 30 years on the same principle as they were operating the Water Works system, and at the same time give the town much cheaper light. "You may say that I am more of a Radical than a Tory," said Mr. Moore, "but I am of the opinion that when Ashburnham and Peterborough unite, which is very shortly to be, I think that we should choose a new name for the new municipality. Look at the many cities that have changed their names. I would suggest that you give it a pleasant sounding name. Peterborough is too common. There are a hundred different places throughout the world of the same name. I think that there is a good deal of nonsense in the statement as to the manner in which Peterborough obtained its name. It is said that it was called after Peter Robinson. I don't believe it. I think that it was called after some old country people who came from a town of the same name in the old land. I think that a name that is unique, euphonious and applicable, is "Otonabee." It is a name that will perhaps not be duplicated by any other city or town." Mr. Moore concluded with a strong appeal for a new name for Town of Peterborough.

At this juncture Mr. Gliddon favoured the gathering with a cornet solo, which was executed in his usual finished style.

MR STEVENSON.

Mr. Jas. Stevenson, one of Peterborough's ex-Mayors, was called upon to make a few remarks. He thanked the Mayor for the privilege of being present, and referred to his long connection with the municipal council of Peterborough. He first entered municipal life at the old town hall, standing where the market square now is. That was in 1850. Continuing with his remarks, Mr. Stevenson recited many amusing reminiscences of municipal life, and described the rudely constructed sidewalks and public buildings. When he came to Peterborough the inhabitants numbered 800 persons, amongst them Mr. Peter Robinson, and he wished to correct Mr. Moore's assertion that it was a question of doubt as to whether the town was called after that gentleman, or not. Mr. Stevenson said there was no doubt about it; the town was called after Mr. Robinson. The speaker referred to the construction of the Cobourg, Peterborough and Marmora Railway and the branch of the Midland Railway from Millbrook to Peterborough. In this latter connection he referred to an amusing incident in connection with a law suit between the Port Hope capitalists and the corporation of Peterborough. Mr. Stevenson turned his remarks to the matter of the Trent Canal, claiming that while he was a member of Parliament he had done all in his power towards its completion. He regretted the demise of Sir John Thompson, whom he felt sure, would have lent all his efforts in that direction. In conclusion he expressed the hope that the village of Ashburnham and Peterborough would soon be united, and form one grand city. He also congratulated the Mayor upon his election by acclamation.

AS TO ANNEXATION.

Mr. Frank Adams, reeve of Ashburnham, was next called upon to speak. He first thanked the Mayor for his kindness in asking the Ashburnham representatives to be present. Continuing, he said: "On behalf of the councillors of the village of Ashburnham, I thank you, Mr. Mayor, for your kindness in inviting us to be present on this occasion. While you in the town have made this gathering an annual affair, this is the first time that the sister municipality across the river has been thus honoured by having the municipal council represented at it, and I thank you very heartily for your kind thoughtfulness and fraternal good feeling, and hope that this marked evidence of your interest in, and good will toward, us may be productive of good results, for I can assure you that these kindly feelings and good wishes are heartily reciprocated by every member of the municipal council present to-night. You have asked me to say something on municipal union. While there are many here who could deal with this question much better than I can, I will ask your kind indulgence for a few minutes, while I recite a little of the histoory of this question. In doing so I will not go into the remote past, but take it up where it comes within the range of my memory.

"My earliest recollection of the question, goes back to the time when a deputation composed of the late Councillors Cahill and Rutherford visited the Ashburnham council with a view of arranging some basis of union. On that occasion they were very kindly received and given a hearing, but the powers that were then in the Ashburnham council did not look favourably upon the proposed union, and nothing was done. A few years later some of the people of Ashburnham, outside of the council, took the matter up, circulated a petition—which was very generally signed by the ratepayers, who were entitled to vote on the question—and presented it to the council, asking that such steps be taken as were required, to bring the question before the ratepayers, and have a vote taekn on it, so as to ascertain the state of public opinion with respect to this question. At this time we were

WITHOUT WATER WORKS,

and did not have any adequate fire protection. The only other thing that had any bearing upon the question of union then, was that of the admission of pupils from Ashburnham to the Collegiate Institute on the same terms as town pupils.

"After several conferences by the respective councils, a basis of union was arranged to submit to the qualified ratepayers of both municipalities. The question was voted on in due course, and while the vote polled was not a large one, both municipalities by substantial majorities declared in favour of the union. In working out the details, the two councils could not agree. It seemed to me, however, that they agreed to disagree. A leading member of the town council, who for many years advocated the union, suddenly changed his mind and was very much opposed to it. Knowing this the council of the town, to get rid of the question, passed a resolution referring the matter to a special committee, (of which the councillor referred to, was chairman) to arrange all details in connection with the proposed union. This committee has not reported yet. Since that time very little has been heard on the subject until the past year or two. On more than one occasion it has been brought up in the council, but did not get any further. At the public meeting in the opera house recently, you, Mr. Mayor, referred to it, but as I was not in at the opening of your remarks on the subject, I can not say just what your views are on the subject. The union of municipalities is not a new thing, in Ontario many places similarly situated as Peterborough and Ashburnham have been united, and are apparently satisfied with the change. The only place that I know that went back to the old order of blessedness was Allandale, near the town of Barrie. They did not appear to get along well together, and by the initiation of Allandale the union was dissolved."

"This is an age of unions of all kinds, and as we are practically one people, I never could see any good reason why we should not be united. Just what the views of the people of Ashburnham are at present, I am not prepared to say, but judging from the last vote, I believe that they would be willing to unite on a fair and equitable basis. At the present time we are depending on Peterborough for our water supply, fire protection, and the privileges of the Collegiate Institute, while our electric light is also supplied from the town side of the river. It would at least simplify matters if we were united.

"By a comparison of some of the statistics of both municipalities you will see that Ashburnham has not to gain by union. Our population is 1819; Peterborough's, 11,289. Our debenture debt is $19,500, or about $10 per head, this includes Water Works debt of $10,000 Peterborough's debenture debt to 31 December, 1901, was $335,271.08, or about $33 per head, and including Water Works, is $561,271.00, or about $54 per head. Our assessment is $490,528, or about one-tenth of Peterborough's. Our taxes in 1902, at 17 mills, amounted to $6,772.33; your taxes in 1901, at 18 mills, amounted to $72,056.9. Taxes per head of population in Ashburnham is over $3.50; per head of population in Peterborough, about $6.50.

"We have 13 hydrants set throughout the village, which give adequate fire protection to the principal part. We have about two miles of mains, 8 inch and 6 inch; and 57 services. So far as waterworks are concerned we have all the extensions we require for some time, until building operations make extensions necessary, except possibly the getting rid of some dead ends by completing some of the circuits.

"Our most urgent needs now are the construction of a system of sewers, and cement pavements. These will engage the attention of this year's council. At a meeting of the Ashburnham Civic Association held last summer a system of sewers was outlined, that with some modifications, would be suitable for the needs of the village.

"I have been told that it was on the questiuon of sewers that the two councils failed to agree when the vote was taken some years ago. This does not seem an insuperable obstacle now, for union or no union we must have sewers, and that soon.

"Then as to cement walks, as they are in the end much cheaper than the old board walks, it would be folly to not put down the cement walks when any new sidewalks are required.

"With the union of the two municipalities there would be a prestige given to Peterborough among outsiders, that it does not now possess—and that without costing any very great amount, so far as I can see. I am not in a position to state what the change would necessitate in the way of increased expenses, but with the added revenue, there would be sufficient to pay any increased expenses.

"In preparing a special act, in case of union, the most or all of the farm land east of Concession street, might be thrown back into the Township of Otonabee, and thus the area of the village considerably reduced.

"Should your council desire to take this matter up, I am sure that the Ashburnham council will be willing to co-operate with you in any way to discuss the matter in committee, and, if they can arrive at a basis of union that will be eventually satisfactory, be prepared to submit the question to the ratepayers for their approval.

"I thank you for your kind indulgence, and hope that some good may result from a frank discussion of the matter.

MR T. F. MATTHEWS.

Mr. T. F. Matthews, chairman of the Water Commissioners, thought that the town of Peterborough was to be congratulated upon the excellent council they had to manage their affairs for 1903. Referring to the work the commissioners had before them, Mr. Matthews said that the payment on the sinking fund should come out of the ratepayers as a whole. However, the commissioners proposed paying for the works out of the revenue, and also to give a cheaper service. They hoped to treat the manufacturers more liberally than they had heretofore done. The rates to the manufacturers in Peterborough were not as liberal as they were in Brantford and other towns. He intimated to the council that if the manufacturers came forward and wanted free water, the town will have to pay for it, and not the consumers. Metres will have to be put in and the town pay for the water the same as any other consumer.

EX-MAYOR DAVIS

merely thanked Mayor Roger for the entertainment that had been afforded, and congratulated the Mayor upon his election.

MR. JOHN CARNEGIE.

Mr. John Carnegie spoke only briefly, congratulating the Mayor upon his election by acclamation, and upon the innovation of having a programme of speeches arranged. In conclusion Mr. Carnegie asked the gathering to drink to the health of Mayor Roger. This was done with musical honours.

In reply Mayor Roger begged to be excused from making any remarks other than to thank the gathering for the honour that they had done him, and claimed that his replies which he had made to the council, and elsewhere, would cover what he had to say.

MR. ALBERT MATTHEWS.

Mr. Albert Matthews was called upon for a few remarks. He said that about the only matter that was not touched upon which he would like to have heard discussed was the matter of the street railway. He thought that Peterborough was attaining great importance throughout the Dominion, and it is time that its street railway was resurrected. He also gave some interesting information regarding the cost of electric light in Hull, Ottawa and other places.

MR. D. O'CONNELL

thought that a subject that had been touched upon that was of much interest was that of the changing of the name of Peterborough. He referred to the fact that in years past it had been the custom of the town bards to sing the praises of their respective towns. It would perhaps be unjust to change the names of those towns now. The same may be said of Peterborough. Our own bard has handed out the sweet melody of "Peterborough, Peterborough, Pete, Pete, Pete." (Laughter.) Speaking in a more serious strain Mr. O'Connell said that he had got himself into a rather difficult position by being a member of the Separate School Board at the time he offered himself for the council. However, he hoped to get over the difficulty, and if he was permitted to take his seat Mayor Roger would have no Alderman more anxious to assist in the town's progress more than he would endeavour to be.

Councillors Wm. Faint, Wm. Scott, Wm. Gibbs and Jas Hourigan made brief speeches, and were followed by Mr. Sheriff Hall.

The affair closed by all singing Auld Lang Syne.

OPERA HOUSE TO-NIGHT.

Last night of the Pan American Electric Carnival.

Complete change of programme.

Prices 15c, 25c, 35c.

Buy in Town—Stand by the Town.

We're reaching out for more business from business men. A lot of office supplies is bought from out-of-town firms, which the Peterborough Bookstore can fill equally as well. We can quote you jobbers' prices, and meet any offer for similar quantities of binders' cases, Shannon fyles, Eclipse fyles, office drawers, pens, inks, mucilage, blank books, letter books, type-writer ribbons, erasers and oil. We want the office supplies trade of the town confined to Peterborough. You can assist us. Test us with your next order — you'll find the prices right—because we are prepared to make them right. A. H. Stratton & Co.

Fountain Pens from $1.00 to $5.00 and Stylographic Pens at $1.00, all guaranteed—at Salisbury's.

Very Gratifying

Our customers have taken us fairly by storm again this winter. Never before have we been favoured with so much selling of so much of the better class of Furs to such a large class of influential and desirable patrons.

The store is still bountifully full of HIGH-CLASS FURS—altogether different to what is ordinarily offered. And yet the prices are not different to the extent of being extravagant. You will be surprised at the many handsome things you can get with little-priced tickets on them.

SUCCESSFUL T. A. S. SMOKER.

The Hockey Club's Benefit Liberally Patronized.

Music, Muscle and Merriment Constitute a Delightful Evening.

Last evening about two hundred friends and supporters of the St. Peter's T. A. S. hockey club assembled in the society hall to enjoy the smoker in aid of the hockeyists.

The gathering was a jovial one, in every sense of the word, and all were thoroughly pleased with the excellent programme presented. There was a liberal supply of "the weed" on hand, as well as dhudeens galore, and a great many of the gathering enjoyed a "drag" to their heart's content.

Mr. William Crowley, the popular president of the hockey club, made an excellent chairman during the evening, and the programme opened with an exhibition of skip-a-bay music on the violin by that triple-strung wonder, Mons. Kaygn. This number was a beautiful arrangement of a Venetian lullaby.

Mr. Jack Gillogly next furnished two excellent vocal numbers in fine voice, and was followed by Mr. Jas. Henry in some clever dancing, which was deserving of the warm recognition it received. Mr. Ed. Hickey's instrumental number was rendered so well as to earn for him a recall. Mr. Dan Donoghue, an old time favourite, again made his appearance after an absence of some years from the stage, and brought down the house with his Irish songs.

A wrestling bout followed, between one Austin Johnston, of Winnitoba, and Banty Meagher, of Wrestleville, Texas. This was an interesting and at the same time an exciting bout, and after some pretty tall calculating on the part of the referee it was decided that the Texas cyclone had won it by 10 3-4 points. Mr. John Parle next gave two rattling comic songs, which pleased the audience immensely, and that clever dancer, Mr. Sam Houlihan, next followed in some fine stepping. Sam has all the paces down to perfection, and can certainly hold his place with the best of them.

The wrestling bout between Eugene Hurtubise and Jack McDonough was a splendid exhibition. Both contestants are splendid specimens of physical manhood and the beautiful exhibition of strength was a fine exposition of what it means to be in condition. Mr. J. McDonough succeeded in throwing his opponent twice.

Little Jimmy McNicholl's exhibition of tumbling, went to show that the little fellow is exceedingly clever in his turns, and with practice will make his mark as an acrobat.

Before the evening's proceedings closed the chairman thanked all those present, as well as those who contributed to the programme, for their kindness in assisting the hockey club. The boys also desire to thank Mr. George Schneider for the efficient services rendered by him as accompanist of the evening, his excellent work at the piano being a feature of the evening.

Malt Breakfast Food

Is a Food for Health not for Thought.

A breakfast grain food preparation that requires thought, consideration deliberation before it can be used is not a safe article of diet for health seekers. Life is short, health too precious and time too valuable, to make any article of diet a food for thought.

Malt Breakfast Food has passed the stage of infancy; it does not demand hours of thought before it can be used; the ablest medical men and the most noted food experts place it at the head of all grain foods because of its health-giving and energy-producing qualities. It is the food for the weak and strong, the athlete and the invalid. All over this continent the fame of Malt Breakfast Food has been established as a health food. All grocers.

Your wearing apparel is your home. Your shirt the principal room.

WHY?

Why hunt in vain for cheap houses to rent when it is easier to buy? Why pay seven to ten per cent. in rent to be turned out, when five to six would pay interest on investment and own your house? Why look for farms to rent when we have lots of them for sale? Why run your own risk of fire when you should be insured? Why run all risks without protection when you should have an accident policy? Why trouble your friends when you can get a guarantee policy? Why leave your wife and family to scrub and beg when a life policy would prevent it? Why not call at Lindsay & Might's Real Estate and Insurance Office for any of these?

HYMAN'S THOUSANDS.

National Trust Company Applies For Administration of Miser's Estate —Left $63,064.56.

Toronto, Jan. 13.—Application for permanent administration was made by the National Trust Corporation yesterday morning in the estate of Eli Hyman, the beggar, otherwise known as Henry Davis, or Henry Zolynski, who died on Dec. 17. Temporary administration was granted for two months on December 19 last upon the security being given of $10,000 that the succession duty would be paid. Sophia Hyman of Peel Township, widow of the deceased, renounces her right of administration in favor of the company.

The inventory of the estate, as filed yesterday, gives a total of $63,064.56. Of this sum, cash on hand amounted to $3. The inventory is as follows:

Land—In York County, $15; in Township of Scarboro, $10.

Bonds, in National Trust Co., Limited, guaranteed investment receipt, $5,000.

Cash, invested with A. E. Ames & Co., $219; on hand, $3.

Stocks, in Land Security, preference and common, $500; in Canada Loan and Investment Co., $1,286; in Toronto Electric Light Co., $8,388, Canada Landed, $162; Canada Permanent, $21,348; Dominion Telegraph Co., $180; Western Assurance Co., $12,554; British America Assurance Co., $600; London and Canadian, $10,000; Dominion Savings and Investment Co., $1,505; Toronto Mortgage Co., $1,507.50.

SAVED FROM THE GRAVE

What T. C. Marsh Says Dodd's Kidney Pills did for him.

Story of a Nova Scotia man who had Almost Given up Hope of Ever Being Well Again.

Central Economy, N. S. — January 11th, (Special.) — "I feel as if Dodd's Kidney Pills had saved me from the grave," is the way T. C. Marsh, of this place, talks of those wonderful exterminators of the aches and pains arising from Diseased Kidneys. And Mr. Marsh should know whereof he speaks. He was under the doctor's care for kidney complaint for some time, and despite their efforts, continued to grow worse. He was almost in despair when a friend advisised him to use Dodd's Kidney Pills. In such a severe case the progress towards recovery was naturally slow but he persevered and now he feels justified in using the strong words quoted above. Mr. Marsh thus describes his case:

"I was under the doctor's care, but didn't seem to get any better, only worse. I was advised by a friend to use Dodd's Kidney Pills. After I had used them for a time, I began to feel a difference and I never stopped until I had used 22 boxes. I suppose I will still have to use something as long as I live, but I feel as if Dodd's Kidney Pills had saved me from the grave.

"I have recommended Dodd's Kidney Pills to everyone because of what they have done for me."

Formerly of Hamilton.

Chicago, Jan. 13.—Richard Porter Street, well known in banking circles in Chicago and Canada, is dead of appendicitis at the residence of his son, R. J. Street. Mr. Street was 85 years old and had been a resident of Chicago for 20 years. He was born in Buckinghamshire, England. He went to Hamilton, Canada, in 1836, where he was connected with the Gore Bank for many years.

Gale Keeps Her Out.

Halifax, N. S., Jan. 12.—The Allan Line steamer Corinthian with the weekly mails and passengers had not arrived up to 8 o'clock last night. There is a southeast snow storm now in progress, and the steamer was hardly expected to make the port last night.

SUFFERED TEN YEARS

From Kidney Trouble, Pain in the Back and Hips.

An Ingersoll Lady's Remarkable Recovery by the use of Dr. Pitcher's Backache Kidney Tablets.

Do not let any lady who is suffering the miseries of back ache and derangement of the kidneys, hesitate one moment in procuring Dr. Pitcher's Backache Kidney Tablets. These Tablets are the formula of Dr. Zina Pitcher, the eminent kidney specialist, and have cured hundreds of cases of the severest type of kidney disease, which ordinary remedies which could not benefit. They are small in size, chocolate coated and mild, yet thorough-going in their action—just suited to the requirerequirements of a lady's delicate organism.

Mrs. W. Wallace, whose home is Bell street, Ingersoll, Ont., speaks of the benefits she derived from the Tablets, as follows:

"For many years, some ten or twelve, I have had a great deal of trouble with my back and kidneys, the pain getting into my left hib. I have doctored and doctored, and tried all sorts of kidney remedies, and finally determined to try Dr. Pitcher's Backache Kidney Tablets. I got a bottle from A. E. Gayfer, druggist, and must say, that they have done me a great deal of good. The pain in my back and hip is gone, the kidney irritation removed and I sleep well now at night. I am pleased with the Tablets and am glad to recommend them to others."

Dr. Pitcher's Backache Kidney Tablets are 50 cents a bottle, or three for $1.25, at all druggists, or by mail. Ont.

The Dr. Zina Pitcher Co., Toronto, Ont.

DID NOT AIM AT KING.

Wanted to Kill Duke of Sotomayor for Personal Reasons.

ALFONSO NOT IN CARRIAGE

But the Carriage Was in the Royal Procession as It Was Passing From Church —Man Who Fired at It Makes a Statement—Feito Gave Indications of Insanity—Details of the Incident.

Madrid, Jan. 13.—As King Alfonso and Queen Christiana and the court were returning from church Saturday afternoon, a man, who afterwards gave his name as Feito, fired a pistol at one of the carriages in the royal procession. The bullet went wild, and no one was injured. The King heard the shot and put his head out of the carriage window but he was immediately dragged back into his seat by the Queen mother, who was seated beside him in the carriage. The escort of civil guards immediately threw themselves upon the would-be assassin and overpowered him.

Feito was taken to the police station, where he said he did not desire to kill the King, but the Grand Chamberlain, the Duke of Sotomayor, at whose carriage he had aimed. He was searched, and in his pockets were found unmailed letters marked "registered," and addressed to President Roosevelt, King Edward, the Emperor of Germany and the president of the High Court of Justice at Mexico, and also receipts for a number of registered letters and a visiting card of the Mayor of Madrid.

Feito was later put under examination by a magistrate, to whom he repeated his statement as to the object of his shooting. He insisted that he was not an Anarchist, and said that his wife, a French woman, had confined him in a lunatic asylum. The prisoner, in making this statement, did not appear excited, but there are indications that he is insane. The Minister of the Interior has telegraphed to the prefect in the provinces that the attempt was directed against the Grand Chamberlain and not against the King.

A police sergeant, who was the first to seize Feito, makes the following statement:

"After the King's carriage had passed, Feito, who was standing in front of me, raised a pistol and fired at the second carriage in the procession. Before he could fire a second time, I struck him with my sword. He cried 'You wish to kill me, but I seek the life of the Duke of Sotomayor, who is the cause of all my troubles.' The Duke of Sotomayor, however, was not in the second carriage, it being occupied by the Marquis De LaMina, the court grand equerry, and two palace officials."

After the shooting the people gathered along the route from the church to the palace, giving the King an ovation as the royal carriage proceeded slowly towards the royal residence. The Prefect of Madrid, who was in the last carriage left the procession and gave orders for Feito to be taken to the police station. Feito is 34 years of age, and was born at Posatdas, in the Province of Oviedo. He returned to Spain from Mexico last June. He was slightly cut in the head by the police sergeant's sword.

Questioned as to what reasons he had for wishing to kill the Grand Chamberlain, the prisoner said the Duke of Sotomayor had offered him a position at the palace, but had failed to fulfil his promise.

Paris, Jan. 12.—The correspondent at Brussels of The Matin telegraphs that the police of Madrid have wired to the authorities in Brussels a request that Rubino, the man who fired three shots at the King of Belgium in Brussels on Nov. 15, and who is now waiting trial, be interrogated, with a view to obtain further light regarding Feito's attempt.

ALEX. LOGAN DEAD.

Police Magistrate of Niagara Falls Passed Away Saturday.

Niagara Falls, Jan. 12.— Alexander Logan, police magistrate of the Niagara frontier district, died suddenly Saturday of acute uremic poisoning that paralyzed the brain and caused death at 5.30. Mr. Logan was one of Niagara Falls' most stalwart business men and best citizens. The town has lost a great and good man. Mr. Logan came to this country from Scotland about 29 years ago and settled in this town. He was 49 years of age, and leaves behind him a widow and eight children—three sons and five daughters.

Sent Back the Passes.

Helena, Mon., Jan. 12.—Sixty-one of the 72 members of the House decided to return the passes furnished to them on Thursday by the Northern Pacific Railway Company through its local counsel. The principal reason for this unprecedented move was because the passes were limited to 60 days instead of one year, as heretofore.

Sultan Has Winning Hand.

Madrid, Jan. 10.—A despatch received from Melilla, Morocco, says that Bu Hamara, the pretender to the throne, has been defeated near Fez, and has retreated to Taza. Several more tribes have abandoned the revolutionary movement, and have submitted to the Sultan.

Accepts $1,500,000 From Carnegie.

Philadelphia, Jan. 10.—Andrew Carnegie's offer of $1,500,000 for the erection of thirty branch free library buildings in this city was yesterday accepted by the Board of Trustees of the Philadelphia Free Library.

Killed by Flywheel.

Granby, Que., Jan. 10. — Robert Ennis was instantly killed by a broken flywheel in a sawmill owned by Thomas Dougall of this place last evening.

THE DOMINION RAILWAY.

Gross Earnings of the Intercolonial Show a Large Increase.

Ottawa, Jan. 13.—For December the gross earnings of the Intercolonial were $492,109.95, and for the calendar year just closed $6,047,476, an increase of $751,242 over the previous year. For the six months of the fiscal year ending December 31, the gross earnings were $3,280,780, as compared with $2,904,689 for the same period of 1901, and were more than for the entire fiscal year of 1896.

In his inaugural message to the council yesterday Mayor Cook approved of the proposed extension of the Intercolonial Railway westward.

New Mayor a Hustler.

Toronto, Jan. 13. — The Mayor's address was short yesterday, but it covered with unmistakable clearness a municipal ownership of public franchises program. Mr. Urquhart has already been congratulated by many who stood aloof. The new controllers elected are: Messrs. Louden, Oliver, W. Burns and Richardson.

Thanks to Canada, et al.

London, Jan. 13.—At a meeting yesterday of the Council of the London Chamber of Commerce, the delegates extolled the courtesy and hospitality which had been extended to them in the United States and Canada, and the Council passed a resolution thanking the delegation and authorized votes of thanks to the New York Chamber and other similar bodies which the delegates visited in the United States and the Provinces.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the now inhaler Remedy, "Catarrhozone," the treatment of catafrhal diseases has been entirerevolutionized. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Polson & Co., Kingston, Ont.

Dr. Hamilton's Mandrake and Butternut Pills.

Preparing to Pay.

Savannah, Ga., Jan. 13.—The bondsmen of D. D. Greene and John F. Gaynor, fugitives from justice for alleged frauds in connection with improvements of the Savannah harbor, are preparing to pay into the registry of the United States court $80,000.

Each $1 Cost $6,250,000.

London, Jan. 13.—A despatch from Glasgow says: Two new Cunard steamers have been ordered. Each will have three screws and cost $6,250,000. It is stipulated that they shall be ready for their maiden voyages in June, 1905.

Majority in North Grey.

Owen Sound, Jan. 13.—The official returns for the North Grey bye-election give A. G. Mackay, Liberal, a majority of 272. Six thousand and seventy votes were polled, being the largest on record for this riding.

The Dread of an Operation

Stares Many Pile Sufferers in the Face—The Safest and Surest Cure is

Dr. Chase's Ointment.

Possibly you are a sufferer from piles and have been disheartened and discouraged because your physician has told you that nothing short of an operation will cure you.

You dread the thought of a surgical operation, for, besides the expense and strain on the nervous system, there is the risk of life itself. It is only a few months since a member of the Ontario Legislature lost his life as the result of an operation for piles. The risk of an operation is too great, and, besides, it is unnecessary.

Dr. Chase's Ointment has frequently cured piles after surgical operations have failed. It is every day curing cases which physicians have stated to be incurable by any treatment short of an operation.

If you could read a few of the letters we receive from persons who have been cured of piles by using Dr. Chase's Ointment you would soon be convinced of its wonderful control over this frightfully common disease.

Rev. E. A. Dupray, Methodist minister, Consecon, Prince Edward County, Ont., states:—"I was troubled with itching and bleeding piles for years, and they ultimately attained to a very violent form. Large lumps or abscesses formed so that it was with great difficulty and considerable pain that I was able to stoop. At this severe crisis I purchased a box of Dr. Chase's Ointment, but I had little or no faith in it, as I had tried various remedies before and to no purpose.

"Now, imagine how great and joyous was my surprise to find that just the one box cured me, so that the lumps disappeared and also the external swelling. I feel like a different man to-day, and have not the least doubt that Dr. Chase's Ointment saved me from a very dangerous and painful operation, and many years of suffering. It is with the greatest pleasure and with a thankful heart that I give this testimonial, knowing that Dr. Chase's Ointment has done so much for me. You are at perfect liberty to use this testimonial as you see fit for the benefit of others similiarly afflicted."

Dr. Chase's Ointment 60 cents a box. At all dealers or Edmanson, Bates & Co., Toronto.

MILBURN'S HEART AND NERVE PILLS

Make Weak Hearts Strong. Make Shaky Nerves Firm.

THEY CURE

Nervousness—Sleeplessness—Palpitation of the Heart—Nervous Prostration—Faint and Dizzy Spells—Brain Fag—After Effects of La Grippe—Anaemia—And all Troubles Arising from a Run-down System.

Read what T. L. Foster, Minesing, Ont., has to say about them:—I was greatly troubled with palpitation of the heart, a sudden blindness would come over me, and floating specks before my eyes caused me great inconvenience. Often I would have to gasp for breath, and my nerves were in a terrible condition. I took MILBURN'S HEART AND NERVE PILLS, and they have proved a blessing to me. I cheerfully recommend them to all sufferers from heart and nerve trouble.

Price 50c. per box, or 3 for $1.25; all dealers or The T. Milburn Co., Limited, Toronto, Ont.

HOUSE OF BYGONE RACE.

Discovered and Unearthed by Alaskans in the Cliffs of Arctic Regions—Is Older Than History.

Not since humanity began delving into the mysteries of the existence of primordial man has a discovery been made so rich in its suggestiveness of the home life of prehistoric races as that made by the revenue cutter Bear on her recent cruise to the Arctic Ocean.

A house built by human beings at least 3,000 years ago, and probably of an antiquity four times as great, was discovered by Alaskan natives near Point Barrow, and many of the utensils used by the people who made it a habitation were secured. Some hatchets, stone knives and other stone and bone implements belonging to the races that flourished before the dawn of history have frequently been found, but never has a house in which they lived been found preserved through the wrecks of time and continental cataclysms that have strewed the surface of the earth with ruin and death.

Two years ago, when the Bear was cruising in the southern Arctic Ocean, a missionary at Point Barrow told Captain Tuttle of the finding by the natives of the framework of a house imbedded in a cliff fronting on the ocean, fifteen miles south-west of Point Barrow. At the point where the house was discovered protruding the cliff rose sheer seven feet from the ocean. Forty feet above tide-water and thirty feet from the top of the cliff one end of the house was exposed. The Indians first noticed it nine years ago, and year after year, as fragments of the cliff crumbled into the ocean in the erosive tendency of the water undermining its base, the framework of the house became plainly visible.

It was built after the plan of the houses of the primitive inhabitants of America. The ribs of an enormous whale, or of some animal now extinct, were used for a framework and over these skins had been stretched. The skins had rotted many ages ago but the framework was intact. The country surrounding Point Barrow is level, resembling the vast plains of Siberia, and for a stretch of 700 miles from Cape Lisburne, northeast and east, the short line of the Arctic Ocean is a cliff, ordinarily twenty feet high, but often reaching fifty or sixty feet. From the top of this cliff the level country stretches away southward.

In recent years the Arctic Ocean has been making decisive inroads on this long cliff line, by undermining its base until the cliff above tumbles. The cliff is proving remarkably rich in prehistoric relics, and tusks of mastodon and the bones of animals now extinct can frequently be found. In fact, there is every evidence that the great plain was once a favored region of the earth, abounding in animal life and covered with an immense vegetation of forests and grasses. Fossilized and carbonized remains of this tropic vegetation and the remains of tropical animals abound.

Captain Tuttle is of the opinion that the house discovered is one of a settlement or village that stood on the Arctic's shores in ages long past.

At the instigation of Captain Tuttle the Point Barrow natives made excavations in the cliff and brought away all the utensils that could be found. The immense bones that made up the framework of the house were left on the shores of the Arctic. The utensils found and carried back to Captain Tuttle consist of an ivory bailer for a boat, a carved ivory rowlock, four stone knives, a bone knife and a knife for dressing skins. This last is a curiosity in itself, being a crude caricature of a carpenter's drawing knife, minus the handle. The blade is fitted in the centre and is about four inches in breadth by three or four inches long. The boat bailer is fashioned from a mastodon tusk, is shaped like an old-time gourd dipper, will hold about a pint of water, and is stained a deep yellow with the lapse of ages. The bone knife is about two feet long, and is shaped like a corn knife or Cuban machete. The stone knives are similar to those found in other parts of the world. The bones composing the framework of the house may be brought down from the North and set up in the Smithsonian Institution.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—

Late Mrs. Ulysses S. Grant.

Interest was revived the other day in the first soldier of the great rebellion in the United States, Gen. U. S. Grant, by the death of his

LATE MRS. ULYSSES S. GRANT.

widow at Washington. The late Mrs. Grant in late years had resided for half the year yearly at Cobourg, Ont., and was well-known to many Canadians.

Exhibition Buildings Threatened.

The Alexander III. Bridge, in Paris, opened in 1900, already gives signs of old age. The east pylone on the right bank of the river shows fissures which, if not exactly alarming, must be attended to at once. The Grand Palace is already, in some places, giving way. The ground it stands on is soft, and the foundations do not go down to a harder strata. Both structures were run up hastily for exhibition purposes, and the Alexander III. Bridge, to fetch the Emperor and Empress of Russia to the world's show that closed the nineteenth century.

LIGHT AND DARK,

Day and night, sunshine and shadow are not more different from each other than a healthful from a sickly woman. The healthful woman carries light and sunshine with her wherever she goes.

The woman who suffers from ill-health casts a shadow on her own happiness and the happiness of others. She cannot help it. Those who suffer cannot smile and sing.

Ill-health in woman is generally traceable to disease of the delicate womanly organism. Many women have been restored to happiness by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

"I feel it my duty to inform you that I had been a sufferer for many years from nervousness with all its symptoms and complications," writes Mrs. O. N. Fisher, of 1661 Lexington Ave., New York, N. Y. "I was constantly going to see a physician or purchasing medicine for this or that complaint as my troubles became unbearable. In the spring of 1897 my husband induced me to try Dr. Pierce's Favorite Prescription. After taking one bottle and following your advice I was so encouraged that I took five more bottles of 'Favorite Prescription' and then I did not take any more for several weeks as I felt so much better, but still I was not completely cured. I commenced taking it again and felt that I was improving faster than at first. I am not now cross and irritable, and I have a good color in my face; have also gained about ten pounds in weight and one thousand of comfort, for I am a new woman once more."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss, therefore accept no substitute.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of customs and mailing only. Send 31 one-cent stamps for the paper-covered book, or 50 stamps for the cloth bound. Address Dr. R. V. Pierce, Buffalo. N. Y.

JINGLES AND JESTS.

A Matter of Selection.

Said a vulgar little girl, who was sneering at another
In accents that were very far from mild:
"You ain't got no father; you ain't got no mother;
You ain't nothin' but a horrid 'dopted child!"

"I'm quite as good as you," came the answer from the other.
"I was carefully selected from a lot.
But only look at you; your father and your mother
Had to keep you if they wanted to or not!"

An Alibi.

"Now, Johnny," said the Sunday school teacher, "can you tell me who carried off the gates of Gaza?"

"No, ma'am," replied Johnny promptly. "I wasn't out with the boys this Halloween, and so I didn't have anything to do with it."

Lost Knowledge.

There was a man who spent his time
In wide experimenting
Who had a turn for chemicals
And general inventing.
One day he made a wondrous find;
His brain with joy was reeling.
But, ah, he *left no notes behind!*
He's frescoed on the ceiling!

Object of Sympathy.

Mrs. von Blumer—Oh, I'm so glad you've come! I've just had an awful fight with the cook.

Von Blumer—What do you want me to do, go out and sympathize with her?

Blankety-Blank Verse.

Now a man saw a Marvelous Cave
That was nearly as big as a Mountain,
But when he Got Closer he saw that It was
A large Hippopotamus Smiling,
And he said, "I must Run along Home!"

As He Understood It.

Physician—You should try cereal food for breakfast.

Patient—I've tried it for years, doctor. I take a little old rye every morning.

All Right Anyway.

Mary's papa has a goat;
He found it in the gutter.
Though pop is often out of bread,
He always has the butter.

Ruled by a Woman.

Jaggles—So he's ruled by a woman. I never thought his wife was that kind.

Waggles—She isn't. It's the cook.

One Delinquency.

The wind will sweep with bitter chill,
The snow will sweep across the hill,
The clouds will sweep across the sky,
But pavements still unswept will lie.

Doting Dotage.

Miss De Spite—I just dote on George. I understand he threw you over.

Miss De Sweet—Yes, in dotage one is liable to do almost anything.

The Melancholy Season.

There are no leaves on last year's trees,
No birds in last year's nest,
No girls in last year's hammocks and
No coin in last year's vest.

An Optimist.

"Is he much of an architect?"

"Well, say, if I wanted to build a castle in the air I wouldn't go to anyone else."

Language.

The actor cries, "I am undone!"
"He is done up!" my neighbor says
It's mighty hard to keep the run
Of language in these rapid days.
—Judge

A THOUSAND MEN IDLE.

Thrown Out of Work by Fire in a Leather Belt Factory.

New York, Jan. 13.—Fire early yesterday completely destroyed the eight-story building occupied by Fayerweather & Lade, manufacturers of leather belting. The loss will exceed half a million dollars. The firm had 1,000 employes, who will be temporarily out of employment. There were orders for months ahead.

100,000 Negatives Destroyed.

Boston, Jan. 13.—Fire in the photographic studio of Elmer Chickering yesterday caused a loss estimated at $70,000. One hundred thousand negatives were destroyed.

Died of Enteric.

Ottawa, Jan. 13. — A cable from South Africa states that Trooper William Evans of Billings Bridge died in the hospital at Bloemfontein from enteric fever.

To Increase Your Weight.

If you are thin, weak and emaciated and want to increase your flesh and weight you should try Dr. Chase's Nerve Food. You can feel it doing you good from day to day, as it strikes at the root of trouble and creates new rich blood. You can prove that it builds up new tissue and adds flesh if you weigh yourself each week while using it.

Our Egg Product.

The 850,000,000 eggs produced yearly in America would, if laid end to end, girdle the earth twelve times at the equator.

An Object Lesson.

A French reformer delivered a lecture at Lyons against corsets and lacing. In course of the lecture a woman fainted. It proved to be the lecturer's wife, who wore a corset and was too tightly laced.

Crust Coffee.

An old fashioned invalid drink is called crust coffee. Over the equivalent of two slices of bread toasted a golden brown in the oven pour one pint of boiling water. Steep gently for fifteen minutes, strain and serve, adding sugar and cream to taste.

Great Britain's Beer.

Great Britain brews annually $345,000,000 worth of beer.

A Great Iron Mountain.

Near the city of Durango, Mexico, is an iron mountain 640 feet high, and the iron is from 60 to 70 per cent pure. The metallic mass spreads in all directions for a radius of three or four miles. The entire deposit is sufficient to supply all the iron required in the world for 1,000 years.

Acid Fruit Juice.

The juice of any acid fruit can be made into sirup by adding a pound of white sugar to every pint of juice and boiling ten minutes. Seal in pint cans.

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrozone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure liver complaint.

The Cradle of the Race.

Dr. Moritz Alsberg in his work on the descent of man accepts as plausible Schotensack's idea that Australia was the cradle of the human race.

An Early Astronomer.

Thales, born 640 B. C., was the first to note the four distinct divisions due to the position of the sun—namely, the solstices and the equinoxes. He also taught that moonlight was simply reflected sunlight and was the man who first made a prediction of a solar eclipse.

A Corkscrew Substitute.

A convenient substitute for a corkscrew when the latter is not at hand may be found in the use of a common screw with an attached string to pull out the cork.

ABSOLUTE SECURITY.

Can make a delicious infusion with

"SALADA"

CEYLON TEA. There is no trick about it, "the Quality" is there, that is the whole secret. Sold only in lead packets. 25c, 30c, 40c, 50c. and 60c. per lb. Black, Mixed or Green. By all grocers.

A PRETTY SMOKER.

If you want a good shaped Cigar, made of the cleanest and best tobacco grown, you'll find what you want in my carefully selected stock. You can't find anything as good for the money in any other store in town.

LeGROS' Cigar Store and Tony Toasorial Parlour.

BLOOD DISEASED MEN

If you ever contracted any blood disease you are never safe unless the virus or poison has been eradicated from the system. Have you any of the following symptoms? Sore throat, ulcers on the tongue or in the mouth, hair falling out, aching pains, itchiness of the skin, sores or blotches on the body eyes red and smart, dyspeptic stomach, sexual weakness—indications of the secondary stage. Don't ruin your system with the old fogy treatment—mercury and potash—which only suppresses the symptoms for a time only to break out again when happy in domestic life. Don't let quacks experiment on you. Our New Method Treatment is guaranteed to cure you. Our guarantees are backed by bank bonds, that the disease will never return. Thousands of patients have been already cured by our New Method Treatment for over 20 years. No mercury used without written consent.

Mr. E. A. C. writes: "Your remedies have done me more good than Hot Springs and all the doctors and medicines I had previously tried. I have not felt any of those pains or seen any ulcers or blotches for over seven years and the outward symptoms of the loathesome disease have entirely disappeared. My hair has grown in fully again and I am married and happy."

RALEIGH FIELD IS SMALL BUT RICH.

New Oil Territory Will Probably Cover one Thousand Acres.

Several Hundred Barrels Oil Daily From One "Gusher."

Mr. A. T. Gurd, ex-M.P.P., the enterprising oil operator, who discovered the now famous Raleigh oil field in Kent county, said in conversation with a Mail and Empire reporter at the Walker House, that the only big well yet struck in that district was that known as "Gurd's Gusher," yielding several hundred barrels of petroleum per day — a decidedly valuable property, with oil edging the two dollar mark. There was, he said, a heavy flow of gas, which furnished power to run the well.

Mr. Gurd says that the prospects point to the development of a productive but comparatively circumscribed pool.

About twenty wells have been drilled all around the area controlled by the Gurd Company, and a fair "show" of oil was struck in several —sufficient to prove that the gusher had not merely tapped a pocket. Mr. Gurd's company, the Dominion Oil Co., Limited, is actively pushing operations, putting down its third well now.—Toronto Mail and Empire, January 3, 1903.

LATEST IN SPORTING CIRCLES

The O. H. A. Match in Peterborough This Evening

Between the Juniors and the Cobourg Seven—Gauthier Covers Mc Donough's Money.

WRESTLING.

Mr. George Gauthier to-day covered the $35 yesterday deposited with the Sporting Editor of this paper by McDonough, and the match has been arranged to come off on the evening of Jan 21st, in the Opera House block. The match is for a side bet of $25 and 75 per cent. of the door receipts after paying expenses. The losing man is to get 25 per cent of the door receipts. The contest will be best two in three falls.

HOCKEY.

The Peterborough Juniors will have the distinguished honour of playing the first O. H. A. match in Peterboroughs new rink. To-night the Juniors will play Cobourg's speedy aggregation in the preliminary round of the Junior O. H. A. series. The Juniors have been practicing very hard for the game and the result of the match will be looked forward to with much intefest. The puck will be faced at 8.15 o'clock sharp and the Peterborough team will be composed as follows :—

Goal, Thornton; point, Craig; cover point, Lee (Capt); forwards, Parker, Foley, Hamilton and McGrath.

• • • •

The Fenelon Falls hockey team succeeded in defeating Lindsay last night in Lindsay by a score of 5 to 3. Mayor Southeran faced the puck and Jimmie McCabe, of Peterborough, refereed the match. The teams were as follows :—

Lindsay—Forwards, Sylvester, Taylor, Parkin, Hackin; point, Dufus; goal, Scully; cover point, Touchburn.

Fenelon Falls—Forwards, Boyce, Benton, Dryman, Patterson; point, McKillen; goal, Ellis; cover point, Burgess.

• • • •

The Peterborough Seniors will practice this evening before the Cobourg-Peterborough Junior game.

• • • •

Stirling and Keene will play a Trent Valley League game this evening in Keene. Mr. George Lynch, of town, will referee.

• • • •

Norwood and Campbellford are playing in the former town this evening. Mr. "Bill" Meagher will officiate as referee. Norwood has another game there on Thursday night when they will meet Keene.

• • • •

Mr. Jim. McCabe is refereeing a game in Uxbridge this evening.

• • • •

The Peterborough Seniors will play their first O. H. A. game in Belleville on Friday night. They will play Port Hope here on Tuesday night of next week.

• • • •

The Peterborough club will send a Trent Valley League team to Fenelon Falls on Friday night.

TURF.

To-day is the last day for receiving entries for the Peterborough races, to take place in the Driving Park on the 22nd and 23rd Jan. Entries will be received up to ten o'clock to-night, by Mr. Arthur Rountree, at Little Windsor Hotel.

NEWS NUGGETS.

—Piano tuning promptly attended to. Satisfaction guaranteed. A. F. Hoover, 'phone 199. d

—"Bobbie" Dutton, son of Mr. R. A. Dutton, found a silver watch at the rink last night. The owner may have the same by applying to the caretaker.

—From appearances Hon. J. W. Longley, of Nova Scotia, will be greeted by a large attendance of our citizens, on Thursday evening, 15th inst., in the Y.M.C.A. Hall, on the occasion of his clever lectuure on "Men I Have Met." To meet expenses the Fortnightly Club is placing a nominal fee of 25 cents on their course ticket, admitting to the four lectures of the season. Admission to a single lecture, 15 cents. 1d

Be Sure and see Him.

Mr. J. H. Cameron, who is to appear in Bradburn's Opera House, on the evening of Friday, January 23rd, appeared in the Galt Opera House New Year's night at the Knox church concert. The Galt Reporter had this to say of him: "Mr. J. H. Cameron sustained his title to the provincial championship as an entertainer. Though encores were fast and thick, his funny-story warehouse was far from being exhausted. Mr. Cameron as a humourist and dialect monologist, stands on the top rung."

Mr. Cameron along with Harold Jarvis, Miss Edna Sutherland and others will take part in the A.O.U.W. concert in the Opera House, Jan. 23rd.

UP STAIRS.

SULTAN A FUGITIVE

Moroccan Pretender Defeated Recognized Authorities.

THE WAR MINISTER SLAIN.

Serious Fighting Outside of Fez—The Sultan of Morocco Escapes to the Westward—Tribe Fighting Is Near Enough to Tangier to Alarm Inhabitants and They Ask That Warships Be Sent.

London, Jan. 14.—The Tangier correspondent of The Morning Leader reports serious fighting outside of Fez. He says the Sultan has been defeated and that he escaped to the westward. War Minister Menebbi, one of the Sultan's strongest supporters, was killed. All the Consuls excepting the British representative have left Fez.

Fighting among the tribes is also proceeding near enough to Tangier for the sound of the shooting to be heard in the city. The population of Tangier is alarmed and is asking for the protection of warships. A local pasha took out a force to restore order, but he found it impossible to proceed and has returned to Tangier.

The Sultan Hard Pressed.

Madrid, Jan. 14.—Fighting is proceeding between the troops of the Sultan of Morocco and the forces of the pretender to the throne, according to a despatch received by The Globe, from Fez. The followers of the pretender are said to be overcoming the Imperial troops.

The correspondent of The Globe adds that the inhabitants of Fez have risen against the Sultan, and that anxiety reigns at Rabat, where the Europeans are in fear of an immediate attack by the pretender's forces.

The Sultan's representative at Tangier has been ordered to seize cattle, and to despatch reinforcements to the Sultan.

Murder Jury Disagree.

St. John, Jan. 14.—The jury in the case of Frederick Goodspeed, on trial as an accessory after the fact in the murder of William Doherty, came into court yesterday afternoon, and announced that they could not agree. The jury was then dismissed.

Originator of Velocipede Dead.

New Bedford, Mass., Jan. 14.—George Brownell, the widely-known manufacturer of carriages, died yesterday. He was the originator of the old-fashioned two-wheeled velocipede, forerunner of the safety bicycle.

Denies Impertinent Rumors.

Vienna, Jan. 14.—Countess Lonyay, the former Crown Princess Stephanie of Austria-Hungary, has telegraphed from Cape Martin (near Mentone, France), as follows: "Stories untrue. Count here. Deny impertinent rumors."

THE LATE DR. FITZGERALD.

Funeral on Saturday Morning Next, at Nine O'clock.

Contrary to previous arrangements the interment of the late Dr. G. D. Fitzgerald, who died at Amherst, N. S., will take place in Peterborough. The remains will arrive on the 5.10 train Saturday morning, and the funeral will proceed at 9 o'clock from the White House, Charlotte street, to St. Peter's Cathedral, thence to the Roman Catholic Cemetery.

ANNUAL MEETING

Of the Peterborough Little Lake Cemetery Company.

The annual meeting of the Little Lake Cemetery Company will be held in the Town Council Chamber on Monday afternoon at 3 o'clock. The new Board of Directors will be elected and the financial and other reports will be received. Mr. W. H. Moore is President of the Company and E. A. Peck is Secretary.

AT ALL SAINT'S.

Rev. Canon Richardson Delivered an Address.

The Rev. Canon Richardson's lecture on Monday evening, in All Saints hall was a continuation and conclusion of the first anniversary of All Saints' parish, and was of an interesting and enjoyable character. The topic was "From London to London," and was ably handled by the speaker. The address consisted of an historical sketch of English church missionary work in America, from the time of the Reformation until 1857, when Bishop Cronyn was elected first Bishop of the Diocese of Huron.

A short musical programme was rendered after the lecture, in which Miss Mary Rush, Mr. J. Legg, and Rev. W. L. Armitage, took part. Miss Bullen presided at the piano. Refreshments were served at the close of the programme.

Y. W. C. A.

Annual Meeting was Held Yesterday Afternoon.

The annual meeting of the Board of Directors of the Y.W.C.A. was held Monday afternoon. Very satisfactory reports were handed in from all departments of the work. The annual Association Meeting will be held on Friday next at 8 p.m. Reports of the past year's work will be read, and an address given by Miss S. Little, B.A. student, secretary of the Dominion Y.W.C.A., upon "Association Work." The public are cordially invited to this meeting.

Owing to this meeting the usual Friday gymnasium class will be held on Thursday at 8 p.m.

ASHBURNHAM COUNCIL.

Inaugural Meeting Held Monday Night —Assessors Appointed.

The inaugural meeting of the Ashburnham council was held Monday, there being present Reeve Adams, and Councillors Scott, Hourigan, Faint and Gibbs.

The members took the oath of office and a few accounts were passed.

Bylaws were passed appointing Jas. Drain and Frank Malane, auditors; W. H. Thompson and Geo. McWilliams, assessors, and Alex. Fitzgerald, village constable.

Council then adjourned to attend the banquet tendered the Peterborough aldermen by Mayor Roger at Mr. Harry Long's.

SOCIAL AND PERSONAL.

Mrs. R. A. Dutton is spending a couple of weeks in Barrie.

Miss Annie Cromie of town, has returned after spending a day or two at Norwood.

Mr. Geo. Kennedy, of Rochester, N. Y., is visiting with his brother, Mr. Bert Kennedy, of the Clunan House.

Rev. Canon Richardson, of London, was in town on Monday, as the guest of Mr. J. H. McClellan, Gilmour street.

Mr. J. Alex. Culverwell, of Peterborough, has been made chairman of the Finance Committee of the Engineers' club, of Toronto This incorporated society has a membership of over 125 of the leading engineers of Ontario, of which Major H. A. Gray, C. H. Rust and Willis Chapman are respectively the Past President, President and Secretary.

The marriage of Miss Ada Cayley, daughter of Mr. and Mrs. Frank Cayley, of Baldwin street, Toronto, and Mr. Roland Hugh Strickland, the second son of Mr. and Mrs. Roland Strickland, of Lakefield, will take place very quietly at St. George's church, on Saturday next. Mr. Strickland is an old R.M.C. man, and a mining engineer by profession, and has made his home in the United States.

A New Firm.

The grocery store on Hunter street formerly owned by Mr. J. Butler has changed hands and the firm will be known in future as Holmes & Christie. Both of the partners are old Peterborough boys and their friends will wish them every success. Mr. J. Holmes has been in business in Buffalo for some years. Mr. Christie is a respected citizen of our town.

More Duties Than Rights.

London, Jan. 14.—Sir Frederick Young says: "The colonies have not been approached in the tenderest or most tactical spirit. It has been too prominently urged that as members of the Empire they have duties as well as rights to perform."

$150 GRANTED

By the Finance Committee Towards the Scottish Curlers' Entertainment.

The Finance Committee of the Peterborough Town Council met last night and considered the matter of a grant towards the entertainment of the Scottish curlers while in Peterborough. The Committee, which had power to act in the matter, decided to grant $150 for that purpose, and it is expected that with the addition of private contributions a fund will be raised sufficient to give the visitors a most hospitable entertainment while here.

HOW THEY GOT IN.

A Great Swarm of Boys at the new Rink Last Night.

There was a great swarm of boys at the hockey match last night and they didn't get in through the front door either. For a great while the directors, who were present, wondered where all the youngsters came from. The benches were black with them and they were a noisy lot too. It has been since learned that the boys entered through the windows to the appartments under the side seats and then forced open the door that opens to the space between the two sections of seats at either side. Boys will be boys, but the rink management declares that they will pay dear for their work.

A PRESENTATION.

To Miss Maye Edgar, Smith, by Her Pupils of S. S. No. 8, Smith.

On the re-opening of school on Monday, Miss Maye Edgar, who has been for some time teaching at No. 3 Smith, was presented with an address and a handsome fruit dish set in silver. The presentation, which was a great surprise, was made by Miss Iva Cromie while the address, which was as follows, was read by Miss Mina Edmison:

Dear Teacher,—At this season of the year when everybody is wishing their friends, whom they love, good wishes and tokens of affection, we would like to say in a few simple and heartfelt words, how much we have learned to love you for the great kindness you have always shown us, and, to thank you for having so patiently borne with our waywardness and thoughtless actions, which, no doubt were trying enough to your patience.

You have at all times been unremitting in the earnest performance of your duties and have tried to teach us useful lessons both from books and the example of your life.

We shall always remember you fondly and as a token of our respect and affection, we ask you to accept this little present as a small memento of our kind regards for your future welfare and our best wishes for a happy year.

Affectionately in behalf of the pupils of S. S. No. 3, Smith.

SILVER WEDDING

Celebrated by Mr. and Mrs. G. P. Berry of Cavan Township.

Quite a goodly number gathered at Glenhurst Farm, Cavan, the home of Mr. and Mrs. G. P. Berry, on the evening of the 9th January, it being the 25th anniversary of their wedding. Invitations were sent to Delaraine, Melita, Victoria, New Westminster, Austin, Texas; New York, Warkworth, Oak Heights, Belleville, Orino, Millbrook and Peterborough.

The guests assembled at 6 o'clock, and great pleasure was felt that the first bridesmaid and groomsman were present, Mr. J. Lightfoot having returned from Manitoba recently, and Miss A. J. Berry came out from Peterborough.

Precisely at 9 o'clock the groom of 25 years ago appeared with his bride leaning on his arm and followed by the groomsman, Mr. Lightfoot, who escorted Miss A. J. Berry, the bridesmaid. They then proceeded to the dining room where a dainty repast was served, at the conclusion of which Mr. Lightfoot proposed a toast to the health, long life and future happiness of the host and hostess, which, after singing "He's a jolly, good fellow," Mr. Berry responded to in his usual happy manner.

The house was beautifully decorated with green foliage and garniture of red, white and blue ribbons.

The presents were numerous and costly, showing the esteem in which Mr. and Mrs. Berry are held.

CONVENTION NOTES.

To Assemble Here on February 5th.—Ladies Will Assist in Entertainment.

The Provincial Convention of the Y.M.C.A. meets on Feb 5th to 8th. A letter has been received from the Programme Committee saying that the Berlin German Boys' choir had been secured for the convention, which will be a strong attraction.

An Ideal Woman's Medicine

So says Mrs. Josie Irwin, of 325 So. College St., Nashville, Tenn., of Lydia E. Pinkham's Vegetable Compound.

Never in the history of medicine has the demand for one particular remedy for female diseases equalled that attained by **Lydia E. Pinkham's Vegetable Compound**, and never during the lifetime of this wonderful medicine has the demand for it been so great as it is to-day.

From the Atlantic to the Pacific, and throughout the length and breadth of this great continent come the glad tidings of woman's sufferings relieved by it, and thousands upon thousands of letters are pouring in from grateful women saying that it will and positively does cure the worst forms of female complaints.

Mrs. Pinkham invites all women who are puzzled about their health to write her at Lynn, Mass., for advice. Such correspondence is seen by women only, and no charge is made.

THE NORWOOD BUDGET.

The Hockey Team Played the First Game in the Trent Valley League.

Sittings of the Second Division Court were held here on January 14.

The Norwood hockey team played their first game in the Trent Valley League series on Friday last at Stirling, on open ice. The game resulted in a victory for Norwood, the score being 10—3.

Miss Brooks of Percy is the guest of Mrs. E. C. Squire.

Mr. D. H. Booth and family left on Saturday for Guelph, where Mr. Booth intends acting for the Sun Life Assurance Co.

Mr. Fred Stephenson, of Chicago, who has been visiting his sister, Mrs. E. Squire, returned home on Friday last.

Mr. Jas. Bradley, formerly of Peterborough, but now of Calgary, is visiting friends in town.

The High and Public School Board met on January 12th.

Mr. J. L. Squire has contracted for this season's ice with the Swift Co., of Chicago. He ships to Havelock on a daily average from 12 to 14 car loads.

Messrs. Buck and Welsh shipped on Tuesday, the 13th, a mixed car load of hogs and cattle. Price paid for the hogs per 100, $5.80.

The village council met in the town hall on Jan. 12th, John Finlay, the reeve, in the chair. Councillors present, Messrs. Robertson, Cuffe, Cunningham, Howley.

The following officials were appointed, with their salaries: Jas. Calder, clerk, $50; John Roxburgh, treasurer, $25; Chas. O'Reilly, assessor, $35; Dennis Mahoney, tax collector, $40; George Livingston, care taker, $20; R. Scriver, constable, $50; auditors, A. Breault, R. H. Leighton; trustees, Jas. Cummings and A. Finlay; Board of Health, Thos. Fraser, re-appointed; new members, John Davidson, Archie Beault; James Jotcham was re-appointed sanitary inspector; Dr. J. C. Moffatt, Medical Health Officer.

Mr. P. J. Graham, classical master of the High School, is away at present attending his sister-in-law's funeral.

Mr. Doherty, formerly of Westwood, has opened a butcher shop, on Peterborough street.

SMITH COUNCIL.

The newly elected council of the Township of Smith met at the Town Hall, Bridgenorth, on Monday the 12th Jan.

After making the necessary declarations of office and qualification, the Reeve and Councillors took their seats, viz,—E. M. Elliott, Reeve; Wm. M. Bell, Jas. A. Fowler, Robt. Duff and Robt. M. Scott, Councillors.

A bylaw to appoint Wm. Preston as a member of the local Board of Health, passed its several readings and was signed and sealed.

On motion of Mr. Fowler, seconded by Mr. Scott, John Black and Jas. A. Young were appointed Auditors, and Dr. J. A. Morgan was appointed Medical Health Officer.

On motion of Mr. Bell, seconded by Mr. Duff the printing for 1903 was ordered to be done at the Examiner office.

On motion of Mr. Duff, seconded by Mr. Bell, Messrs. Scott and Fowler were appointed a committee to consider the propriety of making passing places in the swamp south of Bridgenorth on the Communication Road, with power to act.

On motion of Mr. Scott, seconded by Mr. Duff, the following payments were ordered: — Times Printing Company, $31.50; J. D. Tully, for repairs, $7.45; R. Coons, sawing wood for Mrs. Smith, $2.00, and $5.00 was ordered to be paid to the Hospital for Sick Children in Toronto.

The council then adjourned till the 2nd day of February.

HELD THEIR INAUGURAL MEETING.

The Township Council of North Monaghan.

REEVE MADILL'S ADDRESS.

Accounts Were Presented - Correspondence Dealt With—Big Batch of Business Disposed of.

The council elect met in the Town Hall on Jan. 12th, at 2 o'clock p.m.

There were present, Mr. Jos. Madill, reeve, and Messrs. J. Smith, J. Morrow, R. Fowler, and J. Brown, councillors.

After the statutory declaration of qualification and office had been signed and fyled by each, Mr. Madill, reeve, called the council to order, and allotted chairs to the several new members around the council board. Mr. Madill congratulated the members upon their selection and in a few introductory remarks explained the customary procedure of the council in the disposal of the affairs of the public, and briefly gave some idea of what he considered as the responsibilities of a councillor to his constituents, and also vice versa. Mr. Madill hoped that in all cases of complaint as against the administration of township affairs that the same might be brought directly to the notice of the council in session, as well also as any reasonable requirements of any ratepayer that might come within the jurisdiction of the council, and promised for himself and on the part of the council to give such request due consideration, and with the fair support of such men as he found favoured with election and associated with him in his public capacity, foretold results in the performance of municipal business for the year satisfactory to all persons concerned.

The reeve then called upon the clerk to read all minutes of the preceding meetings found unconfirmed.

The minutes of the meetings of Dec. 15th and 24th, 1902, were then read and confirmed.

Communications were received and read from J. Ross Robertson, asking a grant to the Sick Children's Hospital in Toronto; from the Municipal World asking for subscriptions; from A. Brown, Picton, offering cement for sale.

From G. H. May, J. McClure and A. Saunders, members of the local Board of Health, recommending the appointment of George Cochrane as sanitary inspector for 1903. These These communications were severely received.

Accounts were handed in and read as follows: A. McDonald, material for culverts, $3.03; Times Printing Co., election printing and balance of contract, 1902, $10.80; Wm. J. McGregor, attendance at court in case of McClure vs. Stevens, $2; J. J. Ben-Bennett, Deputy R. O., $4; H. G. Webber, Deputy R. O., $4; S. S. No. 4, rent of school house, $3;

Applications for the appointment as auditor were received from Mr. Jas. Bell, Mr. J. Forster and Mr. F. Wilson.

It was moved by Messrs. Brown and Fowler that this council hereby grant $5 to the Hospital for Sick Children, and that an order be drawn on the township treasurer for that amount in favour of the clerk, to be forwarded.—Carried.

Moved by Messrs. Morrow and Smith that the clerk is hereby authorized to subscribe for one copy of the Municipal World for the use of this council.—Carried.

Moved by Messrs. Smith and Brown, that the accounts of J. J. Bennett, $4; H. G. Webber, $4, and Section No. 1, $3, be passed and paid, and that the accounts of A. McDonald and the Times Printing Company be referred for certification and that the account of W. J. McGregor be sent to the Board of Health.—Carried.

The clerk reported that the order book on the Township Treasurer was all used and asked the council to provide a new order book more in accordance with the requirements laid down by the Provincial Auditor.

Moved by Messrs. Smith and Morrow, that the Reeve and Mr. Fowler with the Clerk be a committee to provide a correct form of order book to be used in payment of Township accounts.—Carried.

Moved by Messrs. Brown and Fowler, that the Clerk is herby instructed to notify Commissioner Revington to fyle forthwith all vouchers and paysheets in connection with opening of snow roads during the winter of 1901 and 1902. —Carried.

Moved by Messrs. Smith and Brown, that the Clerk is hereby authorized to provide the assessor with dog tags for 1903.—Carried.

Moved by Messrs. Smith and Morrow, that Messrs. Brown, Fowler and Smith are hereby appointed a committee to purchase a supply of cedar necessary for culverts in 1903.—Carried.

Moved by Messrs. Smith and Fowler, that a committee consisting of the Reeve and Messrs. Brown and Morrow are hereby appointed to examine the washout at Lockie's bridge, with power to act.—Carried.

Moved by Messrs. Fowler and Morrow, that a committee of the Reeve and Messrs. Smith and Brown are hereby appointed to wait upon the council of Cavan in regard to that Township assuming in part the deviation of the boundery road through lot 1, in 11 concession.—Carried.

Moved by Messrs. Brown and Smith, that a committee of the whole council wait upon the County Council of Peterborough at its next session and ask for a substantial grant towards Lockie's bridge.—Carried.

Moved by Messrs. Brown and Smith, that each member of this council assume the commission of attending to the opening of snow roads if found necessary this winter, as follows: For 13th concession, Mr. Morrow; 12th concession, Mr. Fowler; 11th concession, Mr. Smith; 10th concession, Mr. Brown; 9th, 8th and 7th concessions, Mr. Madill. Each commissioner to attend to the road on the south of his concession, and all cross roads where found necessary, and to fyle with this council not later than the meeting in May a statement in detail of the work done.—Carried.

Bylaws appointing several municipal officers were then introduced and finally passed as follows:

Assessor—Wm. Whitfield, re-appointed.

Auditors — Jas. Bell and Jos. Forster.

Caretaker—J. R. Sanderson, re-appointed.

Board of Health—A. Sanders.

Sanitary Inspector—Geo. Cochrane.

In each case the salary was the same as last year.

Moved by Messrs. Smith and Fowler, that this council meet in regular session on the second Monday in each month at 1.30 p.m.—Carried.

Council then adjourned.

AS TO JUVENILE IMMIGRATION

Returns Show the Character Improving.

Rigid Inspection by Government Agents —Total of 1,256 in Ontario Last Year.

The report on juvenile immigration into Ontario for last year, made public by Mr. J. J. Kelso, the Superintendent of Neglected Children, shows some encouraging tendencies. The total number imported was 1,256, compared with 1,165 last year, though these figures are considerably less than a few years ago. On the other hand there is a decided reduction in the number of serious crimes attributed to children of this class, there being only two last year. This, Mr. Kelso thinks, is due to the rigid inspection now carried out at Liverpool by Mr. P. Byrne, the Ontario Government Agent, who carefully examines each child before he or she is allowed on board ship. In addition the new regulations require that each child shall be able to read and write, and if accustomed to street life, must spend a period in one of the old country homes before being allowed to sail for this country. The regulations also provide for visitation in this country at least once a year by a representative of the importing home. Mr. Kelso is of the opinion that the stringency of the labour market, together with the careful inspection, accounts for the average better behaviour, and for the better treatment the children receive from their foster-parents.

The children located in Ontario were brought out under the auspices of the following homes: Dr. Barnardo's Home, Toronto, 529; Dr. Barnardo's home, Peterborough, 340; Catholic Immigration Society, Ottawa, 118; Marchmont Home, Belleville, 79; Macpherson Home, Stratford, 62; Fegan Home, Toronto, 57; Dr. Stephenson's Home, Hamilton, 35; Church of England Society, Niagara, 26.

THE NEW RINK.

Another Grand Opening Monday Night —Band was Present.

On Saturday evening took place the hockey opening of the new rink on Brock street. Monday night it was again open to the public. This latter affair proved a great success. The large, well finished building looks its best by electric light; the ice was excellent and all things contributed to make the evening a pleasant one and pointed to a glorious future for this beautiful edifice. The 57th Regimental Band was in attendance and over two hundred and fifty skaters took advantage of the music, presenting a pleasing scene to the numerous onlookers who found accommodation in the tiers of comfortable seats. The ladies' waiting room was in comfortable, if not completed, condition and well heated. The gentlemen's is not yet completed.

Messrs. R. H. Kells and W. A. Sanderson, two enthusiastic directors, were present and exerted themselves to please the patrons of the rink and expressed themselves gratified by the success of the evening.

Mr. Harry Evans, the caretaker, kept himself busy during the evening in his usual courteous, obliging manner, and will make an ideal caretaker.

It is the intention of the managing committee to have the band present several nights in the week.

Holders of non-players' tickets are reminded that these tickets do not permit of skating privileges. They admit the holders to hockey matches only.

Monkey Brand Soap removes all stains, rust, dirt or tarnish — but won't wash clothes.

RIVERDALE.

(From our own Correspondent.)

Mr. N. W. Maybee, who has for the past thirteen years carried on a market garden here, has disposed of his farm to Mr. John Holmes, of Buffalo, and is leaving for Frankford, Hastings county, where he has purchased the paternal homestead, and will carry on stock farming. Mr. Maybee and his family will be greatly missed in this neighbourhood.

RUSH POINT NEWS.

(From our own Correspondent.)

The case of Allsy vs. Cochrane was settled on Tuesday. All the parties were fined two dollars and costs.

Mr. Ira Zenfeldt was fined five dollars and costs for assaulting F. Spinks.

An oyster supper will be held in the Rush Point church on Wednesday evening, January, January 14th.

The Skin on Fire.

So dreadful are the sensations of burning, itching eczema that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first few applications may cause a little uneasiness but cure is sure to result and the skin is healed without scar or blemish.

ANOTHER STIRRING

CLOTHING SALE

..AT..

H. LeBrun & Co's

$35,000 Worth of High-Class Winter Clothing and Furnishings, also Cloths for Suitings and Overcoatings and Trouserings, to be sold at Reductions ranging from 15 to 33⅓ per cent.

This Sale has been forced upon us because business has increased so much since we moved into our new double store that we are compelled to begin extensive alterations for refitting the interior with improved glass counters, show cases and fixtures for saving more room.

YOU WILL REMEMBER

that last year, about this time, we held a most successful Red Letter Reduction Sale. It was our first genuine clearing sale in twenty-nine years. And the people tried us, tested us, and took away proof that we do as we advertise. Now we come forward with another event. This Genuine Refitting and Radical Reduction Sale will be conducted along the same square and fair lines as before. The decks must be cleared and the stock reduced. We have the backbone and the reputation to make the reductions genuine and sweeping.

Sale Begins Saturday, Jan. 10

We take stock February 1st and before that date Winter Goods must go. Come and bring your friends if you want solid, safe Bargains in OVERCOATS and SUITS, UNDERWEAR, GLOVES, HOSIERY, HATS, CAPS, etc.

FEELING POORLY—RUN DOWN.

When our appetite lags, when we want to be unnaturally quiet, when the body responds slowly and rather painfully to the demands upon it, we say we are "run down."

We're all of that and more. Our reserve force is at a low ebb; we're at the dividing line between health and the first ailment that happens along. The system is just in a condition then to take on sickness. It's altogether too common a condition, but it need never last long; it can often be avoided altogether.

Is it a simple matter? Very. Within the means of everybody? Yes. Easily understood? By everyone of ordinary intelligence. What should be done? What common sense advises for the most part. Rest? Yes; more than under ordinary conditions—much more, all that is possible without giving in to the attack. Air? Plenty; get out into the sunshine; walk; think of something cheerful; keep out of the night air; avoid dampness. And as to food? Your good sense ought to direct you. Whatever will be likely to give real strength. Much depends on proper nourishment, some authorities say all.

And whatever your diet, combine with it Scott's Emulsion; nothing will cause the tired body to respond more quickly. There is in Scott's Emulsion a peculiar element of nourishment that acts directly on exhausted forces, repairs waste and restores worn-out energy. Scott's Emulsion works quickly and without effort, yet one very soon feels the effects of the new force it brings. There is nothing better for the "run down" system.

These claims are not made off-hand. We know from nearly thirty years contact with such cases that Scott's Emulsion will do just what we say it will do. We will be glad to send you a sample free so that you can judge for yourself.

SCOTT & BOWNE,
55 Front St., W., Toronto.

KILLED BY A STREET CAR.

Adam Doering's Sudden Death at Waterloo Tuesday Night.

Waterloo, Jan. 14.—Adam Doering, proprietor of the Waterloo Sun Laundry, was instantly killed while attempting to board a Berlin and Waterloo street car opposite the hospital last night. He was on his way to the hockey match at Waterloo.

The snow was very deep at that place, and the street railway keep men shovelling out the cut. The Bridgeport car was coming to Waterloo loaded with Berlin hockey supporters, and, coming down the grade, was hailed by Mr. Doering. He attempted to get on the front end, but failed, and the car struck him on the side of the head with great force, causing instant death.

Deceased was a young man about 36 years of age, and leaves a wife and a small family.

Killed by His Own Gun.

Victoria, B. C., Jan. 14.—Milton Edgerson of Duncans, was found dead in the outskirts of Victoria yesterday. He borrowed a gun from friends and went hunting. Failing to return a searching party went out and found him lying dead, with a wound in his breast, pointing to the fact that in climbing a fence overgrown with brambles, he had thrust the gun in front of him, and the trigger being caught in the bush had discharged the contents of the gun into his heart, killing him instantly.

Permanent Cure for Neuralgia.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle; it's all right. No Pills like Dr. Hamilton's.

Opening Up China.

Hong Kong, Jan. 13.—New trading stations on the west river were opened yesterday, at Dosing, Yue Tshing, Houlik, Ma-Ning, Luk-To, Luk-Pu, Kau-Kong and Yung-Ki.

Fought in U.S. Civil War.

Stockholm, Sweden, Jan. 13.—General Van Vegesack is dead. He was 82 years of age, and fought in the Northern army during the civil war in the United States.

KEPT BOTTLE FILLED

Evidence in the Sault Ste. Marie Election Case.

THE QUESTION OF AGENCY.

Ell Morreault Was Sent Up From Montreal by Mr. Monk at Mr. Miscampbell's Request—The Telegrams Produced in Court—Boy Tells of Attempt to Buy His Vote—Payments by Respondent.

Sault Ste. Marie, Jan. 14.—The trial of the Sault election petition began yesterday afternoon before Judges Osler and Falconbridge. A. B. Aylesworth and N. Simpson appeared for the appellant, C. N. Smith, while Edmund Bristol was associated with Moses McFadden for Andrew Miscampbell, M.P.P., the respondent.

Question of Agency.

The early part of the afternoon was taken up with general evidence as to agency. Thomas Hand, President of the Conservative Association; Sidney Penharwood, Secretary, and A. H. Parent were examined in this connection. Telegrams were produced from Mr. Monck M.P., to Miscampbell, showing that Ell Morreault, who had charge of the west end committee room during the campaign, and against whom there are some sixteen charges in the particulars, had been sent from Montreal by Mr. Monk with Mr. Miscampbell's knowledge. The greater portion of the examination of Mr. Miscampbell for discovery was read to the court in proof of the agency of the various persons charged.

Kept the Bottle Filled.

Charges 22 to 26, dealing with the bribery of Albert Roy, were then entered upon, and Mr. Roy, was in the witness box when the court rose.

Mr. Roy told of the attempt to buy his vote and of the payment to him on the morning after election day by Mr. Morreault of the sum of six or seven dollars. Quite a sensation was caused by the witness' story of the doings at the west end committee room. A bottle of whiskey was always on hand, and visitors were treated most hospitably. As soon as the bottle had been emptied it was immediately refilled. Roy swore that he had been employed to work at the committee room on election day and the two days preceding it. He had been promised five dollars a day, but had only received about half of the money from Morreault, who claimed that he (Morreault) had not received as much from the Conservatives as they had promised him for his services.

Mr. Miscampbell's Admissions.

Mr. Miscampbell, in his examination for discovery, admits having authorized the payment the day after the election of between $100 and $200 to Morreault, also that he authorized W. J. Thompson, Mayor of Sault Ste. Marie, to pay $25 to Morreault the day before the election.

A telegram from Mr. Miscampbell to Monk was produced and showed that the former asked Mr. Monk to send Morreault to the "Soo," and authorized Mr. Monk to draw on Mr. Miscampbell for $100.

The court room was crowded during the session, and many were unable to gain admission.

The court adjourned at 6 o'clock to resume at 9.30 this morning.

The Time Extended.

Toronto, Jan. 14.—In the Centre Bruce election protest, Mr. Justice Maclennan yesterday issued an order extending the time for filing particulars until 48 hours after the examination for discovery of Hugh Clark, respondent in the action, which will likely take place here today.

PLACE FOR BADEN-POWELL,

Goes to England as Inspector-General of Cavalry.

London, Jan. 14.—A telegram from Johannesburg announces that Gen. Baden-Powell has been appointed an inspector-general of cavalry, and that he will come to England in June to take up his appointment. The general has been in charge of the South African Constabulary.

Mingos on Land Settlement.

New York, Jan. 14.—Capt. Sam. Taylor, one of the organizers of the Irish Land Conference Committee, which met in Dublin recently to draw up a plan for a settlement of the Irish land questions by the sale of land to the tenants, arrived here yesterday. He said he believes if the land question is properly handled the whole Irish question can be settled, the Irishmen in America will return, and a new era will open in Ireland. He will see President Roosevelt.

Cigarettes Led to Suicide.

New York, Jan. 14.—Excessive cigarette smoking, which brought on nervous prostration, caused the suicide Monday of James Forster, a pawnbroker's clerk, 20 years old, of No. 90 Diamond street, Greenpoint. He shot himself while embracing his only child, a girl of two years. Forster, with his wife and child, lived in a small private house. It was not unusual for him to smoke 100 cigarettes a day.

TO CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E.W. Grove's signature is on each box. 25c.

200 Chinese Drowned.

London, Jan. 13.—A despatch to The Daily Mail from Shanghai says a landslide occurred at Nankin Monday, and resulted in the drowning of 200 Chinese.

Inventor Goes Insane.

Paris, Jan. 13.—Goubet, the inventor of submarine torpedo boats, has developed insanity, and has been placed in an asylum.

POCKET TELEPHONES.

Marconi's Latest Idea—He Has a Wireless Scheme For a Portable Apparatus Just About Ready.

North Sydney, N. S., Jan. 14.—In addition to his work in connection with perfecting his system of wireless telegraphy, Mr. Marconi is now interested in a wireless telephone idea.

He is working on a portable wireless telephone apparatus, by which a person can communicate, when a considerable distance away, with his home or with other persons supplied with similar apparatus.

Marconi Leaves Canada.

Halifax, Jan. 14.—Signor Marconi left Cape Breton yesterday for the wireless station at Cape Cod. He will test the apparatus there, and, when everything is found in perfect working order, the station will be formally opened. Marconi will go from Cape Cod to England. He says that he expects to return to Canada in March.

A Canadian Wireless Co.

Montreal, Jan. 14.—The organization of the Marconi Wireless Telegraphy Company of Canada was completed yesterday, when the directors elected were: G. Marconi, Andrew A. Allan, Rudolph Forget, Lieut.-Col. Fred. C. Henshaw, Willard R. Green of New York, and John Oppie, representing the English company, who will be manager in Canada. The Canadian company acquires all rights to the Marconi system of Canada and Newfoundland, including the completed station at Glace Bay.

ONLY A SUGGESTION.

But it has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become fleshy and plump, it can only result from the food we eat and digest and that food should be albuminous or flesh forming foods, like eggs, beefsteak and cereals; in other words the kind of food that makes flesh are the foods which form the greater part of our daily bill of fare.

But the trouble is that while we eat enough, and generally too much, the stomach from abuse and overwork, does not properly digest and assimilate, which is the reason so many people remain thin and underweight; the digestive organs do not completely digest the flesh-forming beef steak and eggs and similar wholesome.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs.

If such persons would lay their prejudices aside and make a regular practice of taking after each meal one or two of Stuart's Dyspepsia Tablets, the food would be quickly and thoroughly digested, because these tablets contain the natural peptones and diastase which every stomach lacks, and by supplying this want the stomach is soon enabled to regain its natural tone and vigour.

Stuart's Dyspepsia Tablets digest every form of flesh-forming food, meat, eggs, bread and potatoes, and this is the reason they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children.

Invalids and children, even the most delicate, use them, with marked benefit, as they contain no strong, irritating drugs, no cathartic nor any harmful ingredient.

Stuart's Dyspepsia Tablets is the the most successful and most widely known of any remedy for stomach troubles, because it is the most reasonable and scientific of modern medicines.

Stuart's Dyspepsia Tablets are sold by every druggist in the United States and Canada, as well as in Great Britain, at 50 cents for complete treatment.

Nothing further is required to cure any stomach trouble or to make thin, nervous, dyspeptic people, strong, plump and well.

THE CANADIAN EXHIBIT.

Five Carloads For the Exposition of the Mikado at Osaka.

Ottawa, Jan. 13.—Mr. William Burns, Secretary of Exhibitions, starts from here on Saturday for Vancouver, whence he will sail on the Empress of Japan on the 26th inst. for the Mikado's kingdom. Mr. Burns goes out to join Commissioner Hutchison at the Canadian Exposition at Osaka. The Empress of Japan will take five carloads of Canadian goods intended for the Osaka Exposition.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the new inhaler Remedy, "Catarrhozone," the treatment of catarrhal diseases has been entirely revolutionised. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Polson & Co., Kingston, Ont.

Theatre to Teach History.

Paris, Jan. 13.—The Paris Municipal Council has decided to send children of the municipal schools to witness a matinee performance of "Theroigne de Mericourt," at the Theatre Sarah Bernhardt, to give them an object lesson in the history of the French revolution.

An Insurrection Scheduled.

Berlin, Jan. 13.—The chiefs of the Macedonian revolutionary movement in Bulgaria have decided, according to a special despatch from Sofia to The Vossische Zeitung, to begin an insurrection on April 1.

Drifted For Two Weeks.

New York, Jan 13.—Captain Stenger of the Rotterdam, on Dec. 17, rescued the crew of the schooner Pioneer in mid-ocean. The crew had been drifting for two weeks.

G.T.R. IN HARD LUCK.

An Engine and Freight Train in Smash-Up Near Milton.

Hamilton, Jan. 14. — Another smashup on the G.T.R. took place about 2 o'clock yesterday morning, near Milton. An engine, which was running light, overtook a freight train, and dashed into it before it was possible to stop. The engine and two rear cars of the freight were badly damaged. The engineer and fireman received a severe shaking-up, but escaped without serious injury.

Wanstead Wreck Claims.

Montreal, Jan. 14.—An official of the Claims Department of the G.T.R. says that the claims resulting from the Wanstead wreck will total $60,000. The most seriously injured of those in hospital is W. Quinn of Oakville, Manager Hays will issue an official report of the accident shortly.

G.T.R. Criminally Responsible.

Port Credit, Jan. 14.—The jury empanelled to enquire into the death of John Morris, who was killed by a C.P.R. express train at an unprotected crossing of the G.T.R. here, returned a verdict finding the Grand Trunk authorities criminally responsible.

Train Jumped the Track.

Walkerville, Jan. 14.—The Lake Erie and Detroit River Railway local, due to leave here at 6.30 yesterday morning, jumped the track at Walkerville Junction. The train was traveling at a good rate of speed, and there was quite a high embankment where the accident had occurred, but fortunately with the exception of a bad shaking up no one was injured.

Section Man Injured.

St. Thomas, Jan. 14.—William T. West of Middlemarch is in the Amasa Wood Hospital. He is a section man employed by the L. T. and D. R. R., and was shovelling snow on the track when the afternoon train came along and struck the hand-car which he had sought for safety. His leg is broken, and he has scalp wounds. He is getting better.

Fatal Train Wreck.

St. Louis, Mo., Jan. 13.—The St. Paul passenger train on the Chicago, Burlington & Quincy road, due in St. Louis at 5.35 p. m., and running 50 miles an hour, to make up time, was wrecked last evening by spreading rails, five miles northeast of Alton, Ill., killing the engineer, Frank Horn of Beardstown, Ill., and injuring four trainmen. No passengers were injured, beyond receiving minor bruises.

State of Ohio, City of Toledo, Lucas County,

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure.

FRANK J. CHENEY.

Sworn to before me and subscribed in my presence, this 6th day of December, A.D. 1886.

(Seal.) A. W. GLEASON, Notary Public.

Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials, free.

F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75c.
Hall's Family Pills are the best.

Secretary Moody Hurt.

Washington, Jan. 13.—The superintendent of the Naval Academy telephoned to the White House yesterday afternoon that during a reception to Secretary Moody and Senator Hale at Annapolis, the horses attached to their carriage ran away and Secretary Moody was thrown out and slightly bruised. Senator Hale escaped injury.

Our Fish Hatcheries.

Ottawa, Jan. 13.—There were 280 million eggs of salmon, whitefish, pickerel and lobsters hatched out during the last fiscal year, and placed in Canadian waters to increase the supply. Four new hatcheries were built during the year, two in British Columbia and two in the Maritime Provinces.

To Increase Your Weight.

If you are thin, weak and emaciated and want to increase your flesh and weight you should try Dr. Chase's Nerve Food. You can feel it doing you good from day to day, as it strikes at the root of trouble and creates new rich blood. You can prove that it builds up new tissue and adds flesh if you weigh yourself each week while using it.

Executors' Notice to Creditors.

In the Surrogate Court of the County of Peterborough, in the Property of James Trotter, late of the Township of Otonabee, in the County of Peterborough, Deceased;

Take Notice pursuant to Section 38, of the Revised Statutes of Ontario, Chapter 129, that all persons who have any claims or demands against the Estate of the above named James Trotter, deceased, are required on or before the First day of February, 1903, to send in writing to Messrs. Dennistoun, Peck & Stevenson, Peterborough, Solicitors for the Executor, John A. Nelson, their names and addresses, with the amount of their claims and particulars thereof, with a statement of the securities, if any, held by them, and take notice that from and after the said first day of February, the Executor will proceed to distribute the assets of the said Estate among the persons entitled by law thereto, having regard only to such as have notified them of their claims in the manner hereinbefore specified.

Dated this Twelfth Day of December, 1902.

The Longley Lecture.

To-morrow (Thursday) evening the Hon. J. W. Longley gives his interesting lecture on "Men I Have Met," in the Y.M.C.A. hall, under Fortnightly Club auspices. Course tickets, admitting to four lectures, 25 cents. Single admision 15 cents.

Last Night's Attraction.

The Pan-American Electric Carnival, under the direction of C. Ireland, given in the opera house last night, was a great success, being well attended. The performance was of the best, and should they come to Peterborough again they will be well received.

A Correction.

The Examiner wishes to correct the statement made in Monday's issue to the effect that Mayor Roger had expressed the opinion that Mr. O'Connell was disqualified as an alderman by reason of his being a Separate school Trustee. Mayor Roger did not express himself on the matter the way the Examiner understood him over the telephone.

Anniversary Services.

Anniversary services were held in the Selwyn Methodist church, Smith on Sunday and Tuesday evening. The sermons on Sunday were delivered by Rev. C. L. Thompson, of Ashburnham. A tea was given on Tuesday night, and an interesting programme rendered. Rev. J. W. Bunner, of Bridgenorth, the pastor, and Rev. C. L. Thompson, and others, addressed the meeting.

A Carpet Tea

The Ladies' Auxiliary of the Young Men's Christian Association intend holding a "carpet tea" in the building on Monday next, January 19th. The proceeds of the tea are to be used towards purchasing a new carpet for the drawing room, which they would like to have laid down before the convention being held in the near future. Oysters and tea and cake will be served during the afternoon and evening and it is suggested that those who take in the championship hockey match, Port Hope vs. Peterborough, call and enjoy a plate of oysters after the game. 1d

NEWS NUGGETS.

—Piano tuning promptly attended to. Satisfaction guaranteed. A. F. Hoover, 'phone 199. d

—The regular meetings of the Royal Templars of Temperance will in future be held in the new hall in the Schneider Block, George street.

—Subscribers for the rink stock are reminded that the 15th of this month is the last day for payment of the last installment on the stock.

—A job-lot of 250,000 business envelopes just received. All prices. Leave your orders before the best values are picked up. You can

—A meeting of the Central Charity Board was held in the Town Clerk's office last night, when a nember of applications for aid were dealt with.

—The Rink Company will pay $5 reward for information that will convict the party who forced the door, under the seats, during the game last evening.

—The Executive Committee of Court Young Peterborough, C. O. F., will meet this evening in the Foresters' Hall, when some important matters will be considered.

—See R. Hicks' advertisement for special prices for sawing and splitting wood until Feb. 1st. It will pay you to take advantage of this special offer. 6d6

—The annual meeting of the Peterborough and Ashburnham Horticultural Society will be held in the council chamber on Thursday, the 15th day of January, at eight o'clock.

—The Charlotte street Young Men's Guild will hold their regular monthly meeting in the school room next Friday evening. Mr. R. M. Dennistoun will deliver an address on "Success."

—The annual business meeting of the Murray street Baptist church will be held to-morrow evening at eight o'clock, when reports for the past year's work will be presented and officers elected for the ensuing year.

—The extension northwards of the Grand Trunk freight sheds indicates that the carrying business of this railway is increasing. Twenty feet or so added to the length of the sheds will afford considerably more room.

—The Canadian Order of Chosen Friends, will hold their second and best great gift concert in the Sons of England Hall, on Thursday, January 22nd. They have engaged the "Two Berts," who will appear in their great hypnotic scene.

—Keene will hold its first carnival of the season on Friday evening, Jan. 16th. Handsome prizes will be given to the winners of the races, also to the best dressed lady, gentleman, boy and girl and for best comic costumes. It is expected that many from Peterborough will attend.

—The blasting of the rock, where the new dam is being built, at the foot of London street, is a rather noisy undertaking. It is also becoming slightly destructive, as this morning a large window in a house near by was shattered by the concussion which followed the blast.

New Year's Dainties at S. A. Oke's.

All new, all fresh, all Select Oysters, Fruits, Confectionery, Relishes, Fish, Haddie, Canned Delicacies. Glad to see all our old friends and many new ones again after Christmas. Fresh delicacies arriving every day. S. A. Oke, 376 George street. Telephone 18.

Good Business Trip.

Mr. Charles LeGros, Peterborough's live, and only, exporter of Havana cigars, returned home last night, after a trip to Winnipeg, booking orders for his goods. He states that it was the best trip he ever made, considering the fast time he made. Getting to Winnipeg and back in ten days, and doing business in all the large towns on the road, he thinks is pretty good hustling. His sales in Winnipeg alone were over $3,000 worth; and when he got back to Toronto a big order was awaiting him for nearly $1000 worth of the choicest Havanas for the Queen's Hotel. While in Winnipeg the weather was very cold—28 degrees below zero—and the same in Fort William.

A big lot of Pocket and Office Diaries at Salisbury's—10c up.

COBOURG DEFEATED THE LOCALS

In a Hotly Contested Game Here Last Night.

THE SCORE WAS 2 TO 1.

A Fast Match in the Junior O. H. A Series—An Exciting Time for Spectators.

The first O.H.A. game of the season was played in the Brock street rink last night, when the Cobourg seven and the Peterborough juniors met in the preliminary round of the O.H.A. junior series for this district. The result was a victory for the visitors, after a stubbornly contested game, by a score of 2 to 1.

The event was witnessed by a fair sized crowd, not as large, however, as was present to see the exhibition match on Saturday night between Varsity and the Peterborough Seniors, but they were far more enthusiastic. The two teams being so evenly matched, and the game being so stubbornly fought, made matters exciting, to say the least, at times, and the rink rang with words of encouragement to the youngsters, applause in recognition of the good plays on either side, and cheers, most deafening, when a goal was scored, which, however, was very infrequent.

The match was refereed by Mr. Tom Ross, of Cobourg, who tolerated no infringements on the rules and more than once had players adorning the boards.

The game did not commence until 20 minutes to 9 o'clock, although advertised to start at 8.15. The Cobourg youths came on the ice first, and were greeted in a friendly manner by the spectators. They were attired in red sweaters with a great "C" on their breasts. The juniors glided out one by one and were heartily cheered. They looked very natty in their new blue sweaters, with an indescribable ornament on their breasts. They looked to be decidedly lighter than their opponents, and seemed somewhat timid. They had not been accustomed to standing in the centre of a large sheet of ice, and being eagerly scanned by a criticizing crowd of several hundreds. They assumed a becoming air of shyness but this was soon discarded when they plunged into the game with all the vigour of players of greater experience and pretensions. Peterborough lost owing to the lack of combination play. Had they possessed the slightest degree of team play they might have come out victorious. They were fast skaters, close checkers and do pretty individual work, but who ever saw individual play win a game of hockey? Thornton in goal had a chance to show what he could do and he gave a very good account of himself. He stopped several hot ones. Craig at point was useful with his body, which he appeared to use in a sly manner if not carefully watched. Lee, the captain of the juniors, proved a tower of strength. He certainly has a bright future ahead of him on the hockey ice, and plays his position well. He shoots splendidly although he is somewhat weak on the lifting. On the forward line Innes Hamilton, Bob Parker, Foley and McGrath played very hard throughout.

Cobourg scored the first goal in about one minute's time, and at half time the score was 1—0. Shortly after half time Gordon Lee poked the puck through from a scrimmage in front of Cobourg's goal, and then matters waxed warm. Cobourg scored once again, however, and notwithstanding the strenuous efforts of the locals they had to finish second best.

The teams were,—Cobourg — Goal, McKenna; point, Walker; cover point, Floyd; forwards, Payne, Bond, McNichol and McCallum.

Peterborough — Goal, Thornton; point, Craig; cover point, Lee; forwards, Hamilton, Foley, Parker and McGrath.

The juniors should keep on practicing. They are playing good hockey and just need a little more training in team play.

GREAT PAN AMERICAN ELECTRIC CARNIVAL.

An Excellent and Interesting Entertainment in the Opera House.

Numerous counter attractions prevented as large an attendance at the presentation by "The Great Pan-American Electric Carnival" in the Opera House as its high merits deserved. A fair audience was, however, intensely delighted with the pictures, embracing a judicious selection of entirely new scenes. Special praise should be given the Cornation pictures, which were more than pictures—exceedingly realistic productions of the actual moving scenes of the greatest pagent of British history. These pictures were received with natural enthusiasm, as were the vivid pictures of the volcanic eruptions of Mount Pelee and La Soufriere, in eruption on St. Vincent Island. A large number of miscellaneous scenes—of travel, etc., combined to make the entertainment most instructive and delightful.

CANADA AND THE LATE WAR

"In the Court of History: An Apology for Canadians Who were Opposed to the South African War."

By GOLDWIN SMITH.

For Sale by William Tyrrell & Co., Toronto. Price 10c.

"ENGLEBOURNE" SOLD.

The Residence of the Late Rev. Mark Burnham in Ashburnham.

"Englebourne," the quaint old Burnham homestead, has been sold by the trustees of the estate of the late Rev. Mark Burnham, and will be occupied by Mr. and Mrs. C. B. McAllister, as soon as the necessary improvements can be effected, to make it a permanent home.

"Inglebourne," which is one of the most quaintly pleasant and attractive home sites in Ashburnham, slopes down to the river on the west. The residence, which is of the solid and characteristic style prevalent before Jerry building and flash architecture was the vogue, was erected about fifty years ago by the late Hon. Zaccheus Burnham for his son, the late Rev. Mark Burnham. There are about five acres of beautiful land which are included in the transfer of the property.

Fountain Pens from $1.00 to $5.00 and Stylographic Pens at $1.00, all guaranteed—at Sailsbury's.

PETERBOROUGH'S MODERN STORE.

Cotton is King!

The month of January we devote a considerable amount of space and time to Cotton. Many people buy the bulk of their cottons in January and have them made up during the long winter months. It affords employment and occupies the mind at a time when everybody wants something to do to relieve the monotony of winter. These stocks are always at their best during January. That's when we replenish our cotton stocks. We always have a Cotton Sale during January. We make prices that encourage people to buy. Those who have the money to spare can make a big saving by buying Cottons at our Big January Sale. Here's a list of prices :—

Unbleached Sheetings

A WESTERN VISITOR.

Mr. F. Fry, of Edmonton, Was in Peterborough Yesterday, on his way Home.

Mr. F. Fry, of Edmonton, was in town Monday night on his way back to Edmonton, where he has now resided for some time. Mr. Fry has been visiting his father, who resides just east of Havelock and on his way through Peterborough Monday night he called on the Examiner.

Concerning Mr. Fry, "The Man on the Street," in the Toronto Mail and Empire says:

"Mr. F. Fry, a member of the firm of Dobson, Jackson & Fry, of Edmonton, Alberta, arrived in the city last evening, and is stopping at the Walker. Mr. Fry is a Torontoian, and has been out in the Western region for the last ten years. Speaking to 'The Man on the Street,' Mr. Fry said that with the exception of Winnipeg, Edmonton is the best town in the North-West. The town has now a population of about 4,000, and a large number of Americans are coming in daily, many of whom originally came from Ontario. During last year over three hundred houses were built in the town, including a large hotel, which was erected at a cost of about $50,000. Mr. Fry's firm has the contract for the construction of a water works and sewerage system. Mr. Willis Chipman, of Toronto, is chief engineer of the works. About 45 per cent. of the contracts have already been completed, and the water will be turned on about March the first. The Canadian Northern Railway engineers, Mr. McLeod, chief, and Mr. Armstrong, are at present in Edmonton surveying for the station and round-house, and also making other arrangements for immediate improvements. Mr. Jones, superintendent of the C. P. R., is also in town with a staff of assistants, surveying for their company, which will shortly extend its lines into the town.

SELECTED OFFICERS.

Annual Meeting of the Peterborough Law Association.

The annual meeting of the Peterborough Law Association was held on Monday afternoon, when the following officers were elected:

President—John Green.

Vice-President—Geo. W. Hatton.

Secretary—J. W. Bennett.

Treasurer—F. D. Kerr.

Executive Committee—The officers and Messrs. L. M. Hayes and E. B. Edwards.

The treasurer's statement showed that there was a substantial balance on hand after the expenses of the year and the cost of purchasing books for the library were paid.

BOARD OF MANAGEMENT

For the Public Library of Peterborough.

At the annual meeting of the Peterborough Public Library Board, held on Monday night, the following Board of Management was elected: Dr. George Burnham, Messrs. T. A. S. Hay, W. H. Hill, R. Robertson, J. Corkery, J. English, T. Richardson, J. S. Knapman, H. S. MacDonald.

On next Monday evening the Board will meet to elect a president and a secretary-treasurer. The annual sale of papers will take place the same evening.

There have been many complaints to the Board regarding the mutilation and abstraction of magazines and periodicals. The matter was referred to the Library Committee, with power to act.

LETTER OF CONDOLENCE.

From L. O. L. No. 80, to Mr. W.F. Elliott, of Town.

At the last regular meeting of L. O. L., No. 80, the following letter of condolence was ordered to be forwarded to Mr. W. F. Elliott, who within the last few weeks has lost two children from scarlet fever:

William F. Elliott, Esq., Peterborough:

Dear Sir and Brother,—On behalf of the officers and members of Diamond L.O.L., No. 80, we desire to express to you and your family, our sincere sympathy in the very great affliction you have recently been called upon to bear, through the death of two of your beloved children.

We would share the intense suffering which we know this sad bereavement has been to you; and we pray that our Heavenly Father will comfort you in your sorrow, and by His abiding presence, give you strength to overcome this crushing weight of grief.

You miss the kind voice of your dear and only daughters, but you know that their sufferings are over, and that they have only gone before; and, dear brother, may your remaining days on this earth be so spent in the service of the Almighty God that you will meet your loved ones in that Heaven of Rest where there will be no more sorrow, and where parting will be no more, is the prayer of your brethren of Loyal Orange Lodge No. 80.

Fraternally yours,
ROBERT McGILL, W.M.
W. H. G. ARMSTRONG,
Rec.-Secretary.

COURT LITTLEJOHN, C. O. F.

Installation of Newly Elected Officers for 1903.

At the regular meeting of Court Littlejohn, No. 92, Canadian Order of Foresters, Bro. Walter Hooper, D. D. H. C. R. installed the newly-elected officers for 1903. The following is a list of the officers:

Bro. W. H. Gordon ...Past Chief Ranger
" John Creba... ... ...Chief Ranger
" John Sims... ...Vice Chief Ranger
" Thos. Lang... ... ...Chaplain
" Robt. Mulligan ...Recording Sec'y
" Wm Fleetwood... ... ...Financial Sec.
" Wm. Kemp... ... ...Treas.
" J. H. Sherwood ...Senior Woodward
" Geo. Chapman...Junior Woodward
" Arthur Green... ... Senior Beadle
" W. Taylor ... ...Junior Beadle
Trustees — Bros. W. Menzies, Joseph Saunders and John Sawers.

Finance Committee — Bros. H. Beacon, Robert Thornton and Jos. Saunders.

Auditors—Bros. F.H. Dobbin and W. Menzies.

A vote of thanks was passed to the District Deputy for the efficient and impressive manner in which he conducted the installation ceremonies. Bro. Hooper replied in some practical remarks for the good of the order, and congratulated the Court on the large attendance of members present.

File Your Receipts This Year.

What office or house could be without a fyle to keep track of their papers when you can procure at the Peterborough Bookstore a board fyle and arch for 25c., or a board fyle, arch, compressor cover and index, complete, for 35c. Call and see them or telephone and we will send on approval. We are after your trade for office supplies. Try us with your next order. A. H. Stratton & Co., 417 George street.

Fresh Cider at Knox's—25 Cents per Gallon. tf

GENERALLY SPEAKING

HIS WORSHIP Mayor Roger has fired the heather in several directions by his inaugural "blow-out." He made some of his guests on Monnight earn their eating and they earned it well by making valuable contributions to the discussion of live subjects of municipal importance.

* * *

ANNEXATION is in the air. Ashburnham and Peterborough by the attraction of gravity are being drawn together. This seems to be as inevitable as the truth of the boy's saying,—"What goes up must come down." The address of Mr. Reeve Adams, who was slated for a talk on the subject, was a meaty, modest, judicial and judicious deliverance. He laid down the pros. and cons. with great fairness, though he could not, or did not conceal his leanings in favour of municipal union.

* * *

LIONS IN THE PATH there are, it is true, but they are not more formidable than they were a few years ago, when the marriage of Ashburnham and Peterborough was settled—at least there was an engagement and Peterborough, like Barkis, "was willin" to take the pretty little lakeside bride to his arms. But nothing came of it. Though neither party jilted the other, the stern parents—the municipal officials—haggled over the marriage settlement till the engagement was dropped.

* * *

THE FLIRTATION has been resumed and annexation has become a live question which deserves serious attention. Whatever advantages and disadvantages annexation may present, one effect will be to give the amalgamated corporations a population of nearly 15,000, a number which will justify the assumption of the status of a city, if this is desirable, and the feeling seems to be growing that Peterborough is failing to secure abroad the recognition of her importance owing to being known as a mere town. In spite of Shakspere's suggestion, there is sometimes a great deal in a name—for instance we have a higher authority than the Bard of Avon that—"a good name is better than riches."

* * *

THE MATTER OF A NAME for the contingent united corporation presents a double problem. Should it be made a city and shall the name of the city be Peterborough? Mr. W. H. Moore in an address at the civic banquet, went rather fully into the matter of changing the name of Peterborough—because it is "too common." If that were to be a consideration there would be thousands of changes in names of places in Canada every day. One strand of the link that unites the outer kingdoms of the Empire to the Mother Kingdom is the adoption of British names for villages, towns and cities.

* * *

MR. MOORE'S IDEA seems to be a mere matter of sentiment—not too robust sentiment either, but somewhat akin to the school girl sentimentality that rebels against the baptismal name, and tortures the stately Edith into the namby-pamby "Edythe," the princely Sarah into the convoluted "Saydie," et hoc genus omne.

* * *

IF, IF, IF,—if Peterborough and Ashburnham become amalgamated; if the new corporation is erected into a city — if the name is to be changed—what would Ashburnham have to say in the matter? If, as Mr. Moore suggests, "Peterborough" is "too common"—too plebeian—why not make "Ashburnham" the name of the new city? Or, to compromise, why not amalgamate the two names, as well as the two corporations? How would "Peter-burnham," or "Ashborough" do or try "Hautville," as a delicate concession to "Hutville" and Concession street. Seriously, however, there does not seem to be much need of change of name. Peterborough is a known and honoured name all over Canada, and the good solid name of an old country Cathedral city is not too common for its brisk and beautiful cis-atlantic namesake, when we can write "City of Peterborough."

* * *

NOT ONLY has the year opened with a civic banquet, but with a civic church service. That is to say the special service held in St. John's on Sunday and attended by the Aldermen and civic officials, was reminiscent of the dawning days of Christianity, when the Master welcomed to the synagogues, and ate with, "publicans and sinners." The face of an Alderman in surplice, assisting in the services, impressed the idea that the occupancy of a position of civic responsibility is not incompatible with the observance of religious duties. If the Aldermen take to heart and apply the lessons of the excellent sermon preached, the town would be the great gainer.

* * *

ONE ADMONITION of the sermon that concerns the public, is timely—"Owe no man anything, but only to love," and "procrastination, indifference and delay in paying just debts is perilously near to dishonesty." "Pay promptly," is good advice in this great settling month of the year, when everybody tries, or should try, to get even with the world financially. This is not only good morality, but good business. One man paying a bill for only $10, may affect the finances of the whole town. That payment may help another man to pay another debt, and so on, till the effect is felt in hundreds of cases. Prompt payment of debts, especially those due persons of limited means, means, not only a duty done, but a kindness as well, in relieving the pinch of want which straitened and limited means produces.

* * *

ANOTHER MINISTER, in another column, calls the public attention to another Christian duty, involving the practice of the Golden Rule. A few days ago this column referred, in terms of approval, to the practice of a merchant closing his shop at nine p.m., on Saturday night. This practice could be made general, if the public, would only co-operate, and this they can do, by doing their shopping, which can, in the great majority of cases be done, earlier in the day or evening. The public should remember that orders left at 10 and 11 o'clock at night, mean late work for delivery boys and horses, which often extends well into Sunday. "Do unto others as you would that others should do unto you," is the big end of practical Christianity, and a pretty exhaustive test of "a right spirit."

* * *

LONGLEY'S LECTURE — had you forgotten it? — to-morrow night. Such a treat by a prominent citizen of the brainy province does not offer very often. You can have hockey, progressions and evening functions, any night, but not such rare intellectuall refreshments as the lecture on "Men I Have Met," will afford. Let the distinguished Nova Scotian see that Peterborough has a mind above frivolities.

SATURDAY NIGHT SHOPPING.

Editor of the Examiner,—

Dear Sir,—In the interests of the merchants and employees of our stores, permit me, as representing the Ministerial Association of Peterborough, to address a few words to your readers.

Sometime ago our Association addressed a circular to the citizens of Peterborough and Ashburnham, asking them to co-operate in an attempt to relieve numbers of our people from the unnecessarily long and arduous labour of Saturday. The circular had its effect to some extent, but by no means as far-reaching an effect as was desired. We still find our stores crowded on Saturday night, more than at any other time of the week, and many of the employees are kept busy until midnight, while delivery wagons and parcel boys are often found delivering goods even after the mid-night hour has struck. In the interests of humanity, good citizenship and religion, these things ought not to be. Sunday should not be a day when people, because of unnecessary strain on the night previous, find themselves in no sense fit, either for the worship of God or for the true refreshment which is their God-given privilege

It is still felt by those who have given the matter consideration that the remedy for the evil complained of rests in the hands of the citizens of Peterborough and Ashburnham.

May I therefore ask your readers to again consider the four suggestions made in the circular which was sent forth, hoping that they may as far as possible help in their carrying out;—

1. All possible purchasing to be done before Saturday.

2. All purchasing which is absolutely necessary on Saturday to be done at the earliest possible hour on that day.

3. That no order be given by telephone or for delivery after 8 p.m., at the latest and that merchants refuse any such order.

4. That no purchase whatever be made after 9 p.m., on Saturday.

If these suggestions are generally followed, we are firmly convinced that our young men and women who are now subjected to such unnatural strain, will be healthier and happier, and better fitted to take their places as citizens of the town of which we are so justly proud.

Yours respectfully,
J. A. WILSON,
Sec'y Ministerial Association,
Peterborough, Jan. 14th, 1903.

WHY ?

Why hunt in vain for cheap houses to rent when it is easier to buy? Why pay seven to ten per cent. in rent to be turned out, when five to six would pay interest on investment and own your house? Why look for farms to rent when we have lots of them for sale? Why run your own risk of fire when you should be insured? Why run all risks without protection when you should have an accident policy? Why trouble your friends when you can get a guarantee policy? Why leave your wife and family to scrub and beg when a life policy would prevent it? Why not call at Lindsay & Might's Real Estate and Insurance Office for any of these?

LINDSAY & MIGHT
Real Estate and Insurance Agents

"THE CAVALIER" BURNED.

Newspaper Publishers of New York to Discuss the Question of Free Pulp With the U.S. House.

At White River, Ont., it was 40 below Tuesday, and all through the region north of Lake Superior there was a biting frost.

The New York Newspaper Publishers' Association met Tuesday to discuss the question of free wood pulp with a committee of the United States House.

The remains of former Premier Sagasta, who died January 5, were entombed in the Church of San Francisco at Madrid in the presence of King Alfonso and other notables.

In a fire in New York at the residence of Geo. J. Gould, several valuable paintings were destroyed. The loss is estimated at $125,000. Among the paintings burned was "The Cavalier," by Stuart.

Five hundred pounds of powder in the powder and dynamite house of Harth Brothers blew up at Caseyville, Ky. Joseph Newkirk, a boy, was killed, and Walter Newkirk, a companion, was fatally injured.

Severely cold weather continues to prevail in the United Kingdom. Traffic on the railroads of Scotland is impeded by snowdrifts, and temperatures are in some localities the lowest for ten years. Deaths from exposure have been reported and a number of minor shipwrecks is reported.

SHOOTING AT QUEBEC.

A Chateau Frontenac Waiter Puts Four Bullets Into a Hotel Keeper of the Ancient Capital.

Quebec, Jan. 14.—Charles Shirley, a prominent former member of the city police force, and now proprietor of an hotel on the St. Louis Road, lies at the Jeffrey Hale Hospital with four bullet wounds, two in his head, one in his left shoulder and one in the arm.

About noon yesterday, while he was working in a stable in the rear of the hotel, John Guard, a waiter at the Chateau Frontenac, entered the stable, and without warning opened fire upon Shirley, with the above result.

Shirley was immediately removed to the hospital, where the doctors set to work to extract the bullets. Guard was immediately arrested and lodged in jail. The would-be murderer is a young Englishman about 24 years old and 5 feet 8 inches in height.

He is one of a batch of English waiters that arrived in Quebec some two years ago, and has been employed at the Chateau Frontenac. He was also a member of one of the South African contingents. His motive for the rash deed is not known.

The doctors do not consider Shirley's wounds as necessarily fatal, and he may recover, if poisoning of the blood does not set in.

SAVED FROM THE GRAVE

What T. C. Marsh Says Dodd's Kidney Pills did for him.

Story of a Nova Scotia man who had Almost Given up Hope of Ever Being Well Again.

Central Economy, N. S. — January 11th. (Special.) — "I feel as if Dodd's Kidney Pills had saved me from the grave," is the way T. C. Marsh, of this place, talks of those wonderful exterminators of the aches and pains arising from Diseased Kidneys. And Mr. Marsh should know whereof he speaks. He was under the doctor's care for kidney complaint for some time, and despite their efforts, continued to grow worse. He was almost in despair when a friend advisived him to use Dodd's Kidney Pills. In such a severe case the progress towards recovery was naturally slow but he persevered and now he feels justified in using the strong words quoted above. Mr. Marsh thus describes his case:

"I was under the doctor's care, but didn't seem to get any better, only worse. I was advised by a friend to use Dodd's Kidney Pills. After I had used them for a time, I began to feel a difference and I never stopped until I had used 22 boxes. I suppose I will still have to use something as long as I live, but I feel as if Dodd's Kidney Pills had saved me from the grave.

"I have recommended Dodd's Kidney Pills to everyone because of what they have done for me."

Alcohol in Russia.

The Russian ministry of finance monopolizes the alcohol industry, and some idea of the value of the output may be gained by the fact that 6,000,000,000 corks are used annually, one-third of which are produced in government works.

Hat Tax.

In the reign of George III. hats were taxed. The last tax was 6 cents. Those above $3 in value paid a tax of 50 cents.

Bark Shirts.

Shirts and hats that are never in need of ironing are worn by the Indians of the interior of Bolivia. They are made of the bark of a tree, which is soaked in water until the fiber is softened and then beaten with stones to make it pliable.

Egyptian Specialists.

The ancient Egyptians had dentists as well as specialists for diseases of the eyes and ears.

Family Quarrels.

"How many serious family quarrels, marriages out of spite and alterations of wills might have been prevented by a gentle dose of pills." With the liver and kidneys sluggish, and torpid digestion is impaired and temper ruined. But Dr. Chase's Kidney-Liver Pills by invigorating the action of these organs ensure good digestion and sound health. One pill a dose, 25 cents a box.

BURNED TO DEATH.

Young Man Named William Friars Perishes in a Burning Cheese Factory at Point Duchene, N.B.

St. John, N. B., Jan. 13.—William Friars, of Point Duchene, aged, 20, was burned to death; his sister-in-law, Mrs. J. D. Friars, and her sister were severely injured, and $7,000 property loss was occasioned in a fire in the premises of J. D. Friars at Waterford, King's County, late Sunday night. J. D. Friars' cheese and butter factory, store, dwelling, cold storage warehouse and ice house were destroyed. In the room above the store were William Friars, brother of the proprietor, and Edwin Robinson, clerk. The latter got out, but as Friars was crossing the floor gunpowder in the store exploded and Friars fell into the flames. When the body was recovered, both legs had been burned off. Mrs. J. D. Friars and her sister jumped from their dwelling window and sustained some injuries. About 3,000 bushels of oats stored in the building were destroyed.

MARKET REPORTS.

London, Jan. 13.—Live cattle steady at 12c to 14¼c per lb. for American steers, dressed weight; Canadian steers, 12c to 13¼c per lb.; refrigerator beef, 9c to 11c per lb.

Cattle at Halifax.

Halifax, Jan. 14.—Thirty-two carloads of cattle arrived here yesterday afternoon from Montreal for shipment on the Donaldson Line steamer Trinonia. This is the first lot of cattle to come to Halifax this season for shipment.

2,000 MEN WORKING.

Construction of Temiskaming Railway Proceeding Satisfactory.

Toronto, Jan. 12.—A meeting of the Temiskaming Railway Commission was held Saturday afternoon, at which considerable routine business was transacted.

Engineer Russell presented a report to the effect that the work of construction was going along satisfactorily, the contractors doing everything necessary to have it completed within the required time. He stated that two thousand men were on the work, and the conditions so far for carrying it on were all that could be wanted.

TEMPORARILY INSANE.

Alex. Notman of St. Catharines Shoots Himself in the Night.

St. Catharines, Jan. 14.—Alex. Notman, a highly respected resident, committed suicide at an early hour yesterday morning. He had not been well for some time, and Monday night his wife, knowing he was worse, got up from bed and went to call his brother. During her absence her husband secured a revolver and shot himself. Deceased was a machinist by trade, 33 years old, and a son of William Notman of Thorold. He leaves a wife and two small children.

Took a Gloomy View.

Berlin, Jan. 14.—The Prussian Diet opened yesterday. The speech from the Throne took a gloomy view of finances. The accounts of 1901, closed with a deficit of $9,875,000. The accounts of 1902 are not expected to be brighter.

Australia to Bisley.

London, Jan. 14.—There is a probability that the Commonwealth of Australia will send teams to compete at the National Rifle Association's meeting at Bisley on July 8.

Work For Prisoners.

Prisoners in England awaiting trial can elect to work during the period and receive pay ment accordingly.

Honest Chinamen.

Honesty is a prevailing virtue among most Chinamen. Some of them, in their native towns and cities, often leave their places of business unguarded while they go off for half an hour or more. Should customers arrive in the meantime they find the prices of goods plainly marked, select what they want and leave the money for them.

Title of Lord Mayor.

Melbourne, Jan. 14.—The King has been pleased to approve of the title of Lord Mayor being conferred on the mayors of Melbourne and Sydney. Such is the effect of a message received by the Governor-General. In future the mayors will be entitled to be called Right Honorable. The Lord Mayor's wife will be Lady Mayoress.

The Food System the Source of Life

Any Derangements of Liver or Kidneys That Interfere With Digestion and Assimilation of Food Rob and Deplete the Body.

Dr. Chase's Kidney-Liver Pills.

It matters not how good your appetite, how you relish your food or how much you eat, so long as there is anything to interfere with proper digestion and assimilation of the food by the body, strength and vigour will gradually decline and weakness and debility take their place.

The most frequent cause of disordered digestion is sluggish action of the liver, kidneys and bowels. The whole alimentary canal, through which the food passes on its way through the body, becomes choked and clogged, and the system is poisoned and diseased.

Dr. Chase's Kidney-Liver Pills have been marvellously successful in exactly this class of disease, principally because they act directly on the kidneys, liver and bowels, regulating and invigourating their action, and restoring them to health.

Mr. R. Beach, 225 Sherbrooke street Peterborough, Ont., states: "About two years ago I became subject to cramps, which were caused, I was told, from acute indigestion. I was so bad that I would be laid up for weeks at a time. These attacks came on periodically, and distressed me greatly.

"I then began using Dr. Chase's Kidney-Liver Pills, and have found them a wonderful medicine. They have entirely prevented a recurrence of my trouble, corrected the derangement of my digestive organs, and made me feel like a different person."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. 11

Do You Know

What this Stamp or Trade Mark means ——?

It means that if your Tea Set, Cake Basket, Butter Dish or similar articles have this trade mark on them, that they are the highest grade of Silver Plated Ware that can be bought.

MERIDEN BRITANNIA CO.
THE LARGEST MANUFACTURERS OF SILVER PLATE IN THE WORLD

JUST A COLD SETTLED IN THE KIDNEYS,

BUT IT TURNED TO DROPSY.

IT WAS CURED BY

DOAN'S KIDNEY PILLS.

Read of This Wonderful Cure.

It May Do You or Your Friends Some Good to Know About It.

Miss Agnes Crosman, Upper Smithfield, N.S., writes:—About 18 months ago I caught cold. It settled in my kidneys, and finally turned into Dropsy. My face, limbs, and feet were very much bloated, and if I pressed my finger on them it would make a white impression that would last fully a minute before the flesh regained its natural color. I was advised to try DOAN'S KIDNEY PILLS, and before I had used half a box I could notice an improvement, and the one box completely cured me. I have never been troubled with it since, thanks to DOAN'S KIDNEY PILLS.

Price 50c. per box, or 3 boxes for $1.25; all dealers, or The Doan Kidney Pill Co., Toronto, Ont.

CANADIAN PACIFIC

A TOURIST CAR

WHAT IT IS

A Canadian Pacific Tourist Car is similar in general appointments to this Company's Palace Sleepers. It is large, airy, perfectly ventilated, handsomely finished and upholstered.

Portable section partitions, which firmly lock in place at night, make an open interior with no obstructing berth supports by day, and insure perfect seclusion to each berth by night.

Any Canadian Pacific Agent will gladly give you further particulars and secure you accommodation in one of these cars.

Subscriptions and renewals taken at the Examiner office, Peterborough.

HOME LIFE SACRED.

King Edward Annoyed at Publication of Gossip in the Papers—Line Now Sternly Drawn.

Much as he appreciates the pomp and circumstance of Royalty on public and State occasions, King Edward is annoyed by the publication of details of his private life, which have recently been constantly appearing in the daily and weekly newspapers.

After each visit of a theatrical company or individual performers to Sandringham or Windsor, the newspapers have been filled with interviews with the actors, who gave descriptions of the scenes. One actor described a conversation at a supper; another gave a kindly, appreciative account of the Kaiser's actions. An actress did much the same for the Queen. She also described how the customs in the Royal circle had been altered. The charity bob, as the short curtsey which was used in Queen Victoria's time was called, has disappeared, and all the women make sweeping curtsies. The slight bow over the Sovereign's hand has been replaced by a very low bow, almost as if a person were going to kiss the hand of the King.

His Majesty has now intimated to his friends that he is of the opinion that the privacy of his home life should be as sacred as that of the meanest of his subjects. At a dinner one day recently his Majesty declared that he disliked all interviews and personalities in the newspapers. Twice during the last two weeks King Edward has taken decisive steps to carry out the new plan. When "Quality Street" was performed at Windsor, it was intimated that no particular account should be given to the newspapers in addition to the officials one in the Court Circular. When the company returned to London it was noticed that every member refused to be interviewed. The exception was when the King gave permission for a special photograph of Sandringham for an illustrated magazine article, but he added that pictures should not be taken of any of the private apartments or the large reception rooms.

Sir Edward Russell, writing on this subject in The Liverpool Post, says:—

"It ought to be frankly pointed out that the most notable people in society themselves write paragraphs about our doings. I know at least five peeresses who do not scruple to tell their intimate friends that they drop a line every week to a journalist, intimating where they have been. Indeed, the passion for imparting information and self-advertisement is boundless."

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the same to be careful about—

Office—Division Court Buildings. Office hours,—11 to 12. Children for adoption.

Mr. Balfour's Kindness.

Added to the other virtues of the new Prime Minister of Great Britain is consideration for the least of those who ask his help. Mr. Justin McCarthy, tells in an interesting little story of Mr. Balfour's readiness to stretch out a helping hand.

Two or three years ago Mr. McCarthy learned that a certain lady who had won distinction as a novelist had fallen ill, and was suffering from the poverty that followed her inability to continue her literary work. Some of her friends thought that she should be assisted by a department of the state, and applied to Mr. McCarthy, who is both man of letters and politician, to bring the matter before the proper authorities.

There is a small fund at the disposal of the British Government for the relief of literary persons in distress. The fund is in the control of the First Lord of the Treasury. This office Mr. Balfour held at the time, and holds now.

It was just when Great Britain was in the most distracting period of the South African war, and Mr. McCarthy feared that a busy statesman who must have been passing many nights of sleeplessness in the midst of exciting news from the front would not be able to attend to such a small matter as the relief of an individual. It would have been natural for the overworked statesman to hand the case over to some minor official, who would allow it to come to a standstill, immovably entangled in the red tape of petty routine. But in spite of his lack of hope he wrote to Mr. Balfour.

The next day he received a reply in Mr. Balfour's own hand, expressing sympathy and willingness to help. Relief came soon after.

Although the case was deserving, and too much need not be made of it, yet Mr. Balfour would have had good reason for turning it over to some one else.

"I must say," concludes Mr. McCarthy, "that I think this short passage of personal history speaks highly for the kindly nature and sympathy of Arthur Balfour."

Awarded Rumford Medal.

The Hon. Charles Algernon Parsons, F.R.S., to whom the British Royal Society has just awarded its Rumford medal "for the successful application of its invention of the steam turbine to industrial purposes, and in navigation," is a brother of the Earl of Rosse, and a son of the builder of the famous Birr telescope. When Mr. Parsons built the Turbina in 1896, she was the first vessel to be propelled by the steam turbine. At the present time there is only one turbine-engined war vessel in the world. This is the British torpedo-boat destroyer Velox, and she has the distinction of being the fastest vessel in the world.

Didn't Go to Waste.

"It is utterly impossible," declares Hall Caine, "for me to accede to all the requests I receive for my autograph. At the beginning of my literary career I used to make it a point to respond to all who inclosed stamps. That soon became impossible, and for a long time afterward those stamps weighed on my conscience. Of course I could not think of using them and religiously threw them in the scrap-basket till one day I discovered that Mrs. Caine was as religiously sorting them out from among the waste paper and using them."

A Nightmare

...point to the fact that excessive or ... eating disturbs the digestion. Nightmare or night hag has it's day time correspondence in the undue fullness after eating, with the belchings and sour or bitter rising so often experienced after too hasty or too hearty eating.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition. When these diseases are cured, the whole body shares in the increased strength derived from food properly digested and perfectly assimilated.

"Your 'Golden Medical Discovery' and Dr. Sage's Catarrh Remedy have been of great benefit to me," writes (Prof.) Pleasant A. Oliver, of Vista, Fulton Co., Ark. "Before I used the above mentioned remedies my sleep was not sound; digestion bad; a continued feeling of misery. I now feel like a new man. Any one in need of medical treatment for nasal catarrh could do no better than to take treatment of Dr. R. V. Pierce. I know his medicines are all right in this class of diseases."

Sometimes a dealer tempted by the little more profit paid on the sale of less meritorious medicines will offer the customer a substitute as being "just as good" as the "Discovery." It is better for him because it pays better, but it is not as good for you, if you want the medicine that has cured others, and which you believe will cure you.

Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

Eating Became a Dread.

HOW MANY PEOPLE ARE ALMOST AFRAID TO SIT DOWN TO THEIR MEALS?

YOU MAY BE ONE OF THEM. IF YOU ARE, THERE IS A CURE FOR YOU.

BURDOCK BLOOD BITTERS

CURES INDIGESTION, DYSPEPSIA, BILIOUSNESS, SOUR, WEAK AND ALL STOMACH TROUBLES.

Mr. J. G. Clumis, Barney's River, N.S., tells of what this wonderful remedy has done for him:—It is with gratitude that I can testify to the wonderful curative powers of B.B.B. I was so badly troubled with indigestion that whatever I ate caused me so much torture that eating became a dread to me. I tried numerous physicians, but their medicines seemed to make me worse. I thought I would try B.B.B., so got a bottle, and after taking a few doses felt a lot better. By the time I had taken the last of two bottles I was as well as ever, and have had no return of the trouble since. I recommend your medicine to the highest degree. B.B.B. is for sale at all dealers.

CATERING.

Private New Year's social gatherings and public functions catered for. Everything supplied. Afternoon and Evening, Receptions, Suppers, Banquets, Weddings, etc., skilfully executed. Silver, china and full service furnished when required.

REV. GEORGE J. BOND, B.A.

The New Editor of the Methodist Christian Guardian in Toronto.

Rev. George J. Bond, B. A., who recently arrived in Toronto to take up his new work as editor of The Christian Guardian, has had a lengthy experience in editorial work, having been for eight years editor of The Wesleyan of Halifax. In the summer of 1900, during the absence of Rev. Dr. Courtice, he acted also as editor of The Guardian. As a writer

REV. G. J. BOND, B.A.

he is held in esteem by the Methodist Church generally throughout the Dominion. Mr. Bond was born in Newfoundland, and is a brother of Hon. Robert Bond, Premier of Newfoundland. He entered the ministry of the Eastern British America Conference in 1871 and was stationed at Sackville, N. B., where he spent three years. In 1874 he entered the Newfoundland Conference, and in the same year received the degree of Bachelor of Arts from Mount Allison Wesleyan College, Sackville. He spent eight or nine years in active ministry in Newfoundland before assuming the editorship of The Wesleyan. He will assume his new duties at the beginning of the new year.

Caught Again.

Maud (under the mistletoe)—Now, George, you must only take one.

George—But one from one leaves nothing. Let's make it one each and tie.

Maud (shyly)—Oh, well, it's sudden, but you must ask papa.

European Marriages.

The average duration of marriages in England is twenty-eight years. Russia, with thirty years, is the only country to beat her. In France and Germany twenty-six years is the average duration.

Sappho.

The one poem most often translated into every language of the civilized and uncivilized world was written by a woman—"The Ode to Aphrodite," by Sappho. Shakespeare's works have borne the test of but three centuries. Sappho's have stood through twenty-five centuries.

Berlin Bridges.

After Venice, Berlin has more bridges than any other town in Europe.

A Monster Laundry.

The biggest laundry in London has seven miles of drying lines, all under cover. Eighty thousand pieces can be dried at once in the space of half an hour.

A Miner's Hoard.

Four thousand pounds in gold, silver and bronze has been found in the hut of an old beggar woman at Chabet-el-Amem, Algeria.

The Roorbach.

Over fifty years ago a writer of monumental but plausible lies in Thurlow Weed's Albany Evening Journal signed his letters "Baron Roorbach." There was no such baron. There was no man named "Roorbach." But the absolute falsity of the writer's statements was such that a "roorbach" became a synonym for any kind of lie, especially for the kind against personal character suddenly issued against a man for his injury when he could not meet it in time to avert the harm. The lie of politics, the lie started for political purposes, is the "roorbach" most in use the week before election.

His Little Avocation.

"But," said the bright and good looking young woman, "haven't you any pursuit that you follow for the simple love of it in the hours when you are not at your office?"

The great and powerful organizer of capital stood for a moment abashed by the simple candor of a young girl. Then a ray of inspiration swept over his countenance, and he answered:

"Oh, yes. I'm a coin collector."

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrozone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure liver complaint.

Waiters Who Get Most Tips.

Waiters who receive the most tips, says the Chicago Inter Ocean, are usually those who have everlasting and Job-like patience, those who do not easily take an insult, who ever have a pleasant smile for their patrons, who try earnestly to please them and are always ready to accommodate every one. A waiter should never place himself in a position of expectancy in the matter of receiving a tip and should avoid approaching a guest if he sees him in the act of drawing change from his pocket. A waiter should never pose as an object of pity with a view to securing a tip. If he deserves a tip, he should let the guest feel within himself that he deserves it, and if the guest wishes to give him a tip he will usually manage to catch the waiter's attention or leave the tip beside the plate. Should the waiter receive a tip previous to waiting on the guest, he should leave it lying on the table and then do his level best to earn it.

Monkey Brand Soap makes copper like gold, tin like silver, crockery like marble, and windows like crystal. 24

Then and Now.

Once, long ago, 'twas her delight
To dress up in a handsome gown,
But now, when he's out late at night,
She likes to dress her hubby down.

Practical View of It.

"The spirit moves me!" exclaimed the poet.

"Well," said a friend, "that's cheaper than paying house rent."

Getting a Cold.

I sat in a draft a
Few minutes, and, dash it!
The doctor soon after
Is likely to cash it.

A New Joke.

She—Did you ever countenance a lottery?

He—Yes. I was best man at my brother's wedding.

Far Different.

You gamble at Monte Carlo,
And the world smiles at your sin.
You shoot a little crap game,
And the police run you in.

After the Race.

Friend—How cleverly your horse went through that pocket!

Owner—Yes. Fact is, she is named after my wife, you know.

Might Be.

Forgiving and forgetting might
Be practiced oft in debt
Were lenders willing to forgive
As borrowers to forget.

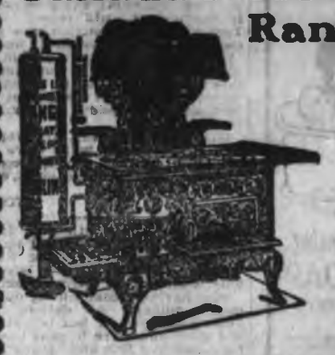
The King of Ranges—"Buck's Happy Thought."

Canada's Most Popular Range



For twenty-one years

The "Happy Thought" Range

has been Canada's most popular Range. It has gained its title, "The most popular Range in Canada," on its merits and the superior quality of its construction.

It has always been the aim of the manufacturers of The "Happy Thought" to make each and every Range turned out by them a standing advertisement.

This is one of the many reasons why there are more "Happy Thought" Ranges used in Canada than all other makes combined.

Made by The WM. BUCK STOVE CO., Limited, BRANTFORD.

Sold by THE BEST STOVE COMPANY.

THE IMPERIAL LIFE ASSURANCE CO'Y OF CANADA

AN INVESTMENT FOR YOUNG MEN

THE Company has lately issued a special form of policy which is particularly of interest to young men, combining, as it does, protection and investment.

Full particulars will be furnished upon application to

The following despatches have been received by H. M. Pousssett & Co. from McIntyre & Marshall, of New York and Chicago:

New York, Jan. 14th, 9.45 a.m.—Agreement considered probable between Mexican Central and Inter. and Gt. Northern. Rumours concerning special traffic relations between Erie and other roads unconfirmed. Thirty-two roads, first week Jan., gross increase 9.36 per cent. Doubted if absolute majority of Great Western stock can be secured except by purchase of foreign holdings. No gold exports probable this week in absence of suitable steamers, but some shipments expected next week. Banks gained from sub-treasury since Friday $2,270,000. American sugar meeting to-day. Illinois Central experiencing trouble from absence of sufficient motive power to handle increased business.
DOW, JONES & CO.

Wheat—Liverpool, wheat 1-4 higher. Corn 1-8 higher.
M. & M.

Cotton—Liverpool, spot firm, prices steady, mids. 4.76 unchanged, sales 10,000. Futures 1-2 to 1 point advanced. 2 p.m.—Futures quiet at 2 adv. from yesterday.
M. & M.

Bullish sentiment more pronounced after close yesterday, and has been further stimulated by reports of impending favourable developments, which will make coal stocks, particularly Erie securities, active and buoyant features and also by the very satisfactory condition of money market and leading bankers' asserting that street and money market now in position where gold shipments can be made in natural course of events without disturbing general sentiment. Re-action of past few days and general selling has very materially benefitted the market. There is doubt that the buying in Reading stocks on decline of last two days came from inside sources, and was decidedly better than the selling at same time there has been further evidence of good steady buying by some of the most important interests in the street in Erie.
M. & M.

Messrs. Haight & Freese have received the following:—

New York, Jan. 14th.—Sentiment was somewhat mixed this morning and there will probably be an unsettled market to-day. Short covering caused the rally at the close yesterday and it is not unlikely the market will recede slightly. Technically the reaction has gone far enough. Any further claim would seem to discount the announcement of gold shipments that are not improbable this month according to latest advices. Money still governs the market and traders should be guided by developments in that respect.

Can. Pac., Erie, Man. are prepared for specialty advances while there are bull points out on Corn products com. O.W. Souther Ry. and Chicago G.W., London was strong.

TOPICS.

New York, Jan. 14th.—The low priced stocks should be picked up. Forthcoming statements of Erie Rdg., etc., will be eye openers. Erie is doing not only a land office business but is likewise having a coal mining output that means millions of dollars revenue. Shut your eyes to bearish statements and close your ears to pessimistic stories. Just buy Erie and stand pat.

Those who are long of S.P. and U.P. should average. There will be another upward movement in R.I. The feeling on Atch. com. is most sanguine and there is good reason for another smart rise therein.

JOSEPH.

New York, Jan. 14th.—Rumors concerning special traffic relations between Erie and other roads unconfirmed. Doubted if absolute majority of G. W. stock can be securely kept by purchase of foreign holdings.

New York, Jan. 13th.—To-day's market was rather inactive with a tendency to be irregular. There was some strength during the first thirty minutes after which a pronounced selling pressure developed, causing declines through out the list. Rock Island showed the effects of pool liquidation. Considerable profit taking in evidence and the market did not absorb the offerings as readily as on previous days. The persistent selling of Reading was a disturbing factor. The recent outburst of bullish enthusiasm was clearly a manipulative movement in the hope of inducing the public to take on lines of long stock which the pools wished to distribute. Failure of the outsiders to swallow the bait that was put out under the guise of "new deals". The pools find themselves unloading or rather trying to unload stocks on one another with the natural result of depression in prices. The present reaction has been a benefit to the market and it was to be noted that the market received good support on the afternoon drives. In the last half hour of the session the buying appeared to be better than the selling looks as if the realizing was about over; Market is now in a disposition to resume its upward move and we believe stocks should be purchased with additions being made on slight reactions. Chicago.—Wheat and Corn were firm today. Armour brokers were moderate purchasers. Would take profits on the bulges repurchasing about one-half point lower for a scalp.

Closing prices.—Wheat, May, 76 1-2; Corn, May, 44 1-8; Oats, May, 35; Pork, May, 16.27 1-2; Lard, May, 9.27 1-2.

TROOPER BRACE AT THE "Y."

Interesting Story of His War Experiences in South Africa.

A Large Audience Greets one of the Heroes of Harts' River.

Notwithstanding the many different entertainments which took place elsewhere, a great number gathered Monday night at the Y.M.C.A. Hall to hear Trooper Brace's story of the war. Those who did not attend missed a treat indeed. Promptly at 8 o'clock the hero was introduced by Col. Miller, who occupied the chair, and who himself gave a short, yet forcible and loyal address, stirring up the true Canadian hearts of the audience and preparing them for the thrilling tale that followed.

Trooper Brace is not only a fine specimen of a Canadian soldier, physically, but his speech showed him to be also a good specimen of a true, earnest and practical Christian, and a fluent speaker.

He first greeted the returned soldiers who were present, very heartily, and spoke tenderly of those who could not return with their comrades, those who were now lying beneath the African veldt. Though he did not claim to be an orator, he held the interest of his audience for over two hours in which time they travelled with him, in imagination, far over the rolling Atlantic and tropical seas to the plains where so many noble men laid down their lives for their country.

THE TROOPER'S TALE.

Starting from his enlistment he told of the home parting and their stay at Halifax, the organizing of the Army branch of the Y.M.C.A. and of the voyage in which this small organization worked its good effect upon the Canadian soldiers. Then he described their landing and marches across the veldt. All through he showed, though he took no credit to himself, the advantages of practical religion over preachings. There, he said, were men of all classes, cowboys and collegemen and farmers eating and sleeping, marching and fighting together like brothers. He, a minister, shared with them their hardships, was a trooper with them, yet was doing as much for their spiritual welfare, by giving good example as if he were preaching continually to them.

THE FIRST "SQUARE" MEAL.

He told of their meeting Lord Kitchner, their march to the front across old battle fields, of the heroes across old battle fields, of the heroes' lonely graves, then brightened the hearts of his hearers by a humourous account of what he called his "first 'square' in Africa." He and his comrade were riding in advance as "feelers" of the Army which was marching in extended order. Sighting a house of modern appearance, with lawns and fruit gardens, they pushed forward to ask a drink of good water. They not only got water but food and kindness. The manner in which the speaker told how a hungry trooper enjoyed the meal, was indeed amusing. It was while riding on from here on duty and hardtack, that they entered on their diary "Our first square meal in Africa." However, he said that the soldiers were well clothed, and not too badly fed, and none who had the true soldier spirit grumbled. He explained and described vividly the drive and the block house line and led on to the eve of the battle at Hart's River, on Easter Sunday night. Here one could easily tell by the hushed and eager interest of the audience that the speaker was nearing the climax of his tale. Incidents of that night, of the next day's battle, of his, and his comrades' capture, were told in such a sincere ruthful manner that pardonable tears might have been seen in many eyes. One could almost imagine he saw the six brave fellows crouching behind the rocks, and firing their last cartridges, while the Boer bullets smashed against the bowlders about them. Even in this critical place this brave trooper opened his little Bible, and read a few lines, and for hours and hours dodged the deadly hail. He told of his surrender and gallant deed of dressing the Boer's leader's wounds in such a way that none could say he boasted. In fact all noted the truthfulness and sincerity of his entire story, and showed their thanks and appreciation by rising promptly and eagerly when Colonel Edwards asked them to make known their gratitude in that way.

The evening concluded by audience and entertainer joining in singing "God Save the King," and all departed, feeling that they had spent a pleasant, elevating and profitable evening.

THE LATEST IN SPORTING CIRCLES.

Preparations for the Touring Scotchmen.

INTERESTING HOCKEY NEWS.

The Gauthier and McDonough Wrestling Bout—Trent Valley League Matches.

HOCKEY.

There is being considerable interest taken in the hockey match which will take place in the Brock street rink on Friday evening between the T.A.S. and Lakefield teams. The T.A.S. team has one victory to its credit already and will go into the match on Friday night with a determination to win out.

• • • •

The juniors will practice at 6.30 sharp. A good turnout is requested.

• • • •

The Peterborough seniors will play their first home match in the O.H.A. series on Monday, Jan. 19th.

• • • •

Keene defeated Stirling last night in a Trent Valley League match and Norwood turned down Campbellford.

• • • •

A noticeable feature in connection with the bank teams throughout the Province is the number of ex-Peterborough bankers that are shining lights on the various teams. Walter Robinson and Edgar Brundrette are prominent on the Ontario Bank team of Toronto and Charlie Paterson and Stanley Burton who are playing on the bank team of Belleville.

• • • •

No wonder the Belleville Hockey team wins games. They train on Sunny Jim's grub, says the Belleville Intelligencer. Yes, and the Peterborough seven train on Quaker Oats.

THE JUNIORS.

Port Hope Guide. — The Peterborough Juniors play here on Friday night with the II Ontarios. The II team showed up rather slow in their game with Cobourg but since then the team has been strengthened considerably and no doubt they will make a creditable showing on Friday night against the fast Peterborough Colts.

FOUR TEAMS.

Peterborough will have four teams playing hockey on Friday night. Three teams out of town and one team in town. The Peterborough seniors will play in Belleville, the juniors in Port Hope, the "culls" in Peterboro Falls and the T.A.S. will play Lakefield here.

TO-NIGHT'S PRACTICE.

The following teams will practice from 7.15 till 8.15:

Seniors	"Culls"
Goal.	
Crough	Comstock
Point.	
Glover	Hamilton
Cover point.	
Cavanagh	Clark
Forwards.	
Armstrong	Watt
Morgan	Watson
Graham	Robertson
Whitecroft	Thornton McIntyre.

CURLING.

Letters from the curling clubs of Kingston, Lakefield, Port Hope, Cobourg, Keene and Orillia, have been received, all promising to have rinks on hand to meet the Scottish curlers here on Tuesday evening next. The Orillia club had been engaged to play at Lindsay, but have decided to come to Peterborough to take part in the reception of the visitors. Campbellford and Norwood are also expected to be represented.

The committee has decided to open the bonspiel at one o'clock on Tuesday, so that the first draw will be over before the arrival of the Scottish curlers. The game with the visitors will take place in the evening; a second the next morning or in the afternoon.

The reception committee are busily at work, and it is probable that after the game on Tuesday evening an informal gathering will take place, either at the rink, or some large hall, to enable the curlers and citizens to meet the members of the Scottish team, and become acquainted.

The Annual of the Royal Caledonian Curling Club of Scotland, for 1902-3 contains a photogravure of the touring team. They are evidently a magnificent body of men. The annual also contains the speeches delivered at the annual meeting of the Scottish club in July, when the visit to Canada was being discussed. From the remarks made it is evident that the Scottish curlers fully realize that here they will play under very different conditions than those to which they were accustomed to in their home land, and that the change of conditions would prove a great disadvantage to them in their playing. Covered rinks and electric lights they are unaccustomed to, and the keenness of Canadian ice is different from the rougher outside ice in Scotland. These are the chief difficulties which they expected to meet.

• • • •

The week of the Scottish visitors here will be the greatest week for curling that Peterborough has ever seen. Besides the Scotch curlers there will be a monster bonspiel, the the District Cup Competition and a primary in the Tankard. The bonspiel will be a feature of the week, as a large representation of outside clubs will be here.

• • • •

The following games were played last evening:

J D Collins,	E W Cox,
A Parker,	A T Kerr,
R M Waddell,	D Cameron,
E B Edwards, sk...15	J Stanger, sk...21
M Kennedy,	R Sturgeon,
Dr Morrison,	H Morphet,

C N Brown, sk...16	T E Bradburn, sk.14

PORT HOPE COMING.

The Port Hope Guide says: Mr. J. H. Magill, secretary of the Port Hope curling club, has received a letter from Peterborough inviting a rink from Port Hope to come out and take part in the game with the Scotch curlers. Mr. Magill sent a reply to-day accepting their offer, and thanking them for their kind invitation. Mr. Burton was chosen skip and a team from here will go to Peterborough on Tuesday the 20th, and try their luck with the Scotch curlers.

WRESTLING.

The McDonough-Gauthier wrestling bout has been arranged for the evening of Saturday, Jan. 24th.

TURF.

The entries for the coming races in the park are expected to number about 75. Horses are coming from Chicago and other distant places. No list of entries can be made out until all applications bearing yesterday's post mark have been received.

Mr. Fred Peake has been appointed judge; Mr. Sid Passmore is the starter.

• • • •

A meeting of the Belleville Driving Club was held at Hotel Quinte on Monday night for the purpose of considering the question of having a two days' meet there. It was decided to have two days races on the Corby Driving Park, and the dates selected were the 27th and 28th of Jan.

• • • •

Messrs. W. H. Simpson and Geo. Curtis shipped their race horses to Port Perry to-day in order that they may be jogged over the ice track a few times before facing the starter next Wednesday, says the Post.

TENNIS.

A special general meeting of the Peterborough Tennis Club will be held in the Y.M.C.A. on Thursday, Jan. 15th, at eight o'clock, for the purpose of organizing a skating club. As this is a matter of importance to the club a full attendance of members is requested.

Is Your Piano in Tune?

The change of seasons affects pianos as well as everything else. Mr. Geo. Gumpricht, practical piano maker and tuner, with twenty-eight years experience, attends to all orders left at Mr. H. S. Macdonald's drug store.

A DREADFUL TRAGEDY

A Frightful Explosion Kills Twelve Employes.

GLASS BROKE AT 3 MILES.

Gunnotton and Gelignite Blew Up at the Hamilton Powder Company's Works at Departure Bay, B.C.—Buildings Reduced to Matchwood—Nanaimo, Three Miles Away, Suffered, and Shock Felt 30 Miles.

Vancouver, Jan. 15.—Through a double explosion in the works of the Hamilton Powder Company at Departure Bay yesterday morning, no fewer than twelve employes were hurried into eternity, and the majority of the buildings utilized in the manufacture of high powder explosives reduced to matchwood.

Windows Shattered 3 Miles Away.

The concussion was so severe that a few windows in Nanaimo, more than three miles distant, were simultaneously shattered, while numerous chimneys and unsubstantial structures in the coal city came tumbling to the ground. The shock was less distinctly and less disastrously felt as far as Parksville, 30 miles north, and Ladysmith, equidistant on the south, while even in Vancouver the solid earth so trembled that a supposed minor earthquake shock was recorded in advance of news of the disaster.

Violence of the Explosion.

As for the victims of the tragedy, the body of one of the ten Chinese was found practically intact; the eleven others were literally reduced to shreds of flesh and bone, an arm being the largest portion recovered of any.

Negro Bazel Shoots White Man.

Winnipeg, Jan. 15.—A man named Kingsbury employed in the barrel factory at Keewatin, Ont., was shot twice by a negro named Bazel, in a hotel bar-room Tuesday night. The quarrel was over a woman. The negro escaped.

Baby Fatally Burned.

The 18-months-old child of John McAuley was fatally burned by the explosion of a gasolene stove Tuesday night in his home in Fort Rouge, a suburb.

Circular Saw Burst.

Campbellford, Jan. 15.—An accident occurred at 5.30 last evening at Wellman's Corners by which Alva Hogle of that place was killed and John Robinson of Rawdon seriously injured.

The two men were engaged, with others, sawing wood on Mr. Hogle's farm, when the circular saw broke, the pieces flying and striking Hogle, killing him instantly.

Robinson's arm and side are badly torn and slight hopes are held for his recovery.

Hogle was a young man about 25 years of age and leaves a wife and one child.

Killed by Falling Earth.

Victoria, Jan. 15.—John Nelson, 55, a native of Yorkshire, was killed as a result of the banks of an excavation falling upon him yesterday morning.

Baby Tyers' Death.

Toronto, Jan. 15. — The jury empaneled by Coroner N. A. Powell, to enquire into the death of Arthur Tyers, the four-months-old baby who died on Monday in the Hospital for Sick Children, returned a verdict last night to the effect that the child had died from injuries in the brain, but were unable to say by what means they were inflicted. Dr. Pepler said he found the brain badly lacerated, and a large clot of blood on the left side of the head. The skull was uninjured. County Crown Attorney Curry said it would be for the police now to continue the investigation into the child's death and fix the responsibility.

Died at the Wood Pile.

Eden, Ont., Jan. 15.—Levi Hatch dropped dead on his wood pile. Mr. Hatch was one of the oldest settlers of the place and highly respected.

Fatal Fire in Infirmary.

Pensacola, Fla., Jan. 15.—The Bryan Infirmary was burned yesterday. A patient named Blockton lost his life. The other patients were rescued by firemen, but several suffered severely from exposure.

Wife Burned to Death.

Williamsport, Pa., Jan. 15.—Mrs. Daniel Rowland was burned to death and her husband was fatally injured by leaping from a third-storey window to escape a fire which destroyed their home yesterday.

Spark's Fatal Fall.

Pittsburg, Jan. 15.—John Mulgrez, a Slavish miner, and his wife, living at Sturgeon Station, were fatally injured and their house was wrecked yesterday by an explosion of a keg of gunpowder. Mulgrez was filling a can, when a spark fell into the keg.

Three Skaters Drowned.

Washington, Jan. 15.—While a large crowd was skating on the Bathing Basin near the Washington monument last evening the ice suddenly gave way and precipitated 20 or more persons in the water. Three persons are known to have lost their lives and it is possible other deaths may have been caused by the breaking of the ice. Miss Jessie C. Thomas, a young woman, 20 years of age, employed as a clerk in the Bureau of Ethnology, died at the Emergency Hospital. Eight other persons were treated at the Emergency Hospital and recovered.

REV. PRINCIPAL GORDON.

Queen's University and the City of Kingston Gives Him a Warm Welcome—An Eloquent and Gracious Reply.

Kingston, Jan. 15.—Kingston gave a stirring welcome yesterday afternoon to the new principal of Queen's, Rev. Dr. Gordon, late of Halifax. Over 1,000 people were at the station. In the car with the principal-elect were Sir Sandford Fleming, chancellor, and 15 college representatives.

Mayor Bell and the aldermen first entered the car on its arrival and were presented to the distinguished principal. A few minutes later Dr.

THE NEW PRINCIPAL.

Gordon stepped out on the car platform, and a great cheer broke forth, students waving their hats and canes and the ladies fluttering streamers of Queen's colors and handkerchiefs.

The new principal, accompanied by Sir Sandford Fleming, Mayor Bell and C. M. MacDonnell, K. C., was hauled in a sleigh by the students to the University. In Convocation hall there was a tremendous crowd, and Dr. Gordon received another great ovation. The chancellor provisionally installed the new principal and then addresses of welcome were given by Mayor Bell on behalf of the city, Prof. Dupuis on behalf of the senate, Prof. Goodwin on behalf of the School of Mines, and J. H. Laidlaw on behalf of the Alma Mater Society.

Dr. Gordon made an eloquent and gracious reply. The flags on the city buildings, University, hospitals and other places were unfurled in Dr. Gordon's honor.

Governor of Quebec.

Montreal, Que., Jan. 15.—La Patrie has a special from Quebec, saying that Sir L. A. Jette will go to the Supreme Court, and that Sir Elzear Taschereau, Chief Justice, will be named Lieut.-Governor of the Province.

DEATH OF REV. DR. PROUDFOOT.

London Minister Stricken With Apoplexy on Saturday—Preacher 54 Years.

London, Jan. 15.—The death of Rev. J. A. Proudfoot, D. D., occurred at 8 o'clock yesterday morning at his home on Oxford street, London Township. On Saturday evening he suffered an apopletic stroke and never regained consciousness. Dr. Proudfoot was one of the best known and oldest of the members of the Presbytery of London and was always one of its ablest workers. His zeal, earnestness and strength of personal character were remarkable even to the very last.

His association with the work of the Christian church in Ontario extended over a period of 54 years and the golden jubilee of his ministry was marked by the members of the Presbytery of London. He was born in Perthshire, Scotland, in 1821. In the summer of 1832 he came with his parents to America and, after spending a few months in New York State, came to Toronto and settled in London in the spring of 1833.

MODERN METHODS.

Interesting Address Before Ontario Association of Architects.

Toronto, Jan. 15. — The annual convention of the Ontario Association of Architects was continued yesterday morning and afternoon. E. C. Shankland, C.E., delivered a lecture on "Modern Constructive Methods," the main feature of which was Mr. Shankland's description of the modern Chicago and New York steel frame buildings, or sky-scrapers.

The question of rendering buildings fireproof was also dealt with. Mr. Shankland estimating the additional cost of such process at 25 to 50 per cent.

The annual election of officers took place after the close of the lecture and subsequent discussion.

ZOUAVES FOR MOROCCO.

Two Battalions Ordered to Be Ready to Go to the Frontier.

Paris, Jan. 15.—Two battalions of the Foreign Legion, stationed in Algeria, have been ordered to be in readiness to proceed to the Moroccon frontier. The troops are being equipped for active service in the field.

It was announced in a despatch from Paris, January 3, that telegrams had been received there from Cran, Algeria, saying detachments of French Zouave regiments had been ordered to the Moorish frontier.

Defeat Is Unknown.

A despatch received here from Tangier, Morocco, under yesterday's date, says a courier who has arrived there from Fez, brought reassuring intelligence. Nothing is known at Tangier of the reported defeat of the Sultan or his rumored retreat westward.

A DISTINGUISHED VISITOR.

Hon. J. W. Longley, Attorney-General of Nova Scotia.

Peterborough owes to the Fortnightly Club, the honour of having as a guest to-day, Hon. J. W. Longley, Attorney-General of Nova Scotia. Hon. Mr. Longley arrived this morning by the C. P. R. express from Toronto, where he was entertained at dinner last night by the Canadian Club, before whom he delivered the address he will give here to-night before the Fortnightly Club. Hon. Mr. Longley received the attention in the city due to his distinguished position as a Minister of the Crown, a clever publicist, and man of letters. Both the Mail and Empire and the Globe publish portraits of him, and give extended reports of his splendid address.

Mr. Longley was met at the C.P.R. station here by Mr. R. M. Dennistoun, whose personal guest he is, by Mr. W. H. Hill and Mr. John Jeffries, president of the Fortnightly Club. He was entertained at the Peterborough Club, where a reception of the members of the bar was held.

In the afternoon Mayor Roger and several aldermen drove Mr. Longley about town, showing him the principal objects of interest, including the lift lock, and the canal works generally. Mr. Longley was deeply interested with what he saw, and was greatly delighted with Peterborough from a material point of view.

What opinion he will gain of the town from an intellectual point will be largely determined by the size and character of the gathering which will greet Mr. Longley at the Y.M.C.A. Hall to-night. Night before last he spoke on "Modern Heroism," at the Collegiate Institute, Lindsay, before an audience of 600, which was a great surprise to the eloquent lecturer.

Cheesemakers.

A number of the members of the Eastern Ontario Dairyman's Association have returned from a convention held at Ottawa. They had the pleasure of meeting their instructor, Mr. Ward, at the convention. Those from the Peterborough section who attended were Messrs. Borland, Crowe, Little, Graham and Cameron.

Wise Ways of Women.

No "prizes" offered with common soaps will long tempt the wise woman to use common soaps. The wise woman soon sees she has to pay dearly for "prizes" in the low quality of soap, in the damage common soaps do her clothes and her hands. The wise woman considers her health—so soon ruined if she were to continue breathing the steam of adulterated common soaps. The wise woman recognizes the difference between such soaps and Sunlight Soap—Octagon Bar. 2:2

Firewood Cut AND Split

On account of the high prices and limited supply of coal, and to introduce our Electric Sawing and Splitting Machine to the public, we will, until February 1st, deliver four foot wood, cut and split in three lengths, for fifty cents per cord extra, or in four lengths for seventy-five cents extra, wood measured before going to the machine, and delivered ready for use. We will receive during January a large shipment of prime four foot and twenty-two inch hard wood, which will be sold at lowest prices.

THURSDAY, JANUARY 15, 1903.

SCHOOL SAVINGS BANKS.

It is not unlikely that at the approaching session of the Legislature some legislation will be introduced giving proper recognition to the school savings bank system.

The first school savings bank was inaugurated in France in 1834, and the system was almost simultaneously introduced in about 150,000 schools of France, Belgium, England, Germany, Italy, Austria, etc.

As early as 1875 some American citizens visiting the Old World, brought with them the idea of the adoption of the savings bank system in the public schools. Though the plan favourably impressed some educationists, scientists and philanthropists, its operation was held in abeyance until 1885, when it was inaugurated in the schools of Long Island City, N.Y. The system has grown rapidly until it is in use in 1479 schools of 118 cities of 24 states of the union, and the scholars of these schools have saved $1,309,611, of which $869,878 has been withdrawn, leaving a balance of $439,731 due little depositors on January 1st, 1902.

In Canada, several places, including Galt, Brantford, Winnipeg, Toronto and Ottawa, have adopted the school savings banks, with results of a most satisfactory character.

The system is scarcely less advantageous to the savings institutions receiving the deposits than to depositors themselves relative alone to financial considerations. While the handling of a largely increased number of accounts entails some extra expense and clerical labour, yet savings banks have uniformly found in compensating conditions ample justification for their co-operation with the school. As an illustration the Long Island City Savings Bank during the seventeen years in which the system of school banking has been in vogue in the United States, has continued to receive the deposits of the various school banks in the city. Mr. J. H. Smedley, the secretary of the institution, cordially states that experience has demonstrated that no inconsiderable value has accrued to the bank as a result of participation in the practice of the system. Parents and friends have been stimulated by the example of children, noticeably increasing the list of depositors and amount of deposits. The advantages of the savings banks have been thus advertised to the public at a slight expense.—Brantford Expositor.

The following simple announcement, appearing in the Toronto News, indicates that no very great flourish of trumpets heralds the advent of the Willison-Flavelle newspaper enterprise:

'The News, having recently changed hands, will appear under the new management in a few days, when the requisite machinery for type-setting purposes is installed."

THE WAY TO SUCCESS.

The address of President Derbyshire to the Eastern Ontario Dairymen's Association, contains this statement:

"We made about 2,000,000 boxes of cheese in 1902, valued at $11,000,000, and 613,846 packages of creamery butter, valued at $9,000,000. So our make of cheese and butter in 1902 came to $20,000,000, consisting of what we exported from the first of May, 1902, to the first of January, 1903, and had on hand at that date, not counting anything for what we had consumed. If we add our hog products—$15,000,000—to our cheese and butter, which should be done, we have the nice sum of $45,000,000 that our dairymen have produced in 1902. We feel proud of this record, and we are certainly in a fine position to do better work in 1903."

It is not clearly indicated whether these figures refer to Eastern Ontario, to the whole of Ontario, or to the whole Dominion of Canada. In any case, the importance of the dairy industry is plainly designated. Its products do not find a market by the aid of a protective tariff, but go to the markets of the world upon their merits, competing with the similar products of other countries, and bringing much wealth to Canada. The encouragement the dairymen require is light taxation upon tinware and machinery, cheap transportation, good roads, and freedom of exchange. Mr. Derbyshire does not say a word in his address about looking to Ottawa. He feels sure that the $45,000,000 produced by our dairymen in 1902 can be increased to $50,000,000 in 1903, and he tells how to do it:

"Let that poor old cow that never gave milk enough to be profitable, go; build a proper stable, so the cows you have can be kept comfortable; grow corn and plenty of it, and build a silo, so you will have plenty of cheap, succulent food; milk regularly and in the same order and by the same milker, and you will be greatly surprised in the large amount of additional profit even from the cows that you have. See that you have a covered milk stand situated in a clean, airy place, and do all you can to have this delivered to the factory in the best possible condition. Your cheesemaker should be bright, clean and cheerful, and a graduate of one of our well-equipped dairy schools, with a good factory, clean and neat, and proper drainage. If best results are desired the patron, cheesemaker and all concerned, must work together."

This tone of manly self-reliance is worthy of imitation. Copies of Mr. Derbyshire's speech should be sent to all members of the Canadian Manufacturers Association. — Hamilton Times.

NORTHERN QUEBEC.

Something About its Industries and its Wheat Fields.

Twenty years ago there were no such things as industries in the region of Lake St. John, and references to its wheatfields only provoked derision on the part of the doubting Thomases, who thought that nothing but Arctic winter was to be found in Quebec's north country.

The publication last month of a handsome portfolio of pictures from actual photographs taken in the Lake St. John territory during the harvest season of 1902, comes with less surprise to-day than it would have created a few years ago, for many people have visited Lake St. John and seen its marvellous surroundings for themselves since the construction of the Quebec and Lake St. John Railway. These illustrations are charmingly done, and with the letter-press accompanying them, are convincing proof of both the fertility of the soil and the salubrity of the climate. They indicate also the magnificent openings for both manufacturers and farmers, which have been made by the construction of the Quebec and Lake St. John Railway.

The new publication is intended for free distribution in Europe in both English and French, by the Lake St. John Colonisation Society.

KEENE.

Miss Davidson of Norwood, spent a few days here with her sister, Mrs. Alex. Anderson, last week.

Miss Lillian Campbell has returned to Toronto, to resume her studies in music.

Norwood will play Keene a game of hockey here Thursday night. It will be the greatest game of the season.

The local seven played a league game with Stirling here on Tuesday. Of course after turning down Campbellford on the latter's own ice every one looked for but one result The line up of the players was as follows:

Keene — goal, H. Dinsdale; point, J. Dickson; cover point, Jim McQuinn, Gordon Laing, Vinc. McCarthy, capt., umpire, T. J. Wallace.

Stirling — Goal, E. Hewke; point, H. Whittey; c. point, M. Neill; forwards, D. Bissenette, C. Fletcher, V. Airhert, and — Shaw, capt; umpire, J. A. Waran; referee, Lynch.

Score at half time, Keene 4, Stirling, 0; at 2nd half, Keene, 11, Stirling, 1.

DOURO.

(From our own Correspondent.)

Joey Walsh, the youngest son of Mr. John M. Walsh, Douro, died on Tuesday. The funeral was from St. Joseph's church, on Thursday morning. The deceased who was a student at the High School, Peterborough, was a universal favourite. Kidney trouble was the cause of his death. May his soul rest in peace. Amen.

In the report of the T.A.S. concert at Douro, Mr. Stanley Buck should have read Mr. Stanislaus Buck, and Miss A. Walsh, Miss Lena Welsh.

AN ASPHODEL EVENT.

Celebration of Tenth Wedding Anniversary of Mr. and Mrs. John Harrison.

The tenth anniversary of the marriage of Mr. and Mrs. John Harrison was celebrated at the family residence, "Evergreen Hill," Asphodel, on Monday, Jan. 12th, and partook largely of the characteristics of a family re-union, some twenty-eight guests participating in the festivities. The occasion was unique, also, in the fact of the presence of the aged parents of the host—Mr. and Mrs. Robert Harrison—in their usual good health and spirits, who have spent well 63 years of their married life on the homestead and who, notwithstanding their near approach to four score years and ten, remained with the company until near midnight, and by their native wit and humour, coupled with strong common sense and discreet judgment, did much to lend zest to the social conversation and happiness to the hearts of all who are interested in their welfare. Mr. and Mrs. Hamilton Moore, parents of the hostess, were also present and the day and its functions were not a little enlivened and graced by them and their's, until well on in "the wee sma' 'oors a'yont the 'twal.'

We heartily congratulate the host and hostess, and the aged patriarch and his venerable and faithful helpmate in the good health and happiness which marked each feature of the occasion. In the day, the festal board, games, music — vocal and instrumental—sallies of wit, humour and repartee, anecdote, social converse, sound lessons in retrospect, the hallowed richness of perspective vision; the harmonious blending of all rendered the event one of the pleasing and remarkable episodes of a lifetime. May the lives of all have "just enough cloud to make a glorious sunset."

IN MEMORIAM.

Of Olive Borland, daughter of W. H. and Marion Borland, born July 31st, 1894, died March 22nd, 1902, aged 7 years and 8 months.

MOTHER TO HER CHILD.

Dear darling girl, farewell!
A long farewell to thee;
Thou hast in safety reached
The port I hope to see.

Thy race on earth was short;
Thy lovely life a span;
A transient time on earth,
Was all my Olive ran.

My Olive early sought,
That peace that ne'er is given,
But in the Saviour's love,
And perfected in heaven.

Then can thy mother's wish,
To bring thee back again?
Ah, no! I would not dare
Thy heavenly soul to pain.

My Jesus wept when here;
He will my tears forgive,
And teach me ne'er to fear,
That with thee I shall live.

Toronto, Sept. 13th, 1902.

MAPLE LEAF FACTORY.

The closing meeting of the Maple Leaf Cheese Factory, after a successful season, was held on the 28th of Nov., 1902, when the secreatry and auditors' report showed the following account of the season's work:

No. lbs. milk received, 1,487,124.
No. lbs. cheese made, 139,982.
Price of cheese per lb., 10.107.
Expenses and manufacturing, $2,449.67.
Value of 100 lbs. of milk to patrons, 78.67.
Whey, $391.61.
Interest, $14.70.
No. cheese made, 1,714.
No. lbs. milk to lb. of cheese, 10.62.
Net value to patrons, $12,105.88, or $24.42 per standard.
The gross value was, $14,555.55.

The annual meeting was held on Jan. 8th, 1903, when the following officers were elected for the ensuing year:

President—Geo. Hamilton.
Committee — J. M. Leahy, Elias Beavis and Michael Moloney.
Auditor—J. J. Allen.
Salesman and Treasurer —James Leahy.
Secretary—Maurice Condon.

The cheesemaker was given 1 3-4 cents per lb. for making the cheese, and the whey was sold to Wm. Barry for 65 cents per standard.

BLAIRTON.

(From Our Own Correspondent.)

Mr. William Brock, of this place, has made great improvements on his farm by removing stumps. Last fall he pulled stumps from several fields, and is now busily engaged in drawing them for fencing.

Mr. E. J. F. Aunger, of Cleveland, Ohio, a grandson of Mr. J. L. Aunger, of this place, was on Jan. 1st married to Miss Rosa E. Stone, of Greenville, Penn., a wealthy young English lady. John Brown, Esq., of Rockdale, grandfather of the groom, attended the wedding.

During the last few months several families have moved away from the village.

We are very sorry to say that Mr. E. D. Boyd is seriously ill, and the physicians in attendance have little hope of his recovery.

The funeral of Mrs. Pearse on Sunday was the largest seen around here for years. The floral wreaths were numerous and beautiful.

Judging from the number of transfers of land around here lately the price of farms appears to have an upward tendency.

IN THE HANDS OF LIBERALS.

Death of Senator McCallum Gives Government a Majority.

Ottawa, Jan. 15.—Senator McCallum's death will add two to the Liberal majority in the Senate. The standing of the two parties now is: Conservative 39, Liberals 36. There are six vacant seats to be filled. When this is done the straight ministerialists will number 42, giving a majority of three. If Senator Masson's seat should be declared vacant at the coming session another ministerialist would be appointed, giving a majority of five to the Government. The likelihood is, however, that the showing on a division would be even better than this, as a number of Senators classed as Conservatives usually vote with the Government.

WHY?

Why hunt in vain for cheap houses to rent when it is easier to buy? Why pay seven to ten per cent. in rent to be turned out, when five to six would pay interest on investment and own your house? Why look for farms to rent when we have lots of them for sale? Why run your own risk of fire when you should be insured? Why run all risks without protection when you should have an accident policy? Why trouble your friends when you can get a guarantee policy? Why leave your wife and family to scrub and beg when a life policy would prevent it? Why not call at Lindsay & Might's Real Estate and Insurance Office for any of these?

MENELIK ACTING WITH BRITISH.

Abyssinian Support Will Be Obtained Against the Mullah.

London, Jan. 15.—Two British officers are being despatched from England to be attached to the force which the Emperor Menelik is sending to co-operate with the British in the coming operations against the Somaliland Mullah.

The officers in question are Colonel A. N. Rochfort, R. A., and Captain R. F. Cobbold, the latter of whom, with Major Hanbury-Tracy, was attached to a precisely similar force in 1901. On that occasion, the efforts of the Abyssinian force, which numbered 14,000, were practically abortive, and, indeed, rather assisted the Somalis than otherwise.

It is understood that Captain Cobbold, who was received in audience by His Majesty two days ago, and left London yesterday for Brindsi, is the bearer of a personal message from His Majesty to King Menelik.

According to Reuter's Agency, Col. Rochfort and Captain Cobbold will join at Berbera, where they will receive further instructions, and will then proceed to Harrar to meet Ras Makonnen, and thence the Abyssinian force will march.

REMARKABLE SUCCESS

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, wherever there is mucous membrane there is a feeding ground for catarrh.

The usual remedies, inhalers, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, blood root, red gum and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh cure says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkably satisfactory results. They clear the head and throat more effectually and lastingly than any douche or inhaler that I have ever seen, and although they are what is called a patient medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver, or bladder will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.

Strathcona Disclaims Statements.

London, Jan. 15.—At Hickman's lecture Tuesday night, Lord Strathcona said that a friend of his in Canada had published what purported to be a story of his (the chairman's life), and in it were personal statements which he utterly disclaimed, and conversations which never took place and which never could have taken place.

Mr Belcourt to Marry.

Ottawa, Jan. 15.—The marriage is announced to take place of N. A Belcourt, M.P., to Miss Mazie Haycock, daughter of R. H. Haycock, the well-known insurance agent of this city.

The Flag Hauled Down.

Cork, Jan. 15. — The Union Jack on the Asylum was hauled down by order of the Board of Governors recently.

Permanent Cure for Neuralgia.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle; it's all right.

No Pills like Dr. Hamilton's.

MORREAULT'S STORY.

He Denies All the Allegations of Bribery Against Him.

MISSION TO THE "SOO."

It Was to Assist Mr. Miscampbell Among the French Voters—Albert Roy Continues His Evidence—Another Witness, Demers, States Positively That He Was Bribed by Morreault.

Sault Ste. Marie, Ont., Jan. 15.—The election court opened yesterday morning at 9.30 o'clock. Albert Roy being again placed in the box, and considerable new evidence was added to the story which he related Tuesday. He swore that two men named Delargy and Daigle were kept over in town by Morreault until after the election, and that the latter had promised to pay them. Roy said that Morreault had paid Delargy $1.50, and that Delargy, claiming this was not enough, followed Morreault to the depot, when Morreault was leaving for Montreal the day after the election, and demanded money for his services and vote. Morreault then offered a silver dollar to Delargy who refused it, swearing at Morreault and claiming it was not enough. Morreault told Roy, who was present, to take Delargy to the central Conservative rooms and have him fixed up. Roy and Delargy went to the rooms, where the latter was handed over to President Hand of the local Conservative Association.

Payments by Morreault.

A witness named Demers, who kept a restaurant near Morreault's committee room, swore to having met Morreault by appointment at the Windsor Hotel the morning after the election. Morreault told him he had not yet got any money, but would go out and get it, and that he would return and settle with him. Morreault went to the central committee rooms, and, returning a few minutes later, took Alex. Clouthier and witness to his room, where he paid the witness $12 and Clouthier $5.

Ex-Constable Arch. Campbell of the town force swore that at election time he was a policeman in the "Soo" and had been directed by Councillor Penharwood to assist Morreault in the Conservative interests.

Xavier Nadon swore that while Mr. Whitney, Mr. Monk and party were here a couple of weeks prior to the election, the witness had gone to Monk and told him that an intelligent Frenchman should be sent to the Sault to take care of the French vote, or it would all go for Smith. The result was that Morreault arrived here the following Sunday.

Clouthier's Story.

The court house was again crowded to the doors in the afternoon, and the session was the most sensational of any since the trial opened on Tuesday. Alex. Clouthier was put in the box, and created some amusement by refusing to take the oath, except upon a French Bible, authorized by the Pope. The book was, after a half-hour's delay, procured from the parish priest, and Clouthier went on with his evidence through an interpreter. He admitted having been introduced to Morreault, and assisting him by means of introducing him to his French-Canadian friends. Prior to this election he had been a Liberal. He admitted having received five dollars for services rendered to Morreault on the morning after the election, at the Windsor Hotel, but swore that the five dollars was not given him by Morreault as a reward for his having voted for Miscamphell.

This concluded the evidence on a group of bribery charges against Morreault, and Mr. Bristol, for the respondent, called Eli Morreault to the box in rebuttal. Morreault is an advocate, living in Montreal, and for some years was a partner in Hon. Mr. Ouimet's law firm. He is a typical Frenchman, with all the grace and polish characteristic of the race. He is not fluent in English, and a request was made by Mr. Bristol that he be permitted to give his testimony in French, through an interpreter, which the Court declined to accede to. Mr. Morreault testified that he came to Sault Ste. Marie on the 18th of May, eleven days before the general elections. He then denied in toto the evidence given by Roy with respect to having bribed Delargy, Clouthier and Roy, and stated that he simply got his expenses for coming to the "Soo" to do what he could in the interests of Mr. Miscamphell.

Damaging Admissions.

The witness was then handed over to Mr. Aylesworth, who subjected him to a most searching cross-examination, lasting nearly three hours. In the course of his cross-examination the witness with much hesitation and reluctance made several damaging admissions.

A COSTLY IMPORTATION.

Brings Hog Cholera Into Elgin County—Infected Farms.

St. Thomas, Ont., Jan. 15. — An outbreak of hog cholera is reported from Spark, in this county. Several farms are affected. Fifty-one hogs were slaughtered by order of Inspector Perdue on the farm of E. A. Smith. All infected hogs are ordered killed and burned. The disease was brought into the neighborhood by an imported thoroughbred hog.

Agitate Against Embargo.

Montreal, Jan. 15.—The Council of the Montreal Board of Trade yesterday passed a strong resolution protesting against legislation giving Argentine cattle a preference on the British market, being based on the false charge that Canadian cattle are diseased and asking the Dominion Government to enter an emphatic protest to the Imperial authorities. Representatives will go to Ottawa to press the matter on the Dominion Government.

TO TAKE POSSESSION.

Proposal to Seize Coal Beds Now Before U. S. Congress.

TEXT OF THE RESOLUTION

Chairman of the Judiciary Committee Introduced It on Wednesday — The Power of Congress in This Regard in All Cases of Emergency to Be Fully Stated in the Bill.

Washington, Jan. 15.—The chairman of the Judiciary Committee of the House yesterday introduced the following resolution:

"Resolved, That the Committee on the Judiciary be and is hereby directed to investigate and report to this House with all convenient speed the opinion of that committee as to the power of Congress to declare that a necessity has arisen for taking possession of all coal, coal beds, and coal mines in the United States, and all lines of transportation, agencies, instruments and vehicles of commerce necessary for the transportation of coal, and that if in the opinion of that committee the power exists, and a necessity for the exercise of such power has arisen that committee forthwith report to this House a bill declaring the necessity, providing fully and in detail the occasions, modes, conditions and agencies for said appropriation, that will fully and completely exhaust the power of Congress in that regard."

AGREEMENT BROKEN.

Incandescent Electric Light Co. of Toronto Has Violated Charter.

Toronto, Jan. 15.—An application was made before the Master in Chambers Wednesday morning adding the Toronto Electric Light Company as a defendant in the action against the Incandescent Light Company. The city of Toronto claims that the rights granted the Incandescent Company under the agreement of July, 31, 1889, were forfeited when that institution sold out to the Toronto Electric Light Company. The transaction was made in 1896, but it was not until last September that the city knew of the sale. The Incandescent Company claims that when the sale was made the city was aware of the transaction and had actually consented to it. The case will be argued at the first non-jury sittings.

A TEMPERANCE DEPUTATION.

Prohibitionists Who Will Ask Several Things From the Government.

Toronto, Jan. 15. — The prohibitionists will hold a conference to-day for two hours before waiting on the Government. This is announced in a call sent out by Alliance Secretary Spence. The conference is summoned to meet in the large reception-room in the west wing of the Parliament Buildings, at 1 o'clock. The hour set in the notice for the interview with the Government is 3 o'clock.

The deputation was appointed at a general conference of prohibitionists, held in Knox Church on Dec. 16. It also includes representatives of a number of out-of-town prohibition bodies, a number of whom are expected to attend to-day.

The deputation is under instructions to ask the Government to comply with this resolution:

That, in view of the recent expression by the electors of the Province of Ontario in favor of the Liquor Act, 1902, we request that effect be given to said vote, by

The abolition of the public bar;

The abolition of the treating system;

The abolition of drinking in clubs;

The imposition of such other restrictions on the liquor traffic as shall most effectually curtail its operations and remedy its evils.

SEVERE BACKACHE AND HEADACHE.

A Hamilton Lady thanks Dr. Pitcher for Pain Relieved and Health Restored.

If women would only consider what an important part of their organism the kidneys are, how necessary that these little filters and purifiers of the blood be kept active and healthy, they would suffer fewer pains and aches. Dr. Pitcher's Backache Kidney Tablets are a specially adapted remedy for the kidney ailments of women. They cure backache, weak or sore back, pain in the loins, or over the bladder, swelling of the feet and legs, puffiness under the eyes, constipation and liver trouble, severe headache, urinary troubles of whatever nature, and all kidney derangements.

Mrs. E. Berryman, whose picture appears above, and who resides at 129½ Bay Street North, Hamilton, Ont., expressed her thanks for the benefits derived from Dr. Pitcher's Backache Kidney Tablets in the following terms:—"For some time I was greatly troubled with headaches, so bad that often in the mornings I could hardly raise my head from the pillow. I also suffered a good deal from backache, and at times took dizzy spells. I had only used half a box of Dr. Pitcher's Backache Kidney Tablets before I found them helping me. In all I have taken three boxes, and I feel splendid. The Tablets are certainly a good remedy.

Dr. Pitcher's Backache Kidney Tablets are 50c. a bottle, or 3 for $1.25, at all druggists, or by mail. The Dr. Zina Pitcher Co., Toronto, Ont.

TO REPLACE LATE QUEEN.

New Issue of Stamps May Go Into Use on July 1 Next.

Ottawa, Jan. 15.—Sir William Mulock has resolved upon a fresh issue of stamps bearing the effigy of King Edward. The die for this purpose has been prepared and submitted to the Postmaster-General, and has met with his approval. Some of the new stamps will soon be in the department's possession. There is still, however, on hand a good supply of the old stamps bearing the lineaments of the late Queen. These will be disposed of before the new stamps go into public use. It is not likely, therefore, that the new issue will be made until the first of July next.

COL. STEELE MAY SUCCEED.

Considered Settled He Will Be Head of S. A. Constabulary.

Montreal, Que., Jan. 15. — It is generally believed in Canadian military circles that the promotion of Major-General Baden-Powell to the rank of inspector of cavalry, will result in the succession of Colonel Steele to the command of the South African Constabulary.

A Montreal man in close touch with Lord Strathcona, is authority for the statement that Colonel Steele's promotion to the command is regarded in London as assured.

St. Louis Overdue.

New York, Jan. 15.—No tidings of the American Liner St. Louis, which usually reaches port on Saturday, had been received up to midnight last night. At the offices of the line it was said that no anxiety was felt regarding the safety of the vessel and that her detention was doubtless due to bad weather and to the fact that her machiner and boilers were in need of overhauling.

To Succeed Hon. A. L. Sifton.

Winnipeg, Man., Jan. 15.—A. Gillas, member for Whitewood, Assa., will probably take the vacant portfolio in the Territorial Cabinet, succeeding Hon. A. L. Sifton.

Labelle Appeal Case.

Ottawa, Jan. 15. — A special session of the Supreme Court will be held at 2 o'clock to-day to hear an appeal in the Labelle capital case from the Yukon.

To Increase Your Weight.

If you are thin, weak and emaciated and want to increase your flesh and weight you should try Dr. Chase's Nerve Food. You can feel it doing you good from day to day, as it strikes at the root of trouble and creates new rich blood. You can prove that it builds up new tissue and adds flesh if you weigh yourself each week while using it.

Probably True.

Wabash—I wonder what makes old Gotrox dress so shabbily?

Monroe—His pride, my boy.

Wabash—Why, how's that?

Monroe—He's afraid his customers will mistake him for one of his clerks.

Lever's Y-Z (Wise Head) Disinfectant Soap Powder is a boon to any home. It disinfects and cleans at the same time.

DOMINION OIL CO., LIMITED,

Operating Raleigh Oil Fields, Chatham.

CAPITAL $850,000

Divided into 850,000 Shares, Par Value $1.00, Fully Paid and Non-Assessable.

TREASURY STOCK--WORKING CAPITAL.....$400,000.

No Bonds, Preferred Stock, nor Indebtedness.

Associated Press Dispatch to The Toronto World, January 11, 1903.

SPOUTING OCEANS OF OIL.

Another Gusher Located in the Chatham Field with the Most Surprising Results.

CASING OF WELL BLOWN OUT BY GAS.

Canadian Product Promises to Become an Important Factor in Market.

Chatham, Jan. 10.—A new oil well was "shot" in this district yesterday. It promises to rival all others in these fields in point of production. The gusher spouted with such force as to blow out the iron casing of the well. It is now flowing at the rate of 25 barrels steadily. This is the eighth profitable well in this part of the oil fields. The indications are for more big strikes during the next week.

We congratulate our shareholders upon the above news, as this new Gusher is situated on the South line of the 1330 acres in which they are interested, and still further proves the Dominion Oil Co's claim to at least 1,000 acres of oil lands surrounding their famous "Gurd Gusher." The Oil we produce is bringing the highest price of any on the North American Continent.

A marked demonstration of the way in which the permanency of this field is regarded is shown by the Standard Oil Co. has constructed a pipe line from the "Gurd" Gusher to the nearest railroad, and is now erecting additional steel tankage and pumping stations.

A limited issue of the treasury stock is now offered at the exceptionally low price of 35c per share, this being the opening price and the lowest at which a share of the stock has ever been offered.

The present purchaser will be entitled to a dividend of 1% per month on par, commencing February 1st, equalling about 36% per annum on the investment at the present figure.

Call or send for prospectus and full information. Make all cheques, drafts, etc., payable to the order of the fiscal agents.

A big lot of Pocket and Office Diaries at Salisbury's—10c up.

FORTUNATELY FLOODED.

An Overhead Freshet Strikes H. LeBrun & Co. in the Least Vulnerable Spot.

At half past two o'clock this morning Nightwatchman Finnie, in passing the premises of H. LeBrun & Co., heard the splash of falling waters inside the shop. Mr. LeBrun was promptly notified and on entering the shop found the water flowing through the ceiling, and an investigation, showed that the water pipe in a lavatory on the next floor had burst. After vainly exhausting every other means to get the water shut off, the services of Mr. Dick Martin, of the Water Works staff, was secured and the flow speedily ceased—about four o'clock this morning.

The water pipe which burst was on the floor above and belonged to a lavatory at the head of a flight of stairs, the common entrance from Hunter street, and consequently much exposed to the cold. If the plumbing in this lavatory had been properly done and the piping properly protected, it would not have burst and subjected Messrs. LeBrun & Co. to so much inconvenience and loss. Fortunately, however, the leak came in a spot where the least possible damage could be done—the archway between the two shops. If the flood of water had come down in almost any other spot in the premises, hundreds of dollars damage would have been done to the goods.

RE-OPENING OF THE SCHOOLS.

The Long Christmas Holidays Close on Monday Next.

On the authority of Mr. Hill, chairman of the Board of Education, the Examiner announces that the Public and High Schools of the town will re-open on Monday, January 19th. Mr. Hill states that the outbreak of scarlet fever is practically over and that the schools can be re-opened without danger, especially as the school buildings have been subjected to thorough disinfection.

Mr. Bradley's Proposed Change.

Mr. H. E. Bradley of the firm of Messrs H. E. Bradley & Co., tailors and haberdashers, arrived home last evening from attending the annual convention of the International Garment Cutters' Association of America, held in St. Pauls, Minn. It is quite evident, from what can be learned, that Mr. Bradley has not been travelling to St. Pauls and back every year for his health. During these annual consultations of expert tailors, Mr. Bradley's abilities have been "sized up" by the Yankees, and it will be no surprise to learn that they have been doing their level best to "annex" him. Out of three hundred of the leading garment cutters of the United States and Canada, Mr. Bradley was selected on this occasion as one of a jury of three to pass expert judgment on the garment display submitted to the Association, and also to recommend prizes, medals and diplomas to the most successful exhibitors. In addition to these duties he officiated as one of the judges in the cutting contests. That he had achieved this popularity among his conferers is alike complimentary to Peterborough's representative as well as to the firm. It is to be regretted, however, that, as the result of three tempting inducements made to him, Mr. Bradley is seriously considering the acceptance of one very flattering offer by one of the most fashionable tailoring houses of Chicago, to fill the position of designer of patterns for this firm. Doubtless, Mr. Bradley will be disposed to look upon this offer as a matter of business, and while his numerous friends in Peterborough may personally regret the circumstances that may lose them the benefit of his valuable services, they will be disposed to congratulate him on his material advancement.

Is Your Piano in Tune?

The change of seasons affects pianos as well as everything else. Mr. Geo. Gumpricht, practical piano maker and tuner, with twenty-eight years experience, attends to all orders left at Mr. H. S. Macdonald's drug store.

WEDDING BELLS

Nuptials of Rev. Mr. J. H. Edmison and Miss Lillie Fitzgerald, of Ashburnham.

A very pretty wedding took place yesterday evening at 6 o'clock, the contracting parties being Rev. J. H. Edmison, of Cheltenham, and Miss Lillie Fitzgerald, one of Ashburnham's most popular and esteemed young ladies. The wedding ceremony took place at the residence of the bride's father, Mr. Alex. Fitzgerald. Rev. E. A. Langfeldt officiated.

The groom was ably supported by his cousin, Rev. George Edmison, of Rothsay, Ont. Miss Mary Erskine was bridesmaid.

The drawing room, which was beautifully decorated with cut flowers and plants, and the bow-window of which had the appearance of a palm garden, was the scene of the happy event.

The bride, preceded by her bridesmaid, Miss Erskine, entered the room with her father, while Mrs. H. G. Fitzgerald, of Lakefield, sister-in-law, of the bride, played the wedding march. After the ceremony the wedding party sat down to a sumptuous dejeuner, catered by Mr. Harry Long.

The bride was gowned in pearl grey crepe de chine, trimmed with white silk applique and medallion, and carried white roses. The dress of the bridesmaid was of pale green crepe de chine trimmed with white applique, and she carried pink roses.

Mrs. Edmison was the recipient of many and costly presents. Her father gave her a magnificent Nordeheimer upright piano, the Rector, officers and teachers of St. Luke's Sunday school, of which the bride has been a faithful teacher for many years, presented her with a large silver nut bowl; her Sunday school class gave her china bread and butter plates, and many other costly presents, too numerous to mention, were received. The groom's present to the bride was a beautiful gold watch, and to the bridesmaid a pearl crescent.

The wedding was of a private character, only the immediate relatives and friends of the contracting parties being present, among those were Rev. Geo. Edmison, Rev. J. G. Potter, Rev. E. A. Langfeldt, Miss Edmison, of Kingston hospital staff, Miss Maggie Edmison, of Toronto, the Reeve and Mrs. Fitzgerald, of Lakefield, Mrs. Sedgwick, and the the Misses Graham.

The young couple left on the nine p.m. train for Toronto, and other points, before taking up their residence at the manse in Cheltenham.

A host of friends wish the young couple God's richest blessings upon their life and undertakings.

HEWING TO THE LINE.

A Nice Point of Law Involved—How Does the Snow Bylaw Apply?

Did anybody see the hog? At any rate, the "hog's back," is in evidence on the pavement opposite a stairway to the second floor, between two shops on George street. It appears that these two shops religiously remove the snow from the pavement in front of their respective premises, but also religiously refrain from meddling with the narrow space of about three feet — eighteen inches to each—opposite the stairway. They hew to the line, no matter where the chips may fall, or the public either. The result is a dangerous hog's back, a very neat trap for the unwary pedestrian. Does the snow bylaw require tenants of the second floor, to keep pavements clear of snow? Will the town solicitor look into the matter and have the police deal with the situation? The merchants in question have done their duty, and no more. They cannot legally be required to clean snow even to the width of an inch in front of other premises. They stand on their rights, even if the citizens have to stand on their heads, which they are likely to do if this hog's back, as well as others, is not scraped.

EARLY CLOSING.

Merchants Agree to 6 o'clock Closing the Year Round.

The following agreement has been drawn up and signed by the merchants of Peterborough:

We, the undersigned merchants of Peterborough, wishing to fall in line with the dry goods merchants, (which has been their custom for years, and which has been satisfactory both to the buyer and seller,) agree to close our places of business each evening during the year, at six o'clock sharp, except Saturday nights and nights preceding holidays. This change to commence on Monday, Jan. 19th, 1903.—R. W. McWhinnie, J. T. Stenson, Grafton & Co., T. Barrie, A. M. Laidlaw, H. E. Bradley & Co., W. H. Meredith, Gough Bros., Wm. Lech & Sons, H. LeBrun & Co., Fred A. Clarke.

It might be stated that the original draft agreement was drawn up with a view of also having the above mentioned stores close on Saturday nights at 10 o'clock. However, one or two merchants objected, and for the present the Saturday night 10 o'clock arrangement will not be adopted.

AT HAVELOCK.

A Complementary Banquet to be Tendered Bankers.

A banquet will be tendered to-night by the citizens of Havelock to Mr. D. M. Stewart, general manager, and the local staff of the Sovereign Bank of Canada.

A DINNER.

The Iron Moulders Will Have a Social Time.

The Iron Moulders' Union of the Town of Peterborough, will hold a dinner in the Oriental Hotel on the evening of Friday, Jan. 23rd. The affair promises to be one of the most successful social functions in the history of the local union. The banquet will commence at 9.30 sharp.

AN OTONABEE WEDDING.

Mr. Robert McMillan, of Asphodel, to Miss Elizabeth Kindred.

On Jan. 7th, the friends of the contracting parties assembled at the home of Mrs. Sarah Kindred at Zion, Otonabee, to witness the marriage of her daughter, Elizabeth, to Mr. Robert McMillan, of Asphodel.

At eight o'clock as the notes of the wedding march resounded through the dwelling, Mr. McMillan appeared accompanied by Mr. Chas. Pearce, of Norwood, as groomsman. There was a short pause and the bride-elect appeared, leaning on the arm of her brother, Mr. H. C. Kindred, of Trinity Medical College, Toronto, who gave her away, and accompanied by her younger sister, Miss Josie, who performed the duties of bridesmaid.

The bride was gowned in cream silk trimmed with sequins and carried a bunch of bridal roses. The bridesmaid was attired in white for the occasion. The nuptial knot was tied by Rev. Mr. Barker, of Uxbridge, who nearly thirty years ago united the bride's father and mother in the holy bonds of matrimony.

During the evening a large collection of beautiful presents were displayed, signifying the high esteem in which the bride is held by those who know her. A beautiful clock, the gift of the congregation of Zion Methodist church, speaks the appreciation and good wishes of those with whom she has laboured in church work for several years. She has been organist in the church and a willing helper in all the undertakings of the church for a number of years and the loss to the community by her removal will be keenly felt.

After a sumptuous repast had been served the guests entered into various amusements and the time passed quickly till the gathering broke up at a late hour, and the bridal party prepared for an early morning drive to Peterborough, where they took the C.P.R. train for Toronto.

The hearty congratulations of their friends are extended to Mr. and Mrs. McMillan, and the best wishes of all for a long and prosperous married life will follow them to their future home on the McMillan homestead, which is situated about two miles from the village of Norwood.

DUMMER MAN HURT

While Working on the Canada Atlantic Railway.

Word has been received from Orrville stating that Mr. Alfred Bolton, formerly of Dummer, who has been employed on the Canada Atlantic Railway met with a serious accident on January 12th. The unfortunate man was helping load a car with gravel, when a large mass of slipping earth and stone from the bank struck him, breaking his leg in two places below the knee and bruising him badly about the hips. The wounded man was placed under the care of Dr. Garman, a skillful surgeon, and a well trained nurse, Miss Hattie Coll, and is progressing favourably.

Mr. Bolton has a wife and two children in Orrville, anxiously awaiting his recovery.

BELLEVILLE'S SENSATION.

All Civic Offices Declared Vacant by the City Council.

The City Council of Belleville on Monday night declared all civic offices vacant in that city, and instructed the City Solicitor to prepare a bylaw defining the duties of the different officials. The present officials will hold office on sufferance till Feb. 28th, when new appointments may be made. The Council's action has created quite a sensation.

SATURDAY NIGHT SHOPPING.

To the Editor of the Examiner.

Sir, — The letter which appeared in Wednesday's issue of the Examiner, from the secretary of the Ministerial Association, in reference to Saturday night shopping, should not be allowed to pass without some reply from the merchants. If I might be allowed to speak my mind, I might say that the letter, although written with a good object, is not very considerate. I suppose, however, that it is hardly to be expected that the pulpit can see any other than their own side of the Saturday night early closing question. The merchants and shoppers' side present difficulties which the pulpit is very slow to examine.

I wonder if the Ministerial Association have ever stopped to consider how difficult it is for the merchants in a town the size of Peterborough, with only one big market day, on Saturday, to do all the business that must be done on that day, and close at nine o'clock at night.

Did they ever stop to think of the difficulty of handling the crowds that come in from the country during the day let alone the hundreds of workingmen, and other townspeople, who work every week day until 6 o'clock at night, and are unable to do their shopping until Saturday night? I find that during at least six months of the year, I am compelled to make arrangements to keep an extra staff of salesmen for Saturday's business only, in order to serve the extra crowd of shoppers, from both town and country, and even then it is impossible to wait upon them properly.

If the Ministerial Association could suggest how to divide the Saturday crowds, so as to have all day Saturday for serving country shoppers only, and some other day of the week for serving the hundreds of workingmen and others in town, who cannot personally buy except at night, then some good would be accomplished.

We have thousands of mechanics whose working hours are from 7 o'clock in the morning until 6 in the evening every day of the week. How are the merchants to serve these people and how are these people to do their buying except on Saturday night, because the stores close every other night at six o'clock?

Then, again, a lady in town came to my store a Saturday or two ago, and wanted to buy two suits of clothing for her boys. I touched delicately on the Saturday crowds, and asked her if she could not arrange to come on some other day of the week when we were not so crowded. But she replied,—"My boys go to school every day, and Saturday is the only day I can bring them in to be fitted." This instance is only a sample of many others I could mention, along the same line.

In conclusion, allow me to say that I think it is a very poor excuse for anyone to give for being absent from church on Sunday morning, that he had to work an hour or two later on Saturday night. I think it will be found that it is a case of the "spirit" being weak, not the "flesh." If a man goes to bed Saturday night with his mind made up to stay away from church Sunday morning, he is going to stay away, no matter whether he worked a few hours later Saturday night or loafed around. I may say that ever since I have been in business in Peterborough, I have never failed to be in my place in church on Sunday as early as 8 or 10 o'clock in the morning, unless absent from town or unwell. And yet the Ministerial Association have to try all sorts of inducement to coax their people out to church at 11 o'clock Sunday morning.

Yours truly,
MERCHANT.

"ON TOWN'S CITY NAME."

To the Editor of the Examiner,—

Sir,—Under the caption "Generally Speaking," you yesterday criticized my suggestions as to the name of our town should take when it is erected into a city. *In your meagre report next day*, of what I had said at the Mayor's banquet you, of course, necessarily omitted much of what I said and of my illustrations to support consideration of the proposition for change, although you now say I "went rather fully into the matter." I cannot complain that your criticism lacks anything in quantity but the public cannot be expected to judge of its quality unless they had known what were my remarks. I did not in my address use the words you credit me with, that the present name is "too common," nor did I intimate that the present name was a mean one, which your remarks intimate I had done. I merely endeavoured to show that as Peterborough was the name of many other places, that led to confusion in the post office and that I believed such a euphonious name as Otonabee, which would distinguish it from all other cities, would be a desirable one when the town became a city, and instanced London, Ontario, with its Thames, Strand, Oxford street, Ludgate Hill, etc., the founder of which expected to create a miniature, yet had little more than a caricature, of the Metropolis of the World. Do you think that the pretentious assumption of "London" to be "a strand in the link that (in your words) unites the outer kingdoms of the Empire to the Mother Kingdom," greater than the names, Montreal and Ottawa, or does the adoption of the "British name" of Peterborough, signify more in the English Isles for loyalty to the Empire, than "Winnipeg" or "Toronto?"

You say my idea seems to be a mere matter of sentiment. I never intimated anything of the sort in the remotest degree. If I had such a notion I would have urged my hearers to keep the name, for that would, in my opinion, be about the only merit in retaining it. What I claimed was the propriety of giving the town when it had become a city a distinctive name, so that the expression of it in any part of the world would tell the people and the post office authorities at once and as quickly as if Toronto or Quebec was mentioned, where this very important and progressive city was situated. That was all I argued for at the banquet or that I now contend for, and I think the matter worthy of consideration.

Your obedient servant,
W. H. MOORE.

Peterborough, Jan. 16th, 1903.

The Examiner publishes Mr. Moore's letter with pleasure. As he concludes his letter, the matter is worthy of consideration and the Examiner dealt with his proposition less with the idea of exhaustively discussing it, than with the idea of provoking discussion, and brief letters on the subject will receive attention and welcome. Mr. Moore has a perfect right to his opinion on the subject and we have pleasure in giving it publicity. Others may not agree with it and can differ without being accused of disrespect.

BRITISH FAIR PLAY.

To the Editor of the Examiner,—

Sir, — As I presume the appointment of the different officers of the town, will be made at the next meeting of the council, I think it would be a courteous and just act on the part of the new council to reinstate or appoint Mr. E. B. Edwards again as solicitor of the town. I as well as a great many others, consider that a great injustice was done him. He was discharged rather summarily, and without an opportunity to defend or explain his position. Every man should be entitled to British fair play. I believe it was a case of spite, and the council should not have allowed one man to influence them, but should have waited and given Mr. Edwards a chance to defend himself. Trusting that the council will take this matter into their serious consideration at the next meeting, and thanking you Mr. Editor, for your valuable space, I remain.

Yours truly,
BRITISH FAIR PLAY.

SOCIALISM AND CURLING.

Mr. George Ball has handed in the following for publication:

At regular meeting of Socialist League, No. 39, the following resolution was unanimously adopted:

Resolved; That this League condemn the action of the Town Council in granting the sum of $150.00 for the purpose of entertaining the visitors of the Curling Club, as they are of opinion that the revenues of the town should be used for public purposes only, and for the good of the general public.

The resolution above printed, shows there is a distinction between Socialism and sociability. The action of the council in promoting International sociability at the public expense, is contrary to the tenets of Socialism.

Very Gratifying

Our customers have taken us fairly by storm again this winter. Never before have we been favoured with so much selling of so much of the better class of Furs to such a large class of influential and desirable patrons.

The store is still bountifully full of HIGH-CLASS FURS—altogether different to what is ordinarily offered. And yet the prices are not different to the extent of being extravagant. You will be surprised at the many handsome things you can get with little-priced tickets on them.

Y. W. C. A. NOTES.

Gymnasium class members are once more reminded that the Friday evening class will meet this evening, owing to the annual meeting. Sheriff Hall's class will meet this evening as usual.

Miss Little, the student secretary of the Y.W.C.A., who is to give an address at the public meeting tomorrow evening, will also have charge of the Sunday afternoon service.

JOINT INSTALLATION.

The Ancient Order of Foresters met on Tuesday Night.

There was a large attendance of members of Circle Queen Alexandra and Court Stanley, Ancient Order of Foresters, held on Tuesday evening, January 13, when the newly elected officers were installed for 1903. Bro. George R. Record, secretary of Court Stanley, installed the officers of Companion Circle, and D. C. R. Bro. W. J. Johnston, installed the following officers of Court Stanley:

Bro. R. D. Whatley.....C.R.
" H. McWha.....P.C.R.
" G. F. Moir.....Sub-C.R.
" Geo. E. Record.....Sec.
" S. Adlam.....Sub Sec.
" R. J. McWilliams.....Treas.
" P. Lowes.....S.W.
" Thos. James.....J.W.
" A. Upton.....S.B.
" J. O. Moss.....J. B.
" E. W. R. McWilliams.....Chap.
" Dr. W. D. Scott.....Phys.
" S. Adlam.....Cor. Anc. For.

Trustees — Bros. J. Carey, Geo. Tremaine, W. J. Johnston.

Arbitration Committee — Bros. R. Whatley, G. Record, J. Carey, Thomas James, J. Malone, A. Gilbert, R. McWilliams, F. Ferguson, W. H. Blanchard.

Auditors — Chas. Akey, E. W. R. Williams, John Malone.

Upon the conclusion of the regular business the members adjourned to the dining room, where a good spread had been prepared by the At Home Committee. After all had been supplied Bro. Gibson entertained the company with gramophone selections, and Bro. Edwards gave several songs and stump speeches. A very pleasant evening was spent by all in attendance.

NO GRANT OF LAND.

Hon. Clifford Sifton Says the C.P.R. Trans-Pacific Will Have to Do Without One.

Winnipeg, Jan. 14.—Mr. Sifton addressed a meeting in the Young Liberal Club last night. Speaking of the Grand Trunk transcontinental project, he said the company had not yet formulated its project. When it did the Government would consider it. He thought if the proposition was to build a thoroughly equipped road along a route that would open up additional territory and supply needed facilities it would be entitled to moderate assistance, provided the public rights as to service were safeguarded. But no land grant need be looked for.

Doukhobors to Meet.

The Doukhobors will shortly hold a mass meeting to settle the land tenure and religious questions. Peter Verinegin is with the Government.

AGAINST SUBSIDIES.

Of Either Money or Land—Want the Intercolonial Extended.

St. John, Jan. 14.—The St. John Board of Trade yesterday afternoon, at a largely attended meeting, held to take action in regard to the proposed Grand Trunk line across Canada, and the Quebec scheme of the trans-Canada line, passed the following resolutions:

Moved by James J. Robertson: "That the St. John Board of Trade places itself on record as favoring the extension of the Intercolonial Railway from Montreal across the continent through Canadian territory and improvement of harbor facilities, particularly on the Gulf of St. Lawrence, and on the Maritime Province coast."

It was also moved by Mr. Frank Hatheway: "That in granting charters to transcontinental railway lines, it should be the policy of the Government not to grant a subsidy, either of money or lands, to such railway lines, but rather to consider that the right of way given by such charter is a valuable franchise owned by the people and should be guarded so that within a definite term of years it would revert to the people, if so desired; and, further, that all such transcontinental railway charters should specify that the eastern terminus in winter and summer must be a Canadian port."

To Extend State Railways.

Berlin, Jan. 14.—In the House, yesterday, measures to improve the administration of the railroads and for the extension of the state railroad system were proposed.

SHE FOUND RELIEF.

When She Tried Dodd's Dyspepsia Tablets—Hamilton Woman's Pleasant Experiences.

Have you the blues? Does your head ache, and have you a presentiment that the whole world is against you? Does everything seem to be going wrong and life generally appear to be a fight that is entirely too hard for you?

It's all your stomach! It needs to be rested and toned up and put in condition to do its work properly. Once it is right everything else will be right.

Dodd's Dyspepsia Tablets will put it right. Here's the testimony of one who knows, because she has tested them. Listen to the story of Juliana Sandburg, of 221 John street, North Hamilton:

"For over six years," she says, "I had been troubled with Dyspepsia and Headaches. Nothing I ate would agree with me I tried several medicines and I could not get any cure. I was advised to try Dodd's Dyspepsia Tablets and I did so. Almost as soon as I started using them I found relief and I was soon completely cured."

Thousands of others tell the same story. Why be blue when cheerfulness is within your reach?

MILNER AND CHAMBERLAIN.

Agree on Financial Settlement — War Contribution of $150,000,000.

Johannesburg, Jan. 14.—Colonial Secretary Chamberlain and the leaders of the mining community here have arrived at an agreement in the matter of financial settlement.

Under this agreement the Transvaal War Contribution Bill amounts to about $150,000,000.

A guarantee will also be given for an Imperial loan of $150,000,000, which is to be expended in reproductive public works in the Transvaal and the Orange River Colony.

Rebels Abandoned the Field.

Caracas, Jan. 14.—About 1,100 revolutionists, under Gen. Manuel Morales, attacked Cumana, in the State of Bermudez, on Jan. 4, 5 and 6. Cumana was defended by 500 Government troops. On Jan. 6, after a hard fight, which lasted for seven hours, and which was witnessed by the British cruiser Tribune, the revolutionists abandoned the field, leaving 300 Mauser rifles and 20,000 cartridges behind them, and 200 of their number prisoners in the hands of the Government forces.

The Skin on Fire.

So dreadful are the sensations of burning, itching eczema that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first few applications may cause a little uneasiness but cure is sure to result and the skin is healed without scar or blemish.

Lord Charles in New York.

New York, Jan. 14.—Vice-Admiral Lord Charles Beresford of the English navy arrived here.

"I have come," he said, "simply on a little business for the British Admiralty and also on a pleasure trip."

Sailing on Thursday.

London, Jan. 14.—The rest of the Canadian members of the South African Constabulary are returning to Canada on Thursday.

U. S. REBATE ON COAL

Bills Reported at Washington on Tuesday.

COAL STEALING NO CRIME.

In the House of Representatives the Bills Are Due For Debate—They Enact a Rebate Equal to the Duty Now Imposed and Coming From All Countries For a Period of One Year.

Washington, Jan. 14.—The Ways and Means Committee of the House yesterday reported a bill providing for a rebate equal to the duty now imposed on all kinds of coal and coming from all countries for a period of one year.

This bill is a substitute for the one introduced by Representative Hill (Conn.), which provided for a rebate until June 30 next.

The decision was reached to bring it up under a rule to-day.

Representative Dalzell, from the Committee on Rules, reported a resolution providing for the consideration of the coal rebate bill in the House to-day limiting the debate to one hour, a vote then to be taken without intervening action.

In the report of the committee submitted to the House by Chairman Payne, after recommending the passage of the bill, says:

"This is an emergency measure. Precedents for such legislation are found in the Chicago fire and the fire at Eastport, Maine. In those cases Congress rebated the duty on lumber used in rebuilding the burned districts. Whether legislation will increase the importations or reduce the price of coal, is a question on which men differ. But it is all Congress can do in the premises, and will satisfy the demand of many of our citizens. While there is a threatened coal famine in any part of the country, we cannot turn a deaf ear to the cry of the people."

Agreed to Accept.

Washington, Jan. 14.—After the adjournment of the Senate yesterday the Republican members of the Senate Committee on Finance had a conference of more than an hour's duration on the various resolutions before the Senate for the revision of the tariff on anthracite coal. They had before them the text of the House bill granting a rebate of the anthracite duty for 12 months, and practically agreed to accept it without alteration if the Democratic committeemen would allow it to be so reported without delay. The opposition was quite unanimous that the situation calls for prompt action and the Senate Committee will be called together perhaps this afternoon immediately after the House passes the bill.

C.P.R. Helping Employes.

Toronto Junction, Jan. 14.—At a meeting of the Canadian Pacific Railway Club here, last night, which was largely attended by engineers, firemen, trainmen, shopmen and employes of the building and bridging department, it was announced by the committee appointed to interview the management of the railway, that the C.P.R. would supply all its employes on the Ontario Division with soft coal at $3.50 per ton, with prospects of getting hard coal at close rates. The meeting was unanimous in accepting this generous offer, and a committee was appointed to weigh out coal. The fuel will be on sale this morning.

Coal Stealing No Crime.

Toledo, Ohio, Jan. 14.—The Workhouse Board has issued an order setting at liberty all prisoners held for stealing coal from the railroad yards and tracks. No prosecutions for coal thefts will be recognized by the board during the coal famine.

RUSSIAN FINANCES.

Minister Witte Gives Assurance of Changes For Better.

St. Petersburg, Jan. 14.—The budget estimate for 1903 places the ordinary revenue at $948,516,839, the ordinary expenditure at $940,202,614.60, the surplus at $8,319,724.50, and extraordinary expenditure at $95,631,121.50. The latter item will be met by the foregoing surplus, the extraordinary revenue of $1,250,000 and the treasury reserve of $86,067,397. Among the extraordinary expenditures is $10,460,511.50 for the building of Siberian Railway, and $72,597,290 for the building of other railways. Finance Minister Witte gives this year, for the first time in a long period, assurance that the general conditions of Russian economy show evident signs of changes for the better.

Architects in Conclave.

Toronto, Jan. 14. — The annual convention of the Ontario Association of Architects was begun yesterday, and will be continued to-day in the rooms of the association, 96 West King street. Yesterday, after routine business and reports, which occupied the greater part of the afternoon, a very admirable paper was read by Prof. Adam Shortt of Queen's University, Kingston, on "Architecture as a Social Art."

Marauding Baboons.

In some parts of South Africa much damage is done by baboons, which go in large marauding parties to rob gardens.

Paris Green.

The fatal effect of paris green, the insecticide which is so often taken with suicidal intent, depends upon the fact that it is more than half oxide of arsenic. The formula is: Copper oxide, 31 per cent; arsenious oxide, 59 per cent; acetic acid, 10 per cent.

A Kaffir Tax.

Every Kaffir in Cape Colony must pay a labor tax of 10 shillings a year unless he can prove that he has worked for three months of the year.

SENATOR M'CALLUM.

Passed Away at His Home at Dunnville Tuesday at Age of Eighty—Came to Canada at 19.

Dunnville, Jan. 14.—Senator McCallum died at his home, Stromness, yesterday morning.

Hon. Lachlan McCallum was of Scottish birth, having been born in the Island of Tiree, Argyllshire, March 15, 1823. When nineteen years of age he came to Canada, and engaged in the shipbuilding trade, becoming a large contractor and shipowner. He entered municipal politics and was elected reeve of the united townships of Sherbrooke and Moulton.

Later he was elected, as a Conservative, to the House of Commons, sitting from 1867 until the general election of 1872, when he was defeated. He was again elected to the House of Commons in 1874, and unseated in May of the following year, but was re-elected in June and held the seat until 1877, when he was appointed to the Senate.

Senator McCallum, besides his political and commercial pursuits, was connected with the militia, having, as captain of the Dunnville Naval Company, seen service at Fort Erie at the time of the Fenian Raid.

He was, in 1854, married to Priscilla Dawson Thewlis.

Huron's Oldest Official Dead.

Goderich, Jan. 14.—There died in Goderich yesterday the oldest official in the County of Huron, in the person of Ira Lewis, County-Crown Attorney, who some time ago passed into the octogenarian class. In 1857 Mr. Lewis was appointed Crown-Attorney for this county by the Government, and from the day of his appointment until last Friday, continued to discharge his official duties with vigorous and rare ability.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the new Inhaler Remedy, "Catarrhozone," the treatment of catarrhal diseases has been entirely revolutionized. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Polson & Co., Kingston, Ont.

Dr. Hamilton's Mandrake and Butternut Pills.

MINISTER BOWEN.

Hopes to See Venezuelan Trouble Settled by the Conference.

Kingston, Jamaica, Jan. 15.— The despatch boat Dolphin, with Minister Bowen on board, called here yesterday for coal.

Mr. Bowen visited the Governor's residence. He says he has full powers as the representative of Venezuela at the coming conference at Washington, and has strong hopes that the powers and Venezuela will reach a settlement without referring the questions in dispute to The Hague Court of Arbitration. Caracas was quiet when he left, although public feeling was still running high.

Great People He Has Met.

Toronto, Jan. 15.—Members of the Canadian Club listened intently to an address delivered at their weekly luncheon, last evening at McConkey's by J. W. Longley, ex-Attorney-General of Nova Scotia, upon some of the notable characters in the world whom he had met. Of Canadians, the speaker said Joseph Howe, the great Nova Scotian, in one hundred years hence would shine out as the greatest of all Canadian statesmen.

Itching Piles Most Annoying.

Cause Uneasiness and Often Keen Suffering—There is one Positive Cure—

Dr. Chase's Ointment.

It is a question whether there is another preparation for sale in this country that is so heartily endorsed by persons who have used it as Dr. Chase's Ointment.

Professional and business men and women, farmers, mechanics, railroad men, miners, labourers, all classes of men and women, use and endorse Dr. Chase's Ointment as the only actual cure for piles.

W. E. Talbot, of Talbot Bros., tobacco merchants, 382 George street, Peterborough, Ont., states:—"It is from a desire to help other sufferers that I offer a statement of my experience with Dr. Chase's Ointment as a cure for itching piles. I was for a long time troubled with this unpleasant and torturing disease, and though I tried very many treatments, remained uncured until I came across Dr. Chase's Ointment. It was highly recommended to me, and I find that every word of praise that is given to it is true. I can truthfully say that I am completely cured, and knowing the misery that this ailment produces, I am anxious for others to know of the surprising virtues of Dr. Chase's Ointment."

Mr. John Harvey, Mayor of Arnprior, Ont., states:—"Only persons who have experienced the torture of itching piles can form any idea of what I suffered from this horrible disease. I was advised to try Dr. Chase's Ointment, and can positively say that it has completely cured me. I had tried very many so-called cures for piles, and can truthfully say that there is no remedy on the face of the earth like Dr. Chase's Ointment for this purpose. I would not be without it for any amount of money, and can heartily recommend it to all sufferers, as it is the best thing I ever used."

Dr. Chase's Ointment, 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. 13

Was So Nervous She Could Not Sleep At Night.

Bad Palpitation of the Heart and Loss of Appetite—

Are You One of Those Troubled in this Way? If you are, MILBURN'S HEART AND NERVE PILLS will Cure You—They Cure Nervousness, Sleeplessness, Anaemia, Faint and Dizzy Spells, General Debility, and all Heart or Nerve Troubles.

Read what Mrs. C. H. Reed, Coboconk, says about them:—Over six years ago I was troubled with palpitation of the heart and loss of appetite. I was so nervous I could not sleep at night. I took MILBURN'S HEART AND NERVE PILLS. They cured me, and I have not been bothered since.

Price 50c. per box, or 3 for $1.25; all dealers or The T. Milburn Co., Limited, Toronto, Ont.

THE WALL STREET JOURNAL

Gives advice and answers, without inquiries about investments. Studies underlying causes of market movements. Determines facts governing values of securities. Criticises, analyses and reviews industrial and Railroad reports. Has complete tables of earnings of properties. Quotes active and inactive stocks and bonds. Records the last sale of bonds and the yield on investment at the price.

One who daily consults the Wall Street Journal is better qualified to invest money safely and profitably and to advise about investments than one who does not do so. Published daily by Dow, Jones & Co., 44 Broad street, New York. The oldest news agency of Wall street. $12 the year, $1 the month. Subscriptions and renewals taken at the Examiner office, Peterborough.

REBATE BILL PASSED.

Only Five Representatives Voted Against the Coal Reciprocity Measure in The U.S. House.

Washington, Jan. 15.—The bill reported from the Ways and Means Committee Tuesday to provide for a rebate on the duties on foreign coal for a period of one year was passed in short order by the House yesterday by practically a unanimous vote—258 to 5—those voting against it being Messrs. Cushman and Jones of Washington, Gaines of West Virginia, Mondell of Wyoming and Patterson of Pennsylvania, all Republicans.

The bill was considered under the operations of a rule which cut off opportunity to amend. The only opposition to the measure came from some of the members representing coal states, who expressed the fear that the admission of coal mined in Canada by Chinese would injure the coal industry of their states.

The Democratic View.

The Democrats, although they all supported the bill, took the view that it did not go far enough, saying that coal should go on the free list, and when the bill came back from the Senate with a provision which virtually placed anthracite coal on the free list, they applauded vigorously.

When a message from the Senate announced the passage of the coal rebate bill with an amendment, Mr. Payne (New York) moved to concur in the amendment. The amendment was adopted without division, thus passing the bill.

Coal as Preferred Freight.

Washington, Jan. 15.—Representative Dayton of West Virginia yesterday introduced a resolution to authorize railroads engaged in inter-state commerce to transport coal from the mines to the market in preference to all other freight for a period of 60 days. The resolution was referred to the Committee on Inter-State and Foreign Commerce.

The Effect of the Union.

Philadelphia, Pa., Jan. 15.—Captain W. A. May, general superintendent of the coal department of the Hillside Coal Company, before the commission, said the entrance of the union into the mines, as at present constituted, had the effect of making the workmen less efficient, caused a lack of discipline, interfered with authority, caused tyranny to prevail against other workmen and limited the earning capacity of the employes.

MARKET REPORTS.

Wheat Higher at Liverpool and There Was a Half Cent Advance at Chicago—The Latest Quotations.

Wednesday Evening, Jan. 14.

Liverpool wheat futures closed ½d higher to-day than Tuesday and corn futures up a similar amount.

At Chicago May wheat advanced ½c to-day, May corn ½c and May oats ½c.

TIRED OUT.

There's many a farmer's wife sits on the porch in the growing shadows of a summer evening, knowing to the full what it is to feel tired out; as if there was not another ounce of effort left in her. But she knows how sound her slumber will be and how refreshed the morning will find her. That's the tiredness of a healthy woman. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. Just as in profound silence a discord jars the ear more forcibly, so now that she has stopped moving about, this tired woman feels more acutely the aching back and throbbing nerves.

Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"Words cannot tell what I suffered for thirteen years with uterine trouble and dragging-down pains through my hips and back," writes Mrs. John Dickson, of Grenfell, Assiniboia Dist., N. W. Ter. "I can't describe the misery it was to be on my feet long at a time. I could not eat nor sleep. Often I wished to die. Then I saw Dr. Pierce's medicines advertised and thought I would try them. Had not taken one bottle till I was feeling well. After I had taken five bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' I was like a new woman. Could eat and sleep and do all my own work."

The Medical Adviser, is sent *free* on receipt of stamps to pay expense of customs and mailing *only*. Send 31 one-cent stamps for the book in paper covers, or 50 stamps for the volume bound in cloth. Address Dr. Pierce, Buffalo, N.Y.

DR WOODS NORWAY PINE SYRUP

Heals and Soothes the Lungs and Bronchial Tubes. Cures COUGHS, COLDS, BRONCHITIS, HOARSENESS, etc., quicker than any remedy known. If you have that irritating Cough that keeps you awake at night, a dose of the Syrup will stop it at once.

USED FOR EIGHT YEARS.

I have used DR. WOOD'S NORWAY PINE SYRUP for every cold I have had for the past eight years, with wonderful success. I never see a friend with a cough or cold but that I recommend it.—M. M. Ellsworth, Jacksonville, N.B.

PRICE 25 CENTS.

CATERING.

Private New Year's social gatherings and public functions catered for. Everything supplied. Afternoon and Evening, Receptions, Suppers, Banquets, Weddings, etc., skilfully executed. Silver, china and full service furnished when required.

WINTERING BROOD SOWS.

Two Kinds of Treatment and the Varying Results.

In too many cases the bleak, dreary months do not bring the brood sow the comfort she should have in proportion to what is expected of her, says John M. Jamison in The National Stockman. First she is thin in flesh, her ribs easily counted, and the owner does not have to run his hand along her back to find the joints of the vertebræ; they are easily seen.

She has a wet, cold, damp nest. The only time it is dry is when the weather is cold and dry and the wind driving. She shivers every raw day, whether very cold or not. When cold, she shakes. She would keep warm often rooting, but her owner will not allow this, and she carries rings in her nose that she is not heathenish enough to regard as jewels.

About all she gets to eat oftentimes is ear corn and not too much of that, because her owner fears she will get too fat to do well with her pigs. Sometimes she has only a dry lot for range, with the fence posts and wire for shelter.

From all these opportunities she is expected to bring a good litter of pigs. If she does not, a wail goes up from her owner that his sow or sows did not do well, then ate their pigs or else starved them to death because they did not seem to have any milk. Have we overdrawn the story? For some we have, for many others we have not.

The unfortunate conditions that often surround the brood sow in winter may be charged to three causes—ignorance, which is inexcusable; laziness, which is criminal, and stinginess, which is contemptible. When all these causes are found on one farm, winter for the brood sow is awful tough. When a sow is wintered under any or all these conditions, the owner has no reason to complain if she does no good. In fact, it will be a wonder if she does not fail.

There is another class of brood sows that find winter more enjoyable. They have some of the comforts they should have to meet the expectations of the owner. They have comfortable nests and are rationally fed and are not expected to grow pigs from corn alone, but have other foods that have more of the properties of bone and muscle in them, that strengthen their own frames and go to build up strong frames in the young they are to produce. The food in winter should be as near like she gets in summer as is possible to make it. Yet but few farmers, I fear, make a studied effort to have it so. The sow readily adjusts herself to her surroundings and will make the most of them, but she cannot get comfort where there is none. Neither can she grow a healthy pig if she does not have the food that goes to make such a pig.

Yet on every farm there is the material to make a hog comfortable if the soil will grow the foods necessary for him. The roughness of these foods will give necessary outside comforts if handled right. There is no need that a brood sow pass a tough winter, one that she would dread the whole year, if she had foresight longer than hunger prompts.

Canada.

Canada represents 30 per cent of the entire British empire and one-fifteenth of the land area of the world.

Insect Paper Makers.

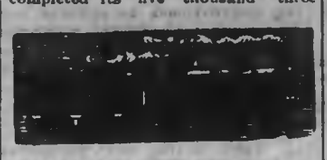
The nest of the tree wasp or hornet is made of a true paper, wood being ground to pulp by the jaws of the wasp and treated with an adhesive matter secreted in the creature's mouth.

ENGLAND'S RECORD LOCOMOTIVE.

The Charles Dickens Has Just Completed Its Second 1,000,000 Miles.

The London and Northwestern engine, Charles Dickens, is in many respects a notable locomotive. It is the record engine of England, and, incidentally, an example of what British locomotives can do. It has just completed its second 1,000,000 miles. The ordinary lot of a railway engine is to run about 20,000 miles a year, so the record in this instance is practically equal to 100 years' service.

But the Charles Dickens is only twenty years of age, having been turned out at Crewe in February, 1882. Its work has been to take an early train, starting at 8.30 in the morning, from Manchester to London, a distance of about 200 miles, returning from London the same day at 4 in the afternoon. It recently completed its five thousand three



THE "CHARLES DICKENS."

hundred and twelfth round trip in addition to nearly 200 other trips that it has made, and it is significant that during the whole of its long journeyings not a single passenger on the trains which it has hauled has suffered injury.

In twenty years of its service the speed has gradually risen from forty-two to fifty and one-half miles an hour, and this in spite of the fact that the weight of the trains has been increased by an addition of heavy dining and corridor cars and other weight-involving luxuries of modern travel.

During its twenty years of service the engine has burned 27,486 tons of coal and has evaporated 204,771 tons of water, the consumption of coal averaging thirty-two pounds to the mile—a remarkable economical performance. The engine has been laid up for repairs during this period only 12 per cent. of the time, and the cost of its maintenance has been a fraction over 1 penny per mile.

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrosone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure liver complaint.

Cheese Toast.

Put some slices of cheese in a small saucepan, with a tablespoonful of milk, a little salt, butter and cayenne pepper. Set the pan on the stove, and when the mixture is soft serve on buttered toast.

Fish.

It is calculated that the seas of the world provide man with 1,500,000 tons of fish every year. This is equal to 40,000,000 sheep.

Mildewed Leather.

Mildew on leather and many other stains may be removed with a little pure vaseline. Rub this into the leather till quite absorbed and then carefully polish with a clean chamois leather. This treatment is suitable for almost every sort of leather.

Novels In Russia.

The novels of Cooper, Jules Verne and Mayne Reid are among the most popular books in Russian circulating libraries.

London Ice Cream Venders.

Ice cream venders in London are required to display on their pushcarts the name of the manufacturer of the frozen commodity, and the ice cream factories are subject to board of health supervision.

Egyptian Mortality.

The lowest mortality in Egypt is in the desert districts, the highest in the largest towns. The average native rate for the whole country is 38.9 per 1,000.

ARE YOU A PRISONER?

THOUSANDS of men are prisoners of disease as securely as though they were confined behind the bars. Many have forged their own chains by the vices of early youth, exposure to contagious disease, or the excesses of manhood. They feel they are not the men they ought to be or used to be. The vim, vigor, and vitality of manhood are lacking. Are you nervous and despondent? tired in the morning? have you to force yourself through the day's work? have you little ambition and energy? are you irritable and excitable? eyes sunken, depressed and haggard looking? memory poor and brain fagged? have you weak back with dreams and losses at night? deposit in urine? weak sexually?—you have

*Split

Messrs. Haight & Freese have received the following:—

New York, Jan. 15.—The big break in demand sterling at the close of the market yesterday is a bullish factor preventing gold shipments at present. The Standard Oil Bank and the National City cut both time and call money rates yesterday which would seem to indicate a bullish stand on the market. Prices have been highly manipulated in the last few days to create a short interest, which has become more extensive. There is a disposition to expect the market to discount a good bank statement by advancing. The better feeling in London this morning also favours improvement. Can. Pac., Manh., O. W. and Erie are likely to prove leaders.

Buy B. R. T. on reactions.

London strong.

TOPICS.

New York, Jan. 15.—Those that take hold of Pacific Coalers, L. N. and Eries, especially Erie first and second preferred, should average their long holdings on all slight recessions. Erie's earnings are phenominal. Don't become too bearish on copper, in which there is a big outstanding short interest. Western Union still good for a few points.

JOSEPH.

DISTRICT L. O. L.

Elected Officers at a Meeting Held on Tuesday Night.

The annual District Meeting of the District Orange Lodge, of Peterborough, was held in the Orange Hall, Simcoe street, on Tuesday night. After routine business, the election of officers then took place, resulting as follows:

Bro. Robert Wilson, 80	D.M.
" T. A. Young, 178	Dep. M.
" W. A. Kindred, 80	Chap.
" W. G. Bartley, 80	R. S.
" E. Grieves, 231	F. S.
" C. Kitney, 231	Treas.
" John T. Leeson, 457	D. of C.
" Max E. Weir, 178	Lect.

The newly elected officers were duly installed by Bro. J. A. McWilliams, County Master.

THE LATEST IN SPORTING CIRCLES.

Peterborough's Team for Belleville.

THE WINTER RACE MEET.

Curlers Making Ready for the Coming of the Scottish Visitors—Other Notes.

HOCKEY.

THE TEAM PICKED.

The Team Committee has picked the following team to go to Belleville to-morrow night:

Goal, Crough; point, Cavanagh; cover point, H. Armstrong; forwards, R. Armstrong, Whitcroft, Morgan and Graham.

Glover, Peterborough's point man, feels that he is not in shape to play the game, and thinks the above team is the best Peterborough can put on the ice.

BELLEVILLE'S TEAM.

Manager Burrell, of the Belleville Hockey Club, may well feel proud of his team this year, says the Toronto Telegram. It is remarkably well balanced and it would be difficult to pick out a weak spot on the entire team. The defence is husky and the forward line is very fast. The team that can defeat the Bellevilles should finish near the top of the intermediate series.

A GREAT GAME.

"The Belleville boys are practising hard for Friday night's game," says the Intelligencer of that city, "and will go the distance at top speed. The Peterborough men will know they have been in a hockey match when time is up. The interest in the coming match is intense."

It might be as well to mention the fact that the Peterborough team has been in hockey matches for years past when Belleville were sleeping and before they had ever dreamed of chasing the puck.

A GOOD PRACTICE.

The Peterboroughs had an excellent practice last night, and are in fine condition for their game with Belleville on Friday night. Armstrong has been laid up for a day with a sore knee but will be in shape to go to Belleville.

* * * *

The T.A.S. boys are in splendid condition for their game against the Lakefield seven to-morrow night. As the Lakefield men defeated the Bobcaygeon seven by a score of 14—2 last night, they should give the T.A. S. team a pretty fast chase. The team that will go to Fenelon Falls has not yet been announced.

CURLING.

The following games were played last night:

E Runnels,	W Thompson,
W Stocker,	D Hall,
J J Collins,	M Green,
G Giroux, sk.....15	G L Hay, sk...11
J McIntyre,	G H Cox,

A meeting of all the curlers of the town will be held in the rink parlours to-morrow night to select the skips for the coming bonspiel.

TURF.

AT KINGSTON.

At a meeting Tuesday night of directors of the Kingston Ice Racing Association, complete arrangements were made for a two days' meet in February. The dates selected were the 26th and 27th, following the Ottawa meet, which ends on the 21st. Four classes were named. On the first day there will be a 2.30 and a 2.50 class, and on the second day a 2.30 and a free-for-all. The purses will aggregated $650.

It was decided to send the secretary, Dr. W. J. Morgan, to Ottawa, during the meet there, to advertise the attraction. The secretary is also to communicate with the great trotting horse, Cresceus, with a view to having the great trotter favour Kingston with a visit.

SOME DATES.

The following dates of races have been announced:

Peterborough, Jan. 21, 22nd.
Kingston, Feb. 26th and 27th.
Belleville, Jan. 27th, 28th.

NEWS NUGGETS.

—St. Andrew's choir practice to-night at 8 o'clock. Full attendance requested.

—Special rehearsal of George street church choir this evening. A full attendance requested.

—Piano tuning promptly attended to. Satisfaction guaranteed. A. F. Hoover, 'phone 199. d

—St. Luke's Men's Guild will meet to-night in the vestry at 8 o'clock. A full attendance is requested.

—The horse attached to Mr. Ed. Brown's delivery sleigh, ran away this afternoon and created a great deal of excitement for a while.

—See R. Hicks' advertisement for special prices for sawing and splitting wood until Feb. 1st. It will pay you to take advantage of this special offer. 6d6

HOW WOOD WAS RESCUED.

Former Peterborough Man Fell Sixty-five Feet

Into the Water and was Rescued by a Fellow Workman How it Occurred.

A Philadelphia paper contains the following account of the death of John Wood, a son-in-law of the late G. H. Noble, of town, and brother-in-law of Mrs. James McAndrews, of Peterborough:

They had been friends for years. Consequently, when Harry Kleindienst saw his fellow-workman, John Wood, sink in the ice-clogged Delaware unconscious after a dizzy plunge from the masthead of the tug International, he followed him. for ten minutes he held his companion with a grip of steel. Once he was forced to go under, but he never relinquished his precious burden. When a boat finally reached the men Kleindienst helped lift his friend into the craft, thus completing one of the most daring and remarkable rescues ever made along the Delaware.

Wood and Kleindienst are employed as painters at Neafie & Levy's shipyard and were at work upon the Reading's big sea-going tug International. The former was at the top of the tug's mainmast, seated in a rigger's chair and painting the spar, which was a new one. He was sixty-five feet from the deck proper, while on the hurricane deck was his friend, Kleindienst, attending to the ropes and hoisting paint to him when it was necessary.

ALWAYS WORKED TOGETHER.

It was not the first time they had worked in this manner, for within the past few years where one has been employed the other was sure to be not far away. Both men were considered valuable workmen, absolutely fearless and with the reputation of being able to scale the tallest spar. One day Kleindienst would be at the top of a pole, with Wood below, and the next situation would be reversed.

It was some time between 9.30 and 10 o'clock yesterday morning when there was a creaking sound at the masthead. The frail contrivance in which Wood was seated gave way and he plunged downward. But for the fact that the tug had slightly listed the painter would have undoubtedly been dashed to death on the deck. As it was the slant was sufficient to send him whirling against the deck rail and this diverting his course plunged him into the river.

PLUNGED IN AFTER WOOD.

Hardly had Wood disappeared beneath the surface before Kleindiest was in after him. He was handicapped by his painter's jacket and overalls, worn over his street clothes, but despite the weight of the water-soaked garments went under after Wood. The latter, rendered unconscious by his contact with the taffrail, did not appear, but was finally grappled by his friend and brought to the surface. To make Kleindienst's task all the harder the river was filled with floating ice, which continually bumped against the swimmer.

In the meantime the appalling cry "Man overboard!" had brought a crowd to the river's edge. A rope was thrown to Kleindienst, but he was unable to reach it. Efforts were being made to get a boat to the pair when the brave swimmer was forced to go under, still, however, firmly grasping the unconscious Wood. As he re-appeared two men in a small rowboat reached Kleindienst, and aided by him put Wood in the bottom of the craft.

NOT SERIOUSLY HURT.

The daring rescuer was then taken ashore completely exhausted after his ten minutes' struggle in the water. Both men were taken to St. Mary's Hospital, where it was found that Wood had fractured his right leg and had received a deep laceration of the head. His condition is not serious. Kleindienst, after remaining at the hospital a short time, declared that he was well enough to leave.

Just how the accident occurred is unknown, but it is believed that a strap gave way.

Kleindienst lives at 2529 Salmon street, and is 27 years old. He modestly refused to talk about his heroic action last night. "Any man would have done it for his friend or for any one," was all he would say.

Wood lives at 2509 Tilton street. He is well known throughout the city as an intrepid climber. Several years ago he gilded the tops of the flag staffs at City Hall, while many flag poles in public school yards throughout the city owe their dazzling whiteness to his skill. No church steeple has ever proved too tall for him. His fellow-workmen frequently twitted him about the time, when gilding the cross on a Polish church up town, several bystanders requested the priest to order him down, lest he should be killed. He and Kleindienst have never worked apart for many years past.

A CONTRIBUTION

To the Home for Incurable Consumptives.

Mrs. Eliza Rowe, a former resident of Peterborough, relict of the late Robert Rowe, and now of 112 Pett street, St. John, N.B., says:

"... I was ninety last November, and find the infirmities of age creeping over me. The enclosed express order for five dollars is for 'the home for incurable consumptives.' Please forward to that institution.

"With very good wishes for this year and many more to follow, I remain,

"Yours sincerely,

"ELIZA R. ROWE."

LIVE LAKEFIELD.

The Inaugural Meeting of the Village Council—Other Notes.

(From Our Own Correspondent.)

Master F. DelaFosse went to Port Hope Friday to enter Trinity College School of that place.

Mr. J. M. Kilbourn has returned to the village after an absence of a month.

Miss Isbister, of Peterborough was the guest of Mrs. Newberry on Sunday.

On Monday evening, Jan. 12th, 1903, the newly elected council of the Village of Lakefield met for the first time.

Present,—Reeve Fitzgerald, and Councillors Burgess, Tanner, Northey and Kidd.

Minutes of previous meet[illegible]ad and on motion approved.

The following Comm[illegible]were then appointed:

Finance—E. A. Tanner [illegible]. J. Burgess.

General—Burgess, Tanner, Kidd and Northey.

Street and Bridge—A. J. Kidd, A. Northey and F. J. Burgess.

Charity—A. Northey, A. J. Kidd.

Communications were received from the Treasurer, stating that balance on hand from last year was $513.87, and that provision would have to be made to meet the County rate on Feb. 1st.

A statement from Bank of Toronto showed a balance to the credit of village on Sinking Fund account of $267.27.

Subscription for Municipal World was renewed for the year 1903.

The Finance Committee's report was as follows:

To the Reeve and Council of the Village of Lakefield:

Gentlemen,—We, your Finance Committee having examined the following accounts and finding them correct would recommend payment of same:

J.E.A. Fitzgerald, coal	$ 2 15
J. Cooper, snowplowing	10 30
Globe Printing Company	9 00
J. A. Burgess	2 10
W. Sherin, election expenses	10 00
Lakefield News, printing	22 05
	345 20

All of which is respectfully submitted.

E. A. TANNER,
Chairman.

Moved by Messrs. E. A. Tanner and F. J. Burgess, that the report of Finance Committee be received and the accounts paid by treasurer.—Carried.

Moved by Messrs. E. A. Tanner and F. J. Burgess, that the Reeve issue his warrant, calling for nominations for School Trustees to fill the vacancy caused by resignation of F. J. Burgess.—Carried.

Bylaw No. 371 appointing A. V. Hill and W. M. Graham as auditors for the year 1903, received its several readings, and was passed, signed and sealed by Reeve and Clerk.

Bylaw No. 372, appointing H. G. Fitzgerald, W. Sherin, J. Isbister as members of the Board of Health, was passed.

Bylaw 373, re-appointing H. Morrison assessor, collector of taxes, etc., was passed.

Bylaw 374, to borrow money for current expenditure, received its several readings and passed.

Moved by Messrs. E. A. Tanner and F. J. Burgess, that the sale of the remaining school debentures, under bylaw No. 307, be put in the hands of the Reeve, chairman of Finance Committee and Treasurer, with power to act.—Carried.

The Council then adjourned.

SOCIAL AND PERSONAL.

Mr. L. T. Huycke, of Hastings, was in town yesterday.

Mr. W. M. Chandler, of Stirling, was in town yesterday.

Mr. A. E. Tudhope, Orillia, is registered at the Oriental.

Mrs. Reginald MacFadden of Galt, is visiting Mrs. T. M. MacFadden, of town.

Mr. W. H. Hill, of the Sun Life Assurance Co., went to Montreal to-day on business connected with his company.

CHEAP COAL

We have on track fifty tons small nut coal (best hard coal) suitable for cook stoves and small base burners. We will sell this from the cars at **$9.00** a ton.

The McClellan Co.

The Little Lake Cemetery Company.

The ANNUAL MEETING of the Shareholders of the Company will be held at the TOWN COUNCIL CHAMBER, Peterborough on

Monday, the 19th Day of Jan., '03.

at 3 p.m. The Financial and other Reports for the past year will then be presented, Directors elected, and any other necessary business transacted.

W.H.MOORE, President. E.A.PECK, Secretary.

Dated the 12th day of January, 1903.

HAVELOCK BANKERS WERE BANQUETTED.

Sovereign People Enthusiastically Welcome Sovereign Bank.

GATHERED AROUND THE FESTIVE BOARD.

Mr. Williams the Local Manager Made Feel at Home—Reeve Knox in the Chair—Speeches and Songs.

The Sovereign Bank has opened its new branch in Havelock, under most favourable circumstances. The opening of this new institution in Havelock, in fact marks a new epoch in the commercial life of the village, and the citizens are as proud of their new bank as a young man is of his first vote, or a young wife of her first baby.

For years the leading citizens of Havelock, and the railway employees of the C. P. R., have endeavoured to induce one of the older established financial institutions to open a branch of their business in the village. However, they were not successful in their efforts until the Sovereign Bank of Canada looked thoroughly into the prospects, and decided to locate there. While the citizens of the village presented a largely-signed petition to the management of the bank, setting forth the inducements the village offered in this regard, still, as the representatives of the bank remarked,, it was not until the management became fully warranted in the belief that it would be a successful venture, did they decide to open their doors in the little bustling railway town.

The new bank is situated in the Knox building, on George street, and when completed the apartments will be the most up-to-date in every respect that there is in the service of the institution. The work leading up to the opening of the bank was performed by Mr. W. H. Chandler, the manager of the Stirling branch of the Sovereign Bank. He is a man of a good deal of banking experience, although still young in years, and since he entered the employ of the Sovereign Bank, he has been successful in opening some four branches, all of which are now being successfully operated. Mr. Chandler was formerly in the employ of the Canadian Bank of Commerce, having been connected with the branches of that institution at Dawson, Seattle, Fort Frances and other places.

THE HAVELOCK MANAGER.

The manager of the Havelock branch of the bank is Mr. R. A. Williams, who is not unknown to Peterborough people, having been in the employ of the Canadian Bank of Commerce at Peterborough, about 8 years ago. He has been connected with the Montreal branch of the Canadian Bank of Commerce, before coming to Havelock to assume his new duties with the Sovereign Bank. He is of a genial disposition, and has already become very popular with the people of the village. He has associated with him Mr. F. M. P. Watts, of Stirling, who will fill the position of teller. Mr. Watts is a native of Stirling, and was junior in the Sovereign Bank at that place before coming to Havelock.

Mr. W. R. Howson of Norwood, son of Mr. Wm. Howson, of Asphodel, is the junior in the new bank.

A BANQUET.

A striking feature concerning the location of the new bank in Havelock is the hearty reception that was accorded the representatives of the new institution. They were last night tendered a complimentary banquet in the town hall, at which the leading professional and business men of the village were present, all of whom made speeches welcoming the members of the staff to their midst, and assuring them of their most hearty support.

The town hall at Havelock is a splendid building, and is a credit to the village. It has been the scene of many successful entertainments, merry dances and red-hot political meetings, but perhaps never did it present such a picturesque scene as last night, and never was a more successful evening passed within its walls. The three long rows of tables were handsomely decorated with the best of the season's eatables and a merry company of business and professional men, farmers, bankers, railroad men and clergymen sat around them. The caterer for the occasion was Mr. J. M. Watson, of the village, who carried out the terms of his contract in a highly creditable manner.

THOSE PRESENT.

The chair was occupied by Mr. J. Knox, the popular Reeve of the village and amongst those present were Messrs. W. H. Chandler, Manager Sovereign Bank, Stirling; R. A. Williams, Manager Sovereign Bank, Havelock; F. M. P. Watts and W. R. Howson, members of the local staff of the bank; A. P. Poussette, K. C., Peterborough; Rev. Mr. Camp, Dr. Crawford, H. T. Andrews, Dr. McLean, Thos. Howson, J. Coon, Wm. Cooper, R. J. Craig, A. E. Barrett, Rev. Mr. Johnston, R. E. White, Joe Halpany, D. L. Summerville, M. Swain, S. Cross, W. Burgess, Jas. W. Craighead, W. Holcombe, J. Sills, W. Patterson, M. Stafford, (Belleville,) F. Johnston, F. C. McMaster, A. Richards, M. McNichol, W. Milne, W. Embleton, H. B. Morrison, O. Johnston, A. V. Fuller, J. Thompson, W. B. Ritchie, George Young, Jos. Rose, J. Hart, L. Boyle, T. Bennett, P. Metcalf, (Cordova,) T. Reid, T. Cummings, J. Campney, Wm. Howson, (Norwood,) Jas. Bryans, C. Williams, T. Dineen, W. Webb, A. C. Denike, W. T. Curtis, P. Lancaster, (Havelock Standard,) S. S. Moore, (Peterborough Review,) and E. S. Clarry, (Peterborough Examiner.)

After ample justice had been done to the good things provided, the toast list was proceeded with, and was interspersed with humourous vocal selections by Mr. Joe Halpany, Peterborough's popular entertainer, and Mr. Swain, a local vocalist.

"THE KING."

The toast of the King was duly honoured by all present rising and singing the National Anthem.

Mr. W. B. Ritchie, in the absence of the secretary of the Committee, read a letter from Hon. J. R. Stratton in which he expressed his regret in being unable to attend. This was followed by Mr. Joseph Halpany in one of his popular vocal selections, entitled "I'm Unlucky." So well received was his selection that he responded again.

The next toast was that of "The Village of Havelock and County of Peterborough."

Reeve Knox extended a hearty welcome to the representatives of the new bank. He was sure it would be a great advantage to the village. Efforts had been made for some time towards having a branch of a chartered bank established in Havelock, but they were unsuccessful until the Sovereign Bank decided to locate there. He be-spoke a bright future for the new bank, he regretted very much that the General Manager of the bank was detained through illness from being present. In conclusion he urged the citizens of the village to lend the bank all possible assistance and never do anything that would cause them to regret having opened in the village.

County Councillor Mr. Curtis expressed his pleasure in being present, and in knowing that they were successful in having a chartered bank in Havelock. He had about given up in dispair of ever having a bank there. He referred to the able assistance that Mr. A. P. Poussette, of Peterborough, gave the villagers in their efforts to have the Sovereign Bank open a branch in the village, and he hoped that all the citizens would join in their efforts to make the Sovereign Bank's venture a successful one. He did not believe that the people of Havelock would ever have to transfer their accounts back to Norwood as the people of that village were now predicting.

Councillor James Thompson spoke of the growth of the village since he came to it four years ago. While the Sovereign Bank may not find busines any too paying at first he felt sure that in the next 12 months they would have no reason to regret their opening there. He had received a telephone message from the Manager of the Standard Bank in Campbellford, who regretted exceedingly that he could not be present.

Councillor Campney was pleased to be present, and was going to do all in his power to make the existence of the bank in Havelock a success.

Mr. Wm. Cooper, too, was highly pleased in the fact that they had a new bank.

Mr. Joe Halpany again favoured the gathering with a vocal selection.

OUR GUESTS.

"Our Guests" was the next toast and was responded to by the Manager of the Stirling Branch of the Bank, the members of the local staff and Mr. A. P. Poussette. The toast was drunk with musical honours.

Mr. Chandler claimed to be no orator. He regretted more than anyone else, he said, the absence of Mr. Stewart, the Manager of the bank, who was absent owing to illness. He extended to the citizens of the village the thanks of the Sovereign Bank for the hearty manner in which they had received them in Havelock. He had assisted in the opening of four new banks in connection with the Sovereign Bank, but this was the first occasion that he had ever known the staff of a new bank to be tendered a banquet by the citizens of the place in which the bank was being located. He felt sure that the bank would have a successful career in the village and he would guarantee that the patrons of the bank would be fairly dealt with. He assured them the bank would deal liberally with them, or would at least, give them all accommodation consistent with a conservative banking institution. He again thanked them most sincerely for their kindness towards the local staff and their hearty good wishes for the future of the bank.

Mr. Williams was warmly greeted. He had expected that Mr. Stewart, the General Manager of the bank, would have been there to give them a review of what the Sovereign Bank had already accomplished. However, he might assure them that he felt certain that Havelock was a hustling village, and by their hearty co-operation they would make the bank's existence there successful. He knew from what the citizens had told him that the bank would receive the hearty support of the villagers. This was the eighteenth branch that the Sovereign Bank had opened, and the Bank had only been in existence since last May. The General Manager had made it a point to be present at the opening of all the new branches, and he had particularly reckoned on being in Havelock. While the Sovereign Bank came there to a certain extent upon the solicitation of the citizens, still they would not have located in Havelock had they not believed that there were excellent prospects for their future success.

Messrs. Watts and Howson, the other members of the staff, also spoke a few words of appreciation of the reception the staff of the bank had received.

Mr. A. P. Poussette claimed that while he was not connected with the staff of the bank, still he had taken a deep interest in the negotiations leading up to the location of the bank in Havelock. He recited the fav-

(Continued on page 8.)

STORE CLOSES SATURDAY NIGHTS AT 9 P.M.

NEW WHITE GOODS

This White Goods Sale Goes Briskly On.

'Twould have ceased long before this had the goods not been new goods, attractive goods and attractive prices. Nothing ever done in a half-hearted way at this store. Always on the alert. FRIDAY, JANUARY 16, 1903.

TRADES AND LABOUR COUNCIL.

Election of Officers for 1903—Important Business Transacted.

The Trades and Labour Council held their first business meeting of the new year on Wednesday evening in the Labour Hall, Water Street. The meeting was an important one and a great deal of practical business was done. After the despatch of routine business, the president announced that the election of officers for 1903 was the next order of business. The following is the list of duly elected officers:

President—A. T. Dugan.
Vice-President—M. Hickey.
Recording Secretary—F. F. Garden.
Financial Secretary—A. H. LeHane.
Treasurer—Wm. Mennies.
Sergeant-at-Arms—Chas. P. Murty.

Legislative and Municipal, Organization, Credential, Label and Audit Committees were struck, and preparations for an aggressive year commenced.

Mr. O'Dell, the Canadian representative of the Boot and Shoe Workers' Union, was present and delivered a strong, practical address to the members, enforcing the duty of union men to stand by their colours, and demand the union label every time. Mr. O'Dell has been in Peterborough during the past week interviewing the various trades unions in the interests of Canadian shoe factories using the union stamp.

A resolution was passed urging upon the Town Council, Board of Health and Board of Trade to have a Sanitary Plumbing Inspector appointed at once.

The Legislative and Municipal Committee were instructed to attend the Town Council meetings as regularly as possible in order to keep in touch with the business going on round the Council Board.

A delegate from the Tailors Union reported a grievance, in which it was stated that their label had been clandestinely used by a non-union man, and cautioning the members to be on their guard against such impositions.

A Committee to revise the by-laws was appointed, and the Audit Committee was instructed to report at the next meeting.

A T. A. S. ORCHESTRA.

Advisability of Organising one in Connection With the Society.

For some time it has been suggested that it would be a good thing to organise an orchestra as an important addition to the equipment of St. Peter's T.A.S. It is stated that there is abundant talent in the society, if organised, and rightly directed, to make a most efficient orchestra. The desirability of such an organization needs little argument. Its music would add to the interest of the social reunions, which are such an important and interesting feature of these gatherings. Besides the services of the organization would doubtless be available to supply orchestral accompaniments to the services of the Cathedral choir on special occasions, if not as a regular feature of the services.

In addition to the abstract elevating influence of the study of music, an orchestra might be regarded as a direct aim in the promotion of the work of the society, the contest against the bar. Devotion to the study of the bars of the musical scale would supply a delightful counteraction against the influence of the saloon bar—the liquid harmony of the musical bars would counteract the liquid discord of the other kind of bars. Seriously, if the organization were practicable, it would give delightful employment to the abundant musical talent said to exist in the society.

FROM PULPIT TO THE SALOON.

A Long Island City Pastor's Novel Scheme.

Says he is Trying to Meet the Masses—As to Street Preaching.

The United States papers are continually printing curious and amazing items of news that can be duplicated nowhere else in the world. This week The Philadelphia Press tells of a Long Island City clergyman who has chosen an entirely new method of "reaching the masses." His congregations have been dwindling for a long time, and, although nothing is said of it, the presumption is that his salary and perquisites have also been growing smaller. At any rate, the masses have not been crowding to avil themselves of the benefit of his ministrations, and the collection plates in his church are not overworked. It has therefore dawned upon the good man that he must go to the masses if he would do them good, and he has gone. Others have taken to street preaching, evangelism or missions under such circumstances, but this man, being determined to reach the people, opens a saloon.

The Rev. Dr. W. S. Rainsford, lovingly remembered by many Torontonians, created almost an uproar a few years ago by advocating the sale of light beers in Church clubs. The Long Island City pastor goes him one better. He will sell the beer—and other wet goods—himself. The idea is unique. Indeed, it has remained for this century and the vicinage of New York to produce the man and the idea. "I feel," says the clergyman, "that with proper tact I can reason with men who come into my saloon, and show them the truth better than if I were to be separated from them by the absolute barrier of the cloth." Exactly so. There is nothing like a cocktail, for instance, to stir up a flinty heart to the influences of the truth. A couple of high-balls or a few beers dispel the mists of prejudice, and open the intellect to logic. Almost any saloon-keeper, by judiciously and tactfully leading his customer at the bar, can get him into a mental condition where he is ripe for assent to almost any kind of proposition. The rapid vicissitudes resulting from such environment are well known. And the beauty of it all lies in the obvious fact that this preparatory process, so to speak, involves no financial loss to the teacher. He makes a handsome profit on the work of getting his subject in a proper mood, and then has the exalted joy of leading him into an assent to the truth. Beyond all this, and herein no doubt is the chief attractiveness of the plan to the clergyman in question, this method of teaching will always appeal to the masses.

In all seriousness, however, might not the clergyman descended from the pulpit to the saloon without attempting to extenuate his conduct by such ridiculous cant? Probably he failed as a minister. Certainly he deserved to fail. No doubt he desired to enter some secular avocation, and naturally enough chose the one which his taste dictated. All this was his right. But when he ascribes his course to a desire to convert the the erring he simply betrays a hypocrisy that shows that even as a sloon-keeper he will bear watching. Happily no town in the Dominion or Republic has a clergyman like this individual, and no town will envy Long Island City her possession of him.—Toronto News.

STOCK FOR DISTRIBUTION.

Mr. Wm. Saunders, of the Experimental Farm, Writes the Experimental.

To the Editor of the Examiner,—

Dear Sir,—By instruction of the Hon. Minister of Agriculture another distribution will be made this season of samples of the most productive sorts of grain to Canadian farmers for the improvement of seed. The stock for distribution is of the very best and has been secured by the Director of the Experimental Farms from the excellent crops recently had in the Canadian North-west. The distribution this spring will consist of samples of oats, spring wheat, barley, Indian corn and potatoes. The quantities of oats, wheat and barley to be sent this year will be sufficient to sow one-twentieth of an acre. The samples of Indian corn and potatoes will weigh 3 lbs. as heretofore. Every farmer may apply, but only one sample can be sent to each applicant, hence if an individual receives a sample of oats he cannot also receive one of wheat, barley or potatoes, and applications for more than one sample for one household cannot be entertained. These samples will be sent free of charge through the mail.

Applications should be addressed to the Director of Experimental Farms, Ottawa, and may be sent in any time before the first of March, after which the lists will be closed, so that all the samples asked for may be sent out in good time for sowing. Parties writing should mention the sort or variety they would prefer, and should the available stock of the kind asked for be exhausted, some other good sort will be sent in its place.

WM. SAUNDERS,
Director Experimental Farms.
Ottawa, December 22, 1902.

An International Question.

Albany, N. Y., Jan. 15.—The State Department of Agriculture yesterday morning confronted an international question. Seven packages of buffalo hides from Calcutta arrived in New York from Boston by boat, and were held up by the department's inspector. The possibility that the hides might bring Rhinederpest or other Oriental diseases from India, and hoof and mouth disease from Massachusetts, caused the department to order their disinfection. The hides were consigned to a point in Chautauqua County.

Honor to a Canadian.

Montreal, Que., Jan. 15. — Word has been received here that Lieut. Claude DeB. Doucet, a graduate of Kingston, but who was with the Royal Engineers in charge of the blockhouse system in South Africa, has been appointed a member of the Anglo-German Commission lately named to deliminate the Solar Lake Chad boundary in Central Africa.

"SOO" ELECTION TRIAL

The Trial Continued and Several Charges Reserved.

A LUCKY TECHNICALITY.

Giving Whiskey to the Electors at a Committee Room Dismissed, Because, While Treating Was Proven, It Was Not Shown That Committee Was Constituted So as to Come Within the Act.

Sault Ste. Marie, Jan. 16.— There were no very startling developments at yesterday morning's sitting of the election court. Judgment was reserved on thirteen charges of bribery. Evidence was then gone into on charge 40, that of treating at a committee meeting in the west end committee room, of which Eli Morreault was in charge. The charge was dismissed, because, while treating had been proven, it had not shown that the committee was so constituted as to bring it within the act.

The next charge taken up was that against Wm. Turpin, who was charged with giving whiskey to Honore Tourangeau on election day for the purpose of securing his vote. Tourangeau swore that Turpin had given him a dollar bottle of whiskey on the morning of election day, and asked him to come to the polls to vote. Tourangeau took the bottle and stayed with it until he had drained it. He was not sure whether or not he had voted after getting the liquor. Turpin denied the story, and the charge was dismissed.

Turpin stated that a few days before the election he had been employed by Mr. W. H. Plummer to act as detective on behalf of the Conservatives. Turpin also stated that he carried voters during the polling hours, and carried a bottle of whiskey with him, half of which he drank himself. After the election Mr. Plummer paid witness $24 as his salary for eight days' work for the Conservatives.

The next charge was No. 89, in which Edward Bernard was charged with treating in the neighborhood of fifty voters on election day. The evidence taken on this charge showed that about fifty Conservative voters had been furnished with liquor on election day in Goudreault's store. It appeared that Bernard did not do any of this treating, but it was done by Wm. Turpin and one or two others. The charge was dismissed as against Bernard, and leave given to amend the charge by naming Wm. Turpin as the person treating.

The next charges taken up were those in which Mr. W. H. Plummer is charged with furnishing money and liquor to Wm. Turpin and Albert Roy on election day for the purpose of securing votes. The evidence already taken on these charges is to the effect that Mr. Plummer gave two bottles of whiskey to Turpin and Roy, and the contents duly found their way to the mouths of many electors. The evidence on these charges had not been concluded when the court adjourned.

ONLY A SUGGESTION.

But it has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become fleshy and plump, it can only result from the food we eat and digest and that food should be albuminous or flesh forming foods, like eggs, beefsteak and cereals; in other words the kind of food that makes flesh are the foods which form the greater part of our daily bill of fare.

But the trouble is that while we eat enough, and generally too much, the stomach from abuse and overwork, does not properly digest and assimilate, which is the reason so many people remain thin and underweight; the digestive organs do not completely digest the flesh-forming beef steak and eggs and similar wholesome.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs.

If such persons would lay their prejudices aside and make a regular practice of taking after each meal one or two of Stuart's Dyspepsia Tablets, the food would be quickly and thoroughly digested, because these tablets contain the natural peptones and diastase which every stomach lacks, and by supplying this want the stomach is soon enabled to regain its natural tone and vigour.

Stuart's Dyspepsia Tablets digest every form of flesh-forming food, meat, eggs, bread and potatoes, and this is the reason they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children.

Invalids and children, even the most delicate, use them, with marked benefit, as they contain no strong, irritating drugs, no cathartic nor any harmful ingredient.

Stuart's Dyspepsia Tablets is the the most successful and most widely known of any remedy for stomach troubles, because it is the most reasonable and scientific of modern medicines.

Stuart's Dyspepsia Tablets are sold by every druggist in the United States and Canada, as well as in Great Britain, at 50 cents for complete treatment.

Nothing further is required to cure any stomach trouble or to make thin, nervous, dyspeptic people, strong, plump and well.

Remounts in Canada.

London, Jan. 15. — Ian Zachary Malcolm, the Conservative member of Parliament for Stowmarket Division of North Suffolk, and parliamentary private secretary to the Chief Secretary of Ireland, writing to The Times yesterday scores the War Office for not long ago establishing remount depots in Canada.

Gives $15,000 to Hospital.

Vancouver, B. C., Jan. 15.—Lord Mount Stephen has donated $15,000 to the new hospital at Vancouver.

37 TO 63

That's the proper proportion of animal and mineral matter in the bones of a healthy child — thirty-seven per cent. animal and sixty-three per cent. mineral. The bones of the average rickety child show about seventy-nine per cent. animal and twenty-one per cent. mineral matter.

It's this lack of sufficient mineral matter in the bones that makes a child have rickets. Deformities of the chest and head, bent legs and curved spine are some of the results of rickets.

The disease is one of early life, and the first symptoms are shown in the digestive organs. Usually the appetite is poor and the child grows dull and fretful. There are pains in the limbs and joints. The pulse beats quicker and the veins become slightly swollen; gradually the whole body becomes tender and the face shows signs of waste, depression and weariness. Then the action of the disease begins in the bones. The legs are first to show the effects when they fail to support the child properly. As a matter of fact, the bones cease to grow at this stage. Proper nourishment for the whole body, and particularly for the bones, is the best possible treatment; in fact, it is the only treatment.

Scott's Emulsion is therefore the natural remedy for rickets, as pure cod liver oil is the most effective of all remedies for this disease. The hypophosphites of lime and soda contained in Scott's Emulsion feed the bones and furnish them with the means to grow properly. It also helps the digestion and provides nourishment that cannot be secured so well in any other way. It quickly enables the rickety child to make up lost ground, and insures a healthy, natural growth. Being as palatable as cream and more nutritious, Scott's Emulsion is easily accepted by the most delicate stomach.

These claims are not made off-hand. We know from nearly thirty years contact with such cases that Scott's Emulsion will do just what we say it will do. We will be glad to send you a sample free so that you can judge for yourself.

SCOTT & BOWNE,

FAMINE IN SWEDEN.

70,000 People Threatened With Decimation in Northern Sweden—Trying to Save Hardy Northern Cattle.

London, Jan. 16.—Telegrams from Stockholm, Sweden, confirm the distressing accounts of the famine in Northern Sweden. About 70,000 persons are affected by the famine. The starving people are eating pine bark, which is dried, ground to powder, mixed with stewed Iceland moss and made into a kind of famine bread. Coincident with the failure of the crops is the extreme scarcity of fish. Even ptarmigan have almost completely disappeared. It is estimated that the expenditure of about $6,300,000 will be necessary to save the population from destruction.

The peasants are making pathetic sacrifices to avert the extermination of the hardy northern cattle. In previous times of scarcity good fodder was obtainable by mixing reindeer moss and aspen bark. Now this is not available, and finely chopped twigs of birch, willow and ash are substituted. The mixture is boiled and fed to the cattle warm, but it is found that the milk of cattle thus fed leads to typhoid fever.

The situation threatens a repetition of the terrible famine of 1867, when thousands died from starvation and typhoid.

To Increase Your Weight.

If you are thin, weak and emaciated and want to increase your flesh and weight you should try Dr. Chase's Nerve Food. You can feel it doing you good from day to day, as it strikes at the root of trouble and creates new rich blood. You can prove that it builds up new tissue and adds flesh if you weigh yourself each week while using it.

Lord Strathcona Denies It.

London, Jan. 16.—Lord Strathcona says that the report circulated recently that there was friction between Mr. Preston, Canadian Emigration Agent, and himself, is unfounded

LEGISLATION IS PROMISED.

Premier Ross Cannot Disclose Nature of Changes Yet.

TO CONSULT SUPPORTERS.

Premier's Answer to the 200 Men and Women Who Ask For the Abolition of Public Bars, and Treating and Drinking in Clubs—Calm Statement From a Responsible Minister.

Toronto, Jan. 16.—Premier Ross yesterday intimated that further temperance legislation would be introduced during the coming session in conformity with the spirit of the recent vote, but the nature or extent of it he could not disclose until he had met his supporters in the Legislature. This was the reply to the 200 men and women who journeyed to the Parliament buildings, and through their chosen speakers called upon the Provincial Government to abolish the public bars and do away with treating and drinking in clubs, in the terms of the resolution passed at the joint conference on December 16th last.

Mr. Marter introduced the deputation, and in doing so said great things were expected by the prohibitionists from Premier Ross, and they hoped he would not disappoint them, for he (the speaker) wanted to be able to say that the Premier had done all he could for them. He was pleased to see Hon. Mr. Stratton present, for he heard that the license department could do a lot for them; and he might add that if we want to secure things from the Government we must support them.

Mr. Spence congratulated the Premier on being in a position to do what was being asked of him. The resolution to which they were speaking had been adopted at a meeting of the Dominion Alliance, at which were representatives of the Methodist, Presbyterian, and Congregational and Anglican Churches. This resolution was the opinion of the Alliance when the majority for the act was 83,569. To-day, although official returns are not yet in from East Nipissing, the majority is 95,208, and the total vote was over 200,000. If they had to decide on a resolution to-day, he could not say how much stronger it might be. (Laughter and applause.)

"We come to you," he said, "relying on your high Christian character and your patriotism, and because we know your personal sympathy with the work we are striving to do. We come backed by the strongest majority that in the history of civilization was ever behind any party, any policy or any principle. (Applause.) We have more than 65 per cent. of the votes polled in that election twelve months ago. You, Mr. Premier, and your Government were of the opinion that sixty per cent. of the total vote would be sufficient."

Mr. Spence concluded with an analysis of the vote to show that the temperance people had more than fulfilled the requirements of the Government at the polls.

Rev. Dr. Carman, Rev. Mr. Dickson, Galt; Rev. Dr. Shearton and Rev. Dr. Goodspeed followed with vigorous appeals to the Government to enact the legislation referred to in the resolution.

Rev. Dr. Chown said he had no desire to crystallize in his address the opinion of what might be termed the Methodist vote. But, as a whole, the Methodist Church wanted nothing less restrictive than the Liquor Act of 1902. The Government would receive every support possible from the Methodist Church in the carrying out of an efficient law.

Thomas Baty of East Middlesex, and A. Parrott of Chatham spoke briefly.

Mrs. Rutherfard wanted the Government to exercise its fullest powers. She would not ask for more.

The Premier's Reply.

Premier Ross, on rising to address the deputation, said: "Mr. Marter, ladies and gentlemen,—I need not say that I am glad to meet you — very glad to meet you. You have sometimes presented your views with less kindness and thoughtfulness, in my judgment, than you have done to-day. I appreciate the tone. I appreciate the motive, no matter what the tone may be; and I appreciate the strong position in which you claim to find yourselves. All the same, ladies and gentlemen, I have nothing to regret as to the course which the Government took. I think we were right in submitting the Liquor Act to the people as we did last December. The question was of such supreme importance, and unless we fairly measured the situation and felt our way, we might have precipitated a state of things most hurtful to the temperance cause. And what has been done has been helpful rather than hurtful. You have had an educational campaign and a campaign of great significance.

"I must observe, too, the general disposition on the part of the temperance men now to unite. As Mr. Gibson said, you were not in a friendly frame of mind last year when the announcement of the Liquor Act was made. I am not going to criticize you for that difference, for it is hard to expect all men to agree in everything.

"We were wise in selecting a separate day for the voting. Had the vote been taken in conjunction with the municipal elections it would not be an independent vote on the issue, and, therefore, not so impressive. The fact of two hundred thousand people going to vote on a special day indicates a stronger conviction of duty than otherwise would have been the case.

"I am sorry the roads were bad. My first suggestion to take it in October was not considered favorable to you. I mention that so you will understand my position. Well, you have had your conference and have met to-day as representative men — strong men in the church and community—and you are speaking the sentiment of those you represent. I mention one feature of the discussion, and I appreciate its kindness, its sincerity and its point; that is, a general disposition to emphasize the duty of the Government rather than the duty of the Legislature. Although a leader of the Liberal party for the present I am not the Liberal party: I can only go so far as my supporters in the Legislature will enable me to go. You say, if a legislature was composed on the basis of the vote, you would have a majority of 77 in the House. I am sorry I have not that (Laughter.) But whether my majority is large or small, it must be kept intact, and my duty as head of a responsible Government is to consult that vote, and that will be done at the earliest opportunity when the House meets. Then I will see how far the members are in sympathy with the force of the vote taken and how far they will go to act upon it.

"I hope we will agree upon some course satisfactory to you, so that we will have legislation to meet with the wishes of the majority of the people. I do not want to have you think that we will play fast and loose with this or any other question. We have not played fast and loose with it; we have acted in all sincerity within the constitutional rights of the province and constitutional limitations; and, though you may not approve of all we may do in the future, I hope you will at least give us credit that we are acting with as much forethought and advancing just as rapidly as we feel we have the confidence of the people.

"Your vote is very large. Our vote is comparatively small. If the whole vote that asked for prohibition had voted for the Government that was to give you prohibition, the situation would be different. We express no repining. At all events we accept the situation. We hope for legislation when the House meets, and we trust that that legislation will meet with the approval and confidence of the country. Allow me to assure you we are always glad to meet those who affect public opinion, and particularly glad to meet those who we think have no sinister motive whatever, but are anxious to promote the public interests, as we trust you will feel we are, whether we can go as far as you want us to go or not." (Applause.)

A vote of thanks, moved by Rev. Dr. Carman, was passed to the members of the Government for the hearing given them, and the deputation then withdrew.

A private meeting of those on the deputation was held afterwards, at which it was decided to urge the newly elected members of the Legislature to support temperance legislation when introduced.

REACHES SEAT OF TROUBLE.

Don't Try to Cure Hemorrhoids With External Application

When it is such a well known fact that hemorrhoids or piles is a disease originating in the morbid dilatation of the veins of the lower part of the rectum, it seems incredible that people afflicted with this painful trouble should go on doctoring with external salves and washes, when the diseased parts can only be reached by an inward application.

The suppositories used in Pyramid Pile Cure are composed of the most soothing and healing oils and lotions known to Materia Medica, and act on the diseased veins and surrounding tissues like magic, giving almost instant relief. The dilated blood vessels are relieved, the irritation of the mucous membrane ceases and bleeding is stopped.

The predisposing causes of piles are such as produce fullness of the hemorrhoidal veins and impede the return of blood from them, such as constipation, sedentary habits, city life, pregnancy, corsets, etc.; in fact the causes are all fully covered in a very interesting little book published by the Pyramid Drug Co., Marshall, Mich., and the same will be sent free to any address upon application.

The general principles of treatment are, according to the evident causes, active habits, attention to diet, and other hygienic rules, etc., avoidance of constipation and each night the injection of a Pyramid suppository to heal and cure the afflicted parts.

That this treatment has been effective is instanced by the testimony of thousands of people who have been permanently cured and by the evidence of druggists; the case of Mr. Samuel Gouldie, 528 Moyamensing avenue, Philadelphia, is a fair sample.

"For twelve long years I suffered terrible torture from piles. I had been under two surgical operations, once in Cleveland, Ohio, in the year 1895, and once in Toledo, Ohio, in 1900, and also tried a number of salves and ointments from different doctors. I at last found a permanent cure by only using two fifty cent boxes of Pyramid Pile Cure. The first two or three applications gave me relief at once. I am now entirely cured and thank God for finding such a medicine as the Pyramid Pile Cure."

Settlers Coming to Canada.

London, Jan. 16.—Rev. Mr. Lloyd writes to The Times to the effect that the movement for taking a large number of English settlers to Canada has already assumed national proportions. The first departures will be made about March 21. The movement is connected with the Colonial and Continental Church Society.

A NAVY FOR CANADA.

Sir Frederick Borden, Minister of Militia, Answers Officers' Complaints That the Dominion Has None.

Toronto, Dec. 16.—Sir Frederick Borden, Minister of Militia, and Col. Turner, United States Consul-General, arrived in the city yesterday morning from Ottawa, and are the guests of the Anglo-Saxon Union at the Rossin House. At 3.30 p. m. Sir Frederick inspected the cadets at the Armories, and at the Rossin House at 7.30 there was a reception to the members of the union, just prior to the banquet.

In replying to the toast of his health during the evening, Sir Frederick, in response to Col. Davidson's remark that Canada had no navy, said: "A couple of months ago a recommendation had been made that would be the nucleus of the establishment of a navy in this country. (Applause.) As to whether we would pay towards the maintenance of that was a political question, and one for the people to settle. We would soon have a navy of our own, the same as we had a land force, so that should ever our Motherland call for assistance we would not only send soldiers for land fighting, but a quota of men upon the sea.

SHE FOUND RELIEF.

When She Tried Dodd's Dyspepsia Tablets—Hamilton Woman's Pleasant Experience.

Have you the blues? Does your head ache, and have you a presentiment that the whole world is against you? Does everything seem to be going wrong and life generally appear to be a fight that is entirely too hard for you?

It's all your stomach! It needs to be rested and toned up and put in condition to do its work properly. Once it is right everything else will be right.

Dodd's Dyspepsia Tablets will put it right. Here's the testimony of one who knows, because she has tested them. Listen to the story of Juliana Sandburg, of 221 John street, North Hamilton:

"For over six years," she says, "I had been troubled with Dyspepsia and Headaches. Nothing I ate would agree with me. I tried several medicines and I could not get any cure. I was advised to try Dodd's Dyspepsia Tablets and I did so. Almost as soon as I started using them I found relief and I was soon completely cured."

Thousands of others tell the same story. Why be blue when cheerfulness is within your reach?

DOCTORS SAY HE WILL DIE.

Wallaceburg Young Man, "Broke" in a Strange City, Shoots Himself.

Marine City, Mich., Jan. 16.— H. Willoughby of Wallaceburg, Ont., aged about 25, attempted suicide here yesterday, noon, by shooting himself in the forehead in the Hotel Broadway. The bullet is embedded in the brain, and doctors say he will die.

Willoughby arrived here from Wallaceburg Wednesday, and stopped at the Broadway Hotel. He left a letter, addressed to John Allen, Wallaceburg, saying he was dead broke and despondent over his life's troubles, and was on his way to Owasso, but guessed he would "change his mind, and go to hell."

Five Killed While Coasting.

South Bethlehem, Pa., Jan. 16. — Five boys, whose ages range from 13 to 15 years, while coasting last night were struck by a train on the Philadelphia & Reading Railway and killed, and another was fatally injured. The boys were coasting and sled and express train reached the crossing simultaneously.

Permanent Cure for Neuralgia.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle; it's all right. No Pills like Dr. Hamilton's.

War Contribution of $150,000,000.

London, Jan. 16.—Members of leading firms representing South African interests met yesterday and definitely agreed on a war contribution of $150,000,000, payable in three annual installments of $50,000,000, and covered by a loan redeemable in ten years. The first installment will be issued in 1904.

Court at Deadlock.

Ottawa, Jan. 16. — The Supreme Court stood three to three on the application made for leave to appeal from the decision of Justice Craig in the Yukon case of Labelle, sentenced to be hanged, refusing an appeal. The court, therefore, could not give any decision and adjourned.

TO CURE A COLD IN ONE DAY
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Back to Ottawa.

Quebec, Jan. 16.—Sir Wilfrid and Lady Laurier, accompanied by the Premier's private secretary, left town yesterday afternoon on their special car attached to the 1.15 train, and proceeded direct to Ottawa.

Additional Rolling Stock.

Winnipeg, Jan. 16.—William Whyte states that the C.P.R. will add 132 locomotives and 3,800 new freight cars to its rolling stock this year.

Children's Aid Society

Incorporated by Act of Legislature, 1893.

Information requested. The informant's name kept strictly private.

GEORGE COCHRANE, Agent.

BAD BLOOD.

Miss Mary M. Allan, Angus, Ont., says:—For nearly a year I was troubled with pimples on my face. I tried several remedies but none of them seemed to help me until I got Burdock Blood Bitters. I think it is a great remedy for bad blood, and take pleasure in letting you know that it did me more good than all the other remedies I tried.

B.B.B. Cures Boils, Salt Rheum, Erysipelas, and all Skin Diseases.

DYSPEPSIA.

Miss Alberta Murray, Campbellton, N.B., says:—For five years I was troubled with Dyspepsia, and whenever I ate anything I suffered untold agony. My parents got numerous medicines for me but they did me no good. I saw Burdock Blood Bitters advertised and something seemed to say, "get a bottle." I did so, and to my surprise before I finished the bottle I found relief. I took all told 3 bottles, and have had no return of the trouble.

B

HEADACHES.

Mrs. Peter Boudreau, Glen Levit, N.B., says:—It is with pleasure and gratitude that I can testify to the wonderful power of Burdock Blood Bitters. My daughter was ailing for three years with headache and run down system. I tried several kinds of medicine but to no effect. At last a friend urged me to try B.B.B. for her, and after using two bottles she was like another being. I can never praise it enough. It is a God-send to all.

CONSTIPATION.

Miss Hattie Huggan, Meriganish, N.S., says:—I was troubled with constipation for a year and tried different medicines, but they did me no good. I then took Burdock Blood Bitters and it cured me so that I have not been troubled since.

Mr. Wheaton Bartley, Morrisburg, Ont., says:—I took three bottles of Burdock Blood Bitters for constipation and found a complete cure effected.

A PRETTY SMOKER.

If you want a good shaped Cigar, made of the cleanest and best tobacco grown, you'll find what you want in my carefully selected stock. You can't find anything as good for the money in any other store in town.

Grafton & Co's Jubilee Year.

Mr. Jas. J. Grafton, of the firm of Grafton & Co., wholesale clothing manufacturers, Dundas, was in town yesterday on a special business visit in connection with their local branch. His principal business was with the object of consulting with the local manager, Mr. Conway, and Architect Belcher, in regard to the new plans for remodelling their fine new business premises on George street. This work was in contemplation at the time of removal to their new store, but owing to the lateness of the season, had to be postponed. The work will now be carried out under Mr. Belcher's instructions, and when completed, with the newest of modern improvements, Grafton's Peterborough store will be one of the most up-to-date clothing houses in Canada. This is Grafton & Co's Jubilee year—having been fifty years in the clothing business. The splendid growth of their Peterborough branch furnishes ample evidence of the remarkable success which has marked their business career.

DIED IN ROCHESTER.

A Sister of Mr. Robert Beach of Town —Small-pox.

Mr. Robert Beach, of town, yesterday received a telegram from Rochester, N.Y., conveying the intelligence of the death of his sister, Mrs. Wm. Ruth, which occurred in the General Hospital, Rochester, after an illness of ten days of small-pox. The deceased lady visited here last summer. She was 43 years of age. Her two children are also down with the disease.

C. M. B. A.

" Fred Cooke..... ....1st Vice-Pres.
" P. Heffernan... ... ...2nd Vice-Pres.
" J. J. Lynch..... ....R.S.
" P. Leahy'... ... ...Asst. R. S.
" T. J. Doris..... ....F. S.
" H. Carveth..... ....Treas.
" J. Hourigan..... ... ...Marshal
" P. Gorham..... ....Guard
Trustees — A. MacDonald, James Bogue, R. Sheehy.

Y. W. C. A.

The members and friends of the association are reminded of the annual public meeting to be held this evening at 8 o'clock. Annual reports from the various departments of the the work will be read, and an address on Association work, delivered by Miss S. Little, B. A., student secretary of the Y.W.C.A. Miss Little will also have charge of the Sunday afternoon service.

The Junior clubs and sewing classes will meet as usual to-morrow afternoon.

WIRE IN COW'S STOMACH.

A day or two ago Mr. Samuel Clysdale, who lives in the west end, near Mount St. Joseph, lost a valuable cow, which had been ailing for three weeks. On examination the cause of death was found to be a piece of iron wire nearly five inches long, which was discovered within an inch or two of the heart, the centre of a mass of corruption, which was evidently the cause of death.

SOCIAL AND PERSONAL.

F. J. Golden, of Campbellford, is in town to-day.

Mr. Max McSweny, of Nelson, B.C., is registered at the Snowden House.

Mr. R. Powell, of Kingston, is registered at the National Hotel.

Mrs. Andrew Fairbairn of Peterborough, who has been visiting with her sister, Mrs. M. G. Welsh, Zion, for the past week, returned home on Tuesday.

NEWS NUGGETS.

—Regular meeting of Court Peterborough, No. 29, O. O. F., will be held this evening.

—Piano tuning promptly attended to. Satisfaction guaranteed. A. F. Hoover, 'phone 199. d

—The St. Andrew's W.F.M.S. have arranged an "At Home" at St. Andrew's Manse to-night at 9 o'clock.

—At the Police Court yesterday morning two men were fined $2 and costs each for being drunk and disorderly.

—The American Federation of Labour, inside workers, No. 9240, meet this evening in the Labour Hall, Water street.

—The returns by goals of the Peterborough-Belleville match will be given out at the Oriental Hotel this evening.

—Mr. R. M. Dennistoun will give an address on "Success" at the Charlotte street Young Men's Guild meeting to-night at 8 o'clock.

—The Peterborough department of Grafton & Co's store will take part in the jubilee of that, oldest clothing manufacturing house in Canada. This firm has been in business fifty years. J. J. Grafton is in town to-day on business connected with the remodelling of their new store here.

J. W. LONGLEY AND MEN HE HAS MET.

Fortnightly Club's Intellectual Symposium.

A DELIGHTFUL EVENING.

Word Pictures of Distinguished Men and Women—Painted With Graceful and Delicate Touches—A Crowded Hall Greets the Eloquent "Blue Nose."

The Fortnightly Club is to be most heartily congratulated upon the complete success, from every point of view, of the first lecture in their winter course. There was a very large attendance, taxing the seating capacity of the hall beyond its limit, and overflowing into adjacent rooms, and the character of the audience was representatives of the best literary, intellectual and social elements of the town. The lecturer was altogether charming—in personality and in the matter and manner of his eloquent and interesting deliverance.

HON. JAMES WILBERFORCE LONGLEY
M.A., K.C., Attorney-General of Nova Scotia.

Mr. Longley is a gentleman of slender, but wiry figure, with clear-cut features and a clean shaven face, except for a light moustache. His rather thin locks are touched with the frost of advancing years, of which he has numbered almost exactly 54, having celebrated his birthday last Sunday, week, Jan. 3rd. Mr. Longley was born in Paradise, N. S., and last night he must have felt at home, for the cordial reception with which his address was greeted showed that his hearers felt that they were, for the time of its continuance, about an hour and a half, in an intellectual paradise. Mr. Longley's manner of speaking is easy and fluent, and the way he dealt with his subject was flattering to his hearers, for though he gave the same address the previous evening, yet his apparently unpremeditated manner of dealing with it left the impression that it was prepared specially for the occasion and the audience to which it was so delightfully addressed last night. His style is concise, marred by no redundant verbiage or apparent strivings after meretricious effect, and clear. His analysis of the characters of the persons he dealt with and of incidental, political or literary subjects, made clear scores of things which escape the most careful reading. The pleasing character of his dignified and easy style was much emphasized by the vein of quiet, yet appealing and incidental humour that lighted his address at intervals.

THE LECTURE.

Mr. John Jeffries, president of the Club, occupied the chair and briefly introduced the lecturer as a great and good man—good because he was born in Paradise, and great because of his important political services and his achievements in the sphere of letters.

Mr. Longley's address on "Men I Have Met," does not lend itself to extended report. Abridgement of its entirety would destroy its charm to the extent of its curtailment. It will be only necessary to refer cursorily to the great characters dealt with. The speaker began by describing the divinity that hedges in the British House of Commons, and the difficulty of procuring admission, which led up to descriptions of the chief members, Lord Rosebery, Sir William Vernon Harcourt, Sir Charles Dilke, Campbell-Bannerman. In mentioning Joseph Chamberlain, whose name was received with loud applause, the speaker paid a warm tribute to him, describing him as "the ablest and most interesting personality in the life of Great Britain to-day," a man of tireless energy, who had a firm grasp of the details of colonial questions, unsurpassed by any living man in Great Britain to-day. No other half dozen men in public life had had more influence in shaping the policy of the Empire. Chamberlain never slumbers nor nor sleeps, and has a complete mastery of the details of matters associated with this Dominion.

HIS GRACIOUS MAJESTY.

Mr. Longley gave a charming word picture of King Edward VII. He met him as the Prince of Wales, at a Grey's Inn Banquet in 1895. Of all the distinguished men he had met, Mr. Longley never met one who had shown greater solicitude to be polite, pleasant and affable to those about him than his present Majesty, King Edward. He had a delightful greeting for everyone present. In looking over the potentates of the world, no sovereign in Europe, in fact or power over the hearts of his subjects, in any way approached King Edward VII. (Applause.)

LITERARY CHARACTERS.

Mr. Longley said that he had long had a speaking interest in literature, and naturally when in London, he sought literary company. He spoke of meeting I. Zangwill, the Hebrew novelist, Mrs. Alexander, Mrs. Frances Hodgson Burrett, J. K. Jerome, Mrs. Custer, Grant Allen, and others. In passing he dealt in a most delightful way with the personality and literary characteristics of those he had met. Marie Corelli was spoken of in most appreciative terms, which corrected many of the prejudices of those who had read her works with less critical insight than had done Mr. Longley.

CIS-ATLANTIC MEN HE HAD MET.

Crossing the ocean, he spoke of a visit to Washington, U. S., and of his meeting with President Cleveland and President McKinley. Cleveland was elected as an honest man, and because he showed himself to be an honest man, he lost prestige.

In dealing with Canadians he had met, Mr. Longley paid a glowing tribute to the late Joseph Howe, of Nova Scotia. He was not only a great politician and a polished litterateur, but he was a man of prophetic instincts. He was the first to advocate confederation, and in 1850 advocated the Intercolonial Railway and predicted that it would ultimately extend to the Pacific. He procured, for the Province of Nova Scotia, by peaceable means the boon of responsible government which Ontario and Quebec had won by bloodshed and rebellion. He crusaded Nova Scotia inspiring the young men of that province with high ideals of public service, with the result that Nova Scotia had sent more great men into the arena of public life than any other Province in Canada. Mr. Longley gave a strikingly exact imitation of "Joe" Howe's style of oratory as those can testify who have heard the great tribune, and closed his delightful address with an eloquent peroration showing that great men could serve for the ancestry of humble, but gifted, and aspiring young men.

A hearty vote of thanks, moved by Mr. Sheriff Hall, and seconded by Mr. D. W. Dumble, was enthusiastically passed and gracefully and humourously acknowledged.

Fountain Pens from $1.00 to $5.00 and Stylographic Pens at $1.00, all guaranteed—at Sallsbury's.

DR. FITZGERALD'S SUDDEN DEATH.

Fell a Victim to Apoplexy on Saturday Evening, Jan. 10.

The following from the Amherst N. S., Daily News of Jan. 12th, refers to the sadly sudden death of a promising young physician and former resident of Peterborough, Dr. Gerald D. Fitzgerald:

"The people of Amherst who were out Saturday night were startled to hear of the sudden death of Dr. Gerald D. Fitzgerald, which occurred about 8 o'clock in the evening from the effects of a stroke of apoplexy, with which the deceased was seized about 6.30 o'clock. The doctor who boarded at Mrs. Davis' on Crescent avenue, had not been well and had been in the house all day. About 3.30 o'clock he was down stairs attending to some business matters over the telephone, and Mrs. Davis noticed that upon going upstairs again he appeared rather weak. About six o'clock she went up to his room and asked him if he would care for a bowl of soup, and he replied in the affirmative. Shortly after having taken this up to him, those who were down stairs heard him breathing very heavily, and on going to his room to ascertain the cause, Mrs. Davis found the doctor unconscious. Dr. McQueen was called in, and finding the case a very desperate one sent for Doctors McDougall and Bliss, and all three endeavoured in every way possible to restore consciousness, but their efforts proved fruitless. Dr. Fitzgerald expired about eight o'clock.

Dr. McQueen telegraphed to his brother in Peterborough, Ont., regarding the disposal of the body, and he is expected here to-day on the C. P. R. and will take charge of the remains. It is not kpown whether they will be buried here, or removed to his former home in Ontario.

Dr. Fitzgerald was a graduate of Queens University of the class of 1893 and was in the thirty-second year of his age. He came here last May and was working up a lucrative practice. He was a fine looking man, of splendid physique and athletic bearing. A younger brother died under similar circumstances some two years ago. Both parents are dead and the brother who is coming to look after the remains, is, as far as we can learn, the only surviving member of the family."

The brother mentioned above went to Amherst and the sad circumstances of his visit were mitigated as far as sympathy could do so by the kindness received by the citizens of Amherst. Below is a copy of the resolution of condolence presented to Mr. Fitzgerald by the members of Branch 168, C.M.B.A., of which the late Dr. Fitzgerald was medical examiner and member:

To J. W. Fitzgerald, Esq., Peterborough, Ontario:

Dear Sir,—We, the members of branch 168, C.M.B.A., of this city, wish to offer you condolence on the death of your brother, Dr. G. D. Fitzgerald, who died suddenly on the 10th inst. He has been medical examiner of our Branch for the past five months, and a member of Branch 168 for about four months. In that time we have learned to appreciate him, and his sudden death has cast a gloom over our Branch, but bowing to the will of God we accept this as a warning and pray Almighty God to have mercy on his soul.

ELIMINATE STRIKES.

How Industrial Peace may be Secured —Boot and Shoe Workers' Union Points the way.

The visit to Peterborough this week of Mr. E. A. L. O'Dell, the Canadian representative of the Boot and Shoe Workers' union is of special interest to members of the various trades unions in town. In this connection we have been requested to publish the following interesting statement, relative to the arbitration policy of the organization which Mr. O'Dell represents:—

"Under our present policy strikes in a union shoe factory are an impossibility. When we grant the use of our stamp to a manufacturer, we enter into an agreement by a signed contract that there shall be no strike or lockout, and that all questions of wages or conditions of labour which cannot be settled by mutual agreement shall be submitted to a board of arbitration, and thee decision of this board shall be final and binding upon the employer,, the union and the employees. In Massachusetts the state board of arbitration is chosen as our arbiter, and it Canada, or the province of Ontario, had an official board of arbitration we would be glad to have such board act as our joint arbiter here. However, in Canada and most of the states a board of arbitration is provided, and thus strikes are eliminated from this great boot and shoe industry.

'This is the policy that has gained for us industrial peace during the past three years, and has made the Boot and Shoe Workers' union a very powerful organization with 25,000 members and an income of $150,000 a year. The growing demand both in Canada and the United States, for Union stamped shoes makes it of mutual advantage to both capital and labour to produce shoes under this wise and peaceful policy."

"In bringing about this wise policy the Boot and Shoe Workers' union recognized that the claims of both parties must be understood by each. Where differences occur the claims of both sides must be calmly discussed. This new policy may be termed "collective bargaining," and this has brought not only inddustrial peace, but a better feeling between both sides."

"What will be the final effect of your policy?" was asked.

"Most far-reaching, in fact it means nothing short of a complete revolution in trade unionism in America. The nation that succeeds in establishing a permanent industrial peace will have such a tremendous economic advantage over other nations that they in turn will be forced by our competitive system to see the wisdom of our policy."

"In the first place, you see, our label or stamp as we have it, promotes business, and is the guide post pointing the way to industrial harmony. A general demand by the public for union stamped shoes would guaarantee peace between 200,000 shoe workers and 2,000 manufacturers in Canada and the United States.

MURRAY STREET BAPTIST CHURCH

Held Their Annual Meeting Last Evening.

ENCOURAGING REPORTS READ

Nearly $1200 was Contributed for Missions During the Year—The Officers Elected.

The annual business meeting of the Murray street Baptist church was held last evening, when very encouraging reports were presented from the different officers and societies of the church. The pastor, Rev. J. Bastow, M.A., occupied the chair.

After devotional exercises had been conducted by the pastor, the reception of reports was taken up, which showed the past year to have been a very prosperous one, both spiritually and financially.

MEMBERSHIP REPORT.

The Church Clerk, Mr. Albert Martin, presented the Membership Report, which was as follows:

During the year ending Dec. 31st, 1902, there were 37 received into membership, made up as follows:—By baptism, 14; by letter, 20; on experience, 5; as against 11 the previous year.

There were 12 dismissed in the following manner:—By letter, 11; by withdrawal, 1; as against 27 in 1901.

The total membership on Dec. 31st, 1902, was 358.

TREASURER'S STATEMENT.

Mr. T. F. Matthews, treasurer, presented the financial statement for the year ending Dec. 31st, 1902, as follows:

Receipts.

Finance Committee—	
First quarter	$ 615 15
Second quarter	607 83
Third quarter	586 50
Fourth quarter	1,001 25
Bank of Montreal, interest	2 73
Balance due bank Dec. 31st, 1902	74 74
	$2,868 04

Disbursements.

Balance due bank Jan., 1902	$ 50 09
Salaries	1,600 00
Pulpit supply	45 00
Denominational Objects—

Foreign Missions	29 24
Home Missions	20 98
Grande Ligne Missions	32 47
Balance in bank	141 95
	$312 26

REPORT OF B. Y. P. U.

Miss Mary Garbutt, secretary-treasurer of the Baptist Young People's Union, read the report of the Society as follows:

In taking a retrospective view of the year's work done by the B. Y. P. U., we feel thankful for the many blessings we have received from our Heavenly Father. Owing to removal from town our Union has lost seven of its active members, but we feel thankful that death has not immediately visited our members, but we are indeed sorry to learn of the death of one of our former members, Miss Nellie Wallace, of Winnipeg, who has gone home to her reward.

During the year ten new names have been added to our roll and our present membership is 52 active and 8 associate.

Our Monday evening meetings have, throughout the year, even in the holiday season, been well attended, and have, in general, been of a devotional character, which have been led by the different members. We are also much indebted to Miss Dixon, Mr. G. H. Williamson, Mr. H. E. Ayers, Rev. Mr. Hanna, for the valuable assistance which they have given us.

At our business meeting reports were heard from the different committees. The treasurer's report showed a balance of $11.90 to our credit. Aside from the usual expenses $10 has been sent to Rev. Mr. Pear at New Liskeard.

Miss L. Distin, treasurer of the B. Y. P. U., presented the following financial statement:—

Receipts.

To balance on hand	$ 6 87
To amount of collections	32 24
Total	$39 11

Expenditures.

By miscellaneous expense	$17 20
By amount sent Mr. Pear	10 00
By balance on hand	11 91
Total	$39 11

WOMAN'S MISSION CIRCLE.

Miss M A. Nicholls, Secretary-Treasurer of the Woman's Mission Circle, read the report, and among other things it contained the following:

In presenting this report, we, as a Circle, can say with the Psalmist, "Surely goodness and mercy hath followed us." During the year death has not entered our Circle. We close the year with a membership of 67, one more than last year. Number of contributors to Home Missions, 44; Foreign Missions, 43. Number of subscribers to The Link, 26; The Home Mission Visitor, 70. Eleven meetings have been held with an average attendance of 30.

Contributed for Home Missions	$114 40
Contributed for Foreign Missions	97 23
Contributed for N. W. Missions	7 00
Monthly collections	5 86
	$224 59

In October a barrel, containing clothing for distribution, also books for a Sunday school library, was sent to Mr. Peer at New Liskeard, and was thankfully acknowledged.

MISSION BAND.

Miss Ada Bradshaw, on behalf of the Mission Band, read a very creditable report of that branch of the work, which showed that there were 79 names on the roll with an average attendance of about 30. The Baby Band has 23 members on the roll. The total amount raised by the Mission Band was $46.90.

ELECTION OF OFFICERS.

The election of officers for the ensuing year resulted as follows:

Deacons — Messrs. A. J. Raddon, and R. S. Merrell.
Clerk—Mr. A. Martin.
Assistant Clerk—Mrs. J. Bastow.
Treasurer—Mr. T. F. Matthews.
Auditors — Messrs. A. J. Raddon and R. S. Merrell.
Finance Committee — Messrs. G. Cochrane, W. Aldridge, G. S. Matthews, Dr. Scott and A. J. Raddon.
Representative on Charity Board—Mr. W. Aldridge.

As there is a small debt on the church of $74.74, it was decided to make a special offering on Sunday, Jan. 25th, for the purpose, so that the church can start the year free from any deficit.

BRITISH CATTLE MARKET.

London, Jan. 15.—Live cattle steady at 12¼c to 12¾c per lb. for American steers, dressed weight; Canadian steers, 11¾c to 12¾c per lb.; refrigerator beef, 11c per lb.

Fights Outside Tangier.

Tangier, Morocco, Jan. 16.—There was a renewal of the fighting yesterday between the factions outside of this city. The house of a British subject was threatened with attack. The Sultan's deputy sent troops to protect this property, whereupon the assailants retired. The Imperial troops set fire to one village. Almost all the Europeans now in Tangier followed yesterday's operations on horseback.

The Skin on Fire.

So dreadful are the sensations of burning, itching eczema that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first few applications may cause a little uneasiness but cure is sure to result and the skin is healed without scar or blemish.

NAMES THAT STIR.

MEN WHO HAVE WON DISTINCTION IN VARIOUS FIELDS.

Almirante Cochrane, the Greatest of All British Adventurers — Sketch of His Wonderful Career—Authors Who Have Served Before the Mast and Troopers Who Have Won Distinction—Frontiersmen of the Fur Trade.

In the list of adventurers who became kings there are also several Englishmen. Mr. Brooke became Rajah of Sarawak, where his grandson reigns to-day. The King of Cocos Keeling in the South Seas is an Englishman. In India an Ex-Civil servant, Cowper by name, vanished under a cloud and turned up in Kaffristand asking of a region which to this day is unsafe for any European. He erected a temple in his own hon-

ADMIRAL COCHRANE BOARDING THE ESMERALDA.

or, and was worshiped as a popular god.

It is more usual, however, for the British adventurer into barbarous countries to give his loyal support to some tottering throne, or to fight for a lost cause. General Gordon was given twenty thousand Chinamen, smashed a revolt of fifteen hundred thousand rebels, and saved the Chinese Government. For years Sir Robert Hart has been the power behind the Throne saving China from disruption, and Mr. McLeavy Brown has secretly governed the Kingdom of Corea. John Finlayson for many years was the Commander-in-Chief and Prime Minister of the Moorish Empire, and now another gallant Scotsman, Caid McLean, is ably taking the place left vacant by his death. Colonel Valentine Baker, banished by her late Majesty, led Turkish armies to victory, and time and again tried to throw away his own life in battle because he could not win pardon from his Queen. He sinned greatly, but his penance has left a glorious memory.

Greatest of all British adventurers was the Almirante Cochrane. He began as an army officer, but at the age of 17 entered the navy. At the age of 25 he commanded the Speedy sloop of war of 14 guns and 54 men, with which in ten months he took 33 vessels, making prizes of 128 guns and 538 men. During the next nine years his extraordinary valor and success in numberless actions won for him post rank, the knighthood of the Bath, a seat in Parliament, and a vigorous circle of private enemies. In 1814 these managed to persuade a court of justice that he had used a rumor of Napoleon's downfall to speculate on the Stock Exchange. Having done no such thing he was found "Guilty," fined £1,000, given a year's imprisonment, condemned to the pillory, struk off the navy list, expelled from the House of Commons, and deprived of his Order of the Bath. Chili, fighting hard for her liberation from Spain, gave him command of some wreckage, described as a navy, with which he thrashed a Spanish fleet, stormed and took Valdivia, and once with a handful of seamen he cut out a forty-gun Spanish frigate from under the very walls of the forts at Callao. He liberated Chili, and is remembered there as the national hero. Brazil was in revolt against Portugal, so it was her turn next. The Almirante Cochrane with one ship chased a Portuguese fleet right across the Atlantic. He was the principal liberator of Brazil. Greece was fighting Turkey for her freedom, so the hero went for the Turks. In this case, however, he told the Greeks that they were a pack of cowards, and when they failed to support him sailed for home in disgust. When the conqueror returned to England in triumph, and succeeded to the earldom of Dundonald, his naval rank was restored, Queen Victoria gave him the Grand Cross of the Bath, he was made commander-in-chief on the North American station, and finally achieved the rank of rear-admiral of the United Kingdom. In his later years he invented a lot of valuable naval appliances, and at the age of 80 published his autobiography. So he found his way in the end to Westminster Abbey, ranking next to Nelson as the greatest of all our sailors.

The French have been less fortunate with their recent adventurers. One deserter from the French army became lately a pirate chief in Cochin China. The son of a shopkeeper in Rouen is known to fame as Osman Digna, who was second in command to the Khalifa, and fell at the battle of Omdurman. The Marquis de Mores in his bitter hatred of England attempted to join the Khalifa, but was killed by the wild Arabs of the Sahara desert. Another of the Khalifa's allies was Oliver Pain, an Englishman who had been a leader in the French Commune of 1871, and escaped from penal servitude in New Caledonia.

Many distinguished authors of today have served the apprenticeship of their trade before the mast, including Joseph Conrad, Cutcliffe Hyne, Morley Roberts, George Griffith and Frank Bullen. Sailors before the mast were Captain Cooke, Captain Vancouver, and Captain Dampier, the explorers. Sea doctors include Srmollet and Sir Conan Doyle, who was surgeon on board a Greenland whaler.

Among the cowboys and stockriders must be included the Marquis of Salisbury, who, in 1851-3, was a New Zealand stockman and an Australian gold miner; the Earl of Shannon, who was a cowboy in Canada; and Lord James Beresford, who is one of the best riders, ropers, and broncho busters in Mexico.

As to troopers in his Majesty's service, one might count up a whole list of peers and baronets, and thousands of gentlemen. Among the distinguished soldiers from the ranks are David Christie Murray and Edgar Wallace, the war correspondents; General Sir Hector Macdonald, and Colonel S. B. Steele, the brilliant officer who was administrator of the Yukon, commanded Strathcona's Horse, and is now second in command of the South African Constabulary.

Among the frontiersmen of the fur trade were Sir Alexander Mackenzie, who first crossed the North American continent; Dr. Rae, who solved the mystery of Sir John Franklin, and the great Lord Strathcona.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the new Inhaler Remedy, "Catarrhozone," the treatment of catarrhal diseases has been entirerevolutionized. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Polson & Co., Kingston, Ont.

Dr. Hamilton's Mandrake and Butternut Pills.

Newfoundland Game Laws.

In Newfoundland the game laws are framed to give the natives great liberty, the open season extending from July 15 to Oct. 1 and from Oct. 20 until Feb. 1.

Gladiolus Bulbs.

All gladiolus bulbs should be taken up in the fall and saved from frost until planting time in the spring, and the little bulbs that form at the root of the old bulb are more certain to grow if kept over a whole season before planting out.

Ground Glass Imitation.

To imitate ground glass dissolve epsom salts in beer and apply it with a brush to the glass. As it dries it crystallizes.

A Hard Tongue Twister.

One o. the longest words on record occurs in a United States patent for a certain chemical compound. The patent reads thus: "It is an amidobensofiavine produced by transforming the nitrotetraamidoditolylphenylmethan of amididitolylphenylmethan into pentaamidoditolylphenylmethan."

Cucumbers.

Certain cucumber lovers say that the only way in which to preserve perfectly their crispiness and flavor is to pare them, cut them into lengthwise sections and serve them with salt, like celery.

The First M. D.

The first "doctor of medicine" was Guglielmo Gordenio, who received the honor from the college of Aosti, in Italy, in 1220.

NERVOUS HEADACHE.

The Cause of Much Suffering to Women is Permanently Cured When the System is Built up by

Dr. Chase's Nerve Food.

Headache powders relieve headaches, but they have never cured them, and they are not intended to make a lasting cure. Besides the risk run in using a drug that is strong enough to instantly stop pain, you may be sure that the reaction on the nervous system is most trying and injurious.

Mrs. Clancy, whose letter is quoted below, was subject to headaches for nineteen years, and in spite of all the headache remedies she used she could get no lasting benefit. She suffered so severely when the attacks would come on that she could not go about the house. She has restored her nervous system by the use of Dr. Chase's Nerve Food, and her headaches have entirely disappeared.

Mrs. Jas. Clancy, 714 Water street, Peterborough, Ont., writes: "I have used four boxes of Dr. Chase's Nerve Food, and found them an excellent medicine. I was troubled more or less for nineteen years with severe headaches, which made me useless as far as accomplishing my work was concerned.

"The Nerve Food seemed to build me up generally, and so made a thorough cure of my old trouble. I would not think of being without Dr. Chase's Nerve Food in the house and would strongly recommend anyone suffering as I did to give it a trial. It succeeded in my case after a great many remedies had failed."

To the thousands of women who are victims of nervous headaches this letter should prove of inestimable value. If they will but follow the advice of Mrs. Clancy they can be certain of great and lasting benefit.

Dr. Chase's Nerve Food, 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. 1

ABOUT THE WAZIRIS

TRIBE FOR A LONG TIME TROUBLE ON THE INDIAN FRONTIER.

Their Country Is Another Switzerland, But the People Are Totally Different From the Swiss—They Are Born With the Instinct of Robbers—The Home of the Waziris.

Shortly after Lord Kitchener arrives in India he may take to the field again for the purpose of punishing a nation or tribe that has for a long time been a source of trouble on the Indian frontier. The commander-in-chief will first attend the great durbar, when the peoples of India will participate in a sort of mock coronation, carried out on a very grand scale. Then he will lay plans and execute projects for the purpose of convincing the Waziris of the power and the might of King Edward's right arm.

It may be asked by lovers of peace why it is that Great Britain is sending its armies through the jungle to make war against an ignorant, semi-civilized tribe. The answer to this is that Great Britain has no option in the matter. The Waziris are making war against the British, or the country and tribes we are bound to protect, and we must face, meet them, and subdue them in self-defence.

The country of the Waziris is described as Switzerland over again. It is on the north-west frontier of India, a little to the north-east of Peshawur. It runs down the whole Indo-Afghan frontier line to the mouth of the River Hab. It is hilly and rocky, and densely wooded. There is no more difficult piece of country from a military point of view in all India. By military experts it is declared that if occupied by a people fighting with modern weapons, organized by trained officers, it would be practically unassailable. Of this country a recent writer says: "As Waziristan is approached from the hot and dusty plains of the Indus, barren, razor-like ridges give place to higher hills, terminating in precipitous cliffs, the uppermost slopes being dotted over with the smooth round bushes of the young ilex or oak tree. These give place again to a glorious range of mountains, culminating in two giant peaks—Shuidar and Pirghui—each of them rising 11,000 feet above the Plains of Indus, and standing like twin sentinels, guardians of the western passes of the country."

It is said of the Waziris that they are born with the instinct of robbers. In their own rough and rugged country cultivation is confined to narrow strips of land found along the mountain streams. From the natural strongholds which these people occupy they look down on the rich and fertile plains of the Punjaub with envy and covetousness. These plains are the traditional hunting grounds of the Waziris. They swoop down upon them, carrying such spoil as can be gathered in, and retreating with it to their mountain fastnesses. When one of these raids occur upon the country under British protection the Government of India has to send a strong and well-equipped expedition, as it is now doing, to discipline the Waziris. The raiders may escape, but the tribe is subjected to such punishment as is calculated to prove a warning for the future. After such an admonition there is peace for a time, but it is at best only a brief cessation of hostilities.

To these people war is merely one variety of sport. As we take to golf, ping-pong, and other pastimes to give interest and variety to life, the Waziris regard their raids on the country below them as excellent entertainment for old and young, which has the element of profit as well as of danger. Great Britain they despise as a young and consequently unstable concern. It is the boast of these people that kingdoms and armies have come and gone, but like Tennyson's brook, they go on forever. If they will leave British India alone British India will be well content to leave them alone. The Waziris are not the aborigines of the country. They have in years gone by overflown from the highlands of Central Asia—the roof of the world—and have partly absorbed and partly displaced the indigenous races. If they have a special pride in their antiquity that is their chief possession, and hence a war, however disastrous it may be, does not entail great losses and hardships upon them.

At frequent intervals these people break out and kill and rob their neighbors. An important campaign against them was undertaken by the British in 1881. On that occasion the Waziris had raided Tank, an Indian town in the Indus. Their leader there was one Mushaki. As he was held responsible for the affair the British demanded his surrender. Two columns were sent in search of him. After a slight engagement the enemy bolted. Much destruction was done to the Waziri villages. Finally the war was ended by the surrender of Mushaki, and peace was maintained for some years.

A few years ago, in June, 1897, there was another uprising. The Waziris surprised a small British force at a place called Maizar. Four officers were killed, three were wounded, and the British were compelled to retreat. There was at that time no hostilities in progress, and no justification for the attack. An expedition under General Corrie Bird was sent to Waziristan to administer punishment. It occupied the country and convinced the people temporarily of the folly of making war on the British.

Repeated acts of lawlessness and further raids have compelled the Government of India to send another expedition against the Waziris. There is a suspicion that the people are moved by Russian intrigue to make trouble for the British. This idea is scouted officially, and probably is unfounded. It is certain, however, that both money and arms are being supplied from outside for the purpose of encouraging hostilities.

The British expedition commanded

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—

Stomachs on Stilts.

The man who puts on stilts does not increase his actual stature by the breadth of a hair. He feels taller while he's on the stilts, and when he's off them he feels shorter than he ever felt. Stimulants are the stilts of the stomach. They make a man feel better for the time being, but he feels a great deal worse for them afterward.

The need of the man whose stomach is "weak" is not stimulation but strength. Dr. Pierce's Golden Medical Discovery perfectly answers that need. It cures the diseases of the digestive and nutritive system which make the stomach "weak." It enables the digestion and assimilation of food, so that the body receives the nutrition on which depends its strength.

"I took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble," writes Clarence Carnot, Esq., Taylorstown, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat most anything now. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. A gentleman told me of your medicine, and how it cured his wife. Thought I would try a bottle of it. Am now glad that I did, for I do not know what I should have done had it not been for Dr. Pierce's Golden Medical Discovery."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; You lose. Therefore accept no substitute for "Golden Medical Discovery."

The sluggish liver is made active by the use of Dr. Pierce's Pleasant Pellets.

A teaspoonful in a glass of water and you get a draught of

THE NAMELESS.

A little stream had lost its way
Amid the grass and fern;
A passing stranger scooped a well,
Where weary men might turn;
He walled it in, and hung with care
A ladle at the brink;
He thought not of the deed he did,
But judged that all might drink.
He passed again, and lo! the well,
By summer never dried,
Had cooled ten thousand parched tongues,
And saved a life beside.

A nameless man, amid a crowd
That thronged the daily mart,
Let fall a word of hope and love,
Unstudied, from the heart;
A whisper on the tumult thrown,
A transitory breath—
It raised a brother from the dust,
It saved a soul from death.
O germ! O fount! O word of love!
O thought at random cast!
Ye were but little at the first,
But mighty at the last.

—Charles McKay.

Pen Sketch of Anthony Hope.

M.A.P. has the following pen sketch of Anthony Hope:—He is a man of fair inches, slightly but compactly built, clean-shaven, with light brown fluffy hair, in that state which evokes the barber's half-pitying, half-scornful remark: "Getting a little thin on the top, sir"; large, almost prominent, grey-blue eyes; beautiful teeth, and a singularly charming smile, which lights up a face in repose somewhat severe, indeed, almost ascetic. Temperamentally, one is tempted to think that when he drew that famous impersonator, Mr. Rudolf Rassendyll, he unconsciously drew himself. This sounds a dark saying, for what can the quiet, studious, stay-at-home author have in common with the roaming, daring, love-making, man-killing impostor? Much. The same mastery of self, the same knowledge of men and affairs, the same well-bred coolness and reserve, the same indolent, detached outlook on life, till occasion calls for action, and then, one would say, the same capacity to rise and take his part. One cannot imagine Mr. Hope getting excited; one can understand that he might very readily become "dangerous." But this far his life, so he will tell you, has been entirely uneventful. He has no especial hobbies, though he is not averse from picking up a rare piece of old silver, and is a pretty constant first-nighter. Walking is his only outdoor recreation. As regards methods of work, he will have nought of dictating, typing, phonographing, or any other of the modern author's devices for decreasing his manual labor and increasing his output. He writes every line himself in a neat, upright hand; is a bad starter; and revises to a fair extent. He is not quite sure whether he prefers novel or play writing. Perhaps the latter, because "it is such a gamble." Surely there is some of the Rassendyll leaven in that remark.

Would Not Wed for Love.

The sale of a batch of letters of Disraeli to his sister, written before the days of his fame, brought to light some interesting passages in which "Dizzy," as he always was to his sister, was very candid.

In describing a visit to Wyndham Lewis', he writes. "By-the-bye, would you like Lady Z for a sister-in-law? She is very clever, has $250,000, and is domestic. As for love, all my friends who married for love or beauty either beat their wives or live apart from them. This is literally the case. I may commit many follies in life, but I never intend to marry for love, which, I am sure, is a guarantee of infelicity."

Within four years Disraeli married Wyndham Lewis' prosperous widow.

In a letter written four years before he became a member of Parliament, Disraeli thus described a debate in the House of Commons: "It was one of the finest we have had in years. Bulwer spoke, but is physically disqualified, and in spite of all his exertions can never succeed. I heard Macaulay's best speeches and Shell and Charles Grant. Macauley was admirable, but between ourselves, I could floor them all. This is entre nous. I have never been more confident of anything than that I could carry everything before me in the House. The time will come."

Beaconsfield's Breeches.

We may conclude from an anecdote in Sir Edward Hertslet's "Recollections of the Old Foreign Office" that it is a wise valet that knows all his master's clothes by sight.

Lord Beaconsfield was one of the Elder Brethren of the Trinity House, and as such owned a special official uniform. One day he was about to attend a levee at St. James's Palace, and his valet laid out his clothes for the occasion.

Having implicit confidence in his valet, Beaconsfield dressed and went to the levee. On appearing before the Prince—now Edward VII.—the diplomatist and minister made his bow and, to his surprise, was greeted with an amused smile.

"It won't do," His Royal Highness jocularly remarked. "You're found out!"

"In what, sir?" demanded Beaconsfield.

"Oh," said the Prince, still smiling, "you've got the wrong trousers on!"

And, to his horror, on looking down, Beaconsfield found that he had got his diplomatic uniform coat on with his Trinity House trousers—a sartorial sin which included omission and commission.

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrozone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure liver complaint.

Subject of a Punch Cartoon.

The death occurred recently at Moruya, in New South Wales, of a Crimean veteran who once attracted a good deal of attention. Mr. George Solly had for many years been a prosperous settler at Moruya, and was a popular figure in the district. He was one of the bluejackets landed from the British warship Rodney in the Crimea, and had the clasps for Inkerman, Balaclava, the Alma, and Sebastopol. While Sebastopol was burning and the fighting still going on, he regaled himself and his comrades by dancing a hornpipe on the ramparts, and the incident was afterwards made the subject of a cartoon in Punch.

Use Lever's Dry Soap (a powder) to wash woolens and flannels,—you'll like it. 32

A Maniac's Delusion.

One of the delusions of a lunatic recently sent to an asylum at Ararat, Victoria, was that he was being pursued by a ghost which had come all the way from the Gaitee mountains, in Ireland, to haunt him.

Coins For Cholera.

All kinds of remedies are used by the Chinese to cure cholera, but the strangest which has come under notice so far is this: The patient attacked with cholera chews up a number of large "cash," the old ones of better days, when they were made large and of copper.

When Iron Melts.

The heat of a common coal fire is 1,140 degrees, but it takes 3,479 degrees to melt iron.

Coal Consumption.

It is calculated by an engineer that 630,000,000 tons of coal are used annually throughout the world. Of this amount 148,000,000 are burnt in the United States. Great Britain comes in second, with an annual consumption of 140,000,000.

The following despatches have been received by E. M. Poussett & Co. from McIntyre & Marshall, of New York and Chicago:

New York, Jan. 15.—Times prints rmor R. I. controlling Erie. Rumors increased div. on C. P. R. 40 roads first week Jan. average gross inc. 8.37 p.c. Active export demand for wheat and corn at improving prices. London bullish on Erie, no Erie bond issue contemplated. Time money freely offered at 5 1-2 p.c. Banks gained from sub-treasury since Friday $2,572000. L.&N. engineers get 10 p.c. advance. B.O. increase net for Dec. $215,339.

DOW, JONES & CO.

The trading was so mixed Yesterday that statement was somewhat confused. There is no doubt that some large interests have been good sellers the past few days and at same time outsiders more conservative. Sharp break of 15 points in rate for demand sterling was not known until near close and new buying it influenced it caused closing rally. Money market very satisfactory and we believe on any break good stocks are a buy.

M. & M.

New York, Jan. 16th.—The disappointing action of the market yesterday has quite generally discouraged many recent bulls, as well as holders of stocks, and it is quite probable that we shall see further pressure on the market in the way of some scattering selling to liquidate long selling stock, and further short selling by the bear element. Many traders have turned over to bear side on lack of outside buying shown in the recent dealings, and also the apparent subsidence the recent rather aggressive bull manipulation. The public has but few stocks. In present movement a large short interest will soon be created, and this of itself will later on form a good foundation for a renewed advance.

M. & M.

2.30 p.m.—Cotton.—Futures 4 to 5 points advance as compared with yesterday's closing.

M. & M.

Bulletin.—The report that the steamer St. Louis was sighted yesterday is untrue. No sign of her yet. She is now four days over-due and the fact causes great anxiety. She has over 300 passengers on her books.

Brokers report trading in stocks have been almost entirely professional in its general character since opening, and that it continues so. There has been less selling pressure on market than yesterday, and as a consequence of this and strength of M. O.P. L.N. and S.R., the general list has shown a better tone. There is an entire absence of any unfavourable news developments whatever. While commission house business shows no new buying, there is no selling pressure from that source. London is a moderate buyer but not much of a factor Regarding tomorrow's bank statement there is every indication that it should be fully as good as last week. Thus we can see no special reason to expect any break in the market. Strength in L.N. and S.R. is due to disclosures before the Interstate Commission investigation of the L. & N. deal having induced some buying. Buying in M. O.P. has been mostly conducted by the distribution of orders by Butler Bros.. There is no chance of gold shipments for another week. An idea of the character of the market can b obtained from the fact that the total transactions were not much in excess of 150,000 shares.

M. & M.

HAVELOCK BANKERS WERE BANQUETTED.

(Continued From 1st Page.)

ourable circumstances under which the Sovereign Bank started out, having issued its stock at 25 per cent. above par, which was a rather unique feature. He thought that Havelock should make an effort towards obtaining some manufacturing industries, having excellent natural facilities for such.

Mr. Chandler at this juncture ture stated that he had forgotten to mention the fact that the new office of the bank was not yet in a finished state, but would be so in the course of a few weeks, when they would have apartments second to none in their service.

Mr. Chandler's additional remarks were followed by another selection from Mr. Halpany.

MANUFACTURING INTERESTS.

The toasts of the manufacturing interests was replied to by Messrs. Wellington Burgess, president of the Havelock cheese factory, William Craighead, cheesemaker, W. Milne, and others. Mr. Milne saw no reason why Havelock could not soon become a manufacturing centre, as they had excellent natural advantages.

Mr. J. Coone, baker, also responded to the toast, claiming that he had grown up with the village, having came there with his carpet bag 11 years ago, and now being the possessor of a good business.

Mr. A. C. Denicke, druggist, responded in a few brief remarks.

Mr. L. Boyle, grocer, wished the new bank officials every success in Havelock, as did also Mr. L. Swain, merchant tailor, who by special request followed with a vocal selection entitled "The Pumpkin Pies what Mamma used to Bake." He was given hearty applause.

Messrs. Wm. Ritchie, George Young, Thos. Bennett, W. Webb, Ward Patterson, responded to the toast of the Canadian Pacific Railway, after which Mr. Halpany gave a well rendered recitation.

The toast of "The Ladies," which came next, was responded to by Rev. Mr. Johnston, Dr. Crawford, Rev. Mr. Campbell, Mr. Somerville, the principal of the public school of the village.

Messrs. T. Howson of Norwood, and W. Burgess, responded briefly to the toast of the farming interests.

Mr. Sills, a local liveryman, was called upon for a few remarks, and he expressed himself as satisfied that the new bank would be successful in Havelock. He thought that the C. P.R. had the fastest trains and Sills' livery the fastest horses on the continent.

After another song by Mr. Jos. Halpany, the toast of the press was drunk, and was responded to by representatives of the Havelock Standard, and the Peterborough Review and Examiner.

The toast of the chairman was drunk, after which the affair was brought to a close by the singing of the National Anthem.

NOTES.

Mr. William Cross presided at the piano in an able manner during the evening.

The committee which had charge of the affair was composed of Messrs J. Thompson, T. W. Curtis, S. S. Joyce, Wm. Matheson, P. Bennett, Geo. Young, W. B. Ritchie, F. Rose and John Knox.

New Year's Dainti at S. A. Oke's.

All new, all fresh, all Select Oysters, Fruits, Confectionery, Relishes, Fish, Haddie, Canned Delicacies. Glad to see all our old friends and many new ones again after Christmas. Fresh delicacies arriving every day. S. A. Oke, 376 George street. Telephone 16.

MARRIED.

EDMISON — FITZGERALD. — At the residence of the bride's parents, Elizabeth street, Ashburnham, on January 14, 1903, byt the Rev. E. A. Langfeldt, M.A., rector of St. Luke's church, Ashburnham, Rev. John Hall Edmison, of Cheltenham, to Lillie Agnes Fitzgerald, of Ashburnham.

LATEST IN SPORTING CIRCLES

Lakefield and T. A. S. Play Here To-night.

Peterborough's Senior Seven Goes to Belleville—The Juniors in Port Hope Other Notes.

HOCKEY.

THE GAMES TO-NIGHT.

The Trent Valley match, which will take place this evening in the Brock street rink between Lakefield and T.A.S., promises to be one of the most interesting that has been played in some time. The Lakefield seven are looked upon as dark horses and may spring a surprise on the local aggregation. The T.A.S. management is to be commended in having made arrangements for the giving out of the returns of the senior game in Belleville and the junior game in Port Hope. This should be a nadditional inducement for many to attend the game this evening.

KEENE WON.

Mr. George Lynch refereed the game in Keene last night between Keene and Norwood. A Keene despatch says that the play was fast, but Keene outclassed the visitors all round. Score at half time: Keene 8, Norwood 2. At the finish: Keene 9, Norwood 5. On account of Dickson's wrist playing out Keene was weak. The teams were as follows:

Norwood — Goal, Fife; point, C. Pearce; cover point, McNichol; forwards, Miller, Pearce, Kempt, McNichol.

Keene — Goal, Dinsdale; point, Dickson; cover point, J. McCarthy; forwards, McCarthy, Walsh, Laing, Quinn.

A SPECIAL TRAIN.

Some idea of the interest that is being taken by the Lakefield people in the match which takes place this evening between the T.A.S. and the team from the northern village may be gained from the fact that the Lakefield club is running a special train to Peterborough in order to accommodate the crowd that wishes to see the game. The train is due to leave Lakefield at 7.30 o'clock. The Lakefield supporters are confident of victory.

GAME CANCELLED.

Peterborough was to have sent a team to Fenelon Falls this evening to play the team of that town, in the Trent Valley League series, but yesterday evening the Fenelon club telegraphed the secretary of the local club stating that they were unable to procure the rink.

The Western District of the League is somewhat slow. Several matches have been postponed, but if the schedule is not completed by Feb. 1st there may be some unpleasantness somewhere.

FOR BELLEVILLE.

The following team left at two o'clock for Belleville:

Goal, Crough.
Point, Cavanah.
Cover point, H. Armstrong.
Forwards, Whitcroft, Graham, Morgan, Roy Armstrong.

Messrs. Jim McCabe and Roly Glover, accompanied the team to the city of the dead. Mr. A. W. McPherson went down to Port Hope with the Juniors.

REFEREE LYNCH.

Mr. George Lynch is establishing quite a reputation as a referee. He has officiated at three Trent Valley League matches this week, two in Keene, and one in Lakefield. Mr. Lynch refereed the game in Keene last night between Keene and Norwood.

SOME BOASTING.

Belleville papers have caught the contagion of boasting so prevalent in villages about its own size. Here's a sample:

"The Peterborough team has several Armstrongs, but we don't believe their legs are strong enough to beat the Belleville boys."

CURLING.

PORT HOPE'S TEAM.

The Port Hope Guide says that the curlers of that town are practicing hard every evening now and should be able to send out a very good team to Peterborough to compete with the Scotchmen on Tuesday.

SCOTCH CURLERS WILL ONLY PLAY FOUR RINKS HERE.

Colonel Edwards to-day received from Mr. Kerr of the Scottish visiting curlers, a telegram which states that they will only be able to play four rinks on the occasion of their visit to Peterborough. The telegram reads:

". . . Will not play more than four rinks; teams tired. Kerr."

This means that only four rinks of the Scotch curlers will be available to meet Peterborough local or visiting rinks on Tuesday night, and only the same number on Wednesday morning or afternoon.

SANDY TROTTER "JINES."

There will be some tall curling at the Charlotte street rink now, since Sandy Trotter has joined the club. Sandy is a full fledged member of the club now, not an honorary, but a regular, orthodox member, with his fee paid in full. Sandy should score a good record. His height is exactly seven feet one inch, and with his foot in the "hack," he has reach enough to drop his stone on the tee without any trouble. Here's luck to Sandy, and may he long live to be the "longest" member of the club.

WRESTLING.

THE GREAT MATCH.

Much interest is being displayed in the wrestling match which is to take place in the opera house on Saturday, January 24th, between Geo. Gauthier and John McDonough. The backers of both are confident of victory.

TURF.

The entries for the coming races have reached the number of 75, and it is possible that even yet all are not in. A number of horses will arrive to-morrow. The track is in good shape, and much practice is being done. Everything is favourable, and indications are that the races will be a great success.

TENNIS.

The meeting of the Peterborough Tennis Club which was called for last night in the Y.M.C.A., was cancelled, owing to the meeting of the Fortnightly Club. The Tennis Club meeting is called again for to-morrow afternoon in the Y.M.C.A. at five o'clock.

LACROSSE.

TIME TO THINK.

The lacrosse clubs throughout the province are beginning to organise for the season of 1903 already. The Thistles of Fergus, last year's champions of the intermediate series of the C.L.A., are the first to elect their officers for the coming season. Peterborough should look over the situation at an early date and make an effort to have an amalgamation of the present clubs in town,, with a view of having a speedy and representative 12 in the C.L.A. this year.

MISCELLANEOUS.

RACING.

Walter Jackson accepts O. Dusty's challenge on condition that the race is for a trophy, not for money.

Family Quarrels.

"How many serious family quarrels, marriages out of spite and alterations of wills might have been prevented by a gentle dose of pills." With the liver and kidneys sluggish, and torpid digestion is impaired and temper ruined. But Dr. Chase's Kidney-Liver Pills by invigorating the action of these organs ensure good digestion and sound health. One pill a dose, 25 cents a box.

In the peculiar entity called style

CONTINUED INTEREST IN OUR GROWING SALE OF FINE

WHITE GOODS

And Ladies' Lingerie.

It is impossible to exhaust the interest in our Second-to-None Sale of Whitewear and Undermuslins with one, two or a dozen tellings. It remains just as fresh and crisp to-day as the hundreds of snowy white garments that still serve to arouse it.

At the same time other White Goods sections of the Golden Lion are holding out very closely priced offers in white Linen Table Cloths, Satin Damask Table Linens, Napkins, Pillow Cottons, Sheetings and Towellings. Special drives in the popular Monte Coats, Scotch Wool Shawls and Black Brocaded Duchesse Satins. A few figures will illustrate:—

We'd Rather Miss Sales Than Miss Fits

Don't Get Mad

every time you try to get into your horribly fitting Suit of Clothes or Overcoat—simply remember to come to Simons' next time you want a good fit. We'd rather miss sales than miss fits.

We guarantee you the lowest price for "just right" garments, cut for comfort and style. Our cutter makes the fit, and our tailors, working on the premises, finish the job. We make to measure only, and make only to fit.

UP STAIRS.

A GOOD BEGINNING

We are giving the public unusual chances this week to buy Watches, Clocks, Jewelry, Jewelry, Silverware, Optical Goods, Art Goods, etc.

A large lot of little gems at little prices, and many silver novelties reduced for quick clearance.

If your Watch isn't running to suit you, bring it in and let us have a look at it.

Schneider,

JEWELER and OPTICIAN

BURNED TO DEATH.

Cashier, Engineer and Two Girls in a New York Store.

New York, Jan. 17. — Herminia Josephson, cashier, and John Cottain, an engineer, lost their lives in a fire which destroyed the drygoods store of Aaron & Weitheimer, at 119th street and 3rd avenue, last night. Two girls employed in the store are also believed to have perished.

SULTAN CONSENTS.

Russian Torpedo-Boat Destroyer Has Gone Through the Dardanelles.

Constantinople, Jan. 17.—In accordance with the sanction of the Sultan, one of the four Russian torpedo-boat destroyers traversed the Dardanelles January 13, bound for Sebastopol. The censor stopped all messages on the subject.

STORE CLOSES SATURDAY NIGHTS AT 9 P.M.

NEW WHITE GOODS

This White Coods Sale Goes Briskly On.

'Twould have ceased long before this had the goods not been new goods, attractive goods and attractive prices. Nothing ever done in a half-hearted way at this store. Always on the alert. No dull months. Perhaps not so much profit, but lots of business. Other than White Goods frequently find a "Drop-price" ticket on them, but January is, generally speaking, our **White Goods Carnival Month**—when the spotless, fresh, new Underwear which claims every lady's interest, the new dainty Muslins, the crisp new Cottons and White Household Goods generally attract unusual interest by their money saving prices. Prudent buyers realize the saving of Sutcliffe's White Goods Sale.

Some of the Prices that make this a busy store in January:—

RUSSIANS CHEER HIM

The Crown Prince of Germany at St. Petersburg.

COL. OF LITTLE RUSSIANS

Welcomed at Tsarskoe-Selo by the Czarewitch—A Crowd of Notables in Evidence—Czar Confined With Severe Cold Welcomed Him on His Arrival at the Palace—An Honorary Appointment.

St. Petersburg, Jan. 17.—The German Crown Prince Frederick William arrived here yesterday on a visit to the Czar.

The Crown Prince was welcomed at Tzarskoe-Selo by the Czarewitch, Grand Duke Michael, as the Czar was confined to his apartments suffering from a severe cold. A number of Grand Dukes, Foreign Minister Lamsdorff and other Ministers and a number of high officials also were present at the railroad station, where there was a liberal display of Russian and German colors.

On the approach of the train the German national anthem was played. The Crown Prince, wearing the uniform of the St. Petersburg Life Guards, and accompanied by the Czarewitch, inspected the guard of honor and subsequently drove to the palace through streets decorated with flags, heartily cheered by the assembled crowds.

On his arrival at the palace the Crown Prince was welcomed by the Czar and Czarina.

The Crown Prince has been appointed honorary colonel of the Little Russian Dragoons, the regiment formerly commanded by Prince Albrecht.

MESSENGER BOY IS BLAMED,

For a Railway Wreck That Killed Four and Injured Three.

Cumberland, Md., Jan. 17. — Through the alleged interference of a messenger boy, a wreck was caused on the Baltimore and Ohio Railroad east of Cumberland yesterday, in which four employes were killed and three injured.

The wreck was due to the displaying of a false signal giving a clear track for east-bound passenger train No. 10, when in the next block ahead there was standing on the track a caboose and two engines.

The passenger train was drawn by two engines, and these crashed through the caboose and engines. The train had not attained its full speed. The postal car was derailed, but the coaches did not leave the track and the passengers escaped injury.

It is asserted that a messenger boy named Turner, who was in the block tower, upon hearing the whistle for clear tracks, pulled a lever giving the passenger train a clear track signal.

FRESH DISASTER PROBABLE.

No Official Word From Moroccan Troops Received.

Tangier, Jan. 17.—The latest news received here from Fez indicates that operations against the Pretender commenced on Jan. 11. No official information has been received since that date, but rumors from Tetuan indicate that fresh disaster has overtaken the imperial forces. These rumors are considered to be quite creditable, because of the well-known incapacity of the commanders who were entrusted with the expedition.

The tribal outbreaks around Tangier continue, but the local authorities are taking stronger measures to suppress them, which it is believed will be adequate to cope with the trouble in this quarter.

Four Columns En Route.

Tangier, Morocco, Jan. 17.—Four columns of troops have left Fez for Taza. The Sultan's brother commands one of them and the War Minister, Gen. Menebhi, is in command of another.

FIRST CANADIAN APPOINTED.

Major D. J. V. Eaton Goes to the Staff College, England.

London, Jan. 17.—Major D. J. V. Eaton, Royal Canadian Field Artillery of Kingston, Ont., at present on leave here, has been nominated by Earl Roberts, Field Marshal, Commandant-in-Chief for the Staff College. For this he had qualified some time ago. He will now join the college on the 22nd inst. Major Eaton is the first colonial officer to be nominated to the Staff College. Major Eaton was born in 1869 and was educated at the R. M. C., Kingston. He served in the South African campaign 1899-1900.

McDougall Again Remanded.

Toronto, Jan. 17.—Alfred McDougall, on the charge of defrauding the Ontario Treasury Department, appeared before Judge Morgan yesterday morning. In view of the fact that the defence intended to tender expert medical evidence as regards Mr. McDougall's mental condition, the case was postponed till Feb. 20.

Centre Bruce Protest.

Toronto, Jan. 17.—In the Centre Bruce election petition, Hugh Clark, the member-elect, was before Special Examiner Bruce again yesterday on examination for discovery. The lawyers were not finished with him when the examination was adjourned, and he will be up again to-day.

Americans in Moosomin.

Moosomin, N. W. T., Jan. 17. — A firm of American millers yesterday closed a conditional agreement with the town to operate a flour mill of 250 barrels capacity.

SIGHTED THE ST. LOUIS.

Big American Liner Passed at 6.40 Friday Evening by the Nantucket Lightshouse Very Slow.

New York, Jan. 17.—Word reached this city last evening that the American Line steamer St. Louis, from Southampton, Jan. 3, for New York, was sighted off Nantucket lightship at 6.40 p.m. yesterday, going dead slow. Signals were made to the south shoal lightship, but owing to the fact that a heavy gale was blowing they were unintelligible.

The slow rate of speed at which the St. Louis was traveling indicates that unless she should be assisted she will not reach New York until late Saturday night. Appearances indicates that the St. Louis was short of steam power, and the signals were thought to imply that trouble with her boilers had been experienced.

Clement A. Griscom, Jr., said last night that the agents of the line had heard nothing of the St. Louis, beyond the fact that she had been sighted. It was not considered necessary, he said, to despatch a vessel to her assistance, as, if aid be needed, the St. Louis will have ample opportunity to signal for it when she arrives off Fire Island. He does not expect that the St. Louis will reach Sandy Hook much before noon to-day.

CAST AWAY SCHOONER.

Captain Let Her Go on the Rocks to Collect Insurances.

St. John's, Nfld., Jan. 17.—Capt. Alder Nicholls, who was recently extradited from England on the charge of casting away the schooner Bessie Dodd off the Labrador coast last October, in order to obtain the insurance on the vessel, made a confession Thursday night, in which he implicated a Mr. Jerrett of this colony, who shipped the cargo of fish which the Bessie Dodd carried when she was lost. Jerrett was arrested yesterday. The insurance on the cargo amounted to $30,000. Four of the witnesses for the Crown were drowned at the time of the loss of another vessel off this coast last month.

INDICTED BY GRAND JURY.

But Officials of Deaf and Dumb Institute Have Left the Province.

Fredericton, N. B., Jan 17.—True bills were brought in by the grand jury at 10.45 last night against Albert F. Woodbridge, who was superintendent of the Deaf and Dumb Institute here; Ernest Powers, who was assistant superintendent, and Norman Woodbridge, son of the superintendent. In connection with the charges of seducing and having illicit relations with the female deaf mutes of the institution. Two counts were found against A. F. Woodbridge, four against Powers and one against N. Woodbridge. The defendants have all left the province.

MANAGER OF EXHIBITION.

Mr. Hill Likely to Resume His Position in Toronto.

Toronto, Jan. 17. — At President McNaught's office yesterday an emphatic denial was given the Winnipeg report that F. W. Henbach, of that city, had been offered the management of the Toronto Industrial Exhibition. It was said, further, that the matter has not been even considered by the Board, and that from present reports Mr. Hill's health is improving steadily, and he will probably resume his position as manager.

Life Hangs by a Wire.

Ottawa, Jan. 17.—Council for Labelle, the Yukon murderer, have not yet given up hope of a commutation, and were applying to the Minister of Justice yesterday for a respite until the record of the latest developments in the case is received from Dawson. In the meantime the Yukon telegraph wire is down, and if communication be not restored between this and Monday the Dawson authorities will carry out the execution as already arranged.

To Protect Young Girls.

New York, Jan. 17.—The Commissioner of Immigration at Washington has appointed five female inspectors to look after certain young women who arrive here from Europe, and are alleged by representatives of the Women's Christian Temperance Union to be met at the docks by "decoys" and lured to disreputable houses.

"Army Snobs."

London, Jan. 17.—Under the heading "Army Snobs," The Daily Express yesterday charges that men of the auxiliary and colonial forces, promoted from the ranks for distinguished service in South Africa, are in many cases boycotted in the officers' messes, and denounces such treatment as monstrous.

To Prosecute Whittaker Wright.

London, Jan. 17.—A meeting yesterday afternoon of the supporters of the movement to institute the prosecution of Whittaker Wright and others connected with the failure of the London and Globe Finance Corporation resolved to raise a fund of $25,000 for this purpose.

To Stop All Gambling.

Rossland, B.C., Jan. 17.—At noon yesterday the Police Commissioners issued an order to the police to close all gambling in their city. Notice was accordingly served on the eight or ten places where roulette, poker and black jack have flourished undisturbed for the past eight months.

Relief For the Finns.

New York, Jan. 17.—The Christian Herald yesterday cabled to the Finnish Relief Committee at Helsingfors its first remittance of $5,000 for the relief of the suffering people of Finland. The Christian Herald is arranging to cable relief at the rate of $5,000 a week.

ADVERTISING CANADA

Forty Western Farmers to Be Sent to Great Britain.

ARE TO COVER 2,000 PLACES

Hon. Clifford Sifton Following Up Former Systematic Efforts to Procure the Right Class of Emigrants For This Country—A Six Weeks' Program Through the English Agricultural Districts.

Ottawa, Jan. 17. —. Hon. Clifford Sifton, Minister of the Interior, has determined to follow up the systematic efforts to thoroughly advertise Canada in Great Britain, which have been made with so much success in recent years, and, in conjunction with his deputy, Mr. James A. Smart, has devised other practical measures calculated to impress the British agriculturist desirous of bettering his position with the splendid opportunities offered in the Dominion. While the increase last year over the previous twelve months in the number of arrivals from the United States, and also from the continent of Europe, was considered very large, the immigration from Great Britain showed an even larger percentage of gain, the total increase from the British Isles being 5,000 or 6,000, as compared with 1901. This, however, has simple encouraged the department to make greater efforts during the coming year, the feeling being that it is possible to induce a far larger number of British settlers to locate in Canada. With this end in view Mr. Smart will again visit Great Britain in February, which is considered the best month for special work in reaching intending emigrants.

Western Farmers Going Over.

A new plan has also been adopted with the idea of bringing the British farmer into closer touch with Canada, and affording him information of the kind that he needs. This plan is to be worked out by the co-operation of some forty representative farmers of Manitoba and the Northwest Territories, who will go to the old country, and, in pursuance of a program which Mr. Smart is preparing, will within six weeks practically visit every agricultural centre in the United Kingdom. These men, who have had several years' experience of successful farming in the west, will visit one town each day for a period of six weeks. In this way it is hoped that perhaps 2,000 places may be reached during the period of their visit, at each of which the prospective emigrant will be able to learn by a personal interview the facts which will be most helpful to him. This is one of the most practical and original methods ever adopted by the Dominion Government to reach the British agriculturists, and great results are hoped from it.

SUICIDE, NOT MURDER.

Louis A. Disbrow Acquitted of the Grave Charge.

Riverhead, L.I., Jan. 17.—Louis A. Disbrow was acquitted yesterday on the charge of killing Clarence Foster at Good Ground on the night of June 9. The verdict was generally anticipated and was reached by the jury after very brief deliberation. The contention of the defence was that Foster and Miss Lawrence committed suicide.

OTTAWA MAN KILLED.

Blown to Pieces by an Explosion of Dynamite at Watertown, N.Y.

Watertown, N.Y., Jan. 17.—Joseph Gokey, aged 35, of Ottawa, Ont., employed by the old Sterling Iron and Mining Company of Antwerp, was blown to pieces Thursday night by a premature explosion of dynamite while preparing for a blast. The man's head and limbs were literally torn from his body.

Shot While Picking Coal.

Kokomo, Ind., Jan. 17.—Late Thursday evening, while Ernest and Mabel Miller, aged 12 and 9 years, were in the alley in the rear of the Appolton Automobile Works, picking up scraps of coal, with which to keep from freezing, Mabel was shot twice by a man said to be Night Watchman Jones of the automobile works. One ball passed through the body of the girl, and the other shot caused a severe flesh wound. The girl will die. Jones was arrested and placed in jail.

Marquis Frozen to Death.

Paris, Jan. 17.—The Marquis Francois de Borne, a descendant of the famous de Borne family of the First Empire, and prominent in French Royalist circles, was frozen to death Thursday while riding on the top of a Mont Marte omnibus. It is thought the marquis fainted before he could call for help.

Death's Harvest.

Midland, Jan. 17.—Harry Leverton lost three children in three days from diphtheria.

Well Made.

Pure flour and pure yeast do not necessarily mean good bread. It may be spoiled in the making. Just so: material is not everything. Prof. W. Hodgson Ellis, Official Analyst to the Dominion Government, after a number of analyses, reports that "Sunlight Soap is a pure and well-made soap." "Well made" means more than you think. Try Sunlight Soap—Octagon Bar—next wash day, and you will enjoy the benefits of a "well-made" soap, and will see that Prof. Ellis is right. No one should know better than he.

A Hospital Case

There was a hurry call for the ambulance of the City Hospital. In the course of a few moments a very sick woman was brought in on a stretcher — she was pale as death and evidently suffering keen agony. There was a hasty examination and consultation, and in less than a quarter of an hour the poor creature was on the operating table to undergo an operation for ovaritis.

The above is an accurate account of an incident which occured in New York recently; the young woman in question had warnings enough of her dangerous condition in the terrible pains and burning sensation low down in her left side. She had no one to advise her, and she suffered torture until it was too late for anything to save her life.

Women should remember that if they do not care to tell a doctor their troubles, they should be willing to tell them to a woman, who stands ever ready to advise and help them. Again we state that Mrs. Pinkham's advice is freely and confidentially given to every one who asks for it. Address, Lynn, Mass.

The following letters prove beyond question that Lydia E. Pinkham's Vegetable Compound has the power to cure, and does cure thousands of cases of inflammation of the ovaries, womb, and all other derangements of the female organism.

MRS. OTTOSON SAVED FROM A SURGICAL OPERATION.

"DEAR MRS. PINKHAM:—I cannot thank you enough for what your Vegetable Compound has done for me. If it had not been for your medicine, I think I would have died.

"I will tell you how I suffered. I could hardly walk, was unable to sleep or eat. Menstruation was irregular. At last I had to stay in my bed, and flowed so badly that they sent for a doctor, who said I had inflammation of the ovarics, and must go through an operation, as no medicine could help me, but I could not do that.

"I received a little book of yours, and after reading it I concluded to try **Lydia E. Pinkham's Vegetable Compound**, and I am now a well woman. I shall praise your medicine as long as I live, and also recommend the same to any one suffering as I was."—MRS. MINNIE OTTOSON, Otho, Iowa. (June 9, 1901.)

Follow the record of this medicine, and remember that these thousands of cures of women whose letters are constantly printed in this paper were not brought about by "something else," but by **Lydia E. Pinkham's Vegetable Compound**, the great Woman's Remedy for Woman's Ills.

Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want — a cure. Moral — Stick to the medicine that you know is Best. Write to Mrs. Pinkham for advice.

INFLAMMATION OF THE OVARIES CURED WITHOUT THE KNIFE.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for the restored health and happiness **Lydia E. Pinkham's Vegetable Compound** has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation.

"I felt so weak and sick that I felt sure I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now.

"You surely deserve great success, and you have my very best wishes."—MISS ALICE BAILEY, 50 North Boulevard, Atlanta, Ga., Treasurer St. Francis Benevolent Association.

$5000.00 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

Daily Examiner.

London (England) office—168 Fleet street, E. C., Central Press Agency Limited, Special Agents.

SATURDAY, JANUARY 17, 1903.

BETTER TRY SOMETHING ELSE.

For four years the Conservatives of this Province have not ceased for a day their outcry against the Ross Government as a Ministry that keeps itself in office through the bribery and fraud practised in its behalf by its party workers. Abandoning all questions of public policy, the effort has been made to defeat the Government by accusing it of vote-buying, ballot-box stuffing, and all kinds of corruption. After four years of this outcry the general elections took place in May last, and now the legal proceedings flowing out of that contest—described by the Conservatives as crowning in its iniquity the worst the Liberals had heretofore done—are drawing to a close. It is possible now to measure the results of the legal investigations into that campaign.

One Liberal has been unseated and two Conservatives. One Liberal seat is yet to be attacked, and two Conservative seats. Action goes to the Court of Appeal against one Liberal, and against two Conservatives.

In short, after all the outcry that has been made, the actual fact is, that three Liberal seats are involved, and six Conservative seats.

It is impossible for anyone to fail to see the significance of these facts. The net results do not justify the denunciations in which Mr. Whitney and his followers have indulged. Their talk has ended in talk. Nor is their failure to make ther charges charges good in the election courts due to the lack of funds, for abundant funds appear to have been at their disposal. They put up seven lawyers at one election trial. It has been shown that a central committee in Toronto sent several candidates more money than they needed. It was not a virtuously poor party that met defeat in the bye-elections the other day, and there are leading Conservatives in Toronto who know very well that no lack of funds has hampered Mr. Whitney in his struggle for power. They looked after that part of the campaign.

Is there any truth, then, in the charge that the Liberals retain office by dishonest election methods? Or was it but a scheme of attack, that has now failed, and which will be abandoned, as has been the case with other forms of attack that were tried in vain? If it be true that corrupt and criminal methods were employed by the party in power, has not the Opposition demonstrated its incompetence in its failure to expose the corruption that they say abounds, and in their readiness to "saw off" one petition against another, seeking their own safety in flight from courts?—Toronto Star.

MINERAL OUTPUT FOR 1902.

According to the unrevised estimates by the Ontario Bures of Mines, the nickel output for 1902 is 5,000 tons, valued at $2,000,000. Pig iron is next in value, with 115,000 tons, worth $1,650,000, to which may be added 380,000 tons of iron ore, worth $550,000. Copper follows in the list, with an output of 2,550 tons, worth $637,000. The other metals are:—Gold, $212,500; silver, $50,000, and zinc ore, $8,000. The only material increases, compared with the previous year, were in nickel and iron ore.

ACTIVE GOLD MINE.

What Mr. E. H. Carter Thinks of the Belmont Mines.

The Belmont gold mine in Hastings county, is becoming an increasingly important property, according to a report by Mr. W. E. H. Carter to the Bureau of Mines. The ore is improving in quality on the lower levels, and the company propose to double their output, which is now 20 stamps, with a capacity of 75 tons per day, during the present year, and utilising the whole 1300 horse power at their disposal. The latter is developed by a waterpower two miles distant and transmitted to the mine by compressed air. Many new buildings are being erected and the the village and plant will shortly be lighted by electricity. Mr. Carter also reports that the Deloro mine is being developed and that the Atlas Arsenic Company are working two mines and operating a ten-stamp mill.

E. W. Grove This signature is on every box of the genuine **Laxative Bromo-Quinine** Tablets the remedy that cures a cold in one day.

NORWOOD NEWS.

The Funeral of the Late Miss Amelia Edmonds.

The Epworth League of the Methodist church intend having a social at the home of Mr. Samuel Adams on Monday, Jan. 19th.

Miss Annie Burkell, of Roseneath, is visiting her sister, Mrs. Wm. Carberry.

The private funeral of the late Miss Amelia Edmonds, of Belleville, took place on Thursday from the residence of her nephew, Mr. J. B. Pearce. The deceased died at her home in Belleville on Wednesday. Her remains being brought to Norwood for interment. The funeral service was conducted by the Rev. R. Taylor, pastor of the Methodist church. The bearers were Messrs. W. K. Roxburgh, John McMillan, John Knox, Thos. Fraser, Wm. Richardson, Sr., and P. W. Reynolds.

Mr. Alexander Edmonds and Miss Edmonds, of Peterborough; Mr. J. W. Pearce, M.P.P., of Marmora, attended the funeral.

The famous Eckardt family of musical artists and Swiss bell ringers have been engaged to give an entertainment in the Town Hall on Wednesday evening, Jan. 21st, under the auspices of the Presbyterian church.

Mr. Alex. Fraser, of Warsaw, was in town on Tuesday.

POPE LEO'S SILVER JUBILEE.

Memorable Event to the Celebrated Throughout Catholic World.

On February 20, Pope Leo XIII. will celebrate his pontifical silver jubilee. It is proposed on that day by the International Committee having in charge the celebration that each family, parish, diocese and nation, shall observe that day as a day of thanksgiving to God for the long and successful reign of His vicar.

On that day a tiara of gold will be presented to the Pope as "the offering of filial love from all his children," and this will be worn by him on the anniversary of his consecration, March 3rd. The tiara is described as follows: The three crowns will stand superimposed in high relief, representing the triple power of the papacy. The tiara is surmounted by a cross."

MR. GOWAN'S SUICIDE.

Despondent Over Losing $800 Over a Homestead Deal.

St. Mary's, Jan. 17.—Mrs. John Gowan, who lived on the town line of Blanshard and Fullerton, poisoned herself Thursday afternoon with arsenic.

The circumstances leading up to the unfortunate occurrence seem to be that some time ago her husband sold his farm and purchased another one. This did not please his wife and she worried to get the old farm back. Meanwhile the old farm had passed into the hands of her husband's brother, W. M. Gowan, and after some dickering John bought it back, but at a loss of $800. This loss seems to have preyed upon her mind and she was very unhappy.

Thursday she prepared an early dinner for her husband, who went to St. Mary's on business. When he returned about 5 p.m. he found his wife lying at the top of the stairs in much agony. On questioning her as to the cause she confessed to have taken arsenic. He hurried across the road to where his brother lives, and the brother, his wife and daughter accompanied him back and he at once set off for Dr. Ferguson at Kirkton. The doctor arrived only in time to see the unfortunate woman expire. There will be no inquest.

The deceased was only about 32 years of age and had no children. Her mother resides in Manitoba.

LEGS SWELLED HURT TO STOOP.

Mr. Chas. Mueller Speaks of his Complete Recovery by using Dr. Pitcher's Backache Kidney Tablets.

The most serious kinds of kidney diseases and derangements, that other remedies seem powerless to benefit, are rapidly, completely and permanently cured by Dr. Pitcher's Backache Kidney Tablets.

Mr. Chas. Mueller, a resident of Waterloo, Ont., when spoken to about his case, made the following statement: "I could not stoop or lift anything without pain. To get about was difficult. The kidney secretions were not healthy and my limbs began to swell. Dr. Pitcher's Backache Kidney Tablets have acted well with me. I am able to stoop and move easily and the swelling of the limbs is gone. I am completely cured.

Dr. Pitcher's Backache Kidney Tablets are fifty cents a bottle or three for $1.25, at druggists or by mail. The Dr. Zina Pitcher Co., Toronto, Ont.

GOOD ROADS CAUSE BOOMS.

Three Large Counties Undertake Big Systems.

Expenditures of Hundreds of Thousands Decided Upon—Simcoe, Wentworth and Lanark Show the Way.

That the people of Ontario are preparing for advanced methods in road building is evidenced by the result of recent voting in favour of comprehensive schemes. The legislation providing for the abolition of toll roads, to aid in their purchase, and the granting of $1,000,000 to assist municipalities in making better roads, is producing good results. Simcoe, one of the largest counties in the province, submitted a bylaw at the recent municipal elections for establishing a system of 250 miles of leading roads, to be under the jurisdiction of the county council, the bylaw carrying by 1457 majority. The Government grant towards this work will be $50,000, and the total expenditure at least $150,000. Wentworth recently submitted a bylaw to raise $98,000 to purchase all the toll roads within the county, and to commence a system of county roads. This bylaw carried by a majority of 950, and application is now being made by the county council for their portion of the Government grant, about $20,000. The county of Lanark has adopted a law for building 100 miles of county roads, their portion of the grant being about $35,000.

An officer of Simcoe county, in advising the Department of Public Works, of the result of the vote, recalled the fact that the first joint municipal conference held in the province respecting good roads, was held in Barrie, three years ago, and this is the result. Now they carried by big majorities, the chief townships where the councillors, fearful for their little patronage, then declared against the scheme.

Died Aged 106 Years.

Paris, Texas, Jan. 17. — Kilpha Dockery, a colored woman, said to have been the oldest person in Texas, is dead at Hattonville, aged 106 years.

Explosion Kills Eight.

Johnstown, Pa., Jan. 17.—An explosion of dynamite in a boarding house at Windber last evening mangled eight men so badly that all will die.

Is It Swine Plague?

St. Thomas, Jan. 17. — The hog disease at Sparta is called swine plague. It is said that cement floors lead to the disease.

WHY?

Why hunt in vain for cheap houses to rent when it is easier to buy? Why pay seven to ten per cent. in rent to be turned out, when five to six would pay interest on investment and own your house? Why look for farms to rent when we have lots of them for sale? Why run your own risk of fire when you should be insured? Why run all risks without protection when you should have an accident policy? Why trouble your friends when you can get a guarantee policy? Why leave your wife and family to scrub and beg when a life policy would prevent it? Why not call at Lindsay & Might's Real Estate and Insurance Office for any of these?

LINDSAY & MIGHT
Real Estate and Insurance Agents

Corollary of Monroe Doctrine.

Liverpool, Jan. 17.—At a special meeting of the Liverpool Chamber of Commerce yesterday, called to consider the proposed reciprocity treaty between the United States and Cuba, it was announced that Foreign Secretary Lansdowne would receive important deputations from the various Chambers of Commerce of the United Kingdom January 22, for the purpose of discussing them later. The speakers strongly criticized the treaty as practically shutting out other nations from trading with Cuba.

Museums in Russia.

Museums are in much favor in Russia. Even in Siberia nearly every town of 10,000 inhabitants has one. The museum of Irkutsk is nearly a century old.

Permanent Cure for Neuralgia.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle; it's all right. No Pills like Dr. Hamilton's.

To Sick Ones

I Will Send You Help If You'll Ask it.

Send no money—just a postal, stating which book I shall send.

Simply write me—as thousands do every week—to tell me that you need help.

Then I will do this:—I will mail you an order on your druggist for six bottles Dr. Shoop's Restorative. You may take it a month on trial. If it succeeds, the cost is $5.50. If it fails I will pay the druggist myself, and I will leave the decision to you.

I do that to convince you—to prove my faith in myself. I have perfected a remedy so unusual—so nearly certain—that I want all who need it to have it. I have made my offer so fair that no doubt or prejudice can deter any sick one from accepting it.

In the past 12 years I have furnished my Restorative to over half a million patients, on trial. My records show that 39 out of each 40 have paid for it gladly, because they were cured. The rest had the month's test free.

My Restorative is the result of a lifetime's work, in learning how to strengthen inside nerves. It is the only remedy that can bring back the nerve power which operates the vital organs.

A weak organ means weak nerve power. It simply lacks the strength to do its duty. It is like a weak engine, that only needs more steam.

With the old way we doctored the organ itself, and the results at best were but temporary. The results of my Restorative are permanent, and they are absolutely certain, save where some cause, like cancer, makes a cure impossible.

With this remedy I have cured many cases as difficult as physicians ever meet; and I have rarely found a chronic case that could be really cured without it.

My book will tell you why. If you don't need it, please tell me one who does.

Simply state which book you want, and address to Dr. Shoop, Box 47, Racine, Wis.

Book No. 1. on Dyspepsia
Book No. 2. on the Heart
Book No. 3. on the Kidneys
Book No. 4. for Women.
Book No. 5. for Men (Sealed)
Book No. 6. on Rheumatism

Mild cases, not chronic, are often cured by one or two bottles. Dr. Shoop's Restorative is sold by all druggists.

LIFE AND DEATH AT SEA.

The Manchester Merchant Burning Since January 12—A Barque Burned at Sea—St. Louis Still Out.

Tralee, Ireland, Jan. 16.—The British steamer Manchester Merchant, from New Orleans December 28 for Manchester, England, anchored in Dingle Bay yesterday on fire. She was afterwards scuttled. The crew has been landed. The fire broke out January 12.

Bark Burned at Sea.

Funchal, Madeira, Jan. 16.—The British steamer Brunswick, Captain Brown, from Maranham, Brazil, December 21, for Liverpool, arrived here yesterday. She reports that the British barque Veronica, Captain Shaw, was burned at sea December 20. Part of the Veronica's crew are on board the Brunswick. The remainder took to the boats and have not been heard of. The Veronica was owned by William Thomson & Co. of Windsor, N.S.

St. Louis Still Out.

New York, Jan. 16. — Up to midnight last no news had been received of the American Line steamship St. Louis. Throughout yesterday crowds of anxious inquirers called at the offices of the company, where the agents maintained a cheerful view and assured all that there was no need for alarm.

Bad Stormy Passage.

St. John, Jan. 16.—The Furness Liner Loyalist reached here yesterday from London, after a voyage of 18 days' continuous battle with the waves. Slight damage to the deck fittings was done by the seas.

LUNG WEAKNESS.

Is Due to Poor and Watery Blood.

That is Why Some People Cannot get rid of a Cough, and why it Develops Into Consumption.

The lungs are just like any other portion of the body—they need a constant supply of pure, rich blood to keep them sound and strong. If the lungs are not strong they are unable to resist disease, and that is the reason why an apparently simple cold clings until the patient grows weaker and weaker and finally fills a consumptive's grave. Dr. Williams' Pink Pills never fail to strengthen the lungs, because they make the new, rich red blood which alone can do this work. The most emphatic proof that Dr. Williams' Pink Pills re-build the lungs and cure consumption in its earlier stages, is given in the case of Miss Blanche Durand, of St. Edmond, Que. Miss Durand says:—"In the month of December, 1901, I was visiting at the home of an uncle at L'Assomption. One day we were out boating I got my feet wet and caught cold. The cold seemed to cling to me and when I returned home about the end of September, I was quite ill. I was quite feverish, had no appetite, and the cough seemed to exhaust me. I began doctoring, but did not get any better, and in January, 1902, the doctor told me that my lungs were affected, and that I was in consumption. At this time a friend who had come to see me advised me to try Dr. Williams' Pink Pills, and I sent for six boxes. The pills soon began to help me, as little by little, the cough grew less severe, my appetite became better, my strength returned, and I began to have a healthy colour. I used eight boxes of the pills, and was then fully recovered. I am sure that Dr. Williams' Pink Pills saved my life and I shall always speak gratefully of them."

Such cases as these tell better than mere words the power of Dr. Williams' Pink Pills. They cure all constitutional weakness because they go right to the root of the trouble and build up the blood. That is why they never fail to cure rheumatism, lumbago, kidney and liver troubles, headaches, backaches, indigestion, biliousness and all other blood diseases. Sold by all dealers or sent post paid at 50 cents a box or six boxes for $2.50 by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont. Substitutes are sometimes offered, but you can always protect yourself by seeing that the full name "Dr. Williams' Pink Pills for Pale People" is printed on the wrapper around every box.

THE BEST CUSTOMERS

Man for Man, With the United States are the Canadian People.

RECIPROCITY IS DEMANDED.

National Board of Trade at Washington Passes a Very Strong Resolution—Sir Frederick Borden Favors the Removal of the Coal Duties—The President Signs Coal Rebate Bill.

Washington, D. C., Jan. 16.—The question of reciprocity was before the National Board of Trade yesterday.

The report said: "Whereas, man for man, the Canadian people are the best customers the United States possesses, and,

"Whereas, unless more favorable relations can be established between the two countries, there is danger that the market we now possess in the Dominion will be seriously curtailed, to the loss of all classes of American producers; therefore, be it

"Resolved, that the National Board of Trade respectfully petitions the President and the Congress of the United States and the American members of the Anglo-American Joint High Commission, to do all that lies in their respective powers to secure a trade treaty between the two countries upon the broad business principles of reciprocal concessions.

"Resolved, that as a step in this direction, the National Board of Trade favors the measure now before the United States Senate authorizing the President to remove the duties on Canadian coal, in return for similar action by the Dominion of Canada with regard to coal from the United States."

THE COAL REBATE BILL.

President Roosevelt Signed the Bill on Thursday Afternoon.

Washington, Jan. 16.—The President signed the bill suspending the duty on coal yesterday afternoon.

The United States duty on soft coal, the only one Canada is interested in, is 67 cents per 2,000 lbs. This is by the bill just signed suspended for one year.

Would Benefit Nova Scotians.

Toronto, Jan. 16.—Sir Frederick W. Borden, Minister of Militia, Mrs. and Miss Borden, and Colonel Chas. E. Turner, United States Consul-General in Canada, arrived in the city yesterday morning from Ottawa, and registered at the Rossin House. To a Globe reporter, during the course of an interview, Sir Frederick expressed the opinion that a removal of the tariff on soft coal coming from the United States into Canada, in view of the removal of the United States import duty, would benefit the coal interests of the Maritime Provinces. Some time ago there had been a strong difference of opinion, especially in Nova Scotia, as to the probable effect of free trade in coal between these two countries, but just now, he thought, the general feeling was in its favor. Personally he had always hoped to see free trade in coal between Canada and the United States. He had nothing to say as to the probability of the Dominion Government removing the tariff on this side; the matter had not been discussed.

No Truth in It.

Ottawa, Jan. 16. — Sir Elzear Taschereau was asked this morning what truth there was in the statement that he would resign the Chief Justiceship of the Supreme Court in order to become Lieutenant-Governor of Quebec. He replied "There is not one word of truth in it. Its the first I have heard of the matter."

Fell Killed Him.

Halifax, N.S., Jan. 16.—John J. Maher, real estate agent, fell down stairs in the Halifax Hotel last Friday evening and fractured his skull. He was unconscious at the hospital until last evening, when he died. He was 44 years of age and married.

ACQUITTED OF MURDER.

Man Who Said He Helped Kill J. Sifton, Sr., Allowed to Go.

London, Jan 16.—The case of Walter Herbert, which has acquired almost worldwide notoriety, was disposed of yesterday morning by Chief Justice Meredith at the Assizes. It will be remembered that early in the history of the Sifton trial Walter Herbert made a confession that he was instrumental in causing the death of Joseph Sifton, and implicating Gerald Sifton, son of the alleged murdered man. Yesterday morning Mr. Edmund Meredith, K. C., appeared for Herbert, and made an application for a jury trial, entering a plea of not guilty. He was assisted by Mr. Thomas Meredith, Mr. Magee prosecuting for the Crown. The plea put forward was that the finding in Gerald Sifton's case entitled Herbert to a new trial at least. The gist of the arguments was that if Sifton were innocent, Herbert could not be guilty.

Summing up, Chief Justice Meredith also took this view and granted the application. A jury was immediately drawn from among the spectators. Mr. Magee said the Crown would not prosecute, and His Lordship ordered the jury to acquit the prisoner, which they did immediately. Herbert shortly after left the court room a free man, after being a prisoner for over two years, having been committed to jail in June, 1900.

DEATH FIRST, THEN PEACE.

Gen. Smith in Philippines Considered Natives Good Only When Dead.

Manila, Jan. 16.—Six officers who served in the Island of Samar, testified yesterday before the court martial which is trying Major Edwin F. Glenn of the 5th Infantry, on the charge of unlawfully killing prisoners of war in Samar.

Captain Smith testified that the friendly natives, who were refugees in the mountains in his district, petitioned to be allowed to return to the town and promised to support the Americans.

Captain Swaine, said the witness, told General Smith they would die of starvation if he left them in the mountains, and General Smith, the witness added, said: "Let them die. The sooner they are dead, the sooner we shall have peace."

POPE LEO'S EXCLAMATION.

Called Forth by the Death of Cardinal Parocchi Wednesday.

Rome, Jan. 16.—Cardinal Lucide Mark Parocchi, sub-Dean of the Sacred College and Vice-Chancellor of the Catholic Church, died yesterday morning of heart disease. He was born in 1833, was of Italian nationality and was created a Cardinal in 1877.

The death of Cardinal Parocchi removes one of the prelates considered to be the most likely to succeed Pope Leo. The Pope was deeply affected by the Cardinal's death. He knelt in prayer and exclaimed: "These frequent deaths have made me feel quite an old man."

REMARKABLE SUCCESS

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, wherever there is mucous membrane there is a feeding ground for catarrh.

The usual remedies, inhalers, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, blood root, red gum and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh cure says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkably satisfactory results. They clear the head and throat more effectually and lastingly than any douche or inhaler that I have ever seen, and although they are what is called a patient medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver, or bladder will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.

A Silver Lead Deputation.

Ottawa, Jan. 16.—A deputation of silver lead mine owners of British Columbia was introduced to the Minister of Finance yesterday by Mr. W. Galliher, M.P., for Yale, Cariboo. They ask, in short, that the Canadian customs tariff be raised to equal the United States duty rates on lead ore, bullion bars, sheets, pipe, shot, etc. Mr. Fielding said he would consider their request.

To Increase Your Weight.

If you are thin, weak and emaciated and want to increase your flesh and weight you should try Dr. Chase's Nerve Food. You can feel it doing you good from day to day, as it strikes at the root of trouble and creates new rich blood. You can prove that it builds up new tissue and adds flesh if you weigh yourself each week while using it.

WHISKEY FOR VOTERS

Evidence in the Sault Ste. Marie Election Trial.

JUDGMENT IS RESERVED.

Mayor Plummer of the "Soo" Admits That the Evidence of Clapperton and Roy Is True—Turpin's Evidence Also in the Same Category—Formulates Charge of General Treating.

Sault Ste. Marie, Jan. 17. — The Election Court yesterday morning heard evidence on two charges against Mr. W. H. Plummer, Mayor of the town. The charges were those of bribery by the giving of money and whiskey to voters on election day. Chas. Clapperton testified that on the afternoon of election day Wm. Turpin and Albert Foy came to the store where he was employed, and at Turpin's request he wrote the following note to Mr. Plummer, "Please send us more cash and whiskey." The note was signed by Turpin and was delivered to Mr. Plummer by Albert Foy at No. 1 polling booth. Mr. Plummer read it, and then gave Roy another note to deliver at Plummer's store, the result being that a box was given to Roy, who was told "not to break it." Roy took the box to Demer's restaurant, where he found that it contained two bottles of whiskey, one of which he took to Morreault's committee rooms, and the other he delivered to Turpin. Mr. Plummer and Turpin admitted the truth of what Clapperton and Roy had stated in their evidence. Turpin said that he had been paid $24 by Plummer for acting as detective for eight days of the campaign, including election day. Mr. Plummer swore that Turpin's evidence was true, whereupon Mr. Aylesworth called for Plummer's cash book, but the entries therein did not correspond with the amount named by Turpin and Plummer. The Court reserved judgment on both charges.

At the afternoon sitting charges 48 and 49, in which Eli Morreault was charged with promising to repay Xavier Nadon a sum of money expended by the latter for corrupt purposes, were taken up, both charges being dismissed, as was also charge 46, against Nadon, in which the latter was charged with paying A. Delouzier 75 cents as a bribe.

Charge 4, in which W. R. Cunningham is charged with hiring a rig from Templeton & Sons, to convey voters to the polls. Mr. Cunningham swore that the rig was used to take him to Garden River, where he acted as scrutineer on election day. Judgment in the case was reserved.

Thos. Byrne was charged with bribing and intimidating Michael Roach of Garden River. Charge dismissed.

The charges against Mayor Plummer and C. J. Pim, of giving money to Sam Biron as a bribe, were then gone into, but after considerable evidence had been taken the court held that the charges had not been proven.

Mr. Aylesworth asked permission to amend his particulars by the addition of a charge of general treating, the court will hand out a decision on the application in the morning.

TO INTERVIEW SIR WILLIAM.

Railway Men Will Present Views on the Arbitration Bill.

Ottawa, Jan. 17.—Sir William Mulock left last night for Toronto, where he will receive a deputation of railway men to-day in regard to the railway arbitration bill. The hour fixed for the interview is 12 noon.

The Postmaster-General will also probably hear a deputation from the Press Association on the subject of postal rates.

On the evening of the 19th inst., Sir William will be banqueted by the Collingwood Board of Trade.

The following day he will return to Toronto for the purpose of attending the annual meeting of the Reform Association.

JOHN A. GRAHAM DEAD.

Treasurer of the Canadian Pacific at Winnipeg Passes Away.

Winnipeg, Jan. 17.—John A. Graham, local treasurer of the Canadian Pacific Railway, died at his residence here last evening, after a few weeks' illness. Deceased was one of the pioneer railway men of the West. His sister is the wife of C. Drinkwater, secretary of the Canadian Pacific Railway Company, Montreal.

Thames Frozen Over.

London, Jan. 17.—For the first time in many years, the Thames is frozen over. At Marlow the ice is nearly an inch thick. Drift ice has formed in solid packs on the river at Windsor and Richmond. Intensely cold weather prevails, which has largely increased the number of the unemployed, as much outdoor work has been suspended.

Another Arctic Expedition.

Paris, Jan. 17.—Dr. Jean Charcot has announced the plans for the Arctic expedition under the patronage of the Academy of Science and the Ministry of Public Instruction. A ship for the voyage is now under construction at St. Malo. She will leave France May 15 for Spitzbergen, and thence will start for Franz Josef Land.

Ice Blockade Raised.

Toronto, Jan. 17.—Supt. Price of the C.P.R. announced yesterday that the blockade of ice at the Detroit River had been broken. Passenger and freight trains, he said, were being moved at that point in much quicker time than during the past week.

Insane Submarine Inventor Dead.

Paris, Jan. 16.—M. Goubet, inventor of the submarine torpedo boat bearing his name, who was recently confined in an asylum for the insane, is dead.

Asked $45,000, Took $5,000.

London, Jan. 15.—The claim of May Yohe against her former husband, Lord Francis Hope, for $45,000 has been settled for $5,000.

The Eastern Consolidated Oil Co. hereby announce, through their fiscal agent, C. B. HEYDON & Co., 72 Queen Street, West, Toronto, Ont., a

100% ADVANCE

on the price of their stock from 50c. to $1.00 [par] per share

In Ten Days

A stock that has attracted wide attention in the financial world and is soon to be withdrawn from the market.

An Investment Proposition that has paid 27% in dividends to its stockholders in the past thirteen months.

THIS IS THE COMPANY

That has 10,000 enthusiastic stockholders.

That has over 21,000 acres of oil lands.

That has 115 rich producing oil wells in Ohio and California.

That has made every $100 original investment worth $200 to-day, and paid $27 in dividends on the investment.

That has treated its stockholders so well that 80% have increased their holdings since Dec. 1.

That is building a big oil refinery in Kern River that alone will earn big dividends.

That has received subscriptions for 400,000 shares of stock from its own stockholders in one week.

THIS IS THE COMPANY

That has an oil production of over 50,000 barrels monthly.

That has nearly a million dollars in assets and practically no indebtedness.

That will make every $100 invested now worth $200 when the price goes to $1.00 a share after January 29.

That has more properties, more oil wells, more dividends and more assets than any company except the Standard Oil Company.

That has among its board of directors such men as Hon. Ernest Cady, ex-lieutenant governor of Connecticut, president; Judge Charles J. Noyes, five times speaker of the Massachusetts legislature, vice-president, and Hon. Lewis Corbin, one of the largest envelope manufacturers in America.

MOST SOLID, SUBSTANTIAL INVESTMENT ON THE MARKET.

CLAIMS KINSHIP.

Mrs. Wertheimer of San Francisco Wants Share of Eli Hyman's Estate.

Toronto, Jan. 17. — Mrs. Esther Wertheimer of San Francisco, filed a claim in Osgoode Hall yesterday that, as a daughter of Eli Hyman, the Jew who died recently in the General Hospital, and who owned property to the value of $65,000, she is entitled to a share in the fortune. She claims her mother died in 1868. Thomas Mulvey, on her behalf, seeks "a declaration that she is the lawful next of kin to Eli Hyman or Henry Davis, or Henry Zolinski," and for the administration of the estate. The suit is entered against Mrs. Hyman here and the National Trust Co., as administrators of the estate.

All Sorts.

It takes 3,600,000 grains of oats to sow an acre; 2,800,000 of barley, and only 1,000,000 of wheat.

The birch grows farther north than any other tree. Next comes the Siberian larch and then the fir.

The very best medicine for the relief and cure of chronic coughs and bronchitis; dry, harsh throat coughs; irritating coughs of grippe and consumption; whooping cough; croupy coughs of children, is Angier's Petroleum Emulsion.

It soothes and heals the inflamed and irritated membranes of the throat and air passages, promptly relieves the cough, removes foul mucus, makes breathing easy, and puts the respiratory organs in a strong, healthy condition, so that they are able to resist further attacks. It is pleasant to take, agrees with weak stomachs, aids digestion, and has a healthful action upon the bowels.

Angier's Petroleum Emulsion is indorsed and prescribed by physicians, used in hospitals, and sold by druggists everywhere.

MUNICIPAL REPRESENTATIVES DISQUALIFIED.

Councillor and School Trustee are Unconstitutional Combination.

THE LAW DIVORCES THEM.

Amended Law Hits Several County and Municipal Councillors—Are County Councillors Exempt From the Act Which Forbids one man to Serve Two Masters?

At the last session of the Legislature, the Municipal Committee, composed of members of both political parties, considered very fully the the question of the advisability of legislation debarring members of School Boards from also being members of municipal bodies, and legislation in accordance was enacted.

There is no doubt that many members of School Boards, in different parts of the country, who have been elected to Councils, are disqualified.

It is stated that the disqualified members of Councils, that is those also occupying positions as School trustees, are: Reeve and two councillors of Harvey Township; Mr. J. Manouge, County Councillor for the Lakehurst division; E. A. Peck, County Councillor for Otonabee Division; Mr. D. Moloney, County Councillor for the Lakefield division; Mr. W. Buck, County Councillor for the Norwood division; Mr. George W. Fitzgerald, County Councillor for the Bridgenorth division; and Mr. D. O'Connell, Alderman, Peterborough.

This is a serious state of affairs, in a minor sense, and it is remarkable that the amandment to Section 80, of the Municipal Act, escaped the attention of those concerned, especially as two of the elected municipal representatives held to be disqualified, are practising lawyers of good standing; and some half-a-dozen municipal clerks also seemed to fall to note, or at least to call the attention of candidates to the new requirements of the Municipal Act, which are to be regarded as reasonable requirements devised in the public interests. When the Municipal Committee was considering the question it was felt that it was most undesirable that one man should hold the two positions, he would be exposed to the temptation to sacrifice the interests of one position to those of the other. As a Trustee he would not be free to take as strict a view of his duties. If he found it necessary in the administration of the duties of trustee to take a certain action in the interests of the section, for fear of giving offence, and alienating the ratepayers in a way to reflect on his popularity as a councillor, he would not be in a position to do his duty in his capacity as trustee—in fact the committee of the Legislature held that a man could not serve two masters, and that it was desirable that the two offices should not be centred in one man and legislation was enacted accordingly.

The committee also felt that the moral effect was bad, it was a discouragement to the development of local talent from efficiently serving the public. In every township and school section there are to be found enough men of sufficient ability to permit of the people electing one man for each position. After most maturely considering the subject the committee reported the bill enacting the legislation which forbade the combination of the office of school trustee and municipal councillor in one person.

There seems to be some doubt in some minds whether the amendment applies to county councillors as it is otherwise thought to do. Mr. E.A.C. Peck, one of the ostensibly disqualified county councillors, elected to represent Otonabee division, holds that he is not disqualified because he is a member of the Ashburnham School Board. He claims that the amended act does not say that no school trustee is qualified for municipal election—but that no member of a School Board "for which rates are levied," shall be eligible for election. Mr. Peck holds that as he is a member of a body, the County Council, which does not levy school rates, that the amendment does not apply to him or other members of the County Council similarly situated. Mr. Peck says he intends to hold his seat in the County Council till at least his inability is definitely and authoritatively decided.

THREE MONTHS AND $50.

Was the Sentence Passed on Mrs. Sutherland This Morning.

At the police court this morning Mrs. Sutherland, of Cedar street, was sentenced to three months in jail for keeping an immoral house. She was also sentenced to pay a fine of $50, which, if not paid, will require her to stay an additional three months in jail.

Mabel Smith, charged with being an inmate of the house, left town, forfeiting her bail of $150, which, it is said, Mrs. Sutherland put up for the girl.

SOCIAL AND PERSONAL.

Mrs. C. B. McAllister will render the solo, "The Anthem Celestial," at the George street Methodist church on Sunday evening.

The Rev. Dr. Saunders, who is to conduct the anniversary services in George street church to-morrow, will be the guest of Dr. McClelland, 190 Brock street.

St. Luke's Church.

Choir practice to-night at 8 o'clock. The Rev. G. Warren, B.A., of Lakefield, will officiate at St. Luke's to-morrow.

Y. W. C. A. Notes.

The Sunday afternoon meeting will be held as usual to-morrow at 4.15. Miss Little, the travelling secretary of the Students' Branch, will address the meeting. All young women are invited to attend.

Cocoa.

Walter Baker's Breakfast Cocoa yields a delicious flavour, and is easily digested and thoroughly wholesome. It yields treble the strength of cocoa as usually prepared. Regular 30 cent tins, now 25 cents. E. F. Mason and Co., Grocers, two stores. 2d

The Ancient Order of United Workmen, Lodge 36, Peterborough.

A grand concert under the above auspices will be given in Bradburn's Opera House, Friday, Jan. 23rd, 1903, when the following talented artists will appear:

Mrs. Calder-Stock, the brilliant Soprano, of Detroit, Mich.

Harold Jarvis, of Detroit, Mich., America's Leading Tenor.

Miss Edna Sutherland, the wonderful Elocutionist of Toronto.

Miss Mebarry, of Peterborough, Pianist.

The following from the London Advertiser, about Mrs. Calder-Stock:—"Alice Calder-Stock was really the favourite of the evening. Mrs. Stock's voice possesses that quality of sweetness which cannot be described, but can only be felt. Her expression is faultless and with each succeeding appearance on the concert stage in London, she seems to improve. Nothing more delightful could be imagined than her singing of "Come back to Erin," the exquisitely tender little song which caused many Irish eyes to grow dim with emotion." 2d

Lever's Y-Z (Wise Head) Disinfectant Soap Powder is a boon to any home. It disinfects and cleans at the same time. 2d

THE T. A. S. DEFEATED LAKEFIELD.

A Fast and Exciting Game at the New Rink.

THE SCORE WAS 7 TO 2.

The Visitors are a Fast Little Team and put up an Excellent Game—A Good Sized Crowd.

About 600 people gathered in the Brock street rink last evening to witness the Trent Valley League scheduled game between St. Peter's T.A.S. team and Lakefield which resulted in a victory for the Total Abstinence boys by a score of seven goals to two.

The supporters of the T.A.S. septette turned out in large numbers with the club colours at the mast head to encourage the boys, and the rink rang with their shouts when their team came on the ice in their new uniforms of red and black.

Shortly after 8 o'clock, the Lakefield boys who had come down on a special train, accompanied by about one hundred and fifty supporters, entered the rink and when the boys from the northern village appeared on the ice, they were cheered to the echo. Their uniforms were somewhat similar to those worn by the T. A.S. which had a tendency to puzzle the spectators to a certain extent.

About 8.25 Referee Jack Anderson, of Norwood, made his appearance on the ice and the teams lined up before him in the following order:

Lakefield—Goal, Wagner; point, J. Ridpath; cover point, Murduff; forwards, B. Ridpath, G. Ridpath, C. Bloomfield, K. McGinnis.

T.A.S.—Goal, F. McCoy; point, W. Meagher; cover point, W. Crowley; forwards, W. Parnell, G. Lynch, W. George, F. McGrath.

Umpires—C. Pense and W. Menzies.

Referee—J. Anderson.

Timekeepers — Messrs. Doris and Fitzgerald.

It was only one minute after the face-off that the T.A.S. tallied the first goal, which was followed by another in a half a minute later. The third game also went to the T.A.S. in six minutes after a stubborn fight. The puck was no sooner faced than Lakefield notched a goal, followed by another in about half a minute. So rapidly was the first done that the Lakefield supporters had not ceased cheering over the first goal notched before the second was tallied.

Before half time was called the T. A. S. located the nets again and the score stood 4—2 in their favour.

The last half started with a much better style of hockey than that which characterized the first half of the game. Both sides worked with a determination to do or die, and after about ten minutes play Geo. Lynch scored for the T.A.S. The play only lasted about four minutes when Lynch scored again. After some splendid work on the part of both teams, Lynch secured the puck and passed to George who shot and scored the last goal of the evening, the score standing 7—2 in favour of the T.A.S.

The games during the evening were scored as follows:

T. A. S. — Lynch 2, Parnell 2, George 2, McGrath 1.

Lakefield — B. Ridpath 1, C. Blomfield 1.

The T.A.S. team is an aggregation of good hockeyists, and some splendid work was done by their speedy forwards, Lynch, Parnell, George and McGrath, but individual work was too much in evidence. Had there been more team play the score would have been very much higher, and it behooves the boys to get out and practice a little more, for the material is there for a very fast septette. Capt. George Lynch, (and the T.A.S. boys showed good judgment in placing him in that position) started several pretty combinations, in which McGrath, George and Parnell figured, as a result of which a game usually followed, and when the boys understand each other a little better they will make the best of them hustle.

W. Meagher at point, and W. Crowley, at cover point, held down their positions with credit, and were in the game at all times. The T.A.S. team have a good man in goal in the person of "Galley" McCoy, who gave an excellent account of himself last evening.

The Lakefield septette, it can truthfully be said, is made up of speedy skaters and expert stick-handlers, and the game they put up against the local seven was a creditable one indeed. Wagner in goal is a tower of strength and saved the Lakefield citadel many times during the evening. Capt. B. Ridpath, and his brother, "The Little Midget," were however the stars, and they are certainly clever enough to travel with the best of them. C. Blomfield is also a strong man, in fact the team is a very promising one, and with a little more team practice the boys ought certainly to make a splendid record.

The game as a whole was a clean one, only three players decorating the boards, and then only for a short time. Referee Anderson performed his duties in a highly satisfactory manner.

At the conclusion of the game the Lakefield club was taken in hand by the T.A.S. boys, and the rooms of the society were afterwards thrown open to them during the evening. Before leaving for home, however, the visitors were given an oyster supper at Mr. L. Potvin's, which was attended by the members of both teams, together with the officials of both clubs, and Revs. Dr. O'Brien, J. O'Brien and T. B. Crowley. Short speeches followed, and the health of the visiting team was proposed by Mr. William Crowley, and fittingly recognized. The Lakefielders were afterwards escorted to the train.

The party who picked up a Lakefield jersey at the rink in a mistake, is requested to leave it at the T.A.S. rooms.

The T.A.S. boys are reminded of the practice this evening, and a full turnout is urged.

A big lot of Pocket and Office Diaries at Sallsbury's—10c up.

THE MOULDERS HELD DINNER LAST NIGHT.

An Enjoyable Gathering in the Oriental Hotel.

THOSE WHO WERE PRESENT.

Some Excellent Songs—Step Dances—Speeches—Banquet Hall Decorated.

The Iron Moulders' Union of Peterborough is always to the front. An instance of this was seen last summer when they carried off the first prize for appearance in the labour procession, in spite of the keenest of competition. However, the latest evidence of the progressiveness of this union was the splendid dinner which they held last night in the Oriental Hotel.

The event was attended by some 60 or more of the members of the Iron Moulders Union, besides several representatives of the various sister unions in town. The Iron Moulders never do things by halves, as the preparations for last night's entertainment, would indicate. The dining room of the Oriental Hotel, in which the dinner was held, was very prettily decorated with flags, bunting, mottoes and designs of various kinds. The tables were decorated en fete, and the surroundings were of such a delightful nature as to conduce to the success of the first annual affair of the kind. Perhaps it was that Mr. George Graham, who is proud to call himself a union moulder, took special pains towards making the dinner one of the best that has ever been held in his dining hall. The menu was most excellent, and the programme following, of speeches, songs, step dances, etc., was heartily enjoyed. Miss Katie Graham very kindly and efficiently presided at the piano, during the progress of the dinner, and rendered a number of popular selections, which caught the spirit of the audience, whilst Miss Nellie Graham rendered several vocal selections, for which she was given great applause.

THOSE PRESENT.

The chair was occupied by Mr. Hugh Robertson, President of the Iron Moulders' Union, and seated around the table were,—E. W. A. Odell, organizer for the Canadian Boot and Shoe Workers' Union; Sam Houlihan, Jim Lewis, (Barbers' Union,) P. J. Heaslip, W. Bardell, James Johnston, John Johnston, James Hamilton, J. Raymond, J. Robertson, Sr., M. Morgan, H. Stenton, F. Hourigan, T. White, George Hardwick, J. Londerville, R. A. Stockdale, Nelson Pogue, Wm. Boswell, Thos. Stenton, Thos. Derry, Thos. Halpin, George Ahern, Jas. O'Brien, D. Burke, Jos. Crowe, W. Mcauliffe, Arthur Mitchell, (Barbers' Union,) John Robertson, Jr., Corresponding Secretary for the International Iron Moulders' Union, Ed. J. Cookson, (International Association of Machinists,) Jas. Elliott, (Montreal Union No. 21,) John O'Brien, J. E. Sharpe, (Patternmakers' Union,) Jas. Munro, W. Menzies, Frank Turner, Thos. Fortye, Ed. Ward, W. Rudkins, Richard Desautel, R. Eastland, Arthur Elliott, Fred Andrews, Albert Thorndyke, Frank Rowe, T. Starr, W. Mowery, Geo. Ward, Sam Gottingham, J. Burke, J. Hatcher, J. Crowe, J. Hickey, J. Kelly, P. Tangney, Sid. Crowe, J. Lonergan, N. Duttle, (President International Brass Workers' Union, of New York City,) S. S. Moore and E. S. Clarry.

THE PROGRAMME.

The chairman, in his opening remarks, extended a warm welcome to the guests who were present. He asked them to join in drinking the toast of the Iron Moulders' Union of America.

Mr. Rudkins, Inspector of Inland Revenue, who was at one time a moulder, expressed his pleasure on being present and proud of the organization, of which he was still a member. He would not pretend to speak on behalf of the Iron Moulders Union of America, which was one of the strongest unions there was in existence to-day. The gathering that evening was a credit to the order, as theirs was a company of intelligent men united in their own interests. He referred to the great men who had been connected with the trade in the past, and he would always look back with pleasure to his associations amongst them. When he was appointed to a position in the Inland Revenue Department he took the membership card of the union and posted it up in his office to show that he would not forget the trade with which he had been identified.

Mr. Gillogly was called upon for a vocal selection, which he rendered most ably. The name of his selection was "Away Down Yonder in the Corn Field."

SISTER UNIONS.

Mr. James Munro, representing the Machinists Union, was called upon to respond to the toast of "Sister Unions." He made a humorous little speech in which he expressed the hope that the machinists of the town would have a social gathering, such as the moulders were now enjoying. He also hoped that the unions would prosper in town, and that the different branches of trades unions would work in harmony.

At this juncture Mr. Fred Andrews gave a very clever exhibition of baton swinging, and this was followed by a vocal selection excellently rendered by Mr. Dick Desautel.

MR. O'DELL.

Mr. O'Dell, the organizer for the Boot and Shoe Workers' Union, said that it was an unexpected opportunity which he much enjoyed, in being present. He enlarged on the objects of unionism, endeavouring to show how the interests of all the various unions should be in sympathy with each other. He urged that the band of fellowship should be extended to sister organizations that may not be as strong as our own particular union. He also urged unity in the political sphere as well as in the economic sphere and held that by united action the workingmen could insist upon and obtain rights. Why not organize every power we possess? They should see that their wives when they went down to spend their union money should purchase only union labelled goods.

MR. DUTTLE.

Mr. Duttle, President of the Brass Finishers' Union of America, first opened his remarks by expressing his pleasure in being present. His visit to Peterborough and other points in Canada was for the purpose of learning the extent of unionism throughthe the Dominion. He denied that the American union was in anyway trying to isolate the Canadian section of the International Union. He claimed that the interests of the American section of the International Union and the Canadian Branch were identical. An injury to one was an injury to the other. He scored Mr. Curby, a leading manufacturer of Dayton, Ohio, whom, he claimed, was trying to convince the manufacturers of Canada that the trades unionism of the United States was anarahistic. He claimed that Mr. Curby had been foiled in the City of Dayton in an attempt to rob the innocent apprentices of that city. Continuing Mr. Duttle recited many interesting circumstances in connection with the success of unionism in the United States. Turning his remarks concerning the President of the National Iron Workers' Union, he mentioned the fact that Mr. Fox, he was sorry to state, was on his death bed, having been stricken down while working in the interests of his people.

Mr. Sam Houlihan then favoured the company with an exhibition of step-dancing, which was thoroughly enjoyed. Mr. Joe Guerin gave a like performance in a clever manner.

The affair broke up by the singing of the National Anthem.

PETERBOROUGH'S MODERN STORE.

Cotton is King!

The month of January we devote a considerable amount of space and time to Cotton. Many people buy the bulk of their cottons in January and have them made up during the long winter months. It affords employment and occupies the mind at a time when everybody wants something to do to relieve the monotony of winter. These stocks are always at their best during January. That's when we replenish our cotton stocks. We always have a Cotton Sale during January. We make prices that encourage people to buy. Those who have the money to spare can make a big saving by buying Cottons at our Big January Sale. Here's a list of prices :—

Unbleached Sheetings

2 Yards wide, at 18, 20, 22 and 25c yard.
2 1-4 Yards Wide, at 22, 25 and 30c yard.
2 1-2 Yards Wide, at 25 and 30c yard.

Bleached Sheetings

2 Yards Wide, at 25, 30 and 35c yard.
2 1-4 Yards Wide, at 30, 35, 40 and 45c yd.

RECEPTION OF THE SCOTTISH CURLERS

On the Occasion of Their Visit Next Week.

To be Given a Warm Welcome by the Local Curlers.

The visiting Scotch curlers, no matter what the state of the thermometer may be next Tuesday, will have no reason to complain of the warmth of their reception by the curling fraternity and citizens of Peterborough. On that day Col. Edwards, chairman of the Provincial Reception Committee; W. G. Ferguson, Dr. Boucher and J. D. Flavelle, of Lindsay, will proceed to Havelock to meet and greet the Scottish curlers on their way, and bring them safely to Peterborough, where there will be a somewhat popular welcome awaiting the representatives of the "Land o' Cakes."

At 4.45 p.m. the local and visiting curlers will muster at the Charlotte street rink and armed with brooms and tams will proceed to the C. P. R. station, headed by the band of the 57th Batallion, which will roll out a musical welcome as the train rolls in. The curling visitors and the members of the Town Council and prominent citizens will take sleighs, and headed by the band and escorted by the "Knights of the Stane and Besom," will go up town in procession, which will take the route of George street to Hunter, to Water, to Brock, to George, and thence to the Snowden House, where dinner will be served at 6.30.

At eight o'clock the games at the rink will take place.

At their conclusion the Scotch curlers will be entertained at the Oddfellows' Hall, where refreshments, songs, speeches, etc., will be the order of the programme.

At nine a.m., on Wednesday the visitors will be taken by the town council and prominent citizens for a drive around town, and be shown the principal objects of interest.

At 2 p.m., on Wednesday the second series of curling matches will be played, and at 4.30 the Scotchmen will take a special train for Lindsay, accompanied by a deputation of Lindsay curlers who will come down earlier in the day for that purpose.

The same night the Scots will return to Peterborough, and depart by the local on Thursday morning for Toronto.

A deputation from the Ontario Curling Association, and several Toronto curlers are expected to join in the Peterborough welcome on Tuesday.

A large number of visiting clubs from the district have promised to be present, to assist in the bonspiel.

TRENT CANAL CONSTRUCTION.

To the Editor of the Examiner,—

Sir, — I beg of you space for a few words re the completion of the Trent Valley Canal. Now is the time for united action of our municipal bodies, and all interested, to press on the Government for the completion of this (to be) great national highway.

Work is now being done on the main estimates. Why be silent until the supplementary estimates are being arranged? Do not our deputations go down to Ottawa too late to do the most good?

Can we not get the active support of the Boards of Trade of the Western cities, which are so vitally interested, and also of those of the Eastern cities, river and seaports, to which the securing of the Western traffic from the railways of the United States, is so important.

The outlook of the Great West is now so magnificent, and the traffic therefrom already so congested, that the Government must surely push this work to immediate completion. But let us act powerfully, and at once.

I hope, Mr. Editor, that you will again agitate this in your "Generally Speaking" column, which has acquired so wide an influence.

Yours sincerely,
J. S. B.

Peterborough, Jan. 15, 1903.

Boys and Girls.

School opens on Monday and we have had an extra week to prepare for you. We never forget the boys and girls. We will have the largest scribbler and best paper for 5c., 3c. and 1c.; the prettiest cover and most paper in our exercise books for 5c. and 3c. All the text books you require, should you be lucky enough to be promoted. In fact the Peterborough Bookstore will be headquarters for school supplies on Monday and Tuesday. A. H. Stratton & Co.

LOCALS LOST TO BELLEVILLE

In a Hotly Contested Game Last Night.

The Score was Five to Two—Belleville Team a Fast Aggregation—Locals Well Used.

Last night was a rather disastrous night for Peterborough hockeyists. Three Peterborough teams were playing, and only one was victorious. The Peterborough seniors were defeated by the Belleville team by a score of 5 to 2, in the preliminary round of the Intermediate O. H. A. series, the Peterborough juniors were defeated in the Junior O.H.A. game in Port Hope, but the T.A.S. team, in a keenly contested game in the Brock street rink defeated the Lakefield team by a score of 7 to 2.

The defeat of the Senior in Belleville did not come as a surprise to the local fans, as it was well known that the members of the Belleville team were in excellent condition, having had the advantage over the locals of several weeks' practice, that they were a well balanced team, and that they of course would have any advantage there might be in a team playing on its own ice. The management of the local team is not worrying a great deal over the result of the game, as the loss of one match does not necessarily mean the loss of the championship of the district. The visit of the Belleville team to Peterborough will be awaited with much interest, and the boys will make a determined effort to reverse the score.

The Peterborough team was accompanied to Belleville by Messrs. J. T. McCabe, A. A. Hollingshead, R. M. Glover and Dr. Bradd. The boys put up at the Quinte, and returned on the early train this morning. They report having been well used by the Belleville people, and claim that the game was exceedingly well-fought throughout.

The Globe despatch from Belleville says:

Decidedly the best hockey match of the season was that to-night between the Belleville and Peterborough O. H. A. intermediate teams. The play from the face-off, was fast and the checking close, the work of both teams being clean. Belleville scored the first goal after about two minutes' play, but neither side could score again in the first half. In the second half the play was still faster, but, although last year's champions exerted themselves to the utmost, they failed to equal Belleville's big men, who scored 4 goals to their 2, leaving the final tally 5 to 2. The attendance was large and the enthusiasm was at fever heat.

Referee Schooley interpreted the rules very strictly and impartially. His decisions were received with favour by both teams. The local fans now regard their team as the coming champions. The teams:—

Belleville — Goal, Winchester; point, Wallace; cover point, Brown; centres, McGuire and Burrows; wings, Kennedy and Marks.

Peterborough — Goal, Crough; point, Cavanagh; cover point, Armstrong; centre, Morgan; wings, Graham and Armstrong; rover, Whitcroft.

Referee, Roy Schooley, Toronto; goal umpires, W. J. Cook, of Belleville, Fred Thomas, of Peterborough; timekeepers, S. Hyman, of Belleville, J. T. McCabe of Peterborough.

The Peterborough gentlemen who accompanied the boys to Belleville, express surprise at the nature of the report sent by the Mail and Empire correspondent to his paper. Here is a sample of it:

"The Intermediate O.H.A. game between Belleville and Peterborough, was bitterly fought out and marked by hard checking and considerable unfair work by the visitors, who tripped, slashed and loafed off-side persistently. They played a fast game, however, but were outclassed by the size and and swift heavy locals, who were in the pink of condition, and played a great game. The score, 5 to 2, fairly shows the strength of the two teams, although Belleville was only prevented from scoring by the hardest kind of work. Roy Schooley of Toronto, was referee, and the crowd did not like his decisions. The Belleville team scored twice in the first half, though the last one was disputed, the Peterborough timekeeper claiming half time was up, the Belleville timekeeper allowing the goal. However, Belleville won, so the referee will not have to submit the matter to the O.H.A., as he said he would."

* * * *

The executive of the Peterborough hockey club will meet this evening at 10.30 o'clock, in the Oriental Hotel.

Is Your Piano in Tune?

The change of seasons affects pianos as well as everything else. Mr. Geo. Gumpricht, practical piano maker and tuner, with twenty-eight years experience, attends to all orders left at Mr. H. S. Macdonald's drug store.

File Your Receipts This Year.

What office or house would be without a fyle to keep track of their papers when you can procure at the Peterborough Bookstore a board fyle and arch for 25c., or a board fyle, arch, compressor cover and index, complete, for 35c. Call and see them or telephone and we will send on approval. We are after your trade for office supplies. Try us with your next order. A. H. Stratton & Co., 417 George street.

GENERALLY SPEAKING

THE TRENT CANAL — "to be or not to be"—completed at once—"that is the question." The letter of a correspondent in another column is pertinent and timely, and is a direct pointer to our Board of Trade, and new Town Council.

* * *

AT THE RISK of disturbing the slumbers of the Board of Trade, that body might be asked if it cannot find some little work to do to advance the interests of the town. No place on the route of this canal, and no place in Canada, outside of Montreal, the seaport, and the Northwest, will stand to gain as much as Peterborough from the completion of this national highway. Then why not have the Board of Trade at work? If any pressure has to be brought upon the Government this session, now is the time to act. And Governments need to be reminded. They have such a multiplicity of duties, have so many demands upon the national exchequer to accommodate to the financial capacity of the country, so much urgent business, that they cannot be expected to be impressed with the importance of certain interests, without having their attention specifically called to them.

* * *

BESIDES, a Government may be seized of the importance of certain works, and be perfectly desirous of advancing them, but as Governments live by the will of Parliament, the members of Parliament must also be convinced, and it is the duty of our Board of Trade, acting in conjunction with other bodies on the route of the canal, to begin and carry on a new crusade of education.

* * *

THIS CAN'T BE DONE by sitting with folded hands, but by doing something. The Dominion session will soon be on, and meantime all preparations should be made for sending strong — both in a numerical and representative sense — deputations to Ottawa to push on Trent Canal construction.

* * *

THE PRESENT IS NOT a second too soon to act. Time will be required for correspondence and arrangement of details to secure co-operation from every point on the route of the canal. That is, the present is not too soon to act, if anything more aggressive than a policy of drift is to be followed. The Town Council and the Board of Trade are called upon to act. "Speak now," a historical phrase, is worthy of revival now, though its paraphrase, "act now," would be vastly more to the point. How can we expect the Government to act independently of extrinsic stimulation if our own Town Council and Board of Trade remain quiescent, dormant and indifferent? The people look to them to promote local interests, and their duty is so much more plain and insistent, and more probable of being successfully exercised, when local and national interests are so intimately conjoined as they are in their completion of construction work on the Trent Waterway.

* * *

WHO WILL BE the first to move? Whoever it is, there is reason to believe that the public spirit of our citizens will not permit of jealousy, but will be prompt to give prompt and willing co-operation. The way to do things, is to do them, and the time to do them is now.

* * *

RE ANNEXATION.—If the two corporations are united, shouldn't we have another park—one in the Ashburnham ward of the city? "Burnham's Point" is on the market, and if there is any idea or desirability of securing it for a public park, now is the time to act. The trustees of the Estate wish to close estate matters and will be inclined to accept a reasonable offer for the property for whatever purposes it may be required. Without advocating its purchase, its desirability for a park cannot be too much emphasized. Almost surrounded by water, with a permanent approach by bridge over the C.P.R., which the latter is bound in perpetuity to maintain, the Point, with trees planted in it's excellent soil, would make one of the most delightful park sites in the town. If the matter of purchase for park purposes is at all entertained, prompt action will be necessary, for the industrial invasion will not leave this prominent and favourably situated piece of property long unappropriated.

* * *

SOME OF THE LABOUR bodies are calling upon the Council to take action in regard to providing for sanitary plumbing and proper inspection. The labour bodies have level heads and want to have healthy bodies. More power to their muscle. It cannot be denied that improvement of our plumbing in the matter of both construction and inspection, and the involved consideration of the public health is one of the most important, if not the most, important subjects that can engage the attention of our Town Council.

* * *

TO THE VAST majority of our citizens their health is their only capital. The Town Council will exercise neck-breaking energy to prevent impairment of the material capital of citizens, and they should show greater energy in protecting the health—the capital—of our citizens, and thus do the greater good to the greater number.

OYSTER SUPPER

To be Held by Kawartha Lodge I.O.G.T.

A tea meeting and oyster supper will be held under the auspices of Kawartha Lodge, I.O.G.T., in the Chemong town hall on January 29th. An excellent programme will be furnished, consisting of speeches, songs, recitations, readings and dialogues, entitled, "When women have their rights," "A heavy shower," and "The best policy. Addresses will be delivered by a number of speakers from different places; all will be in English. Tea will be served from 4 to 7 p.m. The chair will be taken by Mr. Powell of Peterborough at 7.30. The Chemong choir will furnish music. Admission to tea and concert: Adults 25c.; children, 20c. The committee — Geo. B. Taylor, John Jacobs, Alfred Maybee, L. D., Wm. Whetung, treas.; Dannie Whetung, sec. God Save the King. The committee announces that fodder will be furnished for horses coming from a distance.

ANNUAL MEETING

Of the Peterborough Workingmen's Building and Savings Society.

The annual meeting of the Peterborough Workingmen's Building and Savings Society was held in their office, (the Stevenson Coal Company) on Wednesday evening, the 14th inst. when the report of the business of the year 1902 was presented, proving to be a satisfactory one.

The officers and directors for the year 1903 were chosen, resulting as follows:

President—T. B. McGrath.
Vice-President—Jas. Lynch.
Treasurer—Jas. Murty.
Secretary—John Corkery.
Directors — Geo. Ball, H. LeBrun, John McCabe, R. Sheehy, E. A. Peck, A. Murty, John McGrath, A.M. Laidlaw, W. J. Francis, G. H. Giroux, L. Minnicolo, Dr. T. P. McNulty.

A MOTHER'S CARE.

Every mother knows the constant care a little child requires, and to the young and inexperienced mother who is caring for her first baby there is no other period in her life more trying. In the little ills that are certain to come to all infants and young children, the mother—especially the young and inexperienced mother—scarcely knows what to do. It is to meet emergencies of this kind that Baby's Own Tablets are offered to all mothers. These Tablets are an absolute cure for all the minor ailments of little ones, and should constantly be kept in every home where there are young children. Sickness comes quickly — with Baby's Own Tablets at hand, the emergency is promptly met. Mrs. R. H. LaRue, Mountain, Ont., says: "I can recommend Baby's Own Tablets to all mothers who have cross or delicate children. I do not know how I could get along without them." The Tablets are guaranteed free from opiates or harmful drugs, and crushed to a powder may be administered with absolute safety to a new born babe. Sold by all druggists or sent by mail at 25 cents a box by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

Genuine Reductions IN Genuine Winter Furs

Bargains all this month at W. Lech & Sons'. The attractions justify the earliest inspection. Fine Furs at mid-winter clearing prices. It will pay you to look ahead.

A great quantity of skins was purchased last fall, anticipating the present advance in the price of Furs. And now we have garments made up in stock, or you can have garments made to your order, on which you can save money on every purchase.

WM. LECH & SONS

The Oldest Established and Leading Fur Manufacturer, 417 George Street.

LABOUR UNION NO. 9240.

Regular Business Meeting—Election and Installation of Officers.

At the regular meeting of Labour Union, No. 9240, Outside Workers, the following officers were elected and installed for the year 1903:—

Worthy President—John McCann.
Vice-President—T. Golden.
Financial Secretary—Alf. Kingscote.
Recording Secretary—T. McGrath.
Treasurer—Wm. Taylor.
Inside Guard—R. Graham.
Outside Guard—J. McCarthy.

The new officers were installed by Past President W. Henry, and after taking the oath of office, entered upon the duties of their office.

The following Standing Committees were also elected:

Hall Trust—A. Kingscote, J. Gibson and the President, J. McCann.
Finance—W. Menzies, J. Newall and T. Golden.
Auditors — W. Menzies and W. Henry.

The Financial Secretary's report for the past six months was read and adopted. The report showed a balance in the treasurer's hands of $56.

The Hall Trust asked for another week to prepare their report, which was granted.

A resolution was passed favouring the taking over by the Trades and Labour Council of the lease of the Labour Hall and the purchase of the furniture, which belongs to the outside worker's union, with the view of having all the trades unions holding their meetings in the hall.

A resolution was passed urging upon the Town Council the appointment of a commission composed of competent disinterested citizens to revise the municipal assessment roll of the town and report thereon before the next assessment is made. The delegates to the Trades and Labour Council were requested to present this resolution before that body in order to have it brought up before the Town Council.

The members endorsed the action of the Trades and Labour Council in requesting the Town Council to appoint a sanitary plumbing inspector.

The next meeting of this union will be held on Friday, the 23rd inst., after which the meetings will be held every two weeks—on second and fourth Fridays.

New Year's Dainties at S. A. Oke's.

RESIDENCE—178 Harvey street Peterborough.

MET DEATH BY FIRE.

A Boy in British Columbia and a Squaw Near Winnipeg.

Kaslo, B.C., Jan. 16.—The young son of N. Murphy pulled a lamp off the table, which set fire to the house. The mother had just stepped in next door to get the other children. The boy was burned to a cinder.

Winnipeg, Jan. 16.—Wednesday afternoon a squaw named Smith was burned in her tent in the outskirts of St. Boniface.

Banquet at Brantford.

Brantford, Jan. 16.—The annual banquet of the Board of Trade was held last evening in the Kerby House. There were about 150 guests present.

The principal speakers were Hon. J. Israel Tarte, Montreal; Prof. Robertson, Ottawa; Messrs. D. Derbyshire, Brockville; J. B. Henderson, Paris, C. B. Heyd, M.P., C. H. Waterous, W. F. Cockshutt, Harry Cockshutt, Dr. Ickes, Brantford, and E. Fisher, General Manager of the T., H. & B. Railway, Hamilton.

Verdict For Mrs. Sternaman.

Buffalo, N.Y., Jan. 16.—Olive A. Sternaman, who was once convicted and sentenced to death for the alleged murder of her husband, and who afterwards was re-tried and acquitted was given a verdict for $1,380 against the Metropolitan Life Insurance Co. yesterday.

CHARGED WITH SHOOTING.

Ernest Stanton, of Hamilton on Trial at Buffalo—Charge Is Murder.

Buffalo, N. Y., Jan. 17.—Confessions made by Ernest Stanton, of Hamilton, Ont., to the police, concerning the shooting of Edna Conrad, alias Frieda McGregor, were the feature of the evidence produced yesterday morning by the prosecution in his trial for murder in the first degree.

Stanton himself was the only witness to the shooting. He made two statements concerning the affair, one at Niagara Falls to police officers of that city, on the morning of Oct. 10th, shortly after his arrest, and the other on Sunday, Oct. 12th, to Buffalo police officers.

Stanton, in these statements, admits having shot the woman, but claims that his pistol was accidentally discharged while he and the girl were playing with it.

The prosecution spent all of Thursday afternoon in weeding together the circumstances leading up to the commission of the deed. An attempt was made to show motive and deliberation, but on this point the evidence was inferential, and not at all convincing.

AROUND THE LOBBIES.

Items of Interest Gathered at the Legislative Halls.

Toronto, Jan. 17. — A Cabinet council was held yesterday afternoon, attended by the Premier, Hon. J. M. Gibson, Hon. R. Harcourt and Hon. J. R. Stratton. It was announced that there was nothing to give to the press.

Hon. John Dryden returned yesterday from attending the judging classes at the Ontario Agricultural College, and left shortly after for his home in Brooklin.

A modified proposition has been received by the Crown Lands Department from Mr. J. Coley-Bromfield of Brighton, England, on behalf of the English syndicate who are desirous of obtaining land in New Ontario. It is understood that the new offer adheres more closely to the Provincial regulations, and involves the settlement of two million acres, somewhat on the lines of the contract under consideration with the Egan syndicate of Illinois. The new offer is still under consideration in the department.

Another Canning Combine.

Seattle, Wash., Jan. 17.—The fourteen independent canning factories of Southeast Alaska have been merged at a meeting here.

Sir Wilfrid's Return.

Ottawa, Jan. 17.—Sir Wilfrid Laurier, accompanied by his private secretary, Mr. Boudreau, returned to the city at noon yesterday.

CONSUMPTION CAN CERTAINLY BE CURED

Proof of This Is Found in the Case of Mrs. Irena J. Banks, of Toronto.

After Having Had Three Hemorrhages and Despairing of Ever Being Cured, Powley's Liquified Ozone Gave Her a New Lease of Life.

She Is a Well Woman To-day, Thankful For Her Good Health and Enthusiastic in Her Praises of Ozone.

That Powley's Liquified Ozone will cure Consumption is due to the fact that it is a most powerful antiseptic germicide. Ozone when taken into the system is conveyed by the blood to the diseased parts of the body, the disease germs are killed and Nature is assisted in her work of healing. Mrs. Irena J. Banks, of 787 West Queen street, Toronto, is but one of the cases that go to prove the efficacy of this wonderful remedy in combatting the dread disease Consumption. Mrs. Banks makes the following statement of her case:

I was afflicted by bronchial and lung trouble for three years. The disease became firmly seated in my system, and I began to despair of ever being well.

MRS. IRENA J. BANKS,
787 West Queen street, Toronto, Ont.

I had the best medical advice in the city and spent a lot of money in medicine. I became a complete wreck physically at the end of three years, and at night had to be propped up in bed with pillows so that I could breathe. I had three hemorrhages of the lungs. My system was entirely run down and I suffered exceedingly from female troubles. A friend of mine living in Muskoka told me to try Ozone, the new system of treatment, as she had been greatly benefited by it. I purchased one bottle, but did not get much relief. At the end of the second bottle I felt much improved, and when I had taken nine bottles I had quite recovered.

My husband did not know that I had taken Ozone and thought I had stopped the doctoring altogether. He said to me: "Didn't I tell you that you would get well when you stopped taking medicine?" When I told him about Ozone he was surprised and thought that it would do his eczema good. He took some, with the result that it cured him.

We are both very thankful for Powley's Liquified Ozone, and consider it the best household remedy to be obtained. I have never yet been troubled with a return of my old complaint, and feel wonderfully well.

(Signed) (Mrs.) IRENA J. BANKS, 787 Queen street west, Toronto.

Additional Proof of the Wonderful Curative Qualities of Ozone in Cases of Consumption.

As proof of the fact that Mrs. Bank's case is by no means an isolated one we give the following list of persons who have been cured of Consumption by Powley's Liquified Ozone:

Mrs. Sheffield, Zephyr, Ont.
Alice Marcan, Mount St. Hilaire, P.Q.
Mrs. Daleina Magnan, 726 Cadieux street, Montreal, P.Q.
Sister St. Alfred, Monastery of the Good Shepherd, Montreal.
Brother Constant, 50 Cote street, Montreal.
Miss Helen McGrandle, Huntsville, Ont.
Wm. McKay, Sutton, Ont.
Mrs. Trotter, Fraserville, Ont.
Mrs. C. Sharpe, Stratford, Ont.
Mr. John McQueen, Bootsville, Ont.
Wm. Bentley, 104 Upper Water street, Halifax, N.S.
Mr. A. P. Sharkey's daughter, 1564 St. Hubert street, Montreal.
John Canty, Mechanicsville, Ont.
Miss Sadie Shaw, 84 Euclid avenue, Toronto.
Mrs. M. Carey, Lakeview Cottage, Ste. Agathe des Monts, P.Q.
W. J. Rogers, Box 17, Kettleby, Ont.
C. Berry, 259 St. Hypolite street, Montreal.
Mrs. Thompson, 241 Sherbourne street, Toronto.
Mrs. Annie Louisa Dow, 443 James street N., Hamilton, Ont.
Florence Weaver, 260 St. Antoine street Montreal.
Fred Hicks, Picton, Ont.

Talk to or write to any of the above persons. You will find them all thankful and enthusiastic. Our free book on Consumption will be mailed on receipt of name and address. The Ozone Co., Limited, Toronto, Ont.

CHRISTIAN INDIANS.

Carry On a Modern Town and Elect Their Executive Council.

Dr. F. C. Stephenson, assistant missionary secretary of the Methodist Church, received while in Toronto, a very interesting letter from Rev. S. S. Osterhout, missionary at Port Simpson. The town is a regular Mecca of commerce, with a population of from 700 to 800 Indians, all of whom have long since adopted Christianity. They no longer live in their old style of Indian houses, with the low flat roofs, but in new, neat cottages, snug, warm and ornamental. They now have an elective Council, which administers the laws of the town, twelve representative men and chiefs, elected by public ballot. They have a fire department, a temperance society, and several stores. To all outward appearances they have adopted Christianity and our civilization, and have a large and well-attended church, a day school, and a home for girls and another for boys.

In outward appearances the Indians are accurate imitators of the white man, but in morality and spiritual things they have not as yet been able to conform to the best approved customs and habits of the whites. When a young man marries it has always been the custom for the relatives of the bride to make a great present to him, the amount ranging anywhere from $100 to $500. Ostensibly this has been given to the bride, but as a matter of fact for future reckoning it has only been loaned to the groom and he must return it with usury. The result of this custom is that the newly-married couple are compelled to slave year in and year out to meet their obligation, subjecting themselves to much hardship and exposure. The big feast, which is the necessary accompaniment to the marriage, is what takes the marriage gift, and when the feast is over the young couple must start out penniless. Mr. Osterhout states that this is one of the many customs that have to be uprooted from Indian life.

Ottawa.
Before Dawn.

The stars are stars of morn; a keen wind wakes
The birches on the slope; the distant hills
Rise in the vacant North; the Chaudiere fills
The calm with its hushed roar; the river takes
An unquiet rest, and a bird stirs, and shakes
The morn with music; a snatch of singing thrills
From the river, and the air clings and chills.
Fair, in the South, fair as a shrine that makes
The wonder of a dream, imperious towers
Pierce and possess the sky, guarding the hails
Where our young strength is welded strenuously;
While in the East, the star of morning dowers
The land with a large tremendous light, I
The land with a large tremulous light, that falls
A pledge and presage of our destiny.
—Duncan Campbell Scott.

Trees on the Prairies.

Mr. Stewart, Dominion Superintendent of Forestry, made arrangements while on the plains for systematic tree-planting. The forestry branch has areas set apart for tree culture at the Brandon and Indian Head experimental farms. These plantations are making excellent progress, and next season over a million trees will be available for distribution, chiefly Manitoba maple, cotton wood and Russian poplar, from the steppes, which is especially adapted to dry and sandy territory. Four agents of the department are now at work in the country, examining the soils and mapping out the territory, and the trees will be planted with reference to their value in the special localities to be forested. The trees are supplied free chiefly for wind-breaks, and will be planted under the superintendence of the agents of the department. It is belived that under this system in a very few years the treeless condition of the plains will become a thing of the past.

Cardinal Parocchi's Successor.

Rome, Jan. 17.—Cardinal Serafino Vannutelli has been appointed Vice-Chancellor of the Catholic Church in succession to Cardinal Parocchi, who died Thursday.

4,714 Lost Their Lives.

St. Petersburg, Jan. 17.—The official figures show that 4,714 persons lost their lives, and that 33,112 houses were destroyed in the recent earthquake at Andijan.

NERVOUS HEADACHE.

The Cause of Much Suffering to Women Is Permanently Cured When the System Is Built up by

Dr. Chase's Nerve Food.

Headache powders relieve headaches, but they have never cured them, and they are not intended to make a lasting cure. Besides the risk run in using a drug that is strong enough to instantly stop pain, you may be sure that the reaction on the nervous system is most trying and injurious.

Mrs. Clancy, whose letter is quoted below, was subject to headaches for nineteen years, and in spite of all the headache remedies she used she could get no lasting benefit. She suffered so severely when the attacks would come on that she could not go about the house. She has restored her nervous system by the use of Dr. Chase's Nerve Food, and her headaches have entirely disappeared.

Mrs. Jas. Clancy, 714 Water street, Peterborough, Ont., writes: "I have used four boxes of Dr. Chase's Nerve Food, and found them an excellent medicine. I was troubled more or less for nineteen years with severe headaches, which made me useless as far as accomplishing my work was concerned.

"The Nerve Food seemed to build me up generally, and so made a thorough cure of my old trouble. I would not think of being without Dr. Chase's Nerve Food in the house and would strongly recommend anyone suffering as I did to give it a trial. It succeeded in my case after a great many remedies had failed."

To the thousands of women who are victims of nervous headaches this letter should prove of inestimable value. If they will but follow the advice of Mrs. Clancy they can be certain of great and lasting benefit.

Dr. Chase's Nerve Food, 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

DR. WOOD'S NORWAY PINE SYRUP

CURES

Coughs, Colds, Bronchitis, Pain in the Chest, Croup, Hoarseness, Sore Throat, Asthma, Whooping Cough, Quinsey, and all Throat and Lung Troubles.

It is pleasant to take and is soothing and healing to the lungs. There is nothing to equal it for stopping that tickling sensation in the throat, and the persistent cough that keeps you awake at night.

Price 25c. at all Dealers.

QUICKEST AND MOST EFFECTIVE.

I have used Dr. Wood's Norway Pine Syrup in my family for the last six years, and have found it the quickest and most effective remedy for all kinds of coughs and colds I have ever used. My little boy had a severe attack of bronchitis, but before using half a bottle of the Syrup he was completely cured. I cannot praise it enough.

MRS. WM. J. FLEWELLING, Arthur, Ont.

The Hurricane's Center.

The center of a large hurricane, where perfect calm reigns, is sometimes as much as twenty miles in diameter, and the calm may last an hour and a half.

Vesuvius.

The volcano Vesuvius rises on the mainland about fifteen miles from the coast. It is encircled by a railway at the base and up to the height of 1,000 feet is covered with cities, villages, farmhouses and vineyards. At least 30,000 people live in the midst of continual danger.

All In Vain.

Clara—I suppose I shall have to give Mr. Fiddleback the next dance.

Maud—Why don't you sit it out with him?

"Well, I've tried that."—New Yorker.

The Whole Thing.

She—None of your "love in a cottage" for me. I want a brownstone house in a fashionable neighborhood.

He—And I suppose you want it in your own name too.

Circumstances Alter Faces.

"But she used to be considered quite a beauty."

"That was before her father failed."

THE CANADIAN ALPS

SPLENDID WORK OF THE DOMINION TOPOGRAPHICAL SURVEY.

They Are Mapping Out the Peaks of the Rockies and Defining the Icefields—Some Famous Mountain Climbers in the Canadian Rocky Mountains—Swiss Guides in Canada—Highest Mountains.

Each year brings reports of visits to the mountain regions of western Canada by well-known explorers and mountaineers from across the Atlantic, such as Edward Whymper, A.C., Dr. J. N. Collie, F.R.S., and Rev. James Outram, also of W. D. Wilcox, F.R.G.S., Professor Fay, A.M.C., P. S. Thompson, A.M.C., and others from across the southern boundary. All honor to these brave adventurers, who, assisted by trained Swiss guides, follow in their footsteps to the summits of the Dominion's highest peaks. One must not, however, overlook what Canadians, the members of the Canadian Topographical Survey, are doing in this respect, daily taking their lives in their hands in order to obtain data that will furnish the maps in demand by the thousands now flocking to the famous Canadian Alps.

The topographical survey of the Rocky Mountains was begun by the Department of the Interior in 1887, and continued until 1892, the Lausedat photographic methods being employed. J. J. McArthur, D.L.S., and W. S. Drewry, D.L.S., were in charge. In the performance of their work these gentlemen have, to use a western humorist's expression, climbed more peaks than you could shake a stick at. In W. D. Wilcox's book, "The Rockies of Canada," published in 1900, out of thirty-two recorded ascents of peaks over 9,500 feet, fourteen are credited to J. J. McArthur. These climbs were made before the ranges of the Rocky and Selkirk Mountains had come into the prominence they now enjoy, and when the majority of the peaks were looked upon as inaccessible, also before Swiss guides had been introduced into the country to supply their trained skill to mountain-climbers. Moreover, in the interests of their work it was necessary to carry to the summits heavy transits for triangulation purposes and cameras to obtain topographical data.

In 1901 the influx of mountaineers, artists, photographers, hunters and general lovers of nature in its wilder forms necessitated the collection of data for a topographical map of the Selkirk range in the vicinity of the main line of the Canadian Pacific Railway. A survey was accordingly commenced by the department. It was placed in the charge of Arthur O. Wheeler, F.R.G.S., of the Topographical Survey's staff. The field work is now completed, and a full report and map will soon follow. During the two seasons of field work, triangulation and camera stations have been established upon the summits of some 80 peaks. Of these three are over 11,000 feet, eight are over 10,000 feet, and ten are over 9,000 feet above sea level. Owing to impenetrable forests of tropically luxuriant growth, traveling in the Selkirks is a matter of much difficulty. In the vicinity of Glacier House, the headquarters of tourists and mountaineers in these regions, the railway company have for the use of their visitors cut trails through the forests to the nearest surrounding glaciers and snowfields.

Beyond lies a region of ice and snow, giant peaks, winding glacier rivers and tributary ice cascades, falling over perpendicular precipices from every rocky gorge. It is the wildest, most awe-inspiring and most rugged portion of the range still unseen, or only by the more adventurous spirits. It can, however, all be made easily accessible by the construction of a few trails and the building of a few cabins, such as are met with throughout the European Alps. This unknown world is embraced within the portion it was designed to map, and the problem involved was how to convey to its interior sufficient supplies to enable the work to be carried on. The difficulty was overcome by establishing a depot camp at Rogers' Pass summit and extending a line of supply camps at five-mile intervals into the wilderness of peaks. Between each two camps a packer was detailed to carry supplies. By joining forces two managed to travel together over their respective beats, for it is not safe for one man to travel alone over snowfields and glaciers.

Among the results of the survey are the accurate delineation of the topographical features and the determination of the altitude of the respective peaks. As an instance: It was formerly said that the Illecillewaet snowfield extended indefinitely southward, and covered an area of one hundred square miles. It is now ascertained that the area is but little over ten square miles. In like manner it will probably be found that the great Columbian snowfield, now reported to cover two hundred square miles, will upon accurate survey be largely reduced in area.

Until recently the highest peaks along the summit of the Rocky Mountain range, extending northward to the Athabasca Pass, have been set at elevations varying from 12,000 to 16,000 feet above sea level. It is now said that the tallest of them does not reach much above 12,000 feet. While the latter results are probably nearer the truth, the actual altitudes must remain in uncertainty until the peaks are reached by the more absolute methods of the topographical survey.

BACK-ACHE ?

If you have Backache you have Kidney Disease. If you neglect Backache it will develop into something worse—Bright's Disease or Diabetes. There is no use rubbing and doctoring your back. Cure the kidneys. There is only one kidney medicine but it cures Backache every time—

Advertise in the Examiner

"Love lightens labor," the saying runs, and in a sense it is true. But even love cannot lighten labor or make it easy for the woman who is in constant suffering from inflammation, bearing-down pains or other womanly diseases. The one thing that can make work easy for women is sound health, and Dr. Pierce's Favorite Prescription is the thing that will give sound health to sick women. It cures womanly diseases which cause weakness, and cures the backache, sideache, nervousness and other ills which are the result of womanly diseases.

"I suffered from female weakness for five months," writes Miss Belle Hedrick, of Nye, Putnam Co., W. Va. "I was treated by a good physician but he never seemed to do me any good. I wrote to Dr. R. V. Pierce for advice, which I received, telling me to take his 'Favorite Prescription' and 'Golden Medical Discovery.' When I had used the medicines a month, my health was much improved. It has continued to improve until now I can work at almost all kinds of housework. I had scarcely any appetite, but it is all right now. Have gained several pounds in weight. Dr. Pierce's medicines have done wonderfully well here. I would advise all who suffer from chronic diseases to write to Dr. Pierce."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Common Sense Medical Adviser is sent *free* on receipt of stamps to pay expense of customs and mailing *only*. Send 31 one-cent stamps for the paper-covered book, or 50 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

J. E. A. FITZGERALD

WHAT IS OUR CANADA?

What is our Canada?
Three hundred thousand acres of woodland,
Three hundred million acres of fresh soil,
Free-for-the-asking possessions for the reaching hand,
Mountains of mineral, deep wells of oil,
Streams that run gold, where lusting laborers toil,
Is this our Canada?

No, no,
Our Canada is richer, vaster, more
That all the yellow wealth in earth's full store.

What is our Canada?
The clang of iron gates, the hammer's fall,
The hard steel rails that grip a continent,
The black smoke rolling from the chimneys tall,
The steamships rushing down the orient,
The reign of commerce, absolute, intent.
Is this our Canada?

No, no,
Our Canada is nobler, holier,
Than monstrous might of multi-millionaire.

What is our Canada?
The splendid beauties of our sun and shade,
The snow-ridged Rockies, and along their steep
The drifting clouds, Niagara's cavalcade
Of thundering legions, broad St. Lawrence's sweep,
The sounding of two oceans, deep to deep;
Are these our Canada?

No, no,
Though these beyond all telling precious are,
Our Canada is something dearer, far.

What is our Canada?
Our Canada is manhood, true and strong;
A nation of young stalwarts, firm and free,
Ready to strike a blow, redress a wrong,
Conquering gloriously by purity,
Hark to their hymn of summary:
Heir of all generations,
Harvester of experience,
Obtaining deliverance
From fear and empty venerations;
Leaven of God among the nations,
Refuge of the oppressed,
Consolation of the distressed,
Receiving them kindly in its habitations.
A white page,
No sins, no conventions,
And yet no cleavage.
In mankind's inventions,
Our fathers have rough-hewn their homes
In the heart of the forest,
And failed not;
Our mothers have suckled their babes within sound of the wolf's howl,
And failed not;
We are their sons,
Let us fail not;
Our manhood is Canada.

—Edward A. Wicher.
The Manse, Claude, Ontario.

Turnips.

In selecting turnips, says an authority, choose the round, purple top kind or the yellow sort. Epicures scorn the flat top variety. The yellow turnips are to apt to be pithy. Solid, hard ones are always best.

Memory Freaks.

It is instanced as one of the curiosities of the memory that people who know long pieces of verse by heart frequently cannot remember their telephone number.

Salted Bathers.

Bathers in the Dead sea on leaving the water have their skin instantly covered by a thin layer of salt.

Fattening Foods.

Sugar, cocoa, chocolate, pastry, maize, milk, fat meat, nuts, potatoes, eggs, oysters, lobsters, jams and honey are a few of the many dietetic articles that fatten.

Gross Negligence.

For a druggist to fill an order for calomel tablets with morphine and place them in a box labeled "calomel," without giving notice of the fact, is held, in Smith versus Middleton (Ky.), 56 L. R. A. 484, to be gross negligence which will render him liable for punitive damages in case injury results therefrom.

Poisoned Arrows.

The Seri Indians poison their arrows by taking the liver of a deer, allowing a rattlesnake to bite it and then dipping their arrows into the inoculated liver.

No One Made a Motion.

"Kin any one make a motion?" asked one of the audience. "Gents," said Alkali Bill, chairman of the meeting, as he laid his revolvers on the table, "owin' to the general custom of wearin' weapons in these parts I trust no one will make a motion."

Mistake: in Indexing.

It was not long since the young women in the cataloguing department of a big library were laughing at a beginner there who catalogued Greek roots under "botany." But some of the mistakes made by beginners elsewhere are just as amusing. Many years ago a young woman, who had not yet learned all the intricacies of her work was cataloguing in a set of works under "mill." So she wrote:

"Mill on Liberty."
"Litto on the Floss."

That is one of the historic mistakes that librarians quote, and a newer one is just as amusing. This was the result of a young librarian's inexperience, and read:

"Lead—See Metallurgy."
"Lead—Kindly Light."
"Lead—Poisoning."

Verbenas.

It is said that if one saves and sows his own verbena seed it will run out in a couple of seasons and the majority of the flowers become a dull purple, the original color in the wild state of the plant.

Ecuador's Volcanoes.

Ecuador has a record in volcanoes, three active, five dormant, twelve extinct. Eleven of these peaks have never been climbed.

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrozone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure liver complaint.

Olive Trees.

An olive tree yields six pounds of olives when it is three years old. At the age of fifty it yields from twenty-two to twenty-six pounds.

A Wonderful Memory.

Hortensius, the Roman orator, had a memory so wonderful that on a wager he spent a whole day at an auction and at night repeated all the sales, the prices and the names of the buyers.

Sleep.

Six hours' sleep is necessary for every one, but it is not sufficient to meet the physical needs of all, some requiring eight hours and others even longer. When possible, at least one hour's sleep should be obtained before midnight.

Cleopatra's Needles.

Cleopatra's needles were not erected by that queen; neither do they commemorate any event in her history. They were set up by Rameses the Great.

Log Line Knots.

The knots on a log line are the one hundred and twentieth part of a nautical mile apart.

A Lesson From Swallows.

A colony of bank swallows some years ago taught a young but observing engineer how to build a tunnel which his more learned superiors had refused to undertake.

Savory Cutlets.

Mix a teacupful of fine breadcrumbs, two teaspoonfuls of chopped parsley, a teaspoonful of chopped onion and half a teaspoonful of chopped herbs together. Season with pepper and salt. Roll the cutlets in beaten eggs, then in the above mixture as quickly as possible. Put by for an hour. Fry in boiling fat.

Purely Vegetable.

CURE SICK HEADACHE.

Predicted by Spending.

Novel was an experiment once tried by Rudyard Kipling for the purpose of checking household expenses, and it had a somewhat different result than was anticipated. He opened a small account at a local bank in order to pay every bill with a check. Many of the checks were for very small amounts, and the shrewd shopkeepers soon discovered that they could get more for the checks from autograph collectors than from the bank. The consequence was that at the end of the month Mr. Kipling's bank account showed a bigger balance than the counterfoils of his check book. This puzzled him very much until he happened one day to call at an office where the head was an enthusiastic autograph collector, and found one of his checks framed and hanging on the wall.

Worst of Champagne Years.

This year must be marked with a black stone in the calendar of champagne lovers, for 1902 will be one of the very worst champagne years on record. The grapes in the champagne country have never ripened, and the grands crus have quite failed. Only a little ordinary wine has been made, and that will be light and acid. It is a good many years now since the champagne vintage was such an absolute failure, and it may be hoped that next season will be a bumper one.

A GUARANTEED CURE For all Forms of Kidney Disease.

We the undersigned druggists are fully prepared to give the following guarantee with every 50 cent bottle of Dr. Pettingill's Kidney-Wort Tablets, the only remedy in the world that positively cures all troubles arising from weak or diseased kidneys.

"Money cheerfully returned if the sufferer is not relieved and improved after the use of one bottle. Three to six bottles effect astonishing cures. If not relieved and cured, you waste no money."

Ormond and Walsh, druggists, Peterborough, Ont.

The Victorian Nugget.

Not the most valuable, but one of the most beautiful in appearance of Australian gold nuggets was the Victorian, found in White Horse gully, Bendigo. It was purchased by the parliament of Victoria for $8,250 and presented to the late Queen Victoria.

Warm Feet.

Warm feet have much to do with white hands. When feet are habitually cold, the hands are always red or blue.

Arrested a Fox.

Observing a young fox chasing cats in a densely populated part of Halifax, England, one of the local constables seized reynard and took him to the police station.

Big Gas Company.

The largest gas company in the world is that of Paris. It uses 1,200,000 tons of coal a year.

Migratory Birds.

The principal routes taken by migratory birds, as registered in books of natural history, show a wonderful geographical instinct on the part of the feathered bipeds, as they take, for the most part, the seas and oceans at their narrowest and the river valleys at their longest.

A Medicine not A Miracle

IRON-OX TABLETS

are not one of the wonders of the world. They are not the discovery of some marvellous man, made in some mysterious land. They do not drive Doctors to despair, and Undertakers into insolvency. THEY ARE ONLY A THOROUGHLY HONEST AND GOOD REMEDY FOR CERTAIN COMMON AILMENTS which never should be neglected.

An unsurpassed nerve tonic
A blood maker and purifier
A gentle but effective laxative
Not a cathartic

SINFUL HABITS IN YOUTH

MAKE NERVOUS, WEAK, DISEASED MEN.

THE RESULT of ignorance and folly in youth, overexertion of mind and body induced by lust and exposure are constantly wrecking the lives and future happiness of thousands of promising young men. Some fade and wither at an early age, at the bloom of manhood, while others are forced to drag out a weary, fruitless and melancholy existence. Others reach matrimony but find no solace or comfort there. The victims are found in all stations of life—the farm, the office, the workshop, the pulpit, the trades and the professions. Nervous debility and Sexual Weakness are guaranteed cured by our New Method Treatment or No Pay. You run no risk 25 years in Detroit. Rank specialty.

CURED WHEN ALL ELSE FAILED. No means used without patient's consent.

"I am 33 years of age and married. When young I led a gay life. Early indiscretions and later excesses made trouble for me. I became weak and nervous. My kidneys became affected and I feared Bright's Disease. Married Life was unsatisfactory and my home unhappy. I tried everything—all failed till I took treatment from Drs. Kennedy & Kergan. Their New Method built me up mentally, physically and sexually. I feel and act like a man in every respect. They treated me six years ago. They are honest, skilful and responsible financially, so why patronize Quacks and Fakirs when you can be cured by reliable doctors."—W. A. Bolton.

CURES GUARANTEED OR NO PAY. Consultation Free—Books Free—Question Blank Free for Home Treatment.

The following despatches have been received by E. M. Pousaett & Co. from McIntyre & Marshall, of New York and Chicago:

New York, Jan. 17.—The contraction in volume of business and the narrow fluctuations in market during the week has been due to the rather general disappointment which has been felt particularly by the bull leaders on failure to get outsiders to come in and buy as expected and to many traders switching over to the bear side for a turn. The selling of room traders has been the feature of last few days, although there has been further scattered liquidation in evidence by one of the pools and commission houses. The underlying conditions surrounding the general market and the outlook is very favorable particularly as regards the money and foreign situation. Moreover, the outlook for the new crop of winter wheat is very promising. The market to-day was strong in early trading but business was mostly of a professional character. Prices were advanced under the leadership of Mop. . co., St. Paul, At. and S.G., and some specialties on covering of shorts and some buying in anticipation of bank statement making an excellent showing. This, it did, but when traders saw the increase in loans of over $14,000,000 they turned sellers, notwithstanding the gain of over $5,400,000 in surplus reserves, and $13,000,000 in actual cash. We believe the long side will prove the most profitable, under present conditions and would buy good good stocks on any decline.

M. & M.

New York, Jan. 17.—We look for a strong market to-day. The big gain in Currency from the interior indicates a cash gain in the bank statement and a good showing by the New York Institutions. Cereal exports are going forward in great volume and we are told that there will be no gold exports at present the outlook is for improvement next week. We have C.G.W., C.O., Mop., S. R. and Rock Island to bull. London strong.

SOME SCORES

At Mr. R. N. Roddy's Shooting Gallery, George Street.

Some interesting marksmanship has been accomplished at the new shooting gallery, which has recently been opened at No. 420 George street by Mr. R. N. Roddy. The competition last week was for a Stevens & Maynard rifle and resulted in Mr. Wm. Merodith being the winner. The following are the scores for the week:

W. Meredith	3	6	15	15	15	15—69
F. Slater	15	15	10	6	10	6—62
T. J. Parker	10	0	10	3	3	3—29

LATEST IN SPORTING CIRCLES

CURLING.

THE WELCOME TO THE SCOTS.

The Ontario Curling Association's Reception and Entertainment Committee for the visit of the Scottish tourists met Thursday in the office of Chairman W. B. McMurrich, Toronto, and appointed several subcommittees to look after the details of the preparations. Messrs. W. B. McMurrich, W. F. Davidson and J. A. Macfadden were appointed to meet the tourists at Peterborough and escort them to the city.

Mr. C. P. Smith, President of the Granite Club and chairman of the City Clubs Committee, appeared before the Legislative and Reception Committee of the City Council to ask that the city take some part in the reception to be accorded the visitors, who will arrive here on Jan. 22nd. A drive about the city and luncheon on Friday, Jan. 23rd, was suggested, and favourably considered, and referred to a sub-committee to arrange the details.

SHE FOUND RELIEF.

When She Tried Dodd's Dyspepsia Tablets—Hamilton Woman's Pleasant Experiences.

Have you the blues? Does your head ache, and have you a presentiment that the whole world is against you? Does everything seem to be going wrong and life generally appear to be a fight that is entirely too hard for you?

It's all your stomach! It needs to be rested and toned up and put in condition to do its work properly. Once it is right everything else will be right.

Dodd's Dyspepsia Tablets will put it right. Here's the testimony of one who knows, because she has tested them. Listen to the story of Juliana Sandburg, of 221 John street, North Hamilton:

"For over six years," she says, "I had been troubled with Dyspepsia and Headaches. Nothing I ate would agree with me I tried several medicines and I could not get any cure. I was advised to try Dodd's Dyspepsia Tablets and I did so. Almost as soon as I started using them I found relief and I was soon completely cured."

Thousands of others tell the same story. Why be blue when cheerfulness is within your reach?

His Cask His Coffin.

To get a free passage from the Kongo to Europe a negro stowed himself away in a cask on board the Belgian steamer Philippeville. When the cask was opened on the voyage home, the man was found to have been suffocated.

Petroleum For Rheumatism.

When petroleum was first discovered in this country, it was called rock oil and was sold in small vials as a specific for rheumatism.

THE Y. W. C. A. HELD ANNUAL MEETING

And Received Encouraging Reports.

NEW DIRECTORS ELECTED.

A General Statement of Receipts and Expenditures—Facilities Wanted for Extension of the Work.

The annual meeting of the Y.W.C.A. of Peterborough, was held in the rooms on George street last night, there being a large attendance of members. The chair was occupied by Mrs. Dr. Scott, president, and after routine, the reading of the reports of the various branches of the association work was proceeded with.

RECORDING SECRETARY'S REPORT.

The following is the report of the Recording Secretary for the year:—

While the year 1902 has not been marked by any special changes in our work, still, we, as an Asso ciation, have p.ogressing favorably.

We realize that truly God has been leading, owning and blessing us, we have every reason to be encouraged, to be thankful and to press forward with confidence believing that "Our Father is at the helm."

The Board of management held ten regular meetings during the year, besides several special ones.

It was decided at the first regular meeting to have a roll call, which has been adhered to ever since.

In order to divide the work among the different members, we decided to have five different departments with a Vice President supervising each under the following headings;— Religious, Educational, Social, Busines, Junior.

This system has proved to be very helpful as reports are handed in monthly by the Vice Presidents.

In our April meeting a resolution was adopted asking the Ministerial Association to use their influence in effecting the early closing of business places on Saturday night.

In July our General Secretary was granted a month's vacation during which time she attended the Y.M.C.A. conference at Lake George, N. Y. as official delegate from our Association, her work being taken and filled in an acceptable manner by Miss Katie Lewis.

We have to report during the year the loss of the services of Mrs. Morrow, our Matron, who saw fit to retire; however the position is being filled in a most acceptable manner by Mrs. Dixon.

While several times during the year we felt as though the Boarding house must be closed, arrangements have been made whereby we will be enabled to continue our work there.

During the prohibition campaign our Board decided to co-operate in prayer with the W.T.C.U. each day at some portion of the noon hour.

Before closing we wish to bear testimony to the faithfulness of our General Secretary; we are thankful for her strong faith in prayer, for her social spirit manifested with those she comes in contact with. Eternity alone will reveal the results of her labours in love for Christ sake.

May the Lord's blessing rest upon us ever more abundantly the coming year that in the one just closed.

ELIZABETH B. KENNEDY,
Recording Secretary.

GENERAL SECRETARY'S REPORT.

The following is the report of the General Secretary:—

The work of the Young Women's Christian Association has been this defined—"The purpose of the Association is to give to all young women in every grade of life, rich or poor, at home, in domestic service, in shop, office, factory, or wherever they are, the all round four-square life. It aims to give such a physical life as shall fit young women everywhere for the wear and tear of life; to give such a social life as shall cause them to value true worth of character, wherever found; give such an intellectual life as shall make them to some degree self sufficient; and to impart such a spiritual life as shall bring them into God's plan for the Universe as His children. Such is the Aim of the Association, for all young women.

It has its boarding department which provides a safe comfortable home for self-supporting women, whether residents or transient visitors. In addition to this there is the Public Work of the Association, largely similar to the work of the Young Men's Christian Association, including in its scope all young women of the city; and existing for their benefit, providing for them physical, educational, social, and through and above all, spiritual advantages, with a view to making each young women strongly helpful to her own church and community.

A retrospect of the past year in the Peterborough Association, while it reveals many seeming failures in the work of the various departments, yet reveals also great causes for thanksgiving and renewed confidence in God, whose work it is.

The religious department work during the past year has been deepening and broadening. There are now two weekly Bible classes in addition to the regular Sunday service, and the increased attendance and interest, as well as individual desire manifested towards useful unselfish Christian lives, have given evidence of God's guiding hand in this part of the work.

The educational department work remains much as last year, with the exception of the gymnasium classes. Too much cannot be said in commendation of the work of Miss Moodiee, the efficient director of the physical work. The thoroughness and perfectness of her work together with her winning personality mean more to the work than can be readily estimated.

In the social department the records show a decided increase in the attendance at the monthly social evenings and also beginnings made towards the establishment of a noon rest.

The enrollment in the junior department has not been so large as last year, but has made possible a much more definite systematic and satisfactory work.

The total number of visitors to the Rooms exclusive of the attendance at classses, social evenings and services during the year has been 5,995, a daily average of 21. The average for the last three months of the year being 25.

The following periodicals have been furnished for the Reading Room by interested friends and societies, to whom the thanks of the Association is tendered:—The Record of Christian Work, Baptist Young Peoples' Union, Presbyterian and Westminster, Home Words (St. Luke's Parish Paper) Sabbath Reading, Christian Herald, McClure's, Century Magazine, Women's Home Companion, Ladies' Home Journal, Brown Book, The Daily Examiner, Morning Times, also the Dominion Tie and Evangel (Canadian and American Y.M.C.A. organs.)

This is but a brief review of the work of the year. Much of it cannot necessarily be estimated by human computation, because it has to do with that which is unseen and eternal.

One need of the Association to-day is whole-hearted earnest young women whose days are less fully occupied than those of the majority of Y.W.C.A. members; who are willing to give their time to making the Association a bright, true home centre.

Then there is another need. "Enlarge the place of thy tent and let them stretch forth the curtains of thine habitation; spare not, lengthen thy cords and strengthen thy stakes for thou shalt spread abroad on the right hand and on the left."—a need for claiming a larger portion of the young womanhood of the community.

Above and through all is the need for intense earnest intelligent prayer, the prayer that prevails, on the part of all Board, Committee and Association members. "It is not by might nor by power but by my spirit, saith the lord." Only as we realize and claim this spirit power can the Association accomplish the work for which it stands.

Respectfully Submitted,
AGNES L. DIXON,
Secretary.

THE NEW BOARD.

The election of members to the new board resulted as follows:

Mrs. A. Stewart, Mrs. Waddell, Miss Lundy, Miss Roger, Mrs. J. Dennistoun, Mrs. Walsh, Mrs. Garvin, Mrs. McPherson, Miss M. Dickson, Mrs. Dr. Morrison, Mrs. Kilgour, Mrs. H. P. Kennedy, Mrs. A. L. Davis, Miss Morrow, Mrs. Beck, Mrs. Dr. Burnham, Mrs. Dr. Boucher, Mrs. D. Lundy, Mrs. Wood, Mrs. Dr. Hunter, Mrs. Dr. Scott, Miss Nicholls, Mrs. Jory, Mrs. Nugent, Mrs. Cressman, Miss Mills, Mrs. T. Gillespie.

A meeting of the new board is to be held next week for the election of officers.

The balance of the reports, and Miss Little's address, will be published on Monday.

All Saints' Church.

There will be a celebration of the Holy Communion Sunday at 11 a.m., and Rev. W. L. Armitage will speak on "The Foreign Missions of the Church." In the evening the subject will be "Trees of Righteousness." The Anniversary music will be repeated. Special offertory for Foreign Missions.

Ardennes Poachers.

Poachers in the Ardennes are ingenious. One had the heels of his boots fixed under his toes, so that his tracks appeared to be going in an opposite direction. Hares and other game are sent to Brussels in firkins of butter, so that the scent shall not betray them.

The Skin on Fire

So dreadful are the sensations of burning, itching eczema that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first few applications may cause a little uneasiness but cure is sure to result and the skin is healed without scar or blemish.

NEWS NUGGETS.

—Public, High and Separate Schools open on Monday.

—Piano tuning promptly attended to. Satisfaction guaranteed. A. F. Hoover, 'phone 190. d

—The Woman's Auxiliary of St. John's church, will hold their monthly meeting on Tuesday afternoon at 3.30 o'clock. A full attendance of the members is requested. 2d

—George Ade is the latest American writer to make the conquest of England. He is hailed over there as one of the greatest of American humourists. It will be acknowledged after this that Britons can see a joke quicker than had been supposed. Mr. Ade's fables are one of the features of The Illustrated Buffalo Express.

—Anyone who is seeking a trustworthy and efficient executor and trustee to appoint in a will cannot do better than name The Trusts and Guarantee Company, Limited, Toronto, whose business standing and experience in the handling of estates and estates moneys insures satisfactory results. Will forms and suggestions will be forwarded free to those desiring information about wills.

Purse or Whip?

In some parts of Siberia a bridegroom on arriving at home commands his wife to take off his boots. In one is a whip and in the other a purse. The contents of the boot she first selects for removal presage whether he is to be generous or the reverse to her. A very kind husband will put a purse in each boot and omit the whip, to make her believe that her choice is auspicious.

Brought Their Seats.

In the good old times 500 years ago there were no seats in Parisian schools except stools for the teachers. The pupils sat on bundles of straw which they brought along.

Luna's Highest Peak.

The highest mountain in the moon is at least 35,000 feet in height—that is, 6,000 feet higher than Mount Everest.

Napkins.

Napkins became popular in France sooner than in England. At one time it was customary at great French dinners to change napkins at every course, to perfume them with rose-water and to have them folded a different way for each guest.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the new Inhaler Remedy, "Catarrhozone," the treatment of catarrhal diseases has been entirerevolutionized. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Poison & Co., Kingston, Ont.

THE BEAR TO THE LION.

Refuses to Give Adhesion to Brussels Sugar Agreement.

St. Petersburg, Jan. 19. — Russia has replied to the British note of Nov. 30 last on the subject of the Sugar convention. She reiterates the views expressed in previous notes, says she considers the British contentions to be attempts to interfere in her domestic legislation and repudiates the idea that another State may in its own interest press for a change in Russian internal legislation, or in the event of Russia not agreeing to its proposals that it can penalize Russia's products without violating existing commercial treaties.

The note declares that Russia can in no eventuality give her adhesion to the Brussels agreement, and concludes:

"As Great Britain declines arbitration, and as the penalty clause cannot be applied to Russian sugar until the International Commission declares the Russian system to be a bounty system, any further exchange of views before the commission settles the positions would not be productive of results."

GIRON HOLDS PRINCESS.

Terms of Separation With Crown Prince of Saxony Arranged.

Berlin, Jan. 19.—The legal representatives of the Crown Prince and Crown Princess of Saxony have arranged the terms for their separation. The Princess abandons all the titles, rights and dignities appertaining to her through her marriage and resumes her maiden name. The Crown Prince has expressed his willingness to pay her $7,500 yearly. The agreement does not mention the right of the Crown Princess to see her children.

Mentone, France, Jan. 19. — The Crown Princess of Saxony and M. Giron, with whom she eloped, has arrived here, and intend to stay two months. They have taken the name of M. and Mme. Andre Gerard.

WAR CONTRIBUTIONS

Official Statement Made by Mr. Chamberlain.

THE DETAILS OF TWO LOANS

Imperial Government Is to Guarantee One Loan of $175,000,000, While Another of $35,000,000 Loan Is to Be Treated as a War Debt and Repaid in Three Annual Instalments.

Johannesburg, South Africa, Jan. 19.—Colonial Secretary Chamberlain, at a banquet given him Saturday evening, delivered a speech in which he gave for the first time the details which have been arranged for the financing of the new colonies.

He described the arrangement as "a unique and unprecedented action on the part of the Imperial Government," and one which was satisfactory to the representative associations which met in Johannesburg that day.

The proposal, he said, was first that the Government undertakes to submit to the Imperial Parliament a bill to guarantee a loan of $175,000,000 on the security of the assets of the Transvaal and Orangia, which were being united for this purpose. The loan would be raised as soon as the Imperial Parliament shall give its consent, the money being devoted to paying the existing debts of the Transvaal, buying the existing railroads, providing for the construction of new lines, allowing the necessary expenditure for public works, and also providing for the land settlement. This part of the plan will place Orangia and the Transvaal in funds to carry out the development of the country.

The second part of the agreement provides that as soon as possible after placing the first, another loan of $150,000,000 shall be raised, to be called up in annual instalments, of $50,000,000. This second loan will be treated as a war debt, and will be secured on the assets of the Transvaal.

A number of South African financiers had undertaken to subscribe the first $50,000,000 without receiving preferential security. Up to a few hours previous to the banquet, he had not received the authority of the home Government to deal finally with the matter of war contribution, and he declared that the reports hitherto published, which purported to give details of the financial arrangement, were premature, unauthorized, and for the most part incorrect.

Mr. Chamberlain said he hoped that his hearers would agree to these arrangements, which would be a happy augury for the unification of the two colonies. He then referred to the labor problem at the mines, and suggested that the Imperial Government should appoint a commission to inquire into the matter in all its details.

EDITOR GONZALES MAY GET WELL.

Lieut.-Governor Tillman Says He Is Ready For a Trial.

Columbia, S.C., Jan. 19.—The condition of N. C. Gonzales, editor of The State, who was shot on Thursday afternoon by Lieutenant-Governor Tillman, was reported at the hospital last night to be improved, although no assurance of the patient's recovery was given.

Tillman is still confined in jail, his cell being filled with flowers sent by friends. He made public this signed statement yesterday:

"I would like to correct the biased reports of this unfortunate affair, but when the public recalls that these reports were sent out either by The State, of which Mr. Gonzales is editor, or by his personal friends, they can readily see that I could scarcely hope for or expect a fair account. Those who know me know me too well to believe it. When the true facts are proved, my friends and the people of this country will know how grossly I have been misrepresented. Such will be shown by witnesses of the highest character. I am ready for trial by a jury of my countrymen."

POLICE CORRUPTION.

Investigation Has Been Stopped by an Injunction by Judge Lavergne.

Monreal, Jan. 19.—An injunction has been granted by Judge Lavergne restraining the police investigation from proceeding.

Montreal, Jan. 19.—Ex-Lieut. Fortin, now proprietor of the Jacques Cartier Hotel, told Saturday why he left the Montreal police force to become hotel-keeper. He declares that he was approached by a person whose name he will make public at the proper time, and told that if he put up $1,200 he could be promoted to a captaincy. Fortin would not be bled in this manner, and retired from the force in disgust. He is confident that merit does not count, and will give his reasons before the Investigating Committee.

DEATH OF M. DE BLOWITZ.

Stricken With Apoplexy, He Passes Away in Paris.

Paris, Jan. 19.—Henry George Stephane Adolphe Opper De Blowitz, for many years correspondent of The London Times in Paris, died here last evening. M. De Blowitz was stricken with apoplexy a few days ago. He was born in 1832.

TALE OF THE ST. LOUIS.

An Incredible State of Affairs Revealed on the Arrival of the Long-Delayed Liner at Her Berth.

New York, Jan. 19.—After an inglorious voyage of thirteen days, five hours and twenty minutes, the St. Louis, pride of the American Line fleet, tied up at her berth Saturday shortly before noon, amid the welcomes of hundreds who gathered on the pier and of the many craft in the bay.

An incredible state of affairs was revealed with the arrival of the long-delayed liner. Her passengers unanimously charged that agents of the line had been guilty of gross recklessness in sending the St. Louis to sea in a condition utterly unfit for the voyage.

Her wornout boilers, that leaked all the way from Southampton, held the ship back and involved her in the great peril of being left helpless at sea by the exhaustion of her coal supply.

Less than one day's supply of coal was in the St. Louis' bunkers, and the passengers declared that she was saved only by the moderate weather of the last few days of the voyage from being left helpless at sea without fuel.

Every one of the ten boilers in the St. Louis leaked throughout the voyage. The wonder to the engineers was that she was able to finish her trip in twice her usual time. The engineers were busy night and day patching up the boilers, plugging up the leaks and emptying the choke pipes, and all were utterly exhausted when the St. Louis crept into port.

An indignation mass meeting was held on the high seas by the passengers on Jan. 10. They appointed a committee to demand of Capt. Passow that he either hail a fast westbound steamer and transfer the passengers or that he put in to Halifax or Boston. Capt. Passow said the first project was too dangerous, but that he might have to head for Boston, because his coal supply was fast being burned up.

The St. Louis averaged 9.07 knots during her entire trip, and on one day of the voyage legged only 125 knots.

Wholesale suits are threatened against the line for the delay. Passengers charge that they were wilfully misled by agents of the company, and that they have good legal ground for damages.

The food supply of the St. Louis almost gave out and passengers declare that during the last days of the voyage the menu was cut down more than half.

Capt. Passow claims that the St. Louis held to the regular course, drifting never more than ten miles out of the way, and that the reason no more vessels were sighted was because it was snowing a great deal of the time and the weather was too thick for the ships to make one another out.

FRANCE UNDER CLOUD.

Mgr. Bruchesi, Archbishop of Montreal, Has Returned From Rome.

New York, Jan. 18.—Among those who arrived on La Savoie from Havre Saturday was Monsignor Bruchesi, Archbishop of Montreal.

To a reporter Monsignor Bruchesi said he had returned from a visit to Rome, whither he had gone to offer homage to the Pope on his jubilee. Monsignor Bruchesi said that the Pope showed unimpaired mental and physical energy, investigating minute details in person, yet appearing in even better health than at his visit five years ago.

Monsignor Bruchesi had two private audiences with the Pope during his stay in Rome, besides presenting many Protestant and Catholic tourists to his holiness. He characterized the report as to his having gone to Rome to receive a cardinal's hat as untrue and ridiculous.

The Manitoba School Question.

Asked as to the Manitoba school question, the Archbishop said the Pope took a great interest in the matter. Monsignor Bruchesi hoped that the Manitoba Catholics would ultimately receive the same justice that was meted at the present time to the Protestants in Quebec.

He returned to America by way of France. The whole of France, he said, owing to the expulsion of the priests, monks, nuns, as well as the sisters and brothers of the faith, was at present under a cloud. Monsignor Bruchesi spoke very strongly against the action of the French Government. Asked for his solution of the problem, he said that as the expulsion had been made by the law, so by the law must it be unmade.

South Sea Islanders.

Many of the south sea islanders believe that paradise can be inherited only by persons of perfect physical forms. Where this belief prevails a man will die rather than submit to amputation.

SCROFULA

Bad air, poor food, insufficient clothing, dark, damp or crowded apartments are frequent causes of scrofula. Perhaps this explains why the ailment is so common in the poorer sections of large cities. Scrofula, however, does not recognize city limits. It prevails under all conditions of location, soil and climate. Moreover, it is but a step to consumption, and herein lies the great danger. It is just as well to avoid the step.

It is rather strange that Scott's Emulsion should contain just the very things that nature requires in curing scrofula. The pure Norwegian cod liver oil helps to build up the whole body and enables one to acquire new, healthy, solid flesh. The hypophosites of lime and soda act as a tonic on the blood and tissues, replacing the waste and giving strength and new structure where it is most needed. Because of its mild action, pleasing taste and nutritive properties, Scott's Emulsion is vastly superior to plain cod liver oil. There is nothing that will do more good in the case of scrofula than Scott's Emulsion.

We'll send you a sample free upon request.

MONDAY, JANUARY 19, 1903.

EDITORIAL NOTES

The record showing that 1,346 farms — 215,360 acres — have been taken up in the Temiskaming district last year is, the Hamilton Times thinks, a sufficient answer to the sill Conservative cry, that Mr. Ross policy shows no results.

It appears that the Opposition journals seize every opportunity, however trivial, to asperse the Government. The Hamilton Spectator blames the Ontario Government for passing the legislation making the holding of the two offices — School Trustee and Councillor—by one person illegal. The legislation is proper enough as has been shown. Any trouble there is arises from the failure to observe the requirements of the new legislation. If there is any blame in the matter the responsibility really rests upon Mr. W. H. Hoyle, Conservative member for North Ontario, who introduced the bill and succeeded in getting it through the Municipal Committee and the House.

WAITED ON THE MINISTER.

Railway Employes Discuss Arbitration Bill With Sir William Mulock.

Toronto, Jan. 19.—Sir William Mulock was waited upon on Saturday afternoon by a deputation of representatives of the various steam railway organizations in connection with the bill the Postmaster-General is going to present to the Government to prevent disputes between railways and their employes.

Representatives of the Canadian Press Association also saw Sir William They asked for a reduction in postage on periodicals.

NEW BOOKS

The following new books have been supplied to the Public Library:

The Story of the Trapper ... .Laut
Thoroughbreds... ... ...Fraser
Two on their Travels... ...Colquohoun
On an Irish Jaunting Car ... ..Bayne
The Right Princess... ... ...Prince
A Song of a Single Note...Amelia Barr
Love and the Soul Hunters... ..Hobbes
Hope Loring... ... ...Bell
The Lightning Conductor..... ... ... Williamson

YOUNG'S POINT.

(From our own Correspondent.)

The sleighing is excellent from here to Peterborough, and large quantities of wood are being hauled in.

We are pleased to learn that Mr. James Northey, who was injured in the G.T.R. wreck at Wanstead, is improving and will soon be able to return home.

Mr. Peter Bullock's boy, who was badly shaken up by falling off the top of a barn, is progressing favourably. Dr. J. R. Fraser of Lakefield, is attending him.

The villagers are beginning to put in their ice for the summer season.

TO CURE A COLD IN ONE DAY.

Take Laxative Bromo-Quinine Tablets. This signature [illegible] on every box. 25 cents.

ELECTED OFFICERS.

The Annual Meeting of the Charlotte Street Sunday School.

At the annual meeting of the Charlotte street Methodist Sunday School which was held Friday night, the following officers were elected for the ensuing year:—

Superintendent—Mr. R. J. Kidd.
Assistant Superintendent — Dr M.. A. Morrison and Mr. G. J. Tovey.
Secretary—Mr. P. Hamilton.
Assistant Sec.—Mr. R. Garden.
Librarians — Messrs. W. Hamil- and F. Sandy.
Pianists — Misses Campbell and Lee.

The Secretary-Treasurer's report showed the school's finances to be in a satisfactory condition. The attendance of the school has increased materially during the last year and several new teachers have been added to the staff.

"SUCCESS."

Mr. R. M. Dennistoun's Address Before the Charlotte Street League.

The Charlotte street Guild was extremely happy in their choice of speaker for for Friday night. At the close of the transaction of the regular business the president, Mr. Ganly, introduced Mr. Dennistoun who had kindly consented to speak to the Guild on that subject of vital interest to all ages, but particularly so to young manhood, "Success."

The speaker, after an apt introduction, defined the term success and took as an example of most successful lives, the Chambers brothers, celebrated Scotch publishers. The biography of these men as handled by Mr. Dennistoun proved far more entertaining than the brightest page of romance because one felt that these were real men who had triumphed over almost insurmountable difficulties.

After hearing a description of the early life of Robert and William Chambers in the little Scottish Village of Peebles the audience was given a graphic description of the struggles of the two lads in Edinburgh, where for a time William lived in great estate on four shillings a week faring sumptuously on threepence halfpenny a day. The bookseller to whom he was apprenticed, gave him a piece of advice which he made one of the mottos of his life: "Be steady obliging, attentive to your duties and exercise a reasonable degree of patience and success is sure to follow."

At the age of fourteen Robert was set up in business as bookseller; he soon joined to it bookbinding and then on on a primitive press, published for himself a book of songs written by Burns, and some articles written by his brother William. A new press was procured and soon followed the celebrated Chambers' Journal which in a short time attained a circulation of 80,000 copies.

In 1865 William became Lord High Provost of Edinburgh and administered to the great improvement of that city. His last act was the restoration of the church of St. Giles at an immense cost to himself and which stands to-day a monument to his success and benevolence. The re-opening service announced the church benefactor whom the Queen had indicated her intention of honouring with a baronetcy.

The vote of thanks to Mr. Dennistoun was most heartily applauded, clearly evincing that the audience appreciated the address.

HARVEY COUNCIL.

The municipal council-elect of the Township of Harvey met in the town hall on Monday, Jan. 12th, as the statutes provide. Having taken taken their several declarations of qualification and office, they took their seats at the council board and proceeded to business.

The following is the new council: Jas. Ingram, reeve; councillors Thos. Flynn, W. T. Elliott, H. A. Cairnduff, and John McKenty.

The minutes of the last meeting were read and confirmed.

Communications were read from D. Walsh, Hospital for Sick Children, Noble Cummings, Times Printing Co. and C. C. James.

On motion a bylaw was introduced and passed appointing a clerk, treasurer, Medical Health Officer and auditors for the current year.

On motion the reeve was instructed to inspect the timber on road allowance between concessions 18 and 19, lots 31 and 32, with power to sell; and that Mr. Flynn inspect the timber on concession 10, lots 25 and [illegible], with power to sell.

On motion the clerk was instructed to subscribe for six copies of the Municipal World, for the use of the council and clerk.

On motion the appointment of an assessor and collector, was laid over for further consideration.

On motion the following orders were drawn on the treasurer: C. E. Bennett, balance salary, $5; Fred Pluard, use of house for election twice, $6; H. A. Cairnduff, use of school house for election twice, $6; Jas. Richmond, D.R.O., $5; Jas. Pluard, D.R.O., $5; Jas. Coons, D.R.O. $5 D Weir, balance of salary, 1902, $50; D. Weir, reg. Births, Marriages and deaths, $9.60; Wm. Weir, salary treasurer, $45; W. Elliott, caretaker hall, $6; Times Printing Co., election blanks, $3.14; Municipal World, $5.

On motion the council adjourned to meet at Nogie's Creek on Saturday, the 21st of Feb.

Trowbridge Dismissed.

Ottawa, Jan. 19.—John Trowbridge, customs officer at Toronto, has been dismissed for unbecoming conduct. On the 23rd of December last he was convicted before Col. Denison, Police Magistrate, of common assault, and fined $10 and costs or 30 days in jail. The facts were brought to the notice of the Minister of Justice, and on his recommendation the Cabinet decided to dispense with the services of Trowbridge.

A Nitro-Glycerine Explosion.

Montreal, Jan. 10.—The nitro-glycerine plant of the Hamilton powder works at Beloeil was wrecked by an explosion on Saturday and afterwards destroyed by fire. The foreman noticed something wrong and escaped in time.

WHY STEEL RAILS WENT UP.

Canadian Contract May Thus Have to Be Cancelled.

Ottawa, Jan. 19.—It is likely that the tender provisionally accepted by the Minister of Railways for supplying 25,000 tons of steel rails will be cancelled.

The name of the firm to whom the contract was awarded has not been divulged, but it is said they are located in England.

There were probably some fifteen firms that made bids, and their applications for quotations led to the belief that an enormous demand existed, although all had the one object in view. The iron and steel trust, therefore, raised the prices, making it impossible for the lowest tenderer who could have had the contract to carry out his offer.

The silver-lead mine owners of British Columbia had an interview with the members of the Government in Sir Richard Cartwright's room at noon Saturday, when they renewed their demand for the imposition of a scale of duties on lead and lead products equal to those imposed by the United States under the Dingley tariff.

A deputation of cattle dealers, headed by William Henderson of Perthshire, delegate for the Canadian Cattle Importation Association, waited upon Hon. Sydney Fisher Saturday afternoon and urged that renewed efforts be made for the removal of the embargo on Canadian cattle.

SHELLED BY THE PANTHER

The German Cruiser Was, However, Forced to Abandon the Fight.

Maraicaibo, Venezuela, Jan. 19.—Fort San Carlos is 22 miles from Maraicaibo, and commands the entrance to the lake, or inner bay. The correspondent of The Associated Press received yesterday a letter from Gen. Bello, commanding the fort, reading: "Yesterday afternoon, at 12.30, Fort San Carlos was attacked and shelled, without any provocation on our part, without previous notification or delivering of an ultimatum by the German cruiser Panther, which tried to force the entrance. After a fight lasting an hour, during which the fort used only four guns, the Panther was obliged to abandon the fight and retreated in the direction of Curacao. The fort has suffered no damage and only three men were wounded."

MARKET REPORTS.

British Cables Steady—Wheat Firm at Chicago—Live Stock Markets—The Latest Quotations.

London, Jan. 17.—Live cattle steady at 12¾c to 13¾c per lb. for American steers, dressed weight; Canadian steers, 11½c to 12¾c per lb.; refrigerator beef, 11c per lb.

The Skin on Fire.

So dreadful are the sensations of burning, itching eczema that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first few applications may cause a little uneasiness but cure is sure to result and the skin is healed without scar or blemish.

OUR

THAT
NEW PIANO
come in and give us a chance to figure with you. Whether for cash or on time, we are confident of satsfying you. There are more STANLEY PIANOS going into Peterborough homes than any other make, and with good reason. They satisy the most critical, and are durable in every respect.

Made in Peterborough, and guaranteed for seven years

THE STANLEY PIANO COMPANY
LIMITED.

WAREROOMS AND FACTORY:—George Street, Town

WHY?

Why hunt in vain for cheap houses to rent when it is easier to buy? Why pay seven to ten per cent. in rent to be turned out, when five to six would pay interest on investment and own your house? Why look for farms to rent when we have lots of them for sale? Why run your own risk of fire when you should be insured? Why run all risks without protection when you should have an accident policy? Why trouble your friends when you can get a guarantee policy? Why leave your wife and family to scrub and beg when a life policy would prevent it? Why not call at Lindsay & Might's Real Estate and Insurance Office for any of these?

CREW OF TWENTY LOST.

Steam Packet From Cardiff to Cork Foundered in a Gale—Wreckage Has Been Washed Up.

London, Jan. 19.—The steam packer Upupa, from Cardiff for Cork, has been missing since Friday. Wreckage which has been washed up on the coast near Cork leaves no doubt that she foundered in a gale. She was owned in Cork, and had a crew of 20 men and some steerage passengers on board.

Ashore, Bottom Up.

Digby, N.S., Jan. 19. — A three-masted schooner, supposed to be the Carrie Bell, deal-leaden, from St. John, for City Island, is ashore bottom up near Digby Neck in the Bay of Fundy. The vessel is breaking up in the heavy sea. The vessel was abandoned at sea some days ago and the crew rescued.

On the Rocks at Hog Island.

St. Andrews, N. B., Jan. 19.—The brigantine Aldine, bound to St. John from Barren Island, with phosphate, is on the rocks at Hog Island and is likely to prove a total loss. The crew are safe. The vessel and cargo are said to be insured.

The Steamer Lahn Ashore.

Gibraltar, Jan. 19. — The North German Lloyd's steamer Lahn, Capt. Malchow, from Mediterranean ports for New York, went ashore at 4 o'clock yesterday morning at Tumara, ten miles east of the Rock of Gibraltar. On board the steamer are 300 saloon passengers and 1,200 emigrants. She is in no danger.

Tugs labored all the afternoon to budge the big liner, but without success. The tug Hercules returned here last night to procure laborers and lighters to commence the work of discharging the steamer's cargo.

All the passengers are still on board the vessel. They are quite safe, provided the wind holds in the west. Should the wind shift to the east the steamer's position would be critical. The Gibraltar lifeboat service, to be prepared for an emergency, has had boats beside the Lahn all day.

British Steamer's Hard Trip.

Queenstown, Jan. 19.—The British steamship Ikbal, Capt. Jennings, from Boston for Bristol, has arrived here short of coal. She experienced terrific gales on the way across and her fuel became exhausted.

WHAT MITCHELL SAYS.

Maintains There Are Not Sufficient Cars to Handle Coal Miners Cut.

Philadelphia, Jan. 19.—At the conclusion of the strike hearing Saturday President Mitchell of the Mine Workers, asked to be permitted to make a few remarks before the commission adjourned until Monday. He said that this would probably be the last session he would be able to attend, because next week he would be at Indianapolis, attending the session of the national convention of Mine Workers.

Not Enough Cars.

Mr. Mitchell spoke of the efforts of the miners to produce all the coal they can. His reports from the coal regions were to the effect that the men are not being supplied with cars rapidly enough to take up all the coal the miners cut.

Major Everett Warren, one of the lawyers for the operators, interrupted Mr. Mitchell, to say that he ought to bring proof of his assertions that there is a scarcity of cars.

The miners' president closed by stating that 8,000 who were on strike have been refused work and are still idle. They are impatient for work, and if the companies are anxious to relieve the distress produced by the coal famine, let the operators take back these men.

DUEL ENDED IN DEATH.

Demanded by Military Court of Honor to Settle Obscure Quarrel.

Berlin, Jan. 19.—First Lieut. Werner Von Grawert, son of the lieutenant-general of that name, shot Dr. Aye, a lawyer, of Flensburg, through the neck, cutting the spinal cord, in a duel Friday in the Gruenwald Forest. Death ensued Saturday. The deceased, who was an officer of the army reserve, leaves a widow and five children. The cause of the quarrel was obscure. Lieut. Von Grawert surrendered himself to the military authorities.

Light Sentence For Killing in Duel.

Berlin, Jan. 18.—Carl Ruff, a student from Carlsruhe, Baden, who in October killed a fellow student in a duel, has been sentenced to serve three and a half years in a fortress. One of the witnesses testified that the restrictions placed on duels by the Kaiser were futile, as the "Corps," or student associations, were forcing out conservative members through their courts of honor.

State of Ohio, City of Toledo, Lucas County,

HOPE FOR ERIN YET.

John Redmond Believes Irish Will Be Given Chance For Peace.

London, Jan. 19.—John Redmond, M. P., the Irish leader, responding to a Nationalist address presented to him at Edinburgh Saturday night, said he believed that the friends of Ireland would soon see a measure become law which would heal the wounds of centuries, and give the Irish people a chance of living in peace and prosperity on their own soil. If this chance of settling the Irish land question was lost by the rejection of the measure, continued Mr. Redmond, there would be an overwhelming justification for such a strong, menacing and dangerous movement in Ireland as he would be sorry to see.

Five U.S. Navy Men Killed.

San Juan, P. R., Jan. 19.—Five men were killed and four others were wounded, two of them probably fatally, by the explosion of a powder charge of an 8-inch gun on board the United States battleship Massachusetts Friday morning, while at target practice off Culebra island.

Because it makes the digestion of good nourishing food easy

Angier's Petroleum Emulsion

is prescribed by physicians for all wasting diseases

Pleasant to take. Sold by Druggists 50 c. and $1.00

"Though weak and exhausted, I was often unable to eat. After taking Angier's Emulsion for two weeks I was able to eat and enjoy three hearty meals a day, and the nervousness has entirely left me." E. H. Mowatt, Toronto, Canada.

ANGIER CHEMICAL COMPANY, BOSTON, MASS., U. S. A.

PAY FOR LIVERY RIGS

One Man Received Fifteen Dollars from President Hand.

SAULT STE. MARIE TRIAL.

Argument to Take Place in Toronto on Monday—Various Payments Made to Mayrenult—What Caused Liberals to Smile in Court—Mr. Miscampbell Corrects a Statement—A Missing Telegram.

Sault Ste. Marie, Jan. 19.—When the court opened on Saturday morning argument was heard on Mr. Aylesworth's motion to amend the particulars by adding a clause charging extensive miscellaneous and corrupt treating, but their Lordships declined to grant the motion.

The livery charges were then taken up, Mr. Jas. Templeton being the first to go in the box. He testified that Mr. W. R. Cunningham got a team from him on the morning of the election to go to Garden River. The court asked for Mr. Templeton's books, and they showed two teams and double rigs, five horses and single rigs, and other conveyances charged to Thos. Hand on election day, the entire bill for that day amounting to $37, but it had not yet been paid. Mr. Allan Templeton testified that Hand first came to him and asked about rigs for election day, and he sent him to James. It was fully intended that the rigs should be paid for.

Had Been Paid $15.

Mr. Andrew Hotton testified that he had been paid $15 in advance for the rigs out of his barn used by the Conservatives on election day. The bill had been paid by Mr. Hand, but after the petition had been entered against Miscampbell Hand had asked him to return the money, which he refused to do.

Ex-Mayor Thompson admitted giving $25 to Morreault the day before the election. He explained that some of the boys in the central committee room told him that Morreault was sore because he had not sufficient money to pay his board and expenses. In reply to Mr. Aylesworth, witness admitted that Mr. Miscampbell had spoken to him about the matter before he gave the money to Morreault. This explanation caused many Liberals to smile, because Morreault had already admitted that when he arrived here, eight days prior to the day he received the $25 from Mr. Thompson, he had $67 left of the $100 which Mr. Monk had given him before Morreault left Montreal, and it has been shown that he did not pay his board or other expenses until the day after election, when he received $110 from Mr. Hand. Morreault was in the "Soo" only ten days, and, according to his own story, he received $25.50 a day for his services.

Mr. Miscampbell's Correction.

Mr. Bristol stated to the court that he had received a message from Mr. Miscampbell, who had been ill for a few days, correcting the statement he had made in his examination for discovery with respect to the draft which Mr. Monk had made on him for $100, the amount given by Mr. Monk to Morreault when the latter left Montreal for the Sault. In his examination Mr. Miscampbell stated that Mr. Monk had drawn on him for the amount mentioned, but that he had returned the draft because he thought it was not a business proposition. He now recollected that the draft had been sent up a second time, had been paid by the bank and charged to his account, without his having accepted it. He admits, however, that he had spoken to the bank manager about it.

A Missing Telegram.

Mr. Quinn, the manager of the "Soo" office for the Canadian Pacific Telegraph Co., was subpoenaed by the petitioner in the election trial to appear at the court house and produce all the telegrams which Mr. Quinn presented himself in accordance with the subpoena. A sheaf of telegrams by the court's order were produced, mostly dated during the month of May. One of the telegrams was addressed to J. McKnight, Toronto, and signed by Mr. Miscampbell, but before the court had an opportunity to scrutinize the despatches the one addressed to McNight had disappeared, and its contents therefore were not disclosed. As Mr. McKnight was the man who had the contract for putting in the sewers and Macadamizing Queen street, the citizens are interested in knowing what relationship, if any, existed between Mr. Miscampbell and Mr. McKnight at the time of the election. Mr. Quinn is positive that the telegram in question was among the bunch he produced in court, and is demanding the return of the message.

Judgment Reserved.

Judgment has been reserved on about 25 charges, and an equal number of charges were dismissed during the progress of the trial. Argument on the reserved charges will likely be heard at Toronto on Monday, and the court's decision will probably be handed down in the course of two or three weeks. The court rose at 11.30, and the Judges and counsel left for home at noon.

Hit by a Train.

St. Thomas, Jan. 19.—William McNeil was taken to the Amasa Wood Hospital Saturday morning suffering from concussion of the brain and internal injuries. He was walking on the Port Stanley track, when he heard a train coming up behind him. He stepped on to a siding to allow it to pass. The train also took the siding and threw him against a switch. He is about 25 years of age and an employe of the L. E. & D. R. R.

Mahmud Pasha Dead.

Brussels, Jan. 19.—Mahmud Pasha, brother-in-law of the Sultan of Turkey, and leader of the Turkish Reform party, died here yesterday. He was in exile.

ABOUT MRS. BRISTOW

Foul Play is Suspected by Detective Campau.

HUSBAND'S STRANGE STORY

Bristow Tells a Tale That Two Men Visited the House, Where the Party Drank Whiskey Three Times Replenished and That They Afterwards Put Him Out—Wife Was Dead on Return.

Windsor, Jan. 19.—Detective Campau yesterday morning returned from McGregor, where he has been examining into the mysterious death of Mrs. Mary Bristow. Further proceedings are blocked until Coroner Hassard of Harrow makes his report.

"A suspicious feature of the case," said Detective Campau, "is the fact that the body lay crosswise on the bed, the feet against the wall, and the head hanging down toward the floor. Over the left temple was a ragged gash, about two inches long, which was either inflicted by a blow or by a fall. The woman was about 50 years old and her husband nearly 65. They were married six months ago, when, it was said, the wife began to drink heavily.

"On Sunday night, a week ago, the neighbors herad shouts and curses coming from the little house, and concluded that a brawl was going on within. The noise continued until about 1.30, when the husband called at a neighboring house, and asked where he could obtain a constable, 'I want to eject two men from my house,' said he, Bristow says that early in the evening his wife asked him to go out and buy 10 cents' worth of wine.

"When he got back he found two strange men in the room. They had a bottle of whiskey, which the party drank. Bristow was sent three times during the evening, he says, for a fresh supply. Finally the strange men put him out of the house. When he returned in the morning the men were gone and his wife lay dead on the bed. The door stood open, the wind blowing through on the corpse within. Bristow claims his wife was frozen to death.

"This is the husband' story," continued the detective. "The neighbors do not believe there were any strangers in the house. The noise, they think, was made by Bristow and his wife."

THEORIES ABOUT FOOD.

Also a Few Facts on the Same Subject

We hear much nowadays about health foods and hygienic living, about vegetarianism and many other fads along the same line.

Restaurants may be found in the larger cities, where no meat, pastry or coffee is served, and the food crank is in his glory, and arguments and theories galore advanced to prove that meat was never intended for the human stomach, and almost make us believe that our sturdy ancestors who lived four score years in robust health on roast beef, pork and mutton, must have been grossly ignorant of the laws of nature.

Our forefathers had other things to do beside formulate theories about the food they ate. A warm welcome was extended to any kind from bacon to acorns.

A healthy appetite and common sense are excellent guides to follow in matters of diet, and a mixed diet of grains, fruits and meats is undoubtedly the best.

As compared with grains and vegetables, meat furnishes the most nutriment in a highly concentrated form and is digested and assimilated more quickly than vegetables and grains.

Dr. Julius Remnrson, on this subject says: "Nervous people run down in health and of low vitality should eat meat and plenty of it. If the digestion is too feeble at first it may be corrected by the regular use of Stuart's Dyspepsia Tablets after each meal. Two of these excellent tablets taken after dinner will digest several thousand grains of meat, eggs or other animal food in three hours, and no matter how weak the stomach may be, no trouble will be experienced if a regular practice is made of using Stuart's Dyspepsia Tablets because they supply the pepsin and diastase necessary to perfect digestion, and every form of indigestion will be overcome by their use.

That large class of people who come under the head of nervous dyspeptics should eat plenty of meat and insure its proper digestion by the daily use of a safe, harmless digestive medicine like Stuart's Dyspepsia Tablets composed of the natural digestive principles, pepsin, diastase, fruit acids and salts, which actually perform the work of digestion. Cheap cathartic medicines, masquerading under the name of dyspepsia cures are useless fo rindigestion as they have absolutely no effect upon the actual digestion of food.

Dyspepsia in all its many forms is simply a failure of the stomach to digest food and the sensible way to solve the riddle and cure the dyspepsia is to make daily use at meal time of a preparation like Stuart's Dyspepsia Tablets, which is endorsed by the medical profession and known to contain active digestive principles.

Committed For Murder.

Winnipeg, Jan. 12.—The trial of John Putvain for the murder of J. Prothero, formerly of Sandwich, at Snake Island, Lake Winnipeg, on December 22, took place before Magistrate Scott. Mr. F. Heap defended the prisoner, and Deputy Attorney-General Patterson and J. O'Reilly prosecuted. Putvain, who was committed for trial, was brought here yesterday.

To Increase Your Weight.

If you are thin, weak and emaciated and want to increase your flesh and weight you should try Dr. Chase's Nerve Food. You can feel it doing you good from day to day, as it strikes at the root of trouble and creates new rich blood. You can prove that it builds up new tissue and adds flesh if you weigh yourself each week while using it.

DOMINION OIL CO., LIMITED,

Operating Raleigh Oil Fields, Chatham.

CAPITAL $850,000

Divided into 850,000 Shares, Par Value $1.00, Fully Paid and Non-Assessable.

TREASURY STOCK--WORKING CAPITAL . . . . . $400,000.

No Bonds, Preferred Stock, nor Indebtedness.

Associated Press Dispatch to The Toronto World, JAnuary 11, 1903.

SPOUTING OCEANS OF OIL.

Another Gusher Located in the Chatham Field with the Most Surprising Results.

CASING OF WELL BLOWN OUT BY GAS.

Canadian Product Promises to Become an Important Factor in Market.

Chatham, Jan. 10.—A new oil well was "shot" in this district yesterday. It promises to rival all others in these fields in point of production. The gusher spouted with such force as to blow out the iron casing of the well. It is now flowing at the rate of 25 barrels steadily. This is the eighth profitable well in this part of the oil fields. The indications are for more big strikes during the next week.

We congratulate our shareholders upon the above news, as this new Gusher is situated on the South line of the **1530** acres in which they are interested, and still further proves the Dominion Oil Co's claim to at least 1,000 acres of oil lands surrounding their famous **"Gurd Gusher."** The Oil we produce is bringing the **highest price of any on the North American Continent.**

A marked demonstration of the way in which the permanency of this field is regarded is shown by the Standard Oil Co. has constructed a pipe line from the "Gurd" Gusher to the nearest railroad, and is now erecting additional steel tankage and pumping stations.

A limited issue of the treasury stock is now offered at the exceptionally low price of **35c per share,** this being the opening price and the lowest at which a share of the stock has ever been offered.

The present purchaser will be entitled to a dividend of **1%** per month on par, commencing February 1st, equalling about **36%** per annum on the investment at **the present figure.**

LATEST IN SPORTING CIRCLES

To-night's Great Game at Brock Street Rink.

Port Hope and Peterborough Will Meet in Battle Royal—Special Train Coming.

HOCKEY.

The first grand match in the Intermediate series of the O.H.A. will take place to-night in the Brock street rink, when the Peterborough team will meet their old time rivals the Ontarios of Port Hope. The ice is in excellent shape, the boys are in the pink of condition and a good fast, clean game is expected. The puck will be faced at 8.30 o'clock and Mr. Hugh Rose, of Toronto will officiate as referee. The public is assured that there will be no delay in facing the puck and that the game will be in full swing at 8.30 o'clock.

The Port Hope people will come out on a special train and will occupy the south half of the west side of the rink. The management of the rink should see that the visitors are disarmed of their fog horns, etc., as they may not be aware of the fact that no noisy instruments of this kind are allowed in the rink. This is not meant as an injustice to the Port Hope visitors, but the Peterborough people as well have been forbidden by the rink management to use fog horns or the like.

At 5 o'clock this afternoon the team had not been picked.

TO-NIGHT'S GAME.

The team for to-night has been chosen as follows:
Goal, Crough.
Point, Cavanah.
Cover point, H. Armstrong.
Forwards, Morgan, Whitcroft, Roy Armstrong and Chris. Graham.

TRENT VALLEY LEAGUE.

The second league game of the Trent Valley League, was played in Campbellford on Friday, between Stirling and Campbellford, and resulted in a victory for Campbellford by 6 goals to 3. A good exhibition of hockey was displayed, the game being fast on both sides.

BROTHERLY LOVE.

The Port Hope and Cobourg people are at it again. Here is a sample: "The schoolboy sporting editor of the Port Hope Guide has removed his nursing bottle from his mouth and with a colic laden infant wail calls Cobourg spectators of their Belleville-Port Hope smash naughty names. His budding genius sprouts slowly this winter weather. Port Hope hockey team may as well take a brief siesta "back among the tall pines above Sandy Dump." and there dream pipe dreams on the times that have been in that tin horn, gum chewing town."

CURLING.

WELCOME TO COMING GUESTS.

All local curlers, and ex-curlers—active or antecedent—are requested to meet at the rink to-morrow afternoon at 4.30 to join in the welcome to the Scottish curlers. Let the Scotch curlers cast all the stones they like at the tee, but don't give them a chance to cast stones at the hospitality of Peterborough citizens, and Peterborough curlers. Gie the curler lads a red-hot and howlin' welcome.

Plan of Hall for the A.O.U.W. concert, Friday Evening, January 23rd, at which the following talent will appear, will be open at Ormond & Walsh's Drug Store to-morrow at ten o'clock.

Mrs. Calder-Stock, the brilliant Soprano, of Detroit, Mich.
Harold Jarvis, of Detroit, Mich., America's Leading Tenor.
Miss Edna Sutherland, the wonderful Elocutionist of Toronto.
J. H. Cameron, the gifted Entertainer, of Toronto.
Miss Meharry, of Peterborough, Pianist.

Obituary.

David Lewis, aged 51 years and 5 months, died Sunday at his home, 61 Bonscord street. He leaves a wife but no family. Of late he has been in the employ of the Canadian General Electrics Company. The funeral will take place to-morrow at 2 o'clock to the Little Lake Cemetery.

EIGHT MEN ON THE TEAM

Is What Belleville Paper Says Peterborough Played With.

Its Schooley, 'Ooley, 'Ooley, 'Ooley, 'ost—Intelligencer Throws mud at Peterborough.

Concerning the game in Belleville on Friday night the Belleville Intelligencer says:—

"Some people thought there were eight men on the Peterborough team last night, but that was a mistake, there were only seven. However, there were hundreds of people in the rink who were ready to swear that there were eight men playing for Peterborough, and that one of them was Mr. Guy D. Schooley, the referee. His work last night did not please Belleville people at all, and the crowd was not slow to show its disapproval of his work. It is something extraordinary, with the home team in the lead, and playing a winning game, to see the referee being hooted and hissed, but that was what we witnessed last night. The crowd got the idea that the referee could only detect an off-side when a Belleville man got the puck and the Peterborough goal was threatened. Belleville scored two goals in the 1st half, which were disallowed because of alleged off-side play; it certainly did not appear that the offending player was more than a quarter of an inch off-side, if that much. Mr. Schooley came down heralded as the strictest referee in the O.H.A., yet he certainly allowed the Peterborough's to slash, trip and cross-check the local boys last night without even a word of warning. Our red-shirted chaps, mind you, are not the most ladylike players in the world, but it can safely be said, and said conscientiously, that the boys play clean, fair hockey, even though it may sometimes get a wee bit rough. However, to return to Mr. Schooley, we don't think he meant to be unfair. It was unfortunate that the latitude he allowed rather favoured the peculiar tactics of the Peterborough team, which tactics, with some "Referees We Have Met," would have resulted in their adorning the fence many times. However, one thing is sure—it does not tend to make the ordinary man very amiable to have the crowd hissing him. It was unfortunate for Mr. Schooley that he gained the ill-will of the spectators; it was also unfortunate for Belleville that the spectators, in the excitement of the moment, felt called upon to hiss and hoot an official who is supposed to be strictly impartial. Mr. Schooley may not be anxious to again referee a match in Belleville; we can find you, in five minutes, three hundred people who are not anxious to have him come. However, we think he did his best according to his own lights, if those lights were a trifle dim it didn't make much difference, as the home team won, anyway.

"Well, to get down to the game. It was a hard-fought, bitter contest between two fast, heavy teams in the pink of condition. It was thought the visitors might not be able to stand the pace as well as the local lads, but don't make any mistake, they were right in it from start to finish. It was not lack of condition which caused their defeat. They simply were up against a better team, a team which, by the way, looks able to give a battle royal to any aggregation which comes this way. Hard as nails, swift and skilful, with aggressiveness and energy to burn, Belleville's intermediate O.H.A. team this year is the real thing, and the septette which beats them will have to play in jig time. Hats off to Captain McGuire and his red-shirted thorough-breds. They'll advertise Belleville pretty extensively for the next six weeks or so. The boys were surely in great form. They have fairly got into their stride, and surprised even their warmest admirers last night by the brilliancy of their play.

A GENTLEMANLY GAME.

What the Belleville Ontario Says of the Game.

The Belleville Ontario which is noted for the fairness of its reports, has the following:

"The game was the most gentlemanly and most devoid of roughness of any game played in this city in some time. The visitors were certainly a splendid lot of young men and although most of them were much heavier than our own team they never took advantage of their weight in any manner of roughness. Brown and Graham were the only men sent to the bench, which was only for one minute, but their breaches of the game was not serious. It would almost be impossible and also unfair to mention any particular players on the local team as every man played a star game and Manager Burrell has certainly every reason to feel proud of his intermediate hockey team—as well as the citizens of this city who should, and it must be admitted are, very proud of them. For the visitors the two Armstrongs, Graham, Cavanagh and Crough put up a good game and perhaps when the team gets more practice they will be much stronger.

OBITUARY.

The Late Mr. Alex Allan.

The death occurred on Saturday morning, at his late residence, No. 505 Aylmer street., of Alexander Allan, aged 65 years. The deceased had been ailing for some months.

The late Mr. Allan was a native of the township of Hamilton, but has resided in Peterborough for the past seven years. He leaves a wife and a family of five — a son and four daughters, all grown up.

The funeral took place this afternoon at 2 o'clock to the Little Lake cemetery.

DON'T FORGET THE CARPET TEA
At the Y. M. C. A. this evening.
Oysters hot or cold.
Tea and Cakes.
Just the place to go after the hockey match.
Admission free.

WEATHER NOTES.

It was 22½ Degrees Below Zero Last Night.

Another severe but short-lived cold dip arrived Saturday evening. Sunday morning 10 below zero was reached, and the thermometer remained low all day. On Sunday evening about nine o'clock 12 below was the figure and going down fast. This morning at daylight 17 below was registered, but the self-registering index marked 22 1-2 degrees below zero as the lowest during the night. The weather has since moderated considerably, 7 degrees above being marked at noon. Last night was the coldest night of the present winter so far.

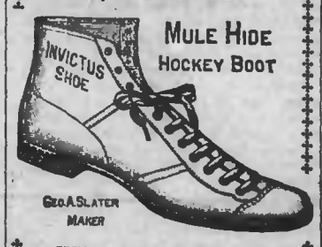
MOTIVE POWER.

Mr. E. M. Cooke, Railway Secretary of East Toronto Gave an Address.

Mr. E. M. Cooke, Railway Secretary, East Toronto, addressed the mass meeting at the Y.M.C.A. yesterday, the attendance being good. His subject was "Motive Power," it being quite appropriate to the character of the address which dealt with railway life in the Y.M.C.A., and many incidents connected with the perilous life of men on the rail. There are 22,0000 miles of railway on this continent, employing a million men. Some 50,000 of these were members of the railway Y.M.C.A.'s. The different corporations contributed quite largely to the support of this work. Mr. Cooke dealt with his subject under the headings of service, sacrifice and Love. The sacrifice of Christ called for surrender on our part. Before the address Mr. J. Miller sang a solo, "Saved by Grace," which was appreciated.

Remember the Carpet Tea at the Y M.C.A. this evening when Oysters, hot or cold, and Tea and Cakes will be Served.

Best Skating Boot Made



Will wear longest and is particularly noted for the way it retains the shape.

PORT HOPE KNITTING WORKS
Telephone 280.

WINTER RACES.

ndications Point to a Successful Race Meet This Week.

The winter race meet of the Peterborough Turf Club will be held this week and the event is arousing more than ordinary interest. Indeed, judging from the enthusiasm displayed by the public and the number of entries already received, the meet will be one of the largest that has been held in Eastern Ontario in some time. The races will commence at one o'clock on Wednesday, the 2.50 and 2.20 races will be put on. The entries in this class are such as to ensure some very exciting finishes. The track is in excellent condition and the arrangements are complete in every particular. The Track Association has not asked the citizens of the town for a cent towards prizes. They are putting up the entire amount out of the funds of the Association. All that they expect the merchants and others to do is to buy a dollar ticket that will admit the holder to the races each day and will entitle him to a seat in the covered grand stand. It will also admit the holder to drive into the grounds if desired. The horses from out of town points are beginning to arrive already and quite a number of racers may be seen on the track already having a little work-out. Mr. Fred Peake, the well known official at horse racing events will act as judge along with two others yet to be selected, whilst Mr. Sid. Pasmore, of Orillia will officiate as starter. The officials in each case are paid officers so that the best of satisfaction should be guaranteed. The time-keepers will be Mr. J. M. Brooks and Alex. Elliott.

A feature of the meet will be the accommodation that will be afforded the public. A refreshment booth will be established at which hot coffee, sandwiches, etc., may be obtained.

THE ENTRIES.

The following are some of the entries:

2.50 Class.

Dr. Johnston's "Keepabell."
George Powell's "Corn Cracker."
Jim Elmhirst's "Prince Hal."
Snow & Dennis' "Little Boy."
J. Owen's "Happy Paddy."
George Curtis' "Minnie Keswick."
Hartford Ashley's "Lady Hamburg."
Van Woodruff's "Jonnole Scott."
John Akrous' "Dan Finister."
A. Elmhirst's "Little Diamond."

2.20 Class.

George Harnum's "Mat."
George Powell's "Little Buck."
A. Martin's "Gypsie Girl."
M. E. Gray's "Re-elected."
W. Simpson's "Lilliputien."

The local enthusiasts are endeavouring to arrange an excursion to Ottawa for the races there on Feb. 10th. The excursion can only be arranged by there being a sufficient number guarantee to take in the trip. All those desirous of going to Ottawa should send in their names to Mr. Arthur Rountree, the secretary of the local Track Association.

he Ancient Order of United Workmen Lodge 36, Peterborough.

A grand concert under the above auspices will be given in Bradburn's Opera House, Friday, Jan. 23rd, 1903, when the following talented artists will appear:

Mrs. Calder-Stock, the brilliant Soprano, of Detroit, Mich.
Harold Jarvis, of Detroit, Mich., America's Leading Tenor.
Miss Edna Sutherland, the wonderful Elocutionist of Toronto.
J. H. Cameron, the gifted Entertainer, of Toronto.
Miss Mahaffy, of Peterborough, Pianist.

The following from the London Advertiser, about Mrs. Calder-Stock:—"Alice Calder-Stock was really the favourite of the evening. Mrs. Stock's voice possesses that quality of sweetness which cannot be described, but can only be felt. Her expression is faultless and with each succeeding appearance on the concert stage in London, she seems to improve. Nothing more delightful could be imagined than her singing of "Come back to Erin,' the exquisitely tender little song which caused many Irish eyes to grow dim with emotion." 2d

Is Your Piano in Tune?

The change of seasons affects pianos as well as everything else. Mr. Geo. Gumpricht, practical piano maker and tuner, with twenty-eight years experience, attends to all orders left at Mr. H. S. Macdonald's drug store.

SCHOOL TRUSTEES AND COUNCILLORS.

To the Editor of the Examiner,—

Sir,—In a characteristically unfair article contained in last Saturday's issue of the Examiner, you discussed the question of my alleged disqualification to be an alderman of the Town of Peterborough, on the ground of my being a Separate School Trustee. Your article in part reads:—"This is a serious state of affairs, in a minor sense, and it is remarkable that the amendment to Section 80, of the Municipal Act, escaped the attention of those concerned, especially as two of the elected municipal representatives held to be disqualified, are practising lawyers of good standing; and some half-a-dozen municipal clerks also seemed to fail to note, or at least to call the attention of candidates to the new requirements of the Municipal Act, which are to be regarded as reasonable requirements devised in the public interests."

Neither the implied censure on the conduct of the Municipal Clerks, nor your statement that the circumstance was remarkable, was warranted by the facts. In the first place there is no duty cast upon a Clerk of the Municipality by the Municipal Act, or otherwise, to investigate the affairs of every candidate who presents himself for election to a municipal office, to ascertain if disqualification exists or not; nor is it his duty to call the attention of candidates to the requirements of the Municipal Act, as intimated by you.

The manner in which you discuss the connection of the candidates with the transaction, especially that of myself, is extremely unfair. There was nothing remarkable in the fact, that the Section in question escaped attention. For many years past the people of this Province have been accustomed to elect, to their Municipal Councils, gentlemen who at the same time acted as School Trustees. That the whole Province was taken by surprise at the last Municipal Elections, in reference to this amendment, is evidenced by the fact that in almost every municipality in the Province, School Trustees presented themselves as candidates at the said elections, and have, in a great number of instances, received sufficient votes to elect them, if disqualification does not stand in the way. In the face of this, it can hardly be said to be remarkable that the candidates and electors in the municipality of the County and Town of Peterborough, allowed the amendment escape their attention.

You seemed to have entirely overlooked the fact, that since the Municipal Act was first enacted in this province hundreds of amendments have been made thereto. In fact, it might be said, that the Legislature has been continually tinkering at this Act, and instead of it being a clear, comprehensive and systematic embodiment of the law, relating to our Municipal institutions, it is a mere thing of shreds and patches. At the last session of the Legislature, number of amendments were made, among them the amendment purporting to disqualify trustees from being members of the Municipal Council, and this amendment was effected by adding a few words to an already very lengthy section. To my way of thinking, it would be much more remarkable for the municipal clerks, electors and candidates to have followed the Ontario Legislature in its peregrinations through the Municipal Act, than to have overlooked the amendment, insidiously inserted therein, at the last session of the Legislature.

I might call your attention to the fact that it does not necessarily follow, that because a school trustee allowed himself to remain as a candidate for municipal elections, that the amendment was overlooked by him. You are assuming altogether too much when you say that this amendment has escaped the attention of all the alleged disqualified candidates. In my own case, I might say, that I had not the opportunity presented to me of resigning my office as school trustee before being nominated for the office of alderman, as I received notice of my intended nomination only a few hours before the same was made. Under the circumstances I decided to remain a candidate and to endeavour to cure the defect, as far as I could, by resigning my position on the School Board. You will, of course, observe that this course of conduct was quite consistent with the knowledge of the disqualifying amendment.

I dislike very much entering into a newspaper controversy, and I can assure you that it is only the systematic and unfair treatment that I have received at the hands of your paper for some time past, that has caused me to ask you to insert this letter.

Yours truly,
D. O'CONNELL.

Peterborough, Jan. 19, 1903.

Our correspondent is somewhat in error in the opening sentence of his letter, since the Examiner did not discuss his "alleged disqualification to be an alderman." His name was simply mentioned as one of a list assumed to be disqualified under the amendment of the Municipal Act dealt with. There was, as far as a careful re-reading of the article shows, nothing concrete discussed, only the general bearing of the amendment; and a resume was given of the reasons which influenced the Municipal Committee of the Legislature, in considering themselves justified in passing the amendment Our correspondent's explanation of the fact of the amendment escaping the attention of officials and candidates, indicates that his controversy, if any grounds of controversy exist, is with the Ontario Legislature. The circumstances recounted may amply justify the conditions in connection with the alleged disqualification of candidates; but is there not a legal maxim to the effect that ignorance of the law does not excuse infraction of it, nor give relief from the consequences? It is no doubt true that the Municipal Act has been frequently amended, as seems inevitable in the case of legislation dealing with interests, whose multiplicity of detail creates in the operation of the law, conditions, which could not be easily foreseen, and which have to be provided for by additional legislation.

Mr. O'Connell's explanation accounting for his own position is satisfactory, the only objectionable feature being the necessity for such explanation. Mr. O'Connell's election as alderman indicated that a large proportion of the ratepayers regarded him as capable of giving the town efficient service, and it will be an unfortunate matter if the will of the people may be defeated by a circumstance that detracts in no way from Mr. O'Connell's ability to give the town acceptable service.

In regard to the closing paragraph—it is written in correct English, but it is Greek to the Examiner, which declines to lie under an imputation which rests upon some unfortunate misconception not only of the circumstances, but also of the animus of this paper.

THE WATERPOWER CITY.

To the Editor of the Examiner,—

Dear Sir, — It speaks well for the progressive spirit now shown in Peterborough and —our bride-elect I hope to say, soon — Ashburnham, to see the unanimity of opinion as expressed lately on the platform and in the press, as to the necessity of the union of Peterborough and Ashburnham, and the incorporation of them as a city. "Single blessedness" is a poor sort of existence anyway.

While not wishing to enter into the discussion as to the advisability of having a new name for that city, I would like to suggest, however, for a sobriquet that of "The Water Power City," and what more deservedly could we claim?

I have heard Peterborough called the "Electric City," but that has been claimed first by the City of Hamilton, and for three sufficient reasons. I have heard our town also called "The Plate Glass City," but that is now useless, and was a poor one, anyway.

Let us claim the sobriquet of "The Water Power City," and allow no other. It would not only be a pleasing one, but the most valuable one to our whole community.

J. ALEXR. CULVERWELL.

A BUSY WEEK OF SPORT.

Many Attractions on for Peterborough Sportsmen

This week promises to be a somewhat sporty week in Peterborough. The Scottish curlers will be here, the winter race meet is on and there are three league hockey matches scheduled, viz,—Peterborough vs. Port Hope to-night; Bobcaygeon on Thursday night, and Belleville vs. Peterborough on Friday night. The carnival of attractions winds up on Saturday night in the Opera House by a grand wrestling match between George Gauthier and Jack Mellonough.

A job-lot of 250,000 Business Envelopes just received. All prices. Leave your orders before the best values are picked up. You can have them either plain or printed, in any quantity, at the Examiner Office.

The Beehive
"Whatever We Do, We Do It Well."

Our Free Class of Embroidery

OUR Free Class of Instruction in Silk Work, Embroidery, etc, will be held during the last two weeks in February.

The Company has promised to send us one of the best and most skilled teachers in the Dominion and we feel sure all will enjoy a pleasant, profitable and most instructive term.

The Lace Class will be held immediately after the embroidery class. And every lady in Peterborough and the surrounding country is most cordially invited to attend either one or both classes, as it may be convenient for them.

There will be no charge, tuition is free.

It would be well for all intending pupils to select their materials early, so that no time would be lost during class hours.

For Sale Only at

LeGROS' *Cigar Store and Tony Tonsorial Parlour.*

ACCUSED ACQUITTED.

H. A. Aldridge, of Montreal, put to Trouble.

At the Police Court this morning H. A. Aldridge, of Montreal, a former resident of Peterborough, was charged with stealing a voltimetre from the Canadian General Electric Company. In the evidence it was shown that the accused had borrowed the voltimetre and had merely forgotten or neglected to return it. In dismissing the case the Magistrate said that he was honourably discharged and left the court room without a stain upon his character, and that if a more thorough investigation into the circumstances had been made before, the charge would have never been made.

Mr. F. D. Kerr defended the accused.

Boys and Girls.

School opens on Monday and we have had an extra week to prepare for you. We never forget the boys and girls. We will have the largest scribbler and best paper for 5c., 3c. and 1c.; the prettiest cover and most paper in our exercise books for 5c. and 3c. All the text books you require, should you be lucky enough to be promoted. In fact the Peterborough Bookstore will be headquarters for school supplies on Monday and Tuesday. A. H. Stratton & Co.

His Disability.

"Yes, it's very valuable property now, but a few years ago I could have had it for a mere song." "And you couldn't sing, eh?" "Oh, I could sing, but I couldn't get the right notes." — Melbourne Weekly Times.

Lever's Y-Z (Wise Head) Disinfectant Soap Powder is a boon to any home. It disinfects and cleans at the same time.

PUMPKINS BY MAIL.

RIDER HAGGARD'S PLAN TO HELP THE POOR BRITISH FARMER.

The Great Author of the Wierd Tale "She" and "King Solomon's Mines" Turns Up in a New Role After a Few Years' Retirement—A Two Volume Book on "Rural England."

Most Canadians know H. Rider Haggard as the author of certain weird and fascinating novels, such as "She" and "King Solomon's Mines," which were in great vogue a dozen years ago. But, although we have heard very little from Mr. Haggard for some time, he has been by no means inactive. He has ceased to write weird novels and has been giving his attention to more serious things.

There has just been published in London a two volume book by Mr. Haggard which is quite different from

H. RIDER HAGGARD.

anything he has previously written. It will not be generally read in this country for several reasons. In the first place it is a bulky, elaborate and expensive book. In the second place "Rural England," which is its title, deals almost entirely with the economics of English agriculture, a topic which hardly appeals to the average Canadian reader.

Yet Mr. Haggard's new book is very interesting. In fact, it is a most important publication. For two years he traveled through the agricultural districts of England gathering his material. Then he took a year or two to write the thousand pages which make up the two volumes.

The object of Mr. Haggard's inquiries was to find out just what is the matter with English agriculture and why the British farmer fails to make a living. He found out. The English tenant system, which has resulted in the almost total disappearance of the small landholder; free trade in foodstuffs and deficient railway freight facilities are blamed by Mr. Haggard. As remedies he proposes several changes, the most unique being a proposition that the Government establish in connection with the parcels post system an agricultural parcels post which would enable the farmer to ship by mail the produce which he desired to market. Mr. Haggard would have John Bull's mail pouches admit strawberries, cabbages, radishes, pumpkins and the like for transportation from farm to market place. He would have special trains run on the railroads and, for purposes of collection, motor trains which would traverse the highways.

At all of these somewhat startling suggestions the slow going, conservative Britishers stand aghast. So, heavy, unwieldy and serious as it is, Mr. Haggard's latest book seems likely to cause as much commotion in England as did his hair raising stories about the heart of Africa.

TROUBLES OF AN EX-REEVE

Were Easily Disposed of by Dodd's Kidney Pills.

W. G. Cragg, of Dresden, had Inflammatory Rheumatism, and was Cured Slick and Clean.

Dresden, Ont., Jan. 19.—Special.—"Dodd's Kidney Pills cured me slick and clean of the Rheumatism," says W. G. Cragg, ex-reeve of this town. "It was the Inflammatory Rheumatism I had, and I think Dodd's Kidney Pills are as fine a remedy for that as I want. I am as sound as a bell now as far as Rheumatism is concerned."

This is Mr. Cragg's experience, and it is the same as many others. People generally here are learning that Rheumatism is simply a result of Kidney Disease—that if the kidneys do not do their duty and take the uric acid from the blood, it crystallizes at the muscles and joints and causes those tortures too many people know too well.

"I had been troubled with Inflammatory Rheumatism for eight years," continues the ex-reeve. "I could scarcely get around to do my duties in my store. I tried doctors and medicines without getting any benefit, till I heard of Dodd's Kidney Pills. Six boxes cured me completely."

Cure the kidneys with Dodd's Kidney Pills and your Rheumatism will cure itself.

Billiards in France.

Billiards do not rank in France among the games of chance, as in the French court of appeal the following decision has been given: "As the game of billiards depends mainly on the skill and ability of the players any bets made on the player's game will stand as bona fide financial transactions."

Captive Bred Lions.

Lions born in captivity are less trustworthy from the trainer's point of view than those captured in the deserts.

Monkey Brand Soap makes copper like gold, tin like silver, crockery like marble, and windows like crystal. 1

"OLD MOORE'S" FOR 1903.

What the Months Are Represented By—The Prophet of the Weather on All Kinds of Subjects.

The picture for January in "Old Moore's" Almanac for 1903, (London) represents an English knight riding a horse with a Japanese soldier sitting behind him, while a bear is endeavoring to climb a brick wall over which appears the grinning face of a Chinaman. For January the prophet predicts an increase of hysteria amongst the better class of British girls, giving as the cause the "Absurd endeavor of heads of seminaries to press their pupils to pass examinations which can be of no sort of use to the scholars." The money market will be very quiet, but a buoyant movement may be looked for in Wall street.

The heading for February shows a "Boniface" at his door, near which stands John Bull in rags, and in the background a hearse. The C. C. will have exercised their powers so much that landlords of inns and taverns are having hard times. "The falling off in the revenue is shown by the ragged figure of poor old John Bull, and the hearse is in readiness to cart away the tax-laden publican."

On the meeting of His Majesty's Parliament, during the month, the important question of the transport of breadstuffs from Canada will be freely discussed, and it will be strongly suggested that the great Northwest route through Hudson's Bay be used, and so baffle any attacks that might be made to interfere with transport from the south.

The March picture shows Brother Jonathan posed on a pile of merchandise, while facing him is John Bull seated on a solitary box marked gunpowder, behind him a bulldog muzzled, a German peddlar struggling with a large pack on his back and a Frenchman playing with toy balloons are in the background and fails to notice the fleet of Anglo-American shipping that lies half hidden behind the broad back of the enterprising Yankee. In spite of this pessimistic forecast, Old Moore predicts that the great Empire will still maintain its power both at home and abroad.

There will be trouble in far away Soudan and a big shipping strike near home in Liverpool, and there will be ugly rumors from Siam.

In the middle of the heading for April there is the nude figure of a man leading towards the ships in the offing the two sorry-looking horses, whilst on the left we observe the wanton hand of Death breaking open a mysterious looking packing case. All this points to the fact that about now a searching enquiry will be made into the quality of food and breadstuffs served out to our grand fellows of H. M. Navy; and the Prophet predicts a speedy vengeance upon the greedy contractor. Diamonds will be found this month in Ceylon. A prominent and well known statesman will pass away.

The picture for May represents a priest standing before an urn marked morphia, before which three women are kneeling, while in the background two imps are carrying away a woman on a stretcher.

"The worthy prelate is doing his best to convince his guilty sisters of the awful results of their criminal indulgence. Look in the background of the picture and you will see what Old Moore wished to convey. Be warned ere it be too late, Alcoholic poison is bad enough, but the effects of morphia, in whatever form, cannot be exaggerated."

Sad news will come from Windsor about the end of this month, but in the end will prove only a passing cloud. A most unsavory divorce case is also predicted.

In June the enactment of stringent anti-gambling laws, and that a great person holding the supreme command of the German State will be in danger, is predicted.

One of the predictions for July reminds one of Oom Paul's famous remark, "staggers humanity." "Old Moore says:—

"About now the whole of the Empire will be staggered by some strange news that may come from Holland. As we may well remember, the Dutch have looked upon us with anything but a friendly eye. There is little doubt that this strange race will be much in want of an ally, for it is pretty certain that Germany is ready to pounce down upon this slice of Europe, which would add an immense value to the weight of the Teutonic peoples."

The holiday month predictions are wholesale poisoning in Paris; a marvellous book dealing with religion, author unknown, and a shocking motor car accident in the west of England.

The pepper and salt is about in equal proportions in September, and the predictions are about as vague as the directions of a judge in summing up to a jury. Disquieting rumors from Rome about trouble in military circles. An event of national importance, Great Britain will be congratulated, especially by America, and strange news from Gibraltar.

There are elements of discord again in October. Insubordination in one of the largest barracks, a terrible railway accident in the north, and the question of horse-breeding will be prominent subjects of discussion and lectures. November—the only prediction worthy of note is that the weather will be a pleasant surprise. For December, "Old Moore" regrets we shall hear of the death of a well-known sportsman. There will be disturbing news from China. Union between two foreign powers will cause no little surprise, and last, a great pillar of the church will be called away.

The Pearl.

The pearl is the only precious stone that can be skinned. To skin it is often the only way to restore its milky color.

A Stony Mucilage.

It is said that the gum found on peach, plum and cherry trees if dissolved in vinegar will make a mucilage that will keep indefinitely and mend anything for which glue is used.

PHENOMENA IN AUSTRALIA.

Extraordinary Red Dust Storm Accompanied by Falling Fireballs.

A great deal of interest has been created in scientific circles by the despatches from Australia telling of an extraordinary red dust storm that broke over Melbourne on November 12, and which afterwards became general over New South Wales.

One phenomenon in connection with the storm was the falling of fireballs, which set fire to several buildings in Melbourne. At midday on November 12 the city was in darkness, people traversing the streets with lanterns. The superstitious thought that the end of the world was about to come, and there were scenes of panic.

At the same time comes the news that the Savaii volcano in Samoa is in a violent state of eruption, and that the villages in the neighborhood are covered with ashes to a depth of two inches. Sir Norman Lockyer, the astronomer, in an interview printed in The Daily Mail, stated that the fireballs were constantly seen at the time of the recent eruptions in the West Indies, so that it is possible that the phenomena in Australia may have been connected with the volcanic activity in Samoa.

The fireballs are generally described as globular lightning. There are records of much damage having been caused by them. In 1809 the Warren Hastings, a British warship, was struck on the masts by three fireballs in quick succession. In 1881 an electric ball entered a wooden dwelling in a village of Auvergne. It exploded and set fire to the house, with the result that a child was burned to death.

Revolution in Newfoundland.

Since the introduction into Newfoundland, of the new Inhaler Remedy, "Catarrhozone," the treatment of catarrhal diseases has been entirely revolutionized. The old-time snuff and internal medicines have been cast aside and everyone is inhaling Catarrhozone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarrhozone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarrhozone. Price, $1; trial size, 25c. Druggists, or Polson & Co., Kingston, Ont.

Dr. Hamilton's Mandrake and Butternut Pills.

Height and Weight of Londoners.

The population of London is an inch and a half taller and eight pounds heavier on an average than the people of Hertfordshire, but in Scotland farm hands are found to excel in height by more than that amount the population of Glasgow.

Lombardy Poplar Wood.

Upon the basis of a cord of shell-bark hickory wood being worth $6 as fuel, the wood of the Lombardy poplar is worth only $2.40.

The Basilisk.

The ancients described the basilisk as a serpent which could kill by its very glance. It lived in a desert, because its breath destroyed all vegetation, thus making a desert of any place it inhabited. A basilisk was said to have caused a deadly pestilence in Rome during the time of Pope Leo IV.

German Medical Congresses.

Medical congresses in Germany usually meet in September because in that month the vacations of the universities are in progress.

Eczema and Itching Skin

Defied Many Expensive Remedies but Were Thoroughly Cured by

Dr. Chase's Ointment

It is a mistake to judge Dr. Chase's Ointment by the results obtained from the use of ordinary salves and ointments. It is not to be compared with any preparation on the market to-day.

Some of these remedies give temporary relief but they do not strike deep enough to eradicate disease. You need not be alarmed if Dr. Chase's Ointment causes a little irritation at first; this is necessary in order to root out the disease. When the cure is brought about the skin will be left smooth and clear, without scar and blemish.

Mr. Hiram Frey, Norwood, Ont., states: "I was troubled for ten years with eczema on one leg. The itching was terrible, and when scratched the blood would come. Fortunately I heard of Dr. Chase's Ointment, and its persistent use has completely cured me. There is now no trace of the disease left.

"My little girl, two years old, has also been cured of Eczema by Dr. Chase's Ointment. Her face was a mass of sores and we hand to bandage her hands to keep her from scratching it. To-day her face is clear of even the scars which the ugly sores made, and she is thoroughly cured. I am glad of an opportunity to let people know what a blessing Dr. Chase's Ointment has proved itself to us."

Miss Levina Diotte, Clarence Creek, Ont., writes: "I suffered with eczema for over a year and a half and tried all the remedies I could hear of, some of them costing considerable money, and not doing me any good. I was enduring great torture when I read an advertisement of Dr. Chase's Ointment, and resolved to give it a trial.

"I began using Dr. Chase's Ointment, and it has completely cured me. Though I do not need it any more I keep a box in the house in case of emergency. I hope that people who suffer as I did may read this testimonial and for this reason you have my permission to publish it. It is only just that such a good remedy for eczema and itching skin should be made known to those who suffer."

Dr. Chase's Ointment, 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. 3

—A— BRECHE A MANON LADY

TELLS OF HER EXPERIENCE WITH

DOAN'S KIDNEY PILLS

The Great and Well-Known Kidney Specific for the Cure of all Kidney and Bladder Troubles.

Mrs. P. Bertrand, Breche A Manon, Que., writes:—I think it nothing but right for me to let you know what DOAN'S KIDNEY PILLS have done for me. For five months I was badly troubled with a sore back, and such severe pains in my kidneys that I could scarcely walk at times. I got a box of DOAN'S KIDNEY PILLS, and before I had them half taken I was greatly relieved, and with another box I was completely cured. I cannot help but give them all the praise I can, and will never fail to recommend them to all kidney sufferers.

DOAN'S KIDNEY PILLS are 50c. box, or 3 for $1.25; all dealers or The Doan Kidney Pill Co., Toronto, Ont.

CANADIAN PACIFIC

A TOURIST CAR

WHAT IT IS

A Canadian Pacific Tourist Car is similar in general appointments to this Company's Palace Sleepers. It is large, airy, perfectly ventilated, handsomely finished and upholstered.

Portable section partitions, which firmly lock in place at night, make an open interior with no obstructing berth supports by day, and insure perfect seclusion to each berth by night.

Any Canadian Pacific Agent will gladly give you further particulars and secure you accommodation in one of these cars.

A. H. NOTMAN, A.G.P.A., Toronto.

A New Year's Snap

20 acres with House and Barn, 1½ miles out side corporation where land without buildings sold by auction 15 years ago at $130 per acre, as a New Years Gift to our Patrons we offer the above for a few days at $90 per acre, on terms of $300 cash and the balance may stand for 7 years at 6% interest.

IN THE NORTHWEST

HOW OUR GREAT PRAIRIE EMPIRE STRUCK AN ENGLISHMAN.

Rev. Alfred Rowland Writes His Interesting Experiences for the London Christian World—"Jack as Good as His Master in Canada"—Shortcomings of Even Wealthy in the Matter of Dress.

During our stay in Regina, the chief city in Assiniboia, we visited the station of the famous Mounted Police, three miles out. Commissioner Perry, who commands the force, personally showed us over the premises, and took us into his house to tea with his wife and daughters. The men are often of good family, who enlist for the sake of adventure, and of this, in earlier days at least, they had their fill. No less than 250 of them volunteered for service in South Africa. They are fearless fellows, splendid horsemen and good shots. Although only about 750 in number, they keep perfect order throughout these vast Northwest territories, peopled though they are by men of different nationalities, including many Indians. The Canadians are proud of them, and make it their boast that when once they are set on the track of a criminal they never give up till he is caught, and it is claimed that the certainty of punishment is far greater on their side of the border than on the other. Some time ago 500 Indians had proved troublesome in the United States, whose authorities sent them with an escort of 200 men, to the border. A couple of Mounted Police were detailed off to receive them, and rode across the line for this purpose. "Where are your men?" asked the officer in charge, expecting a troop of soldiers. "Why, here we are," was the Canadian's answer. Then turning to the Indians he shouted "Fall in; march!" and instantly his command was obeyed. The amazed American suggested that it was risky work to bring so small a force. "Oh, that's all right," said the Canadian, "we wear the King's scarlet, and all the Indians know us. We never have trouble with them." I tell the story as it was told me, and it is simple matter of fact that the Indians under British rule give no trouble at all. Law and order prevail universally. A shopkeeper in Regina told me that he had sometimes left things out all night and they were never touched.

The worst excesses here, as in our own country, are due to drink, and of the towns we have visited Regina is in this respect one of the worst. We stayed in what we are assured is the best hotel in the place, yet even in it we were met by the notice that a drink would be served free to anyone who came between 10 and 10.5 p.m. A traveler in the hotel said, in the forcible vernacular of the district, "There's more hell in the liquor traffic here than ever I saw anywhere."

We were amused by the free-and-easy ways of those whom Englishmen are wont to receive with respect, if not servility. "Jack is as good as his master," if not better. "Boots," for example, who is a lad from Whitechapel, made it a great favor to give more "shine" for five cents, and off duty he was dressed with the best, swaggering into the writing-room, chaffing the visitors, and whistling shrilly now and again, to assert his independence. The barber conducted operations in the same room, and for practice, or pleasure, began shaving himself, walking round the room, and exhibiting his skill (happily on his own throat) without even a glance into the glass, occasionally making a joke, or singing a snatch of a music-hall song. Meantime a young clerk, from a store close by, seated himself in the shaving chair to wait the good pleasure of the barber, who, looking at him quizzically, exclaimed, "Well, my buck, you needn't look sapious, though you may be as good as you like." The next customer was facetiously asked, "Do you want a scrape? Then I guess you must wait till I've done my own hair." With all this noisy chaff there was great good-nature. When I expressed my surprise at the impudence of Boots to one of the townsmen, he said, "Oh, we don't mind it; you see, he's an orphan from the Old Country." The truth is these men earn good money, and their places could not be easily supplied if they went off in a huff. One of the men told me that as a carpenter he earned four and a half dollars a day, and could live on one dollar. By way of change he had taken on work as a porter in the hotel, receiving board and lodging free, and earning, with tips, forty dollars a month. The town does not appear to be very healthy. The water is drawn from wells, and diphtheria was prevalent at the time of our visit.

Any Englishman must be struck with the disregard of appearances in the West. Travelers in first-class carriages, who prove to be educated, intelligent, and often wealthy men, are dressed in colored shirts, open waistcoats, and slouch cowboy hats; while their persons are often none too clean, and the disagreeable habit of chewing and spitting is almost universal; indeed, yesterday, to my disgust, I saw a fairly well-dressed woman guilty of this hateful habit.

The names of places are redolent of days when Nature reigned supreme in this vast Dominion. The Crane, the Gull, the Goose and the Eagle Lakes, Red-deer Station, Crow's Nest Pass—are examples which might be indefinitely multiplied. Indian names are constantly recurring, e.g., Saskatchewan, Assiniboia, Otoskwan, Pelisko and Kootenay. The Catholic missions have left their traces in Lacrosse Lake, Priest River, Tete Juan Cache and Lacombe, named after the French priest who half a century ago began a work which, I believe, he still lives to carry on. Hence, although historical and archæological associations, so well known to us in Europe, are absent here, more recent history is suggested at every turn.—Rev. Alfred Rowland, in London Christian World.

BRIGHT'S DISEASE

is the deadliest and most painful malady to which mankind is subject. Dodd's Kidney Pills will cure any case of Bright's Disease. They have never failed in one single case. They are the only remedy that ever has cured it, and they are the only remedy that can. There are imitations of Dodd's Kidney Pills—pill box and name—but imitations are dangerous. The original and only genuine cure for Bright's Disease is

DODD'S KIDNEY PILLS

Dodd's Kidney Pills are fifty cents a box at all druggists.

BURDOCK BLOOD BITTERS.

COAL!

Coal arriving daily. Now on track—Stove Coal.

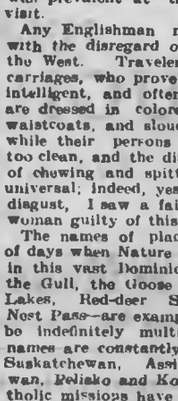
Also Long and Short Hardwood. Good Tamarac also in stock.

J. E. A. FITZGERALD

A Sudden Twinge

Of pain is generally the first warning of an attack of rheumatism. It feels as if the disease were in the bones or muscles, but the real cause of rheumatism is found in impure blood. In order to cure rheumatism the blood must be cleansed of the poisonous impurities which are the cause of the disease.

Dr. Pierce's Golden Medical Discovery has been very successful in the cure of rheumatism, because it entirely cleanses the blood from the poisonous substances which are the cause of the disease. It not only purifies the blood but by increasing the activity of the blood-making glands, it increases the supply of pure, rich blood which adds to the vigor of every physical organ.



Mr. R. A. McKnight, of Cedea, Williamsburg Co., S. C., writes: "I had been troubled with rheumatism for twelve years, so bad at times I could not leave my bed. I was badly crippled. Tried many doctors and two of them gave me up to die. None of them did me any good. The pains in my back, hips and legs (and at times in my head), would nearly kill me. My appetite was very bad. Everybody who saw me said I must die. I took five bottles of the 'Golden Medical Discovery,' and four vials of 'Pellets,' and to-day my health is good after suffering twelve years with rheumatism."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.

NEW ROYAL TRAIN.

Cost $300,000—Most Luxurious and Beautiful Ever Built.

The new royal train is said to have cost $300,000. It was built by the London and Northwestern Company, and is said to be the most luxurious and beautifully appointed in the world.

There are two saloons, each measuring sixty feet in length, three saloons for the suite and two brake vans, each fifty feet long. The whole train weighs 210 tons and is 385 feet long.

The furnishings of the various apartments are artistic in the extreme. Delicately shaded electric lamps suggest a luxurious drawing-room rather than a railway coach. In the King's smoking room, which is furnished in mahogany and inlaid with rosewood and satinwood, the comfortable lounge chairs are of green leather and the curtains and carpets harmonize with the chairs, in a much lighter tone of green, with white enamel and satinwood furniture, inlaid with ivory, is the King's day compartment. Even the handles of the ventilators in this and the other saloons are works of art in silver. There are provided in the King's saloon electric fans and heaters and silver electric cigar lighters.

In the Queen's bedroom the predominating color is rose pink, against which the bed, with its silver plate fittings, makes a beautiful effect. Electric lamps peep out from unexpected corners and from under folds of silk, while the brocades in the boudoir combine pale blue with another shade of pink.

All the Queen's rooms, including a dressing room on each side of the bed-room, are in white enamel, with finely silverplated fittings. But the upholstery is generally of a soft green shade.

When Thackeray Was Bored.

During Thackeray's second visit to Boston, Mr. James T. Fields, his host, was asked to invite Thackeray to attend an evening meeting of a scientific club, which was to be held at the house of a distinguished member.

I was, writes Mr. Fields, very reluctant to ask him to be present, for I knew he was easily bored, and I was fearful that a prosy essay or geological paper might be presented, and felt certain that should such be the case he would be exasperated with me, the innocent cause of his affliction.

My worst fears were realized. I dared not look at Thackeray. I felt that his eye was upon me. My distress may be imagined when I saw him rise, quite deliberately, and make his exit very noiselessly into a small ante-room adjoining. The apartment was dimly lighted, but he knew that I knew he was there.

Then began a series of pantomimic feats impossible to describe. He threw an imaginary person, myself, of course, upon the floor, and proceeded to stab him several times with a paper-folder, which he caught up for the purpose.

After disposing of his victim in this way he was not satisfied, for the dull lecture still went on in the other room; so he fired an imaginary revolver several times at an imaginary head.

The whole thing was inimitably done. I hoped nobody saw it but myself. Years afterward a ponderous, fat-witted young man put the question squarely to me:

"What was the matter with Mr. Thackeray that night the club met at Mr. ——'s house?"

History of Playing Cards.

At the commemoration banquet of the Worshipful Company of Makers of Playing Cards the master of the company, Dr. Theophilus Hoskins, J. P., presided. After the loyal toasts had been proposed, Lord Halsbury gave the toast of "The Company." The master, in responding, said the origin and the history of playing cards were decidedly fascinating to the student of the past. The date of their charter was 1628, though some of the far-reaching privileges then conferred had been lost by the supineness of their ancestors. As they were hearing a lot about education just now, he would recall the fact that an Englishman named Jackson, in 1656, published a book entitled "Scholars' Sciental Cards," by which he professed to teach not only reading, writing and arithmetic, but even religion. That cards were employed as the handmaid of education was again shown in the publication in the same century of a work called "The Genteel Housekeepers' Pastime," by which instruction was given in the art of carving. An American skipper, meeting with adverse gales, and finding himself short-handed, pressed some Irish emigrants into his service, and by labeling the ropes with the names of playing cards the newly made sailors were able to do the work with a facility that would have gladdened the heart even of Captain Percy Scott.—London Telegraph.

Pie Filled With Live Birds.

The new governor of British Guiana, Sir James Swettenham, is a man of original ideas, says a Kingston correspondent in The Nashville Banner. He gave a ball the other day, and at supper an enormous pie was placed in front of him. When he cut the crust, four and twenty little birds hopped out and flew about the room. Their feathers had been painted in brilliant colors. At first it was thought that the idea was to illustrate a well known nursery rhyme, but it appears that this sort of bird pie is a popular custom in the Malay states, where Sir James comes from. The birds are caught and passed around among the guests, fortune being supposed to smile upon all who handle them.

Inches the Drawing Card.

Manager of traveling circus—What's wrong with our new midget? He doesn't seem to draw. Proprietor—Of course not. See what a mess you've made of the advertisements. You've put his height at three feet. Make it 36 inches, and the people will come with a rush.

Cause of Splitting Headaches.

Poisons accumulate in the blood and spread every moment to all parts of the body. The brain becomes congested, nerves irritated, and the result is that awful headache.

Ferrozone is Nature's own remedy for headaches; it is a blood strengthener and purifier of uncommon merit, a lasting potent tonic and the greatest invigorant and health maker known. Headaches never bother people who take Ferrozone after each meal. Buy a box from your druggist for 50c. Sold by Ormond & Walsh.

Dr. Hamilton's Pills cure liver complaint.

Birmingham's Houses.

Birmingham, England, has upward of 40,000 back to back houses and 6,000 courts which are entered by tunnels from the street.

A Plain Warning.

There is a passenger steamer on the Elbe where the warning against speaking to the man at the wheel is displayed in four different languages. This is the English version: "To the helm marine gentleman try conversation not."

Lead.

Of all metals lead causes the greatest number of deaths in factories and workshops.

A Staying Meal.

Half a pound of dry bread, a quarter of a pound of nut kernels and a pound of raw fruit furnish a dinner, it is said, that will give good staying power for six or eight hours.

Lever's Y-Z (Wine Head) Disinfectant Soap Powder is better than other powders, as it is both soap and disinfectant. 34

Moldy Cigars.

Mold on cigars is caused by the paste used for fastening the wrapper in place. It can be prevented by the addition of boracic acid to the paste.

Judges' Wigs.

English judges have worn the peculiar wigs they now wear ever since the reign of Charles II.

Low Branching Trees.

The advantages of low branching trees are that the fruit hangs so near the ground it is not injured by dropping, the thick shading of the trees prevents the growth of grass and weeds under the branches, the trees are not so liable to be blown over or the limbs broken by hard winds.

The following despatches have been received by E. M. Poussett & Co. from McIntyre & Marshall, of New York and Chicago:

New York, Jan. 17.—Amns. strong 1-4 to 1-2 up in London 2 p.m. Steamer St Louis will dock about 11 a.m. Good bank statement expected, currency movement this week indicates banks gained $9 7 5 0.0. Increase in passed Steel Car common dividend expected. 45 roads first week Jan. show average gross increase 9.87 p.c. Dunn's say fuel shortage still serious disturbing element. Bradstreets says trade astrility steadily increasing. European call for gold less urgent, possibly postponed gold export until spring.

DOW, JONES & CO.

The following despatches have been received by Haight & Freese:—

New York, Jan. 19th.—Big interests still insist that while the foundations of market are strong, yet the time is not ripe for spturging. Stick to the low priced issues. There will be big money in the soft coalers, Southern railway, Pacifics and the cheap shares generally. The pooling sugar is intact, but the manipulation warrants sales for turns on rallies. United States' realty is good for an advance.

Liverpool.—Opening—wheat 1-2 and 5-8 higher Corn—1-4 and3- 8 higher.

New York, Jan. 19th—The developments favour an improvement in the stock market to-day. The best all round bank statement that we have had for a long time should stimulate public buying, and short coverings. It shows that the money situation is steadily becoming better. The interest of the powers that operate that the market lies on the bull side. Traders will find it to their advantage to purchase the low and medium priced railroad stocks. Specialties this morning include, A. F. copper, sugar, G. W., St. Paul, and M.O.P., There are bull points on C.P.R., C.O., Man., L.N., R.I., and Southern Railway. London, irregular.

ANNIVERSARY SERVICES

Held Yesterday in George Street Methodist Church.

Church anniversary services were held in the George street Methodist church yesterday, Rev. Dr. Saunders, of Cobourg, being the preacher for the day. Dr. Saunders is a very forcible and fluent speaker and was listened to with pleasure by large congregations, both morning and evening. Special music was given in an excellent manner by the choir. The morning anthems were "Conquering Kings their Titles Take," and "The First Christmas Morn." In the evening the choir sang "Fear Not, O Land," and "Now the Day is Over." The solo, "The Anthem Celestial," was sung by Mrs. McAllister.

NEWS NUGGETS.

—The rink will be open for skating to-morrow (Tuesday) afternoon and evening.

—*Piano tuning promptly* attended to. Satisfaction guaranteed. A. F. Hoover, 'phone 199. d

—The annual sale of periodicals will take place at the Public Library to-night at eight o'clock.

—The Rink Company have a few open nights and can let the rink to anyone wanting the same for private skating parties.

—The members of the T.A.S. of St. Peter's, attended Holy Communion in a body to the number of 300 yesterday morning at 8 o'clock.

—Parties who have not yet paid the last instalment on their rink stock are requested to hand the same to the secretary at ex-Mayor Denne's office at once.

—The Woman's Auxiliary of St. John's church, will hold their monthly meeting on Tuesday afternoon at 3.30 o'clock. A full attendance of the members is requested. 2d

—Messrs. J. J. Turner & Sons have the contract of decorating the Lindsay curling rink for the visit of the Scottish curlers, also the contract for the decoration of the Snowden House where the visitors will dine.

—The Boston Symphony Orchestra will visit Peterborough on the evening of February 9th. This is an attraction that is always looked forward to with much interest by Peterborough people, and Mr. Bradburn is to be commended for his enterprise in bringing the young ladies here.

—An excellent advertisement of an excellent financial institution, is the beautiful tortoise-shell combined pen holder and paper knife, or envelope opener, sent out to its friends, the Examiner included, by the "Trusts and Guarantee Company, of Toronto, authorized to act as Executors, Administrators, etc." Nothing handier or neater, for the business man's desk of its kind could be thought of than this little reminder, as nothing better for business purposes of its kind than the Trusts and Guarantee Company, can be found.

MAN'S BACK BROKEN.

Sad Accident Which Befell a Somerville Township Lad.

A youth named William Hardy, 16 years of age, son of Mr. William Hardy, of Somerville Township, is in a precarious condition as the result of an accident met with on Friday.

Young Hardy and his father were at work near Watson's Siding, felling trees. The top of a lodged tree broke off, and falling struck young Hardy across the back.

The injured lad was taken to Lindsay, and Drs. McAlpine and Allan operated on the patient. They successfully reduced the fracture and dislocation of the spine, but as the operation is a very delicate one it is impossible as yet to say that it will be successful.

FARMER JAMMED.

His Left Leg Amputated at the Ross Hospital on Thursday Afternoon.

The Lindsay Post says: Mr. Geo. Nesbitt, a farmer about 25 years of age, residing in the vicinity of Minden, met with a very serious accident on Wednesday of last week. He was engaged in skidding logs and by some means one rolled over on him, jamming his leg against a stump and fracturing and bruising the limb. The unfortunate man was brought to Lindsay on Thursday for brought to Lindsay on Thursday for ment at the Ross Memorial Hospital. After examining the limb, the attendant physician, Dr. McAlpine, held a consultation with several of the other town physicians and they decided that in order to save the patient's life amputation was necessary.

CHURCH CHIMES.

ST. LUKE'S CHURCH.

The Rev. George Warren, of Lakefield, and Rev. E. A. Langfeldt exchanged pulpits yesterday. Mr. Warren preached to large congregations, who were glad to have him with them.

The members of St. Luke's Mothers' Meeting intend holding a bazaar and pancake social on Shrove Tuesday, Feb. 24th.

Rev. E. A. Langfeldt will hold his fortnightly cottage meeting at Auburn, on Thursday evening at 8 o'clock.

ST. JOHN'S CHURCH.

Rev. W. C. Allan, of Millbrook, officiated at St. John's at both services, yesterday, and Rev. J. C. Davidson preached in Millbrook. Rev. Mr. Allan congratulated the choir of St. John's very warmly upon their excellent music.

The Woman's Auxiliary of St. John's will meet to-morrow afternoon instead of this afternoon as first announced.

THE Y. W. C. A. HELD ANNUAL MEETING

And Received Encouraging Reports.

NEW DIRECTORS ELECTED.

A General Statement of Receipts and Expenditures—Facilities Wanted for Extension of the Work.

The following is a continuation of the report of the annual meeting of the Young Women's Christian Association:

Miss Little in the opening words of her address emphasized the purpose and aim of the Association to provide an all round development for all young women in every sphere of life, through, and above all, seeking the development of her soul life.

She dwelt at some length upon the economic value of the Association; the young woman who has learned the laws of health, who has been helped to develop her mental faculties, who has been helped in her social life, and, above all, who has learned deeper truths and been given higher aspirations towards the lasting life, the soul life, must prove of great value to her employer, whatever work she is engaged in. When employers realize that this is the aim of the Young Women's Christian Association, there will be no question of its receiving their hearty support. She spoke of the directly spiritual part of the Association as being of supreme importance. It is the "Master Touch" upon young women's lives, through prayer and the study of God's Word that is to make them strong and active in the higher life of the city in which they live.

She laid strong emphasis upon the fact that young women must not come into the Association and find in it simply an organization, but they must find living personality in the teachers, committee members and all Association workers, personality which will mean strength and courage in their lives.

In concluding Miss Little congratulated the Association upon the great growth in the work during the two years which had elapsed since her last visit, she congratulated them also upon having as secretary one whose ability had been previously proven in College Association work; and expressed the hope that the citizens of Peterborough would soon be led to do what had been done already in so many progressive Canadian cities—provide a fully equipped building for the carrying on of the work.

On Sunday afternoon Miss Little addressed a large and interested audience upon the Life of Jacob, pointing out that God had to utterly weaken him before his intense selfishness was broken, and he was willing to yield. She spoke also of the source of strength in a yielded life, knowing God's will by prayers and the study of his word. She closed with an appeal to the members of the Association to maintain wherever they went the high standard of life for which the Association stands.

"Under His Wings" was sung very sweetly by Miss E. White and formed a fitting close to a strong, helpful address.

JUNIOR DEPARTMENT.

Number enrolled in Senior Club Jan. 1903, 26.

Number enrolled in the Junior Club Jan. 1903, 40.

Average attendance at Senior Club meetings, 17.

Average attendance at Junior Club meetings, 21.

Average attendance at sewing classes 28.

Average attendance at Senior Gymnasium Class, 14.

The Junior Re-union in September took the form of a Social afternoon after which the regular club work was resumed, being limited to Friday and Saturday afternoons.

The Senior Club work now consists of a Friday Gymnasium class and an illustrated Bible lesson each alternate Saturday (using Perry pictures), the other Saturday afternoons being occupied by Business meetings or Practical talks.

The Junior Club work consists of a half hour Gymnasium class followed by a short Bible talk on verses alphabetically arranged.

The last meeting before Christmas vacation took the form of a social afternoon and an impromptu programme was furnished by the Club members.

We have six willing and efficient helpers in the Junior work.

Respectfully Submitted,
HELEN STUART,
Superintendent Junior Department.

REPORT OF EDUCATIONAL DEPT.

The following is the report of the Superintendent of the Educational Department:—

Classes in Bookkeeping, English Literature, Composition, Instrumental Music, Dressmmaking, Woodcarving and Physical Culture were conducted during the winter months of 1902, with an enrolement of 45. Classes in Domestic Science during the months of February and March had an enrolment of 39.) This does not include those coming to evening classes on the 34 ticket. The educational closing was held on May the 9th, when reportes were read by each of the teachers attendance 60. After the opening rally Sept 23 (attendance 200) Classes were opened in English Literature, Composition, Letter Writing, Music Dressmaking, Primary English and Physical Culture. Total enrolment 66.

The services of Miss Moody of Harvard University summer school of physical education were secured as physical instructor and her efficiency has been been very satisfactory.

In September the prospectus was issued giving an outline of the educational work for the year 1902-3 and containing a full statement of what the Association offers to young women. This prospectus was carefully distributed.

Respectfully Submitted,
E. J. HUNTER,
Superintendent Educational Department.

REPORT OF RELIGIOUS WORK DEPT.

The following is the report of the Religious Work Department:—

Madam President,

The report of the Religious Work Department is presented with deep gratitude to God for all the way in which He has led us during the past year.

A regular Sunday Gospel meeting was held during the winter months of 1901-2 This was changed in the month of March to a Saturday evening meeting instead.

The plan did not prove thoroughly satisfactory and in the autumn of 1902 the Sunday service was again resumed. We are pleased to report that the average attendance has been a little more than twice what it wass when the Sunday service was held before.

The I.W.T. Club for Bible study met regularly during the winter months, and when the class work re-opened in October it was thought advisable, as the opportunity came, to open a second Bible class taking up a progressive Bible study course under the leadership of Miss A. B. Patterson, the I.W.T. Club continuing under the leadership of the Secretary. Enrolment in the elementary class 8; I.W.T. Club 15.

The class work is proving much more satisfactory and the interest manifested greater than ever before.

The anniversary service held the last Sunday in September took the form of a Bible Study rally led by Rev. J.A. Wilson who gave a strong address upon the place of the Bible in one's life. Attendance 120

The world's week of prayer for young women was observed by special services led by Christian workers. Average attendance, 20.

While much has been accomplished the sentiment of our hearts regarding this work is still

"How little we have gained, how vast the unattained." and our prayer is that God may own and bless this work done in His name and for His glory.

Respectfully Submitted,
A. J. ROBERTS,
Chairman.

REPORT OF BUSINESS DEPT.

The following is the report of the Business Department:—

Another year has rolled arond in the history of our Y.W.C.A. Although the days and months have been fraught with varied experiences sometimes on the mountain top and again down in the valley of discouragement, yet we have to acknowledge our Heavenly Father's leading. Since Jan. 1902, 73 new names have been added to membership list and 19 have left town leaving the senior membership at present 172. This with the junior membership, at present 66, makes a total of 238 members. The chief work of the membership committee during the past three months has been in connection with the distribution of the Annual Prospectus which was very carefully done, also the opening reception and Educational Rally held in September. We are very grateful indeed to the general public for their hearty response in complying so generously to the varied calls for contributions. And thus we are able to close the year without a deficit. Our General Secretary, Miss Dixon, has been very faithful in the discharge of her duties, endeavoring to get in touch with as many young women as possible; and although sometimes the work seems to her much uphill, yet eternity alone will reveal the many lives she has brightened by her sympathetic words and earnest prayers. In October the work in the Boarding Home was greatly impeded by Mrs. Morrow's being compelled to resign her position as Superintendent of that important part of our work. We felt as a Board we must be wonderfully crippled, since she has so nobly filled the requirements of that position; but again, as at other times, the finger of God pointed towards another worker, Mrs. Dixon, who has, in the past three months, proved herself abundantly qualified in every way to carry on the work successfully. Closing the Home at Christmas seemed for a time inevitable, owing to many seemingly insurmountable difficulties, but at present, circumstances have turned the tide in favour of continuing this important part of the work, and the demand for it has so increased that it has been continued. We verily believe that when the Home is properly conducted it proves a safe retreat for "The stranger within our gates." Many transients have been in the Home from time to time and have gone away feeling deeply grateful for the kind attention received and also for the atmosphere of security which pervades the Home. We feel safe in following the advice of our late Dominion President, Mrs. Douglas, "Whatever you do keep the Boarding Home open, as this is one of the real necessities of the work." We only wish that the work could be laid before our general public in such a way that a building could be procured whereby all our work might be conducted under one roof. We cannot feel secure in our work until we have a place we can call our own. We are trusting that this appeal may meet with a generouss response.

The following is the financial statement for the Boarding Home for the past year:—

Receipts.

Balance on hand Jan 1st, 1902...$	16 63
Received from boarders	1,434 26
Received from separate meals ...	160 50
License return...	5 00
	$1,616 38

Expenditures.

Rent, wages, provisions, etc... ...	1,592 98
Balance on hand Jan 1st, 1903...	23 40
	$1,616 38

Respectfully submitted,
M. T. JORY,
Supt. Business Department.

In Saturday's report of the meeting the name of Miss Morrow was omitted as having signed the Treasurer's statement, and the name of Miss A. J. Roberts was omitted as a member of the Board of Directors.

Permanent Cure for Neuralgia.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle; it's all right. No Pills like Dr. Hamilton's.

VIOLIN.

Mr. GILBERT MARKLE, Solo Violinist, Scholarship Pupil of Miss Lena M. Hayes, Toronto Conservatory of Music, will receive pupils, until further notice, at Mr. Garvin's offices, Bank of Commerce Building. Terms and dates on application. Also open for engagements at public entertainments.

SOMETHING HOT,

—Invigorating and Nourishing can always be had at Long's. Beef Tea, Armour's Bullion, Tomato Bullion, Oyster Soup, Chocolate, etc., served any way you like, any hour of the day or night.

LONG BROS. TWO STORES
Nos. 396 and 414 George-St.

Persian Lamb Skins Advance
